Peace Talks

We are pleased to announce a "Peace Talks" Webinar organized by UPF - Central Europe, to be held on **Monday, June 15, 2020 at 16:30 PM (Central European time and 10:30 EST New York time).**

The theme of the Webinar is:

EUROPEAN VALUES AT THE TIME OF THE COVID 19 PANDEMIC

Backgrounder: As we consider the kind of work that will emerge from the current Pandemic, we need to ponder the issues of values as far as the future of Europe is concerned. We are living in a time when doubt is being cast on current values and they are being relativized. Are there any common European and universal values at all? What cultural legacy did Europe create and what will it leave for the future generations? What are the roots of the European culture and values? Are these values connected to the religious freedom, which is the foundation of all freedoms? Is there any meaning to speak about family values in modern Europe today? Is Europe before decline and extinction?

The speakers will cover 3 areas:

1. The roots of the European values and cultures
2. Religious freedom as a fundamental democratic freedom
3. Family values in contemporary Europe
