November 3, 2015

Dear Brothers and Sisters,

As we continue forward with a renewed determination to bring victory for Vision 2020 in America, to bring 2015 to a victorious close, and to welcome a glorious 2016, we wanted to announce several new appointments to a district leadership position in the Family Federation for World Peace and Unification, USA.

Rev. Young Tack Yang, until recently the regional president for the Middle East, has been appointed to the position of District Pastor in District 12, covering the communities in Southern California and Arizona. We are delighted with this addition to the leadership team in District 12, and we are confident that Rev. George Kazakos, who remains the Senior Pastor of the Los Angeles Family Church, and Rev. Yang will successfully work together to lead the district to great development and growth.

Rev. Kazuo Takami, until recently the District Pastor of District 7 based in Chicago, has been appointed to the position of District Pastor and State Director for Hawaii, and will be based in Honolulu. He is looking forward to accomplishing the vision True Mother has for Hawaii, to develop an outstanding presence of the Family Federation with outreach to families of all backgrounds.

Rev. Edner Pierre-Louis, has been appointed as District Pastor for District 2, stepping in to the position left vacant with the outgoing District Pastor, Rev. Andy Compton's assignment as IPEC Education Director in Las Vegas. Rev. Edner, along with his wife Rev. Juanita, have been active in the leadership of the Harlem Family Church. He comes to this position with many years of experience in the New York ministry.

We wish all of them success in their new missions and pledge our support. Following are short introductions for each of these new leaders.

Let us continue our efforts during these final months of the year with a renewed commitment to Heavenly Parent and True Parents, for sake of America and the World.

God bless you and your families,

Dr. Ki Hoon Kim
