Re. : August Workshop at the HJ Heaven and Earth CheonBo Training Center

May the blessings and love of our Heavenly Parent and True Parents be with all mission nations.

In order to prevent the spread of COVID-19, the 2-Day Workshop for August will be held on **August 15 (Saturday) only**. The 40-day workshop has been officially postponed until the COVID-19 situation is more under control.

Also, those members who wish to register as having completed the Blessing of 430 Generations of Ancestors must complete the Liberation and Blessing of all 430 generations by this August workshop to be eligible for the upcoming "CheonBo Entry Evaluation," which will be held in September during the events to mark the anniversary of True Father's Holy Ascension.

There is no change in the registration procedure. International members may continue to apply for ancestor liberation and Blessing via airmail or email. We seek your sincere understanding.

Please note that this official memo is intended for members living outside of Korea and Japan.
