### 3. Ancestor Liberation and Blessing Ceremony (Generations 1-210)

- A. For the ancestor liberation, please offer a 21-day condition of devotion (breakfast fast or 50 bows), regardless of the number of generations you are liberating.
- B. The ancestor blessing ceremony will be held once a month. Ancestors from generations 1-210 can receive the ancestor blessing if at least 100 days have passed from the day they were liberated, and if the liberation donation has been fully offered. An ancestor blessing ceremony will be held on the third weekend of each month. In February, May, August, and October, the Ancestor Blessing Ceremony will be held during the Special Great Works workshop.
- C. Ancestors who have become Absolute Good Spirits will go to their descendant's home 40 days after the Ancestor Blessing Ceremony. It is appropriate to conduct a simple "Welcome Home" service.
- D. Please prepare holy robes and a blessing ring when you attend the Ancestor Blessing Ceremony.
- E. Members from all over the world who cannot come to Cheongpyeong may apply to do the ancestor liberation and ancestor blessing ceremonies from their countries. For further details please check the Cheongpyeong website:

There is no required liberation donation for this grace. Once you bless generations 204-210 of your ancestors, the ancestor liberation ceremony for the next 7 generations, 211-217 will be done automatically.

- B. If you then bless generations 211-217 of your ancestors in the same manner, the registration of the ancestor liberation ceremony for the next generations, 218-224, will be done automatically.
- C. From February to June 2018, for 5 months, ancestor liberation ceremonies for generations 316-322 and ancestor blessing ceremonies for generations 309-315 are being conducted.
