## August 2016 Newsletter

'Tis the season for back to school and, here at CARP, we are working to make sure that students are ready and prepared for the new year.

**We want to empower students to be global citizens, ready to take on the world!** We want our student to know that there is **more** to life than good grades and a good job.

**To do that, we need your help.**

**Will you STEP UP to be a hero in your community?**

Whether you are a student, young professional, parent, or friend,  
**there is something that you can do.**

We encourage you to pray, read the articles below, and discover how you can give back.

Thank you for all your support and prayers.

~ The CARP Team
