June 14, 2019

Dear Pastors, Community Leaders, Brothers and Sisters,

We truly live in a miraculous time. In just one week, we will welcome our True Mother for a momentous Unity Festival weekend in Las Vegas. And we have exciting news! All young Unificationists are invited to join the festivities and connect with True Mother directly. She is excited to meet you!

So we want to greet True Mother with more than 700 young people. And we have some great options for you. There is a [7-day Youth Revival](#), an "All in" Applied Divine Principle Leadership workshop from June 19-25, and a [3-day Weekend Revival](#) from June 21-23.

These workshops are a wonderful opportunity for all youth in your communities to have a transformative experience as they prepare for True Mother. There's no better way to deepen a heart of Hyojeong than to attend our True Mother directly.

The 3-day Revival Weekend option on June 21-23 is open to all youth and young adults as well as friends of faith, ages high school and up. The program includes Meeting with Sun Jin Nim, Summer Solstice concert, and of course, attending the Rally with True Mother, and the Victory celebration together with the 7-day participants. This 3 day workshop is such a special opportunity to inspire young people and to connect their heart with the larger providence. To register for this workshop or the one day experience, please register [HERE](#).

If you are 18 to 40 years old, consider the 7-day Revival on June 19-25. This is the most comprehensive workshop for up and coming young leaders and encompasses both spiritual and practical leadership training. This 7 day workshop is one of the best ways to experience the Unity Festival centered on the rally with True Mother. It covers access to all the major events, meals, housing, onsite transportation, and program fees for the week. This is a chance of a lifetime, so register [HERE](#).

Please answer True Mother's call! She is always investing in our youth and wants to see you there. Let's attend True Mother and bring a smile to her face and joy to her heart.

See you in Las Vegas!
