Re. : Extension of the Special Grace for Ancestor Liberation and Ancestor Blessing

May the blessings and love of our Heavenly Parent and True Parents be with all mission nations.

As part of True Parents' grace, the Special Grace period for Ancestor Liberation and Blessing Ceremonies for up to 430 generations of ancestors held at the HJ Heaven and Earth CheonBo Training Center was originally to continue until the 9th Anniversary of True Father's Holy Ascension, which we recently celebrated. However, this special grace will be extended for one more year. Please find the pertinent information below.
(Note: This official memo is intended for members living outside of Korea, Japan and Taiwan.)
