Re. : Schedule and Applications for the Blessing Ceremony for Unmarried Ascended Blessed Children

May the blessings and love of our Heavenly Parent and True Parents be with all mission nations.

In February 1999, True Parents said, "Let the children, who were born as 2nd or 3rd generation of blessed families and who ascended before receiving the Blessing, grow and receive the Blessing Ceremony."

Also, in April 2016, True Parents said, "Hold a Blessing Ceremony for unmarried spirits every 3 years in Cheongpyeong Heaven and Earth Training Center, and have Director Ki-Seong Lee preside over their engagement ceremony." In accordance, we held a Blessing Ceremony for Unmarried Blessed Children in the Spirit World in December 2017, and it is a pleasure to announce that we will be holding the next Blessing Ceremony for Unmarried Ascended Blessed Children this December 2020, which is exactly three years since the last occasion.

Among those blessed families who have liberated their blessed children in the spiritual world and would like them to receive the Blessing, please refer to the criteria below to check whether they are eligible for this Blessing. Please make sure you register before the deadline.

Please note that this official memo is intended for members living outside of Korea and Japan.

7. For those candidates who could not yet be matched

A. Recently, the number of sisters who ascended to the spirit world is much lower than that of brothers. Acknowledging this situation, on August 5, 2017, **True Mother allowed the Blessing of unmarried 2nd and 3rd generation brothers in the spiritual world to 1st generation sisters in the spiritual world born from previously married blessed couples, single blessing couples, and spirit world and physical world blessed couples. This, however, is possible only if the family of the blessed child are willing. In this case, the couple will be considered a 2nd generation couple.**

If you wish your son to be matched to a first generation single sister in the spirit world in case a matching to a 2nd generation sister has not been possible, please mark the box **“Possible to be blessed with a first generation single sister in the spirit world”** in the matching application form (If you do not mark this box, you can re-apply for the matching in 3 years’ time).

B. If you are a Previously Married Blessed Couple / Single Blessing / Spirit World and Physical World Blessed Couple that has liberated a first generation single sister in the spirit world (daughter/granddaughter), and wish to bless her with a 2nd generation brother in the spirit world, please fill out the matching application form. **However, please read the required conditions below:**

Matching Conditions for 1 st Generation Single Person in the Spirit World		
1	Age, Gender	The age of the sister in the spirit world should be between 16 and 47 years old according to <i>earthly</i> age (Her birthday should be between January 1, 1973 and December 18, 2004).
2	Day of Liberation	She should have been liberated before July 22, 2020.
3	Eligible Candidates	<ul style="list-style-type: none"> - First generation daughter or granddaughter of a blessed couple that was married prior to joining and receiving the Blessing - First generation daughter or granddaughter of a single blessing couple (that is, of the person on earth) - First generation daughter or granddaughter of a ‘spirit world and physical world blessed couple’
4	Blessing Donation of Gratitude	Check the donation table in number 5, above : as the couple will become a 2nd generation couple, this person’s donation standard becomes the same as for the 2nd generation candidates.

*** Application method is same as the application for ‘Blessing Ceremony for ascended unmarried blessed children.’ (Deadline: October 31, 2020)**

8. Points to consider

- A. Parents who applied for the liberation of the blessed children should apply for their matching and participate in the Blessing Ceremony. In an unavoidable situation where the parents cannot participate, a family member 18 years of age or older or a church leader may participate on their behalf.
- B. Also, in the case of parents who have liberated their ascended blessed children, but cannot attend as they have also ascended, and thus, cannot apply for the matching, it is possible for a member who can be responsible for the blessed child in the spirit world to apply and bless the child on behalf of the parents.
- C. After the match has been confirmed (after submitting the application form), it is not possible to cancel

for any reason. Please consult carefully with your family members before applying so that it can be a precious Blessing Ceremony for everyone.
