Spiritual disclaimer: This presentation "Creation of Divine Principle Slides", is not to promote me as a person. But to Glorify the Victory that was won long time ago 1935-42 – in Spiritual World by True Father, the Rev. Sun Myung Moon – and is now coming through as a fountain of Spiritual Truths today 2008-...2024! That is the foundation of Victory in Spiritual World working through me and many other brothers and sisters today...

I receive the inspiration often as mental pictures that then materialize through my hands as PowerPoint slides.

It started around 2008 when I was teaching/discussing Divine Principle with 2nd Gen Sunday Schoolers. Later I put the slides online for students and myself to be able to repeat and easy access. Slides online www.slideshare.net/bdp003/

Suddenly it went viral to my surprice and I got nice feedback from Africa, South America... Some of the feedback;

Fabrice Zambia José Angola Patrik Camerun Nice feedback from Africa 2013 Faith Jones Nat Messiah Lima Peru Nice feedback from S. America 2013 Gary Fleisher @ tparents.org

Nice feedback from N. America Thanks for the wonderful files. They are now online. Hello Bengt, I love your work very much. Thank you for putting it out here for us to learn from. /Insa Rose NY. USA 2015

John Gyasuma Hr manager at Chef de service du p... Follow @ Bengt de Paulis I truly enjoy reading your slides documents and wish to translate them into French. Doing so will help witness our Holy True Parents worldwide. Dec 2015 R. of Congo

35. Merry Christmas and Happy New Year 2016! May God our Beloved HP and True Parents bless you all. We are going thru the translation. As a christian Pastor, I am very interesting on all writings regarding True Parents and Jesus. Don't forget that it is our 5 % of portion of responsibility to clear up the misunderstanding between Jesus and SMM in the christian followers' mind. Best regards, Fam John Gyasuma

Gary Fleisher @ tparents.org Again nice feedback from N. America Hello Bengt, Everything is now online! Thanks for sending it. Your work is amazing. 2016

If you feel the inspiration, start writing whatever inspires you, even simple things and surely more will come – Spirit World is ready!. – That's how it all started for me.

Ending all slides with; Remember the beauty in Gods nature is there to inspire the most Holy original inside us all! Have a great Blessed week. Prepared for 2nd, 3rd... Gen inspiration by Bengt. More details on www.slideshare.net/bdp003/creation-of-slides-for-principle-education

My only long time worry...things can/and do change over a long time, maybe slideshare.com is bought up and Free is no longer Free online – possibly removed

I will surely graduate upwards (hopefully) now 68. – So please download and use/spread (without my name) whatever you find meaningful – so some of the Unification Church-historical content will remain maybe even a century from now.

God Bless u ALL.
