Introduction

## ***Introduction***

- The History of **Divine Principle**
- **The Bible** is a live text, even after 2000 years
- So is and will DP be for thousands of years ahead!
- It's the eternal timeless TRUTH that keeps them both eternally alive.

## ***Introduction***

- **The Bible and Divine Principle are not just Great Books**

### **They are Our Daily Life!**

- As soon as truth is discovered it enters immediately into reality.

## ***Introduction***

### **Power of the Word**

- The Fall of Man started because Man listened to the Wrong Word – satans!
- The New Word = Truth, Bible + Divine Principle will bring Man out of the Fall and that error.

“There are **two** ways to be fooled.  
One is to believe what isn't true;  
“the other is to refuse to believe what is true.”

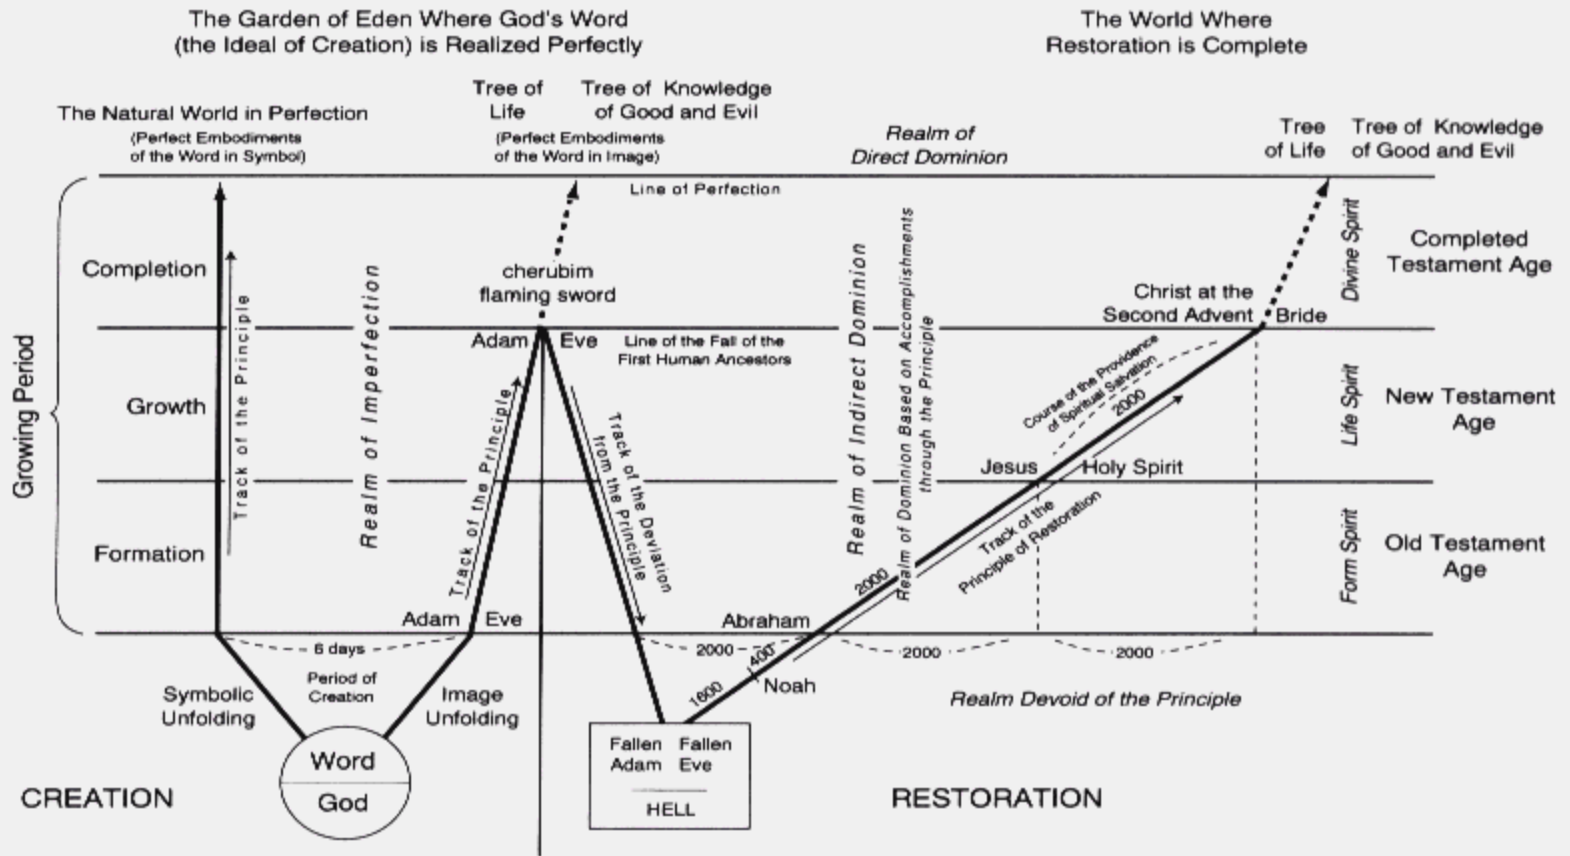

— Søren **Kierkegaard**.

What do the words “Principle of the Unification Church” mean?

Why is it called the Principle?

The purpose of the Principle is to show clearly the borderline between the realm of dominion based upon accomplishments through the Principle and the realm of direct dominion.

**Chart 1: The Unfolding Manifestation of God's Word  
in the Creation of the Universe and the Providence of Restoration**

The Unification Principle connects everything by the laws of nature.

That is why it is called the Principle.  
It is Heavens Principle.

That is to say, it is the eternally unchanging Principle.  
The Principle is not a doctrine.  
It is not a doctrine of the Unification Church.  
It is not a doctrine taught by True Parents.

The Principle is Heavens law.

(301-034, 1999.04.16)

“I believe in God -  
who reveals himself in the orderly  
harmony of the universe.”

**Albert Einstein**

Adam and Eve, as firstborn children, had to grow through the stages of formation, growth and completion.

This is the way of the Principle.

Even within the realm of indirect dominion, human beings must fulfill their portion of responsibility if they are to perfect themselves.

It means that **until you reach maturity you should never have a love relationship.**

# Divine Principle Study Guide 1,2 & Q&A

True Father told us that the other name for Principle is 'Natural Law'  
The Principle is not a religious dogma that has to be taught only within  
the Unification Church.  
Instead it is the Natural Law created by God for everyone to obey. p.50

- Sun Myung Moon quote 1952  
"Today, May 10 is a very important day.  
When I came here from North Korea, I started writing  
a very important book, and today I finished it."

He spoke of the original text of Principles. (1952)  
*Wolli Wonbon, or Original Manuscript of the Principle.*

## ***Introduction***

- The value of the Principle is demonstrated in the fruitful lives of hundreds of thousands of people around the world who are guided by its insights.
- Furthermore, the Principle provides the inspirational foundations for dozens of projects to benefit humankind, from inter-religious, cultural and scientific initiatives to relief programs, educational institutions and quality publications.

  - Formation – Growth - Completion

- Four positions
  - Four Great Realms of Heart,
  - Three Great Kingships
  - Realm of the Royal Family
- **Spiritual Fall – Physical Fall**

  - THE MESSIAH – Jesus & SMM
  - Spirit World
    - Resurrection for People on Earth
    - Resurrection for Spirits
  - Unification of Religions
  - Predestination
  - Value of a Person Who Has Realized the Purpose of Creation

## ***Introduction***

- **Responsibility** (Collective Sin)  
...although the life of Jesus should not have had any connection or relation to sin, but should have been teeming only with goodness and joy,  
Satan invaded Jesus' life,  
because John the Baptist did not complete his responsibility.

## ***Introduction***

- Principles of **Indemnity**  
(Original, Collective, Ancestral, Personal Sin)

Due to the fall of man, Satan trampled on humankind and is dominating all over the land.

To reverse this, we must rely upon the **principles of indemnity**. Because humankind was trodden on by Satan, even if Jesus does not help and the Holy Spirit and God do not help, **humankind must subjugate Satan with their own hands.**

Sitting with medium Arthur Ford 1965

Col. Pak: You are speaking of New Revelation: that means you are speaking of - you refer to the Divine Principles brought by Sun Myung Moon?

Fletcher: That's a part of it, yes, but even Sun Myung Moon has not exhausted the possibilities of the Divine Mind. He is, and - as long as he lives will continue to be, a channel for revelation.

Sitting with medium Arthur Ford 1965

Col. Pak: The channel never ceases to flow;  
the fountain never dries up....

Always it will be the Spirit of Truth, who is not limited in any direction by either a group, a man, or anyone else – he uses one man or he may use a million men, but he is never limited.

The Spirit of Truth, like the sun, will light the whole world.

## ***Introduction***

- **Principles of Restoration**

...after all earthly people are restored, it will take a long time for the spirit world to be completely restored because there are so very many spirits who must be restored through the principle of resurrection through people on earth.

It will be much faster for earthly people to be restored.

The number of spirits is very great.

And they must go through the resurrection in an indirect way.

/SMM March & April 1965

## ***Introduction***

- **Principles of Restoration**

For us to fulfil this mission there are two means:  
one is Divine Principle for the Christian nations,

the other is anti-Communist theory for the Communists.

Are you confident and do you believe that we can restore  
Christians through the Divine Principle?

Can we destroy Communism through anti-Communist  
theory? – (*Done 1992!*)

## ***Introduction***

- This life that you have been experiencing is not real life. You can't see clearly from the spiritual perspective. You are such incredible people. You haven't even scratched the surface of the Principle of Creation about who you are. (Crying)
- Even our True Father is not at his full potential. He grew up in this evil world. He was completely surrounded in an environment of evil all his life. He could be ten times greater than he is if he hadn't grown up in this world. And every one of you has that potential now, too. Heavenly Father made you in His image. Oh, you don't know what that is. You haven't been able to experience God.

/Heung Jin Nim Moon Oct 1987

- I didn't speak the Divine Principle first, then tested it out.

**No, first I tested it and proved it,  
got the approval of God and of Satan,**  
and then I spoke it and taught it to you

Therefore, nobody can deny it.

## *Introduction*

- Principles of Restoration

The spiritual realm is the archangel realm. The archangel was supposed to help in Adam's perfection. The original creation was brought about with the help of the archangel. Therefore, the spiritual realm has the condition to assist in the re-creation at this time. In this Principle all you need to do is pass through one marriage ceremony.

Therefore, **the spiritual realm has the condition to assist in the re-creation at this time.** In this Principle all you need to do is pass through one marriage ceremony.

Centered upon that, everyone who participates in that is restored back to Heaven, because **in the very beginning the wrong marriage was the cause of all misery.** Now, in order to repair that, it is necessary to go through the right marriage ceremony. Do you follow?

- **Principles of Unification**

Where should we pull the Republic of Korea to? We have to lead her to the garden of love, not to the garden of power and not the garden of falsehood. North and South Korea will be dealt with properly when we lead them to the garden of true love. Unless we treat them as brothers centered on common parents, the world of peace will not come about.

- Abel came to exist to restore the parents.
- Through the fall, human beings lost all things, substance and love, (만물, 실체, 사랑을 잃어버렸다), which must be restored.
- To have lost 'love' means false parents came to appear, and we understand the principle that in order to restore relationship with true parents, Abel and Cain must be united and stand in such a position.

## ***Introduction***

- In the Divine Principle words we see in Part II the prophecy about the third world war.

Depending on the human portion of responsibility that war may be an actual war, or it may be a conflict of ideologies.

But the Divine Principle says that a third world war must come, one way or another.

## ***Introduction***

- In this incredibly important time, Father, who is responsible to save the world, pushed himself way beyond his limits. He went back and forth between Korea and the United States. And as soon as he would arrive, he would have assemblies, and he would speak for three hours, four hours, and he would have Hoon Dok Hae for 13 hours, 14 hours, 15 hours. I've been attending True Parents for the last year and a half, and this is how it has been continuously.

And you shall know the truth, and the truth shall make you free.

From Prof. Ohs lecture 2012

Quotes only available in Korean:

1. I (SunMyungMoon) was born without any trace of the Fall. (2009.7.7)
2. I was born unrelated to the fallen blood lineage.(2009.7.7)
3. I was born without original sin.(2010.7.7)
4. I was born as the direct son of God. (2010.4.13)
5. I received God's Heavenly seal from birth. (2011.3.5)

Professor Oh's quotes come from his own research on Father, done in Korean and then translated to English.

I estimate that about 0.5% of what is available in Korean is available in English.

Unfortunately, even if you speak Korean, not much of that content is available publically online.

After he came to South Korea, from May 11, 1951 to May 10, 1952, for one year, Father wrote the original text of the Divine Principle.

Then the next year, starting in July 1953, he began to preach his new words.

1953 was the year during which Father was 33 years of age, exactly the age at which Jesus left this world.

There is no insinuation of "Divine-ness" implied in the Korean word; only the conviction that a human being must live according to what is best and highest if he is to be just.
