Introduction

- The Human Physical Body is a very Powerful tool for paying Indemnity: Fasting
Controlling eating, Sleep and Sex,
Prayer, Living for Others
resulting in Ressurrection and Salvation.
- **Christ needs a 100% Holy Physical Body**
to give Physical Salvation,
and conclude the Messianic Providence
started by Jesus 2000 years ago.

The **lack of** Physical Salvation

(=children born with Original Sin) during 2000 years of
Christianity is a clear evidence of this!

Introduction

1 Corinthians 6:19-20

Or do you not know that your body is a temple of the Holy Spirit within you, whom you have from God? You are not your own, for you were bought with a price. So glorify God in your body.

1 Corinthians 3:16-17

Do you not know that you are God's temple and that God's Spirit dwells in you? If anyone destroys God's temple, God will destroy him. For God's temple is holy, and you are that temple.

Introduction

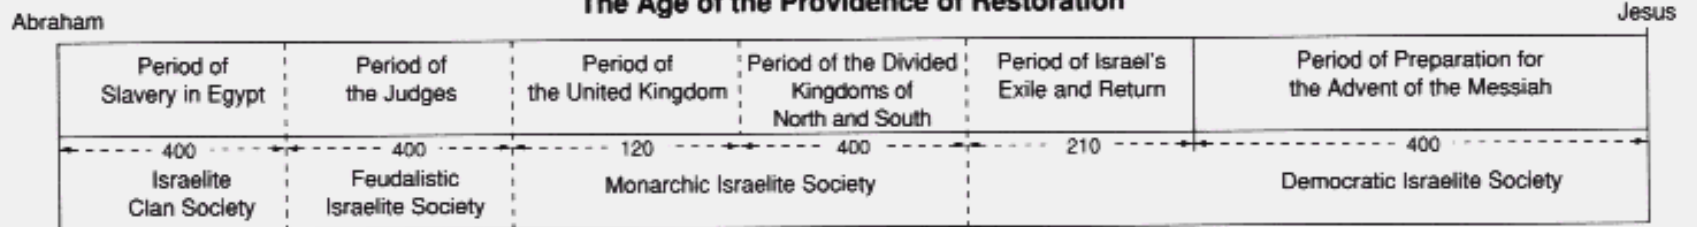

- As Abraham was asked to offer his son Isaac body!
- As Jesus showed through his voluntary death/resurrection from the Cross, leading to 2000 years of Spiritual Salvation.
- As Christian martyrs showed, during first 400 years of Christianity, starting with the stoning of Stephanus, witnessed by Saul, later St Paul.

The cross you carry isn't bad.
The true path of the cross will lead you to the true path of love. Parents walk willingly the path of the cross for they love their children. Isn't this right? So, the true path of the cross will lead you to the true path of love.

Introduction

- Jesus only achieved spiritual salvation for Mankind through the Cross.

Proof: Personal Salvation through Jesus have to be repeated generation after generation.
No Christians however devoted and good can give birth to children without original sin
= Physical Salvation.

Introduction

- the Crucifixion was satans invasion on Jesus Physical Providence for e New Mankind on Earth and in Heaven
- Jesus Body and His Holy Seed = New Sinless Mankind was destroyed and required a Second Coming.
- The Resurrection of Jesus opened the door to Spiritual Salvation.
- It was the Pure offering of his Holy Body that made Spiritual Salvation possible during 2000 year of Christianity.

- Saint Paul said clearly we are all sinners with only exception being Jesus.

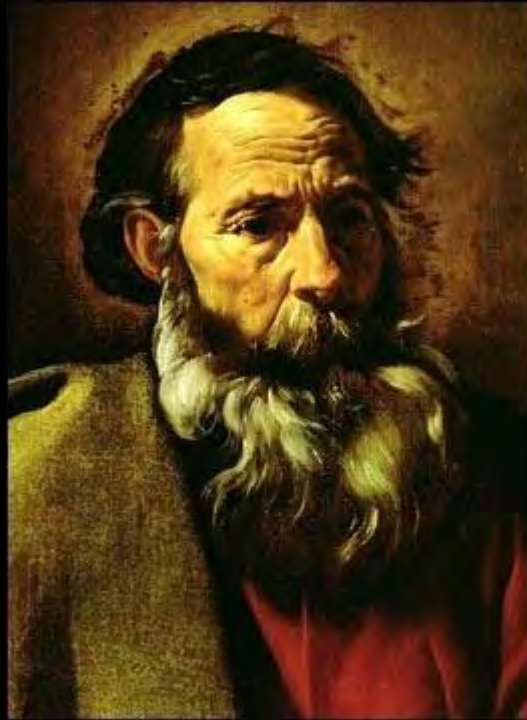

“For all have sinned and do need the glory of God.”
Rom. 3:23

Apostle Paul

... through the original sin
none is righteous,
NOT ONE PERSON.

Rom. 3:10

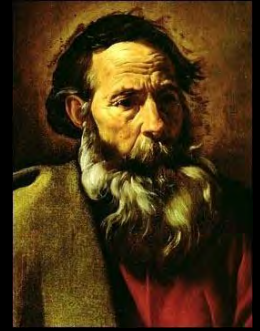

**It means that all have a
common guilt,
a common sin.**

• **1962:** I bear witness to the fact that **the Old Testament and the New Testament combined are not sufficient to live by** in the New Cosmic Age we have ascended into.

To be saved, every man, woman and child must commence their mission before they leave this earth plane. And before they can do this they must find the reason for the original sin and what original sin is.

Perfection and resurrection can only be achieved through work and that work must be done in the body, the spirit of Truth demands it.

Apostle Paul

Paul 9.11.2001 "I recognize the importance of human responsibility."

Now after learning the Principle, I became even more confident that the Apostle Paul's traditional view of God was very mistaken.

We necessarily should have attended God, the resurrected Jesus and the Messiah.

Individual responsibility of 100% is of tremendous importance for God's providence.

I promise to study the Principle and lead Christian believers here in the right direction. I have been making thorough preparation for accomplishing my assigned mission.

New Book 2013

- The stain of the Original Sin on the lineage of Man remains across the generations.

A

St Paul /Rom 7:15,18,19

¹⁵For that which I do, I know not. For what I would do, that do I not; but what I hate, that I do.

¹⁸For I know that in me (that is, in my flesh) dwelleth no good thing; for to will is present with me; but how to perform that which is good, I find not.

¹⁹For the good that I would do, I do not; but the evil which I would not do, that I do.

B

²⁴O wretched man that I am! Who...

Comment: Who...apparently
(for Paul) not enough the salvation by Jesus on the Cross.
No one knew better than St Paul the Greatest of all
Christians, the redeeming power of Jesus' sacrifice on the
Cross.
STILL he clearly states WHO?...

...shall deliver me from the body of this death?*

C

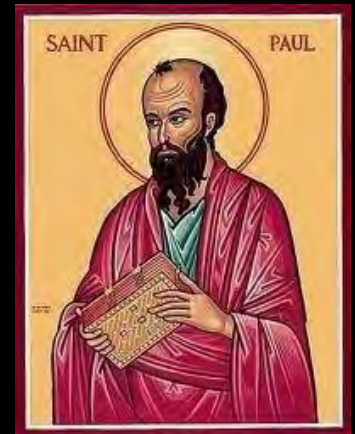

²⁵I thank God -- through Jesus Christ our Lord!
So then, with the mind (Spiritual Salvation)
I myself serve the law of God,
but with the flesh (=Physical Salvation needed)
the law of sin.

D

Jesus said unto him, Let the (spiritually) dead bury their
(physically) dead:
but you (spiritually & physically alive)
go and preach the kingdom of God.

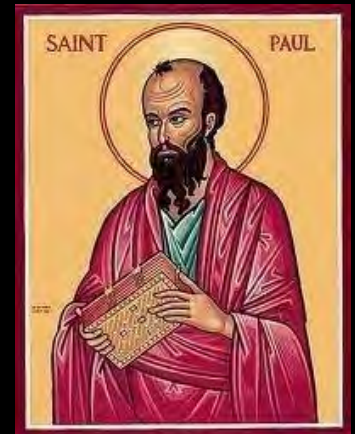

1962

The Jews **fell away because they thought that the Old Testament was sufficient for them.** Their rejection of Jesus is proof enough **they were blinded** to the fact that He was the fulfilment of the scriptures.

I bear witness to the fact that the Old Testament and the New Testament combined are not sufficient to live by in the New Cosmic Age we have ascended into.
To be saved, every man, woman and child must commence their mission before they leave this earth plane.

1962

And before they can do this they must find the reason for the original sin and what original sin is.

Perfection and resurrection can only be achieved through work and that work must be done in the body, the spirit of Truth demands it.

2001

Faith is truly a mysterious and inexplicable thing. Just after seeing and experiencing the resurrected Jesus on my own, I finally could **discard everything that I had theretofore believed.**

I gave up everything and I wrapped myself in the resurrected Jesus.

2001

Now after learning the Principle, I became even more confident that the Apostle Paul's traditional view of God was very mistaken. Whenever people frustrated God's Will, they prolonged the history of the Dispensation for Restoration, requiring a new central figure. In other words, I became well aware of **the importance of human responsibility.**

End.

A spirit fully matures as a divine spirit when the person's spirit self and physical self unite through perfect give and take action centered on God and form the four position foundation.

A divine spirit can accurately feel and perceive every reality in the spirit world.

As these spiritual realities resonate through the body and manifest themselves as physiological phenomena, they can be recognized through the five physical senses.

People of divine spirit, who thus resonate with the spirit world (five spiritual senses), build the Kingdom of Heaven on earth.

When they shed their physical bodies, they will make a smooth transition into the Kingdom of Heaven in the spirit world.

For this reason, the Kingdom of Heaven in heaven will be realized only after the Kingdom of Heaven on earth has been established.

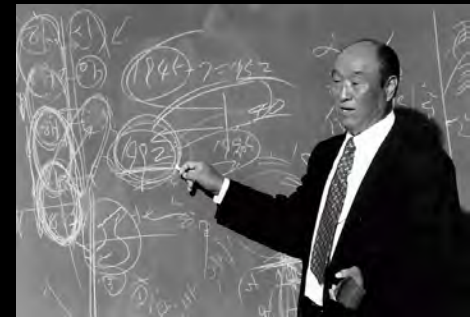

Divine Principle: p.278

Just as Joshua succeeded to Moses' mission and completed the third national course, Christ at the Second Advent will succeed the mission of Jesus.

He will complete, both spiritually and physically, the third worldwide course to restore Canaan.

Accordingly, unless the returning Christ comes in the flesh, as Jesus did, he cannot inherit Jesus' mission, much less fulfill the purpose of the providence of restoration. /DP Color vers.

Divine Principle: p 280

Even though we may by faith unite with Jesus in spirit,
our bodies are still liable to Satan's attack,
as was the case with Jesus himself.

In other words, our physical salvation still remains
unaccomplished.

/DP Color vers.

Old Test. Offering

Abraham
Isaak

The significance of making the offering is to cut the parts in two, so that one is under God's claim and the other under Satan's claim.

In that case both the offering and the man who offered the sacrifice must become entirely one.

The man who offers the sacrifice is in the subjective position, while the offering is in the objective position!

Without these two united into one,
the purpose of the offering cannot be attained.
The offering being in the objective position to man as
the subject, it can represent the person's flesh-body.
The thing being offered (i.e., the animal) has to shed
blood in place of sinful man.

In other words, the offering is in place of man -- representing man.

/SMM 1973 Jan 19

New Test. Offering

No human in the Old Test. had the purity of Animals
Who are unfallen.

Only Jesus born without original sin had the spiritual position
to become the living holy offering – Crucifixion.

That is 2000 year of Christian teaching!

A valid payment for mans sin and spiritual redemption
But also a sad ending of the potential mission of
True Parents - Jesus & Bride 2000 years ago. (DP)

Mathew 8:18 Verily I say unto you,
Whatsoever ye shall bind on earth (with your physical body)
shall be bound in heaven (life in spirit world):
and whatsoever ye shall loose on earth (remove all evil)
shall be loosed in heaven.

Mathew 5:48 Be ye therefore **perfect**, even as **your**
Father which is in heaven is **perfect**. (100% without Sin)

Comment:

Interestingly the Physical Body plays a major role both in the Salvation from Jesus and SMM.

Jesus willingly gave up his young HOLY PHYSICAL BODY for the ransom and Salvation of Mankind.

SMM willingly went through torture and imprisonment 6 times as a LIVING PHYSICAL sacrifice (surviving) for the payment of giving the Blessing.

With the physical body (seed + egg) you can give birth to a NEW SINLESS lineage, free of original sin.

Jesus established the First Blessing Individual Perfection, but only in Paradise where he went.

All who follow Jesus can be saved, that is true to a life with him in Paradise.

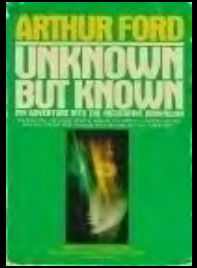

The Physical Body still remains in satans domain!

The Holy KoH and the three great Blessings must first be established on Earth.

That is why the Messiah is needed again on earth in Physical form.

Transfiguration Elijah, Jesus divine Spirit, and Moses with the three apostles.
New direction of Providence according to DP
Only Spiritual Salvation - and Paradise after death - Second Coming needed.

The Jesus of Galilee will not return - it is not necessary.

The Christ who manifested through him is the Eternal – he will manifest again.

Mr. Moon in deep meditation can project himself and be seen just as Jesus has been able to project himself and be seen by the saints.

This is one of the marks - of the messiahs always.

"During the four years I lived in Seoul church,
under the same roof as Sun Myung Moon.
At one point, I returned to clean my own home for a week.
Someday when I brushed the entrance, so appeared,
he suddenly in spiritual form, full size in front of my door.

I had never before seen such a vibrant spirit before.

He told me that he woke up every morning and looked out over the Han River, and longed for my return.

He missed me and wanted me back would live in the church, even though I only been gone a week. "

My Comment:

Man was created to fulfill the 3 Great Blessings according to the Bible and DP.

In order to do that the removal of Original Sin is needed.
= a new start at the level of first Adam, before the fall.

Still mans own responsibility is needed to make him/her qualified as the ruler of both world.

In order to qualify only the Original Sin is removed by the Messiah, and the 3 other sins remain as fallen mans own responsibility to fulfill and qualify.

Can you imagine a more frustrating experience than the one God had?

Here is God who among all the peoples in the world chose the Jews to become "His own people" because they were the only ones who in the old days had kept the belief in One God.

He made a covenant with them (Abraham), freed them from slavery in Egypt, gave them a unique law, gave them a beautiful land, educated them, blessed them and forgave them their many sins.

But when He finally comes to visit them in human form in Jesus to bring them eternal life they reject Him and kill His body.

5 And they came over unto the other side of the sea, into the country of the Gadarenes.

2 And when he was come out of the ship, **immediately there met him out of the tombs a man with an unclean spirit,**

3 Who had his dwelling among the tombs; and no man could bind him, no, not with chains:

4 Because that he had been often bound with fetters and chains, and the chains had been plucked asunder by him, and the fetters broken in pieces: neither could any man tame him.

5 And always, night and day, he was in the mountains, and in the tombs, crying, and cutting himself

⁶ But when he saw Jesus afar off, he ran and worshipped him,

⁷ And cried with a loud voice, and said, What have I to do with thee, Jesus, thou Son of the most high God?

I adjure thee by God, that thou torment me not.

⁸ For he said unto him, Come out of the man, thou unclean spirit.

⁹ And he asked him, What is thy name? And he answered, saying,

My name is Legion: for we are many.

¹⁰ And he besought him much that he would not send them away out of the country.

¹¹ Now there was there nigh unto the mountains a great herd of swine feeding.

¹² And all the devils besought him, saying, Send us into the swine, that we may enter into them.

and were choked in the sea.

When are the other 2 sins removed?

When are all 4 fallen natures removed/restored?

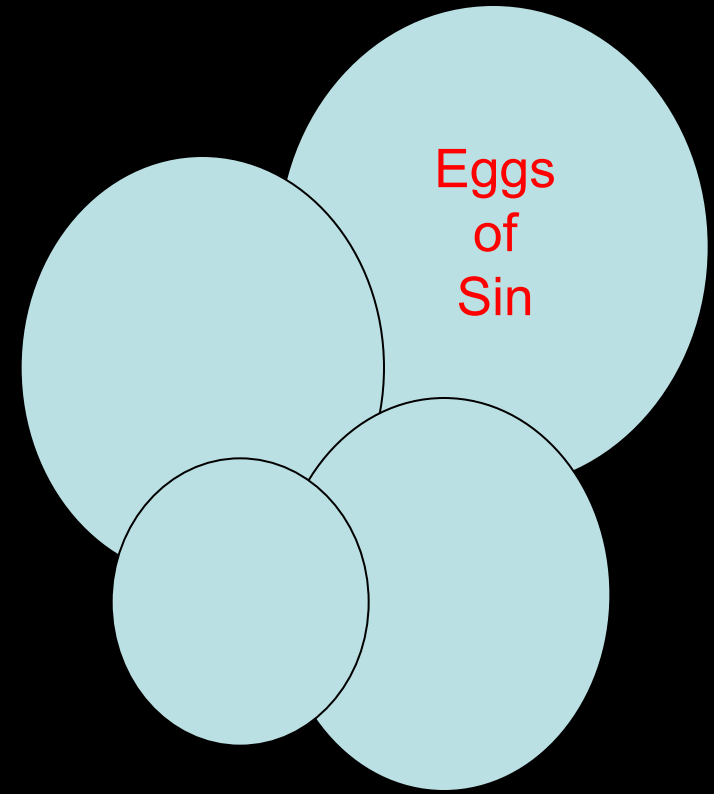

Why do 2nd 3rd ...Gens. still need Blessing?

My view is that collective sin will be done with when Korea is united as one country, accepting on a broad level TP as 2nd Coming.

How are we going to settle down, avoiding compromising our traditions with the seven tribes of Canaan?

It will take three generations of children to become the meritorious subjects of the spirit world, so even if parents die, they must hand on the heavenly tradition.”

DIVINE
PRINCIPLE

THE LIMIT OF SALVATION THROUGH REDEMPTION BY THE CROSS, AND THE PURPOSE OF THE LORD'S SECOND ADVENT

If Jesus had not been crucified, what would have happened? He would have accomplished the providence of salvation both spiritually and physically. He would have established the Kingdom of Heaven on earth which would last forever.

God first created man's flesh with the earth,
and then He breathed into his nostrils the breath
of life and made him into a living soul (Gen. 2:7).

Man was created to have both spirit and body;
his fall also came about both spiritually and physically.
Naturally, salvation must include both spirit and body.

To believe in Jesus means to become one body with him; therefore, Jesus likened himself to the true vine, and his followers to its branches (John 15:5)

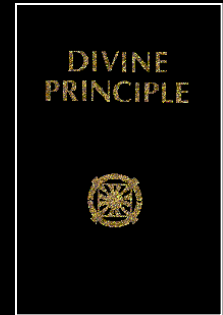

Jesus said this because coming in the flesh, he wanted to save fallen men both spiritually and physically.

If they had become one with him in both spirit and body by believing in him, fallen men could have been saved both spiritually and physically.

In this manner, however devout a man of faith may be, he cannot fulfill physical salvation by redemption through Jesus' crucifixion alone.

Since the original sin lineally transmitted from Adam has not been liquidated, any saint, however devout he may be, still has original sin and cannot help giving birth to the children of original sin

BIBLICAL VERSES WRITTEN AS IF JESUS' CRUCIFIXION WERE INEVITABLE

Jesus was then resolved to take the cross as the condition of indemnity to pay for the accomplishment of even the **spiritual salvation** of man when he found that he was unable to accomplish the providence of both spiritual and physical salvation (Luke 9:31).

Knowing that the disbelief of the people was at that point inalterable, Jesus chose the way of the cross in order to establish the foundation of the providence of **spiritual salvation**, leaving the providence of physical salvation to the time of the Second Advent.

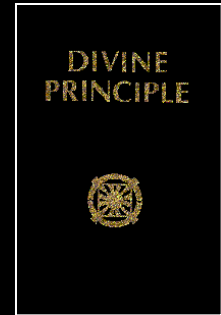

Therefore, Jesus meant by the words "it is finished" that he finished establishing the basis for the providence of **spiritual salvation** through the cross, which was the secondary providence of salvation.

THE REASON THAT JOHN THE BAPTIST WAS ELIJAH

we know now that Elijah descended in spirit to John the Baptist. By cooperating with John the Baptist he tried to accomplish his mission, which he had left unaccomplished during his physical life on earth, through the physical body of John the Baptist.

John the Baptist was in the position of representing Elijah's physical body, making himself identical with Elijah from the standpoint of their mission

Third, let us study man's value from the standpoint of the relationship between man and the rest of creation.

By understanding the relationship between man and the rest of creation, according to the principle of creation, we can better understand the value of perfected man.

Man was created to rule the invisible world with his spirit, and to rule the visible world with his physical body.

Therefore, the man who has attained the purpose of creation becomes the ruler of all creation (Gen. 1:28).

Thus, man is to rule both the visible and the invisible worlds, with his physical body and his spirit.

Thus, these two worlds form a substantial object to God by performing the action of give and take, with man as the medium.

PROVIDENCE OF RESTORATION CENTERING ON MOSES AND JESUS

When Jesus was crucified, the curtain between the holy place and the most holy place was torn in two, from top to bottom (Matt. 27:51), meaning that by the completion of the providence of spiritual salvation through Jesus' crucifixion, the way to communicate between the spirit man and the physical man, and between heaven and earth, opened up.

Due to Moses' twice striking the rock externally in rage against the faithlessness of the Israelites, his flesh was invaded by Satan

This foreshadowed the possibility that when Jesus, the substantial Rock, would come, his flesh might be invaded by Satan by the crucifixion, because of the people's disbelief, thus learning unaccomplished the worldwide restoration into Canaan physically.

In this case, he would accomplish it only spiritually.

Therefore, the Lord of the Second Advent must come to restore the whole of mankind to be children of God's direct lineage.

Consequently, he must be born on earth, in flesh, as Jesus was.

By so doing he must restore through indemnity the course of Jesus, by walking it again.

DIVINE
PRINCIPLE

Therefore, the Lord of the Second Advent must engraft the whole of mankind both spiritually and **physically** on this foundation, he must restore them to be children of God's direct lineage, having removed the original sin.

The physical body of Jesus was delivered into the hands of Satan as the condition of ransom for the restoration of the Jews and the whole of mankind back to God's bosom; his body was invaded by Satan.

Naturally, the physical salvation of mankind was left unfulfilled, and Jesus died, promising it would be realized when the Lord would come again

As in Jesus' coming, he must come as a man perfected both spiritually and physically.

Making the whole of mankind become one body with him by engrafting them to him both spiritually and physically (Rom. 11:17),

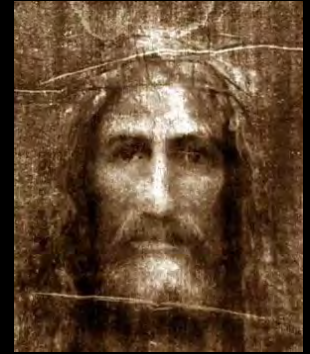

he must make them become perfect both spiritually and physically, thus making them able to dominate both the invisible and the visible worlds.

DIVINE
PRINCIPLE

since the salvation through Jesus' cross is only spiritual, **the original sin still remains inherent in our physical body.**

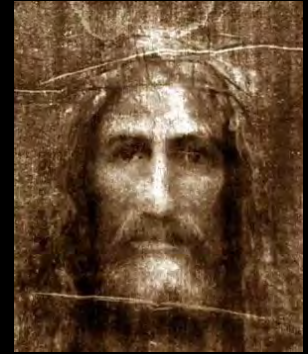

Therefore, Christ must come again in order to complete the physical salvation.

Why is Jesus called the Son of God?

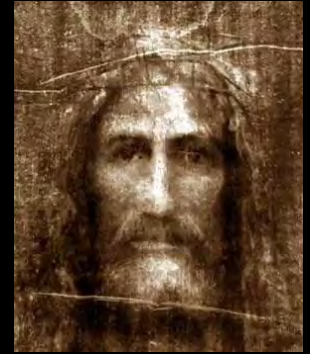

The question "Why is Jesus called the Son of God" often arises in the minds of many because of our associations and connotations with the word "son".

But Jesus had many names -
Son of Man,
Teacher,
Rabbi,
Bread of Life,
Door, and many more.

Isaiah 9:6 talks about a child who will be born, whose very name will be 'Might God':

"For a child will be born to us, a son will be given to us; and the government will rest on His shoulders; and His name will be called Wonderful Counselor, Mighty God, Eternal Father, Prince of Peace."

Psalm 2

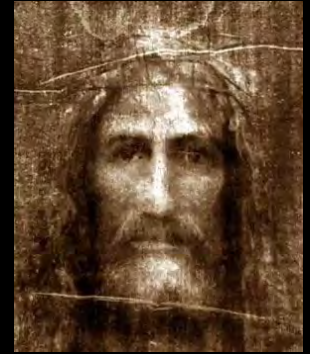

*"I will surely tell of the decree of the LORD: He said to Me,
'You are My Son, today I have begotten You.
'Ask of Me, and I will surely give the nations [Gentiles]
as Your inheritance, and the very ends of the earth as
Your possession.*

Psalm 2

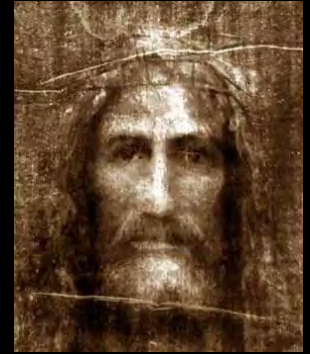

also speaks about the kingship of the coming Son:

*"Do homage to the Son, that He not become angry,
and you perish in the way, for His wrath may soon be kindled.
How blessed are all who take refuge in Him!"*

"Son of Man" - was a term often used by Jesus Himself, to convey that He was not only truly God but also truly man. The gospel according to John recounts that the eternal Word (Logos) was "made flesh, and dwelt among us", and "we beheld His glory, the glory of the only begotten of the Father".

He was born into mankind as a baby, grew up into manhood, was tempted like us "in every way", and yet "knew no sin".

"Son of God" - the name *Son of God* was also applied to Jesus in an official or messianic sense (cf. Matt. 4:3, 6; 16:16; Luke 22:70; John 1:49).

It speaks of His deity - that He was a Person of the triune Godhead, supernaturally born as a human being into this world to accomplish the divine mission of enabling man to return to a right relationship with God.

Jesus was supposed to save mankind,

But Jesus, having failed to be fully accepted as the Messiah
by the people, meant that mankind could be saved only on
the spiritual level.

Words of SMM, Sun Myung Moon:

Jesus was supposed to save mankind,
both on the spiritual
and physical levels.

But Jesus, having failed to be fully accepted as the Messiah
by the people, meant that mankind could be saved only on
the spiritual level.

So, he lost himself, that is his flesh on the cross, and from
then on, the physical salvation was left unaccomplished,
and he had to come again to do it over from that level.

He lost the national level of salvation through
the fall of the nation. - 1st Israel

He lost the national level of salvation through the fall of the nation. - 1st Israel

Before being able to save a nation, he was supposed to be able to develop the providence of salvation by saving the tribe; and before being able to do that, he had to be able to save man on the family level; and he had to be able to save an individual.

God sent Jesus as the central figure, and by sending him again into the world, Jesus had to do things the other way around.

God sent Jesus as the central figure, and by sending him again into the world, Jesus had to do things the other way around.

With him in the center, he had to save people on the family level, and then on the tribal level, the national level, and the world level.

SMM 1971

If Cain (Disciples + people) and Abel (Jesus) had become one, Jesus would not have had to die.

The previous 2,000-year course (Christianity) of suffering and shouldering the cross would not have been necessary.

SMM 1990

Because Jesus did not establish a physical family of his own, using the spiritual family he established with his disciples, he laid the Foundation upon which human beings can stand in the position of God's children spiritually – **spiritual children.**

In other words, he established
The foundation of humanity's spiritual relationship
With God.

This is why he promised the return of the Son of Man. (to make the physical relationship with God)

Salvation through redemption by the cross is only spiritual salvation

The original sin remains active in the flesh of even the most devout Christians and is transmitted through the lineage to their descendants

The more fervent a believers faith, the more fiercely he must fight against the sin within.

Even St. Paul, the most devout among the apostles, lamented over his inability to prevent sin from infiltrating his flesh.

/DP96

By the words, “It is finished” Jesus meant that he had finished laying the foundation for spiritual salvation.

By this time, it had become the alternative goal of the providence.

/DP96

No matter how devout a believer may be, he cannot attain **physical salvation** through redemption by the cross of Jesus.

His original sin, which has been passed down through the lineage from Adam, is not eliminated at its root.

Even the most devout Christian still has the original sin and gives birth to children who also carry the original sin.

In our personal faith, we may feel it necessary to mortify and deny our flesh in our efforts to prevent the intrusion of Satan, who continually tries to ensnare us through our bodies.

/The Messiah and
His Second Coming DP96

We are taught to “pray constantly” (I Thess. 5:17) that we might remove the conditions by which Satan can attack us; these conditions stem from the original sin, which was not eradicated despite salvation through redemption by the cross.

/DP96

We who receive salvation based on Jesus crucifixion cannot unshackle ourselves from the chains of sin, due to the original sin still active deep within us.

Therefore, to uproot the original **sin, which he could not remove through the crucifixion**, and to complete the work of **physical salvation**, Jesus must come again on earth.

Only then will the purpose of Gods work of salvation be fulfilled both spiritually and physically.

/DP96

Jesus did not utter these words to mean that through the crucifixion he had completely accomplished the providence of salvation.

After he realized that the peoples disbelief was unalterable, he chose the path of the cross in order to lay the foundation for spiritual salvation, leaving unfulfilled the task of achieving physical salvation until the time of the Second Advent.

Hence, by the words, “It is finished”, Jesus meant that he had finished laying the foundation for **spiritual salvation**.

By this time, it had become the alternative goal of the providence.

/DP96

When the Jews turned against Jesus, God had to commit his body to the cross as a ransom for the redemption of humanity.

Since Jesus physical body was delivered into the hands of Satan, **physical salvation was left unaccomplished.**

Jesus ascended from this earthly world with the promise that he would return and complete the salvation which he had realized only spiritually.

In the meantime, there has not been even one person on the earth who has attained perfection both spiritually and physically, ruled the spiritual and physical worlds, and brought **them** into harmony.

This is the reason

Christ cannot return only in a spiritual body.

1. As at the First Advent, he must come as a human being and grow to perfection in both spirit and flesh.

2. Then, by engrafting all humanity with himself both spiritually and physically, he is to guide them to perfection both in spirit and flesh and make them qualified to be the lords of both the spiritual and physical worlds.

The redemption of sins is possible only through an earthly life.

To redeem our sins on the earth, Christ must come as a man on the earth.

The salvation which Jesus provided through his crucifixion, however, is limited to the spiritual dimension.

It does not resolve the original sin, which is transmitted through our physical bodies and remains active within us.

Therefore, Christ must come again to provide complete salvation to humanity, including physical salvation.

He certainly cannot achieve this if he comes only as a spirit.

He must come in a physical body, as at his First Coming.

/DP96

The work of Christianity is limited to the spiritual realm alone; it brought only spiritual salvation.

Physical salvation, namely the salvation of the physical life, has not been realized.

Spiritual Rebirth through Jesus and the Holy Spirit

- When we believe in Jesus as the Savior through the inspiration of the Holy Spirit,
- We receive the love of the spiritual True Parents, generated through the give and take between Jesus and the Holy Spirit.

Complete spiritual and physical salvation is possible only through the True Father. The children who are born through this course do not have original sin.

Unless you make the condition of having the heartistic connection (with Jesus), the starting point and purpose of rebirth cannot be realized.

If you do not know this, rebirth is impossible.

Perfection means being able to control our environment.
God created us to be lords of creation.
This doesn't just mean nature, but our lives and our relationships as well.
We should be able to overcome all negative influences.
When our spirit is mature, we will be able to overcome all difficulties so they cannot affect our health.

Being a lord of creation requires being able to control ourselves.

*Disciple
Young Whi Kim*

The secrets of good health are quite simple.

Stress is detrimental to our health.

Not only do our external circumstances produce tension, our state of mind is a key factor as well.

Whenever we get angry, tension causes our muscles to strain.

This shows that our state of mind affects our body.

We have a saying in Korea that
when you get angry you
start to age.

*Disciple
Young Whi Kim*

If you get angry once, you move one step closer towards old age.

So if you are often angry you will age quickly, but if you smile and have a peaceful heart, you will remain young.

Then how can we overcome our anger?

It depends on the degree to which our spirit is developed. If our heart and mind are well developed, we can easily overcome disturbances, otherwise we are easily influenced by the events of our lives.

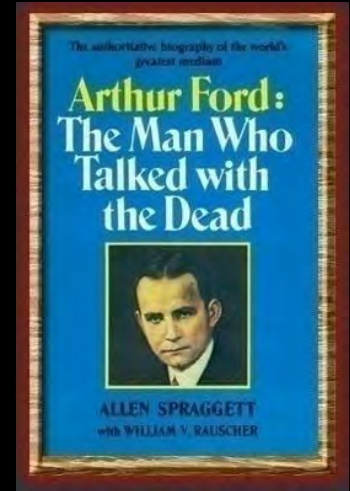

We should be able to control our circumstances, not be controlled by them.

From the Arthur Ford Sitting:

The world has known many saviors.

The very word savior means a healer.

Mr. Moon is one who is to heal,
not simply **the bodies (Physical Salvation)**
but the minds
and the spirits of men. **(Spiritual Salvation),**

The next level is being True Sons and Daughters to God.

It is something like your having been resurrected as Jesus was resurrected after death, like being reborn.

Even though you have gone through the stages of servant of servants, servanthood, and adopted sonship and daughtership, then what you have to do from now on to be the true sons and daughters is to

be able to win over Satan and command Satan and control him.

Sin = Anything that violates the Holy Human Body

Comment:

*Adam & Eve lost control over their Spiritual (1st Fall)
& Physical Bodies (2nd Fall).*

Satan took that control, and has kept it!

Physical Salvation =

Full control over Sleep, Food and Sex.

*No more illicit lifestyle, illicit love affairs,
watching pornography, masturbation, lying, decept
rape (=spiritual murder), murder etc.*

So as the true sons and daughters, if you are entitled to that title, you must be able to annihilate the Satanic power from all over the world and erect God's Kingdom by taking back and restoring all the lost children of God into the citizens of the Kingdom of God

The Influence of Good and Evil Spirits (Essentials Of The Unification Principle)

The struggle between the original mind and the evil mind is greatly exacerbated by the intervention of spirit men and women in the affairs of people on earth.

Good spirits, that is those close to God, have a beneficial influence on the spirits of men and women on earth.

However, evil spirits, who are close to Satan in character and direction, have a bad influence on the spirits of people on earth.

Because of the dislocation of spirit and body brought about by the fall, fallen individuals are generally unaware of the influence of good and evil spirits in their lives.

They tend to attribute fallen spiritual influences to their own moods, sentiments and inspirations.

Whenever the spirit of a fallen man or woman unites with the thoughts or activities of evil spirits he or she multiplies the power of Satan and evil in the world.

- In order to be reborn, people should understand the process of rebirth.

If explaining this more in detail, our defiled lineage should be completely sanctified, and we should inherit the love of God, which is called rebirth.

In order to be reborn, our body needs to go back to the womb from which we came.

- In order to be reborn, people should understand the process of rebirth.

If explaining this more in detail, our defiled lineage should be completely sanctified, and we should inherit the love of God, which is called rebirth.

In order to be reborn, our body needs to go back to the womb from which we came.

- We can go back to God (which is a rebirth), by making an indemnity condition of small value.

However, for this, we need a mediator.

The mediator is True Parents.

Humans cannot go to God without True Parents since the original sin (fallen nature: literal) can be removed only through True Parents, and only through Them.

Summary:

- making an indemnity condition of small value
- need a mediator
- original sin (fallen nature: literal)
can be removed only through True Parents Blessing

Therefore, in the time of Jesus, God's Day was not installed, nor was Parent's Day, Children's Day or World Day.

Jesus ascended into heaven as a bachelor, remaining, in a way, in the archangel position.

Therefore, since **the possibility of physical salvation was lost**, Christianity has been a religion of **spiritual salvation**.

The crucifixion came about primarily because of the failure of John the Baptist.

Since then Christian history has been the history of the adopted son religion, but only spiritually.

Therefore, the Christian position is in a way inferior even to the position of Judaism.

Judaism at least had the servant position spiritually and physically, while, even after attaining the adopted son level,

Christianity does not have its own nation or integrity of territory. (2nd Israel)

God's goal is the salvation of the entire globe, not just of one nation or people, and for this there must be one religion capable of giving salvation physically as well as spiritually. All of this will be fulfilled by the coming of the Messiah a second time.

...it can be said that the Messiah's ultimate goal is to unite the free world and the communist world together into one world.

The third Israel must offer physical salvation

In that realm of resurrection even Jesus himself will be resurrected. When that perfection is consummated then for the first time the mission of Jesus Christ, who is in spirit world, will be completed. On that same day the Kingdom of God here on earth shall become a reality.

The Messiah cannot come unless there is a rational level of unity between Cain and Abel. You should know this clearly. Cain and Abel must unite in order to prepare a firm foundation for the tribal messiah to stand on.

Without restoring the heavenly blood lineage, God's salvation providence is impossible. Therefore, the returning Messiah must deal with the blood relationship. The Messiah is in Adam's position. That is why a parent is restored through Abel, as the Principle makes clear.

The world has had to repeat certain dispensational cycles or patterns.*

That pattern was born at the time of the crucifixion, when the thieves were hanging on the left and right of Jesus, and the thief Barabbas escaped death.

The world has lined up today on the right and the left.

The thief on the right side is represented by the Christian world, while the thief on the left is represented by the satanic world, and then Barabbas is represented by the religious sphere of Islam.

Also, the concept of left-wing and right-wing ideologies was born at the time of the Crucifixion.

Lineage is so important. In order to cleanse the lineage, God prepared for thousands of years, starting from Rebecca, continuing with Tamar, and culminating with the virgin Mary.

Within the wild olive tree forest, one true olive tree was born, which is Jesus.

Once the true olive tree is born, it can be grafted into all wild olive trees, converting them into heavenly olive trees.

By uniting with Jesus in absolute faith, Christians receive Jesus' life and are grafted into Jesus' body.

Through such a grafting process, the way of salvation was supposed to be perfected and completed.

However, because of the crucifixion of Jesus,
no physical salvation occurred,
and God could only give the blessing of spiritual salvation.

For that reason, the Lord of the Second Advent is
absolutely necessary.

He comes to graft into all wild olive trees and make them
into true olive trees.

This is why the mind can draw close to God through Jesus, but the body continues to be tempted by evil.

Even Saint Paul anguished over the contradiction of the desires of the flesh and the desires of the spirit.

Many great Christian evangelists have also suffered because of this contradiction.

At the dawn of the Completed Testament Age, the crucial challenge is to accomplish both physical salvation and spiritual salvation.

We are now reaching the final stage of history.

No advanced nation of the world is able to bring about this kind of unification.

Only one person is able to bring this about, and that person is none other than Reverend Moon.

The whole of humankind have lost their direction and Father is solving all the problems of mankind.

Father has already established a sufficiently strong foundation in terms of the metaphysical field.

Now Father is beginning to work on the salvation of the physical level.

Father only has to deal with the United Nations in order to turn the world around.

Now the physical salvation will take place through Father.

/SMM 26 Dec 1994

Father established the victorious foundation on the physical level in this world so that Satan has no base to accuse Father.

Father is the mediator, and ladder which God can come down and go up.

God absolutely needs Father.

Jesus lost his (*physical*) body due to the crucifixion, but he was supposed to give both spiritual and physical salvation to the world in his time at the national level.

But he failed to do so. (*Lack of support*)

Therefore Father has come as the Lord of the Second Advent and has accomplished this goal both **physically** and spiritually on the worldwide level.

It is a different work. Because of that, the providence for restoration emerged.

It shows how the nations should be connected.

Because Jesus could not accomplish his responsibility to unite the nation and Judaism, and connect that with Rome, we should indemnify that.

We have to liberate all the resentment.
There is nobody but my son who can do it.
Do you understand? [Yes.]

He was able to inherit the foundation of spiritual
salvation and physical salvation, and he completed
the undone part on earth.

We receive the love of the spiritual True Parents, which is generated through the give and take between Jesus, the spiritual True Father, and the Holy Spirit, the spiritual True Mother.

Through this love, new life is infused into us, and our spirits are reborn as new selves.

This is spiritual rebirth.

Nevertheless, since human beings fell both spiritually and physically, we must be cleansed of original sin by being born again both spiritually and physically.

Christ must return to earth to grant physical salvation to humanity, which is to be realized through our physical rebirth.

Even though we may by faith unite with Jesus in spirit, our bodies are still liable to Satans attack, as was the case with Jesus himself.

In other words, our physical salvation still remains unaccomplished.

Restoration is like returning to the original seed.

The perfection of restoration is the perfection of the seed.

Through the Fall,
Satan seized the central root.

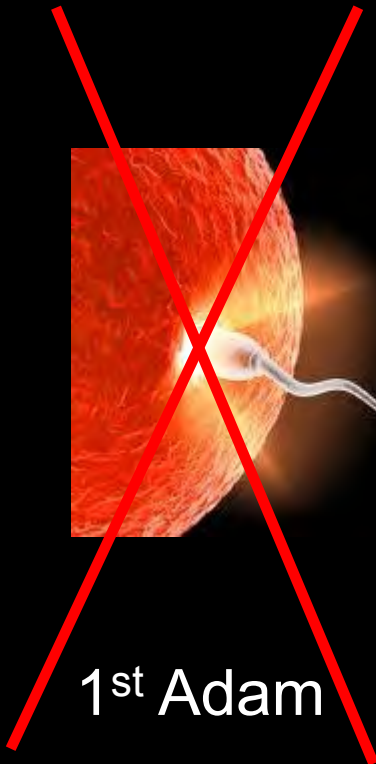

Thus no one could harvest a perfect seed.

Therefore, up to the present there has not been a single man who, having become perfect both spiritually and physically on the earth, could help harmonize the invisible world and the visible world by dominating both.

"The purpose of the coming Lord is that some day all shall be like him - like Christ."

Still, if we believe in the resurrected Jesus, he will guide us to enter spiritually his realm of resurrection, which is invulnerable to satanic invasion.

There we are released from the conditions which allow Satan to accuse us, and we are spiritually saved.
