# The Root of Sin

 This explanation of the human Fall will clarify these issues.

# The Root of Sin

First human  
ancestors

Angel

**Illicit sexual relationship**

 The root of sin is that the first human ancestors had an illicit sexual relationship with an angel symbolized by a serpent (p. 61).

# **Section 2**

## **The Motivation and Process of the Fall**

God created the angelic world and assigned Lucifer<sup>(Isa. 14:12 KJV)</sup> to the position of archangel. Lucifer was the channel of God's love to the angelic world, just as Abraham was the channel of God's blessing to the Israelites.

In this position he virtually monopolized the love of God. However, after God created human beings as His children, He loved them many times more than He had ever loved Lucifer, whom He had created as His servant.

|  
When Lucifer saw that God loved Adam and Eve more than him, he felt as if there had been a decrease in the love he received from God.

Comment: Look at a baby. If it sees its mother embracing any other child, it wants to push that child away! SMM 1993 10 12

# The Spiritual Fall and the Physical Fall

The fall which took place through the sexual relationship between the angel and Eve was the spiritual fall, while the fall which occurred through the sexual relationship between Eve and Adam was the physical fall.

# The Spiritual Fall

**Illicit sexual relationship in body**

Eve responded and formed a common base with Lucifer, the Archangel, and they began give and take action with each other, which brought them together in an illicit spiritual relationship of sexual love.

# The Physical Fall

Adam responded and formed a common base with Eve, standing in the position of Archangel, and they began give and take action with each other, which brought them together in an illicit physical relationship of sexual love.

The Fall of Man was first vertical – Lucifer ⇔ Eve  
then Eve ⇔ Adam spread it like a fountain horizontally over Earth.

## Behind the Fall

Eve approaching Adam not simply to seduce and have sex but with two agendas on her mind.

One was seduction because she had learned that from the archangel and thought this was the intended relationship.

The other was an unspoken cry for help as she was also struggling with separation anxiety and dread.

Adam failed to see this second issue – her confusion and her cry of pain, her cry for help.

Thus the blind sexual tryst, which they both fell into, failed to help.

Where Adam might have helped by retaining his natural dignity as a Son of God he had fallen into similar circumstances.

In this second area of the fall Eve had sought liberation from her internal suffering, her emotional psychological and spiritual agonizing albeit subconsciously felt but now both Adam and Eve were drawn into difficulties.

All this was a glimpse into the interior world of the self in trouble.

Ref: The Functionality of the Principle ~  
Lecturer Joseph Kamiwatari

In our life:

Learning to read what lay under the persona presented to us is important.

This issue is called transference in the psychological world where an analyst may take on the feelings of a person in trouble thus seeking for the person suffering a transformation they might not be capable of themselves.

It is an act of service for others.

Adam failed to see his sister's suffering in this way  
and became enmeshed in her sexual persona;

Understanding the importance of staying connected,  
however, establishes true insight and then provides  
a source of healing and redemption –  
and that's the point.

Staying within the parameters of a healing  
relationship can bring change to both.  
It also leads to deeper insights.

**Mathew 18:18** Verily I say unto you,  
Whatsoever ye shall bind on earth (**with your physical body**)  
shall be bound in heaven (**life in spirit world**):  
and whatsoever ye shall loose on earth (**remove all evil**)  
shall be loosed in heaven.

**Mathew 5:48** Be ye therefore **perfect**, even as **your**  
Father which is in heaven is **perfect**. (**without any Sin**)

Emanuel Swedenborg made the unique discovery that we each have *three* kinds or levels of blood—the red blood, the middle blood or Animal Spirit, and a higher blood fashioned from the human Soul.

The red blood maintains and grows a person's *physical body*, but the other two—from their purification—build and maintain a person's spiritual body, which houses the soul after death.

Sun Myung Moon: "Your body inherited **Satan's blood** lineage through his love.

**Satan's blood has controlled you by the realm of power in order to trample upon your personality.**"

**Summary:** **The Fall of Humankind** is the story in the Bible of how sin and evil came into the world.

It was an event which was not simply the eating of a literal fruit, but was rather

the disobedience of Adam and Eve of God's commandment not to partake of sexual love until they were mature and could be

blessed by God in Holy Matrimony. (2<sup>nd</sup> Bible Blessing)

The Fruit of the Tree of the Knowledge of Good and Evil  
was Eve's Sexual Organ

Covering their sexual parts was an indication of sin

We do not know whether Eve picked and ate the fruit of the tree of the knowledge of good and evil or whether she ate an apple.

In order to do so, she would have had to first see it with her eyes, then move her hands to pick it, and finally eat it with her mouth.

Adam and Eve ought to have covered their eyes, hid their hands and covered their mouths;

yet **they actually covered their sexual parts.**

That is the problem. (54-62, 1972.3.11)

The Fall of Man was not about eating a "Fruit"

But planting an ILLICIT sexual ROOT

That has multiplied up until NOW

**Quote:** *"The idiom "to partake of a forbidden fruit" is still used today in Eastern cultures to mean the partaking of sexual love with a virgin woman."*

*/New Truth in the Last Days  
by Shirley Stadelhofer*

Obvious sexual elements are woven into the Genesis story. **The couple are at first naked**, but they are ashamed following the act and cover themselves with fig leaves — a dress which was connected with sexual orgies.

  - e. Original sin and fallen nature are **inherited**  
(Explanation of the Divine Principle)

In the course of daily life, transcending private feelings and embodying public feelings is the important issue that all people of faith must concern themselves with.

### What is sin?

Sin arises from private standpoints.

Ruin also comes about in the private sphere.

Evil is the same.

When private matters are pursued beyond a certain degree, they manifest evil.

Private matters have certain limits; when exceeded, sin, evil and ruin result.

## **The Works of Good Spirits and Evil Spirits**

We use "good spirits" as a general term for God, spirits on the side of God, and good angels.

The general term for Satan and spirits on his side is "evil spirits."

The works of good spirits and evil spirits, as in the case of good and evil acts generally, have a similar appearance at the outset but pursue contrary purposes.

**Over time, the works of a good spirit will increase a person's sense of peace and righteousness and even improve his health.**

**The works of evil spirits, on the contrary, will gradually lead to an increase of anxiety, fear and selfishness and cause his health to deteriorate.**

**It may be difficult for someone who does not know the Principle to discern the works of spirits, but eventually, often belatedly, he will recognize the nature of the spirits by the fruits they bear.**

THIRTY YEARS  
Among the Dead

The change called “death,” - the word is a misnomer – universally regarded with gloomy fear, occurs so naturally and simply that the greater number, after passing out of the physical are not aware that the transition has been made, and having no knowledge of a spiritual life

they are totally unconscious of having passed into another state of being.

Below it, the subtitle 'Among the Dead' is printed in a smaller, white, serif font, with the first letter of 'Among' being lowercase. The text is centered on the cover.

THIRTY YEARS  
Among the Dead

Deprived of their physical sense organs,  
they are shut out from the physical light,  
and lacking, a mental perception of the high purpose of  
existence,

these individuals are spiritually blind and find  
themselves in a twilight condition - the “outer darkness”  
mentioned in the Bible –  
and linger in the realm known as the Earth Sphere.

THIRTY YEARS  
Among the Dead

Humanity is surrounded by the thought influence of millions of discarnate beings, who have not yet arrived at a full realization of life's higher purposes. A recognition of this fact accounts for a great portion of unbidden thoughts, emotions, strange forebodings, gloomy moods, irritabilities, unreasonable impulses, irrational outbursts of temper, uncontrollable infatuations and countless other mental vagaries.

While most doctors agree that our emotional state affects our physical health, few would give credence to "spiritual influences".

Dr. Modi discovered that during hypnotic therapy **many patients claimed to have 'entities' attached to them, living in their energy fields and affecting their behavior.**

This book demonstrates the technique which she developed to "clear" these energy fields.

1998

## My Revelation

I (Bengt) had one night 03 AM  
about the Messiah and the 4 Sins

- As there are 4 Sins, so there are 4 Indemnities to be paid
- **The Original Sin**  
Only the Messiah has the Spiritual purity  
to pay off this Indemnity, be a personal  
Sinless suffering for Mankind.  
(Read Gospels about Jesus

## My Revelation

- Collective, Ancestral and Personal Sin.
- The other 3 Sins must be paid by Mankind, since the Indemnity amounted would physically risk the life of the Messiah.

A Balanced Personality

# Un-balanced Personality

Deep Origin Healing  
Robert & Janice Maddox

The five personality distortions are as follows:

- **Schizoid** - Birth
- **Oral** - Infancy
- **Psychopath** - Early childhood
- **Masochist** - Time of potty training
- **Rigid** - Inner being is being threatened

The schizoid develop when trauma is present in the womb, at birth, or short thereafter.

The oral develops when the child feels in some way abandoned during the infancy stage of total dependence.

Psychopath emerges when a real or perceived experience betrayal is present in early childhood.

The masochist appear about the time of potty training, when the development dependence and independence overlap, but are stagnated.

Last; the rigid develops when the child becomes aware that his or her inner being is being threatened.

In reality, people are generally a combination of different personality distortions.

# Fallen Nature manifested as

## ① **Selfishness**

In this world, selfishness ruins everything.

Selfishness in the family causes disharmony, which then erupts into bitterness and strife.

Everyone wants to be served instead of serving others.

Wives tell their husbands what to do and then seek to be served.

Husbands want to be served by their wives.

Parents expect service from their children and the children take their parents for granted.

This is demonstrated in our families, in our societies, and in our nations.

I know that Western culture is characterized by individualism.  
However, **selfish individualism is doomed.**  
Sacrificial individualism will blossom.

Individuality in itself is good.  
God gave each one of us a unique way to serve.  
**But individualism without God can only build castles on  
the sands.**

Catholics - Protestants

## Is there a fifth chatacteristic of fallen nature?

In November of 2010, due to extenuating circumstances in our church community the Executive Vice President of the Family Federation for World Peace, Joshua Cotter, was asked to tour The United States giving a presentation entitled "A Period of Great Transition in History."

In that presentation he clarified the existence of a fifth chatacteristic of fallen nature; "shifting the blame."

# The Primary Characteristics of the Fallen Nature

 Lucifer alienated from God, and got Eve and Adam to do the same.

The fruit "**Allienaton**" of man to man is therefor rampant today.

# One Fallen Nature – 4 characteristics

The Divine Principle does not say that there are four fallen natures.

Fallen nature has many characteristics.  
I don't think anyone can enumerate them all.

Even the Divine Principle did not enumerate them all.

The Divine Principle only  
listed 4 of the primary characteristics.

The Shakers were founded in England in 1770 by Ann Lee. The Shaking Quakers were said to "shake" because they danced and spoke in tongues.

**Ann Lee**

1736 –1784

leader of the United Society of Believers  
in **Christ's Second Appearing**, or Shakers.

Convinced (Spirit World inspired)  
that sin had begun with Adam and Eve's sex  
act in the Garden of Eden,

Ann Lee insisted that sexual relations were the root of all sin.

Men and women would achieve salvation only by  
overcoming this fleshly desire.

## What Really Happened in the Garden of Eden

By - Wesley A. Swift (1913–1970) was a former Methodist minister from Southern California. /Wiki

Using only the Scriptures, I will show you that the Fall was brought on by an unholy sexual union between Satan and Eve.

First of all, we see in Gen. 2:25 that Adam and Eve were not ashamed of their nakedness.

They obviously had the perfect bodies that God had intended for them when they were created.

Now, notice after the Fall, in Gen. 3:7 & 10, that Adam and Eve were suddenly ashamed of their bodies.

Why would you be ashamed of your body if all you had done was eat a piece of fruit?

Now, back in Gen. 3:3, Eve tells Satan that neither she nor Adam can 'touch' the 'fruit' of the 'Tree of Knowledge of Good and Evil' because if they do, they'll die.

The word 'touch' here means 'to lay hands upon, to lie with.'

When you 'lie' with someone in this capacity, it's obviously sexual in nature.

The words 'eat' or 'ate' when used in these passages do not mean the literal consumption of food.

The words 'eat' or 'ate' when used in the first 15 verses of Genesis chapter three means '(lit. or fig.) to consume, devour (partake).'

When you partake in something, that means you are engaging in an activity.

And Eve certainly did partake here!

She engaged in sex with Satan (the 'serpent') who appeared to her in human form and sexually seduced her.

**Arnold Toynbee (1889-1975) observed that of the twenty-one most notable civilizations in history, nineteen of them perished not by external invaders but due to a collapse of internal moral standards.**

**Gonzalez also points to two other interesting studies. Through studying 80 civilizations over a period of 4000 years, Cambridge University historian J.D. Unwin noted that those civilizations that accommodated sexual promiscuity declined and collapsed.**

**Those that exercised sexual restraint managed to survive.**

Perhaps one of the strongest indicators that the fall was sexually related is found in the aesthetic practices of the great religions.

- Within Islam, Sufis in pursuit of a mystical relation with Allah practice celibacy to “weaken attachment to the world.”

Eve had never before met the beautiful and enthusiastic Cano — and he was a magnificent specimen of the survival of the superior physique and outstanding intellect

(Outside of the Garden, multiple mating was a common practice.)

75:3.9 (842.2) Influenced by flattery, enthusiasm, and great personal persuasion

Eve then and there consented to embark upon the much-discussed enterprise, to add her own little scheme of world saving to the larger and more far-reaching divine plan.

Before she quite realized what was transpiring, the fatal step had been taken. It was done.

The play Romeo and Juliet arguably equates love and sex with death.

Throughout the story, both Romeo and Juliet, along with the other characters, fantasise about it as a dark being, often equating it with a lover.

Capulet, for example, when he first discovers Juliet's (faked) death, describes it as having deflowered his daughter.

Juliet later erotically compares Romeo and death. Right before her suicide she grabs Romeo's dagger, saying "O happy dagger! This is thy sheath. There rust, and let me die."

Answer: During the time when children are growing, they do not know love.

These days, children see through TV and through parents, they see the love affair before they really mature and sense by themselves.

In Adam and Eve's case, they had nothing to see. They did not know about sexual love.

As long as they didn't know anything about it, God could not teach them. God had to wait until they matured and knew something about it before they could come under His Direct Dominion.

Until that time, God could not tell them, "Don't do this.  
Don't have a sexual relationship with Lucifer".

# *Introduction to restoration*

- The providence of restoration refers to God's work to restore the fallen people to their original, unfallen state so that they may fulfill the purpose of creation.

- Since the providence of restoration is God's work of re-creation, which has as its goal the fulfillment of the purpose of creation, God works this providence in accordance with His Principle. In the course of the providence of restoration, this principle is called the Principle of Restoration.

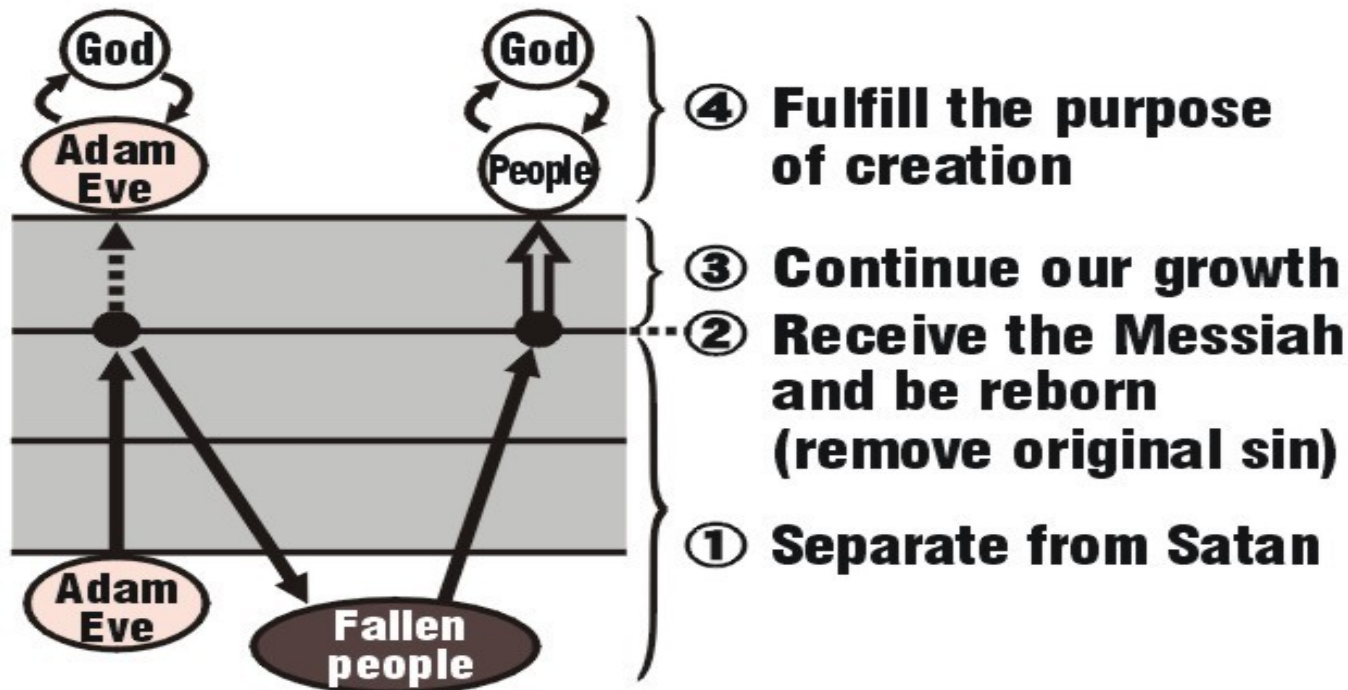

## The restoration and perfection of fallen people

- Human beings fell from the top of the growth stage and have been held under Satan's dominion.
- To be restored, we, fallen people:
  - ① First need to go through a course to separate Satan from ourselves in order to restore ourselves in form to the spiritual level which Adam and Eve had reached before the Fall—the top of the growth stage.

## The restoration and perfection of fallen people

② On this foundation, we are to receive the Messiah and be reborn, remove our original sin, and thereby be fully restored to the original state of human beings before the Fall.

③ Finally, by following the Messiah, we should continue our growth to maturity,

④ Where we can fulfill the purpose of creation.

# The Principle of restoration through indemnity

## Where do human beings stand after the Fall?

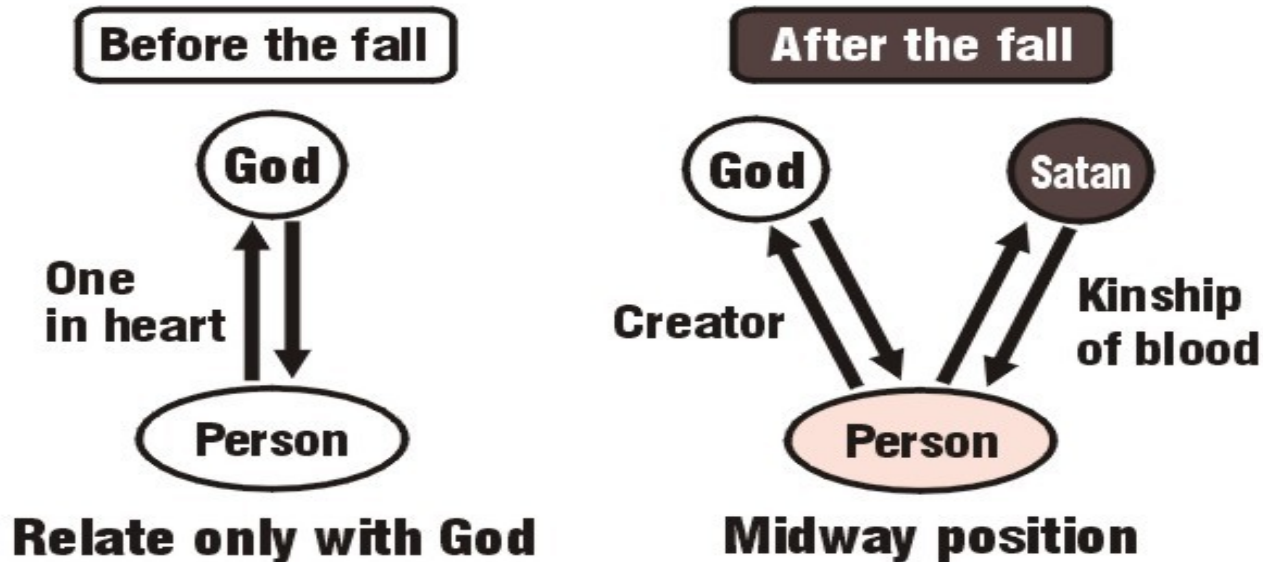

**Relate only with God**

- If the first human ancestors had reached perfection, they would have lived relating only with God.

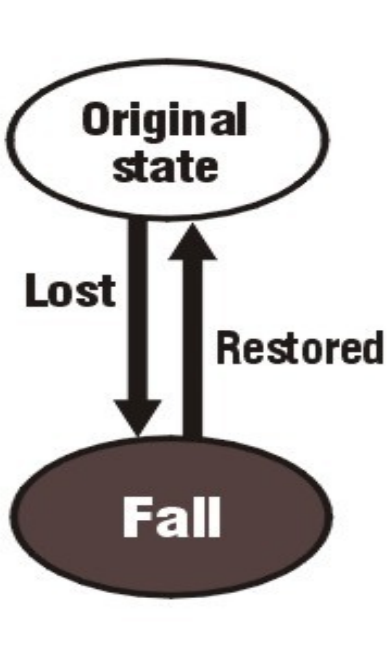

# The Principle of restoration through indemnity

## Where do human beings stand after the Fall?

- However, due to their Fall, they joined in a kinship of blood with Satan. Hence, immediately after the Fall, they found themselves in the midway position between God and Satan, where they were relating with both.
- A fallen person will go to God's side if he makes good conditions and to Satan's side if he makes evil conditions.

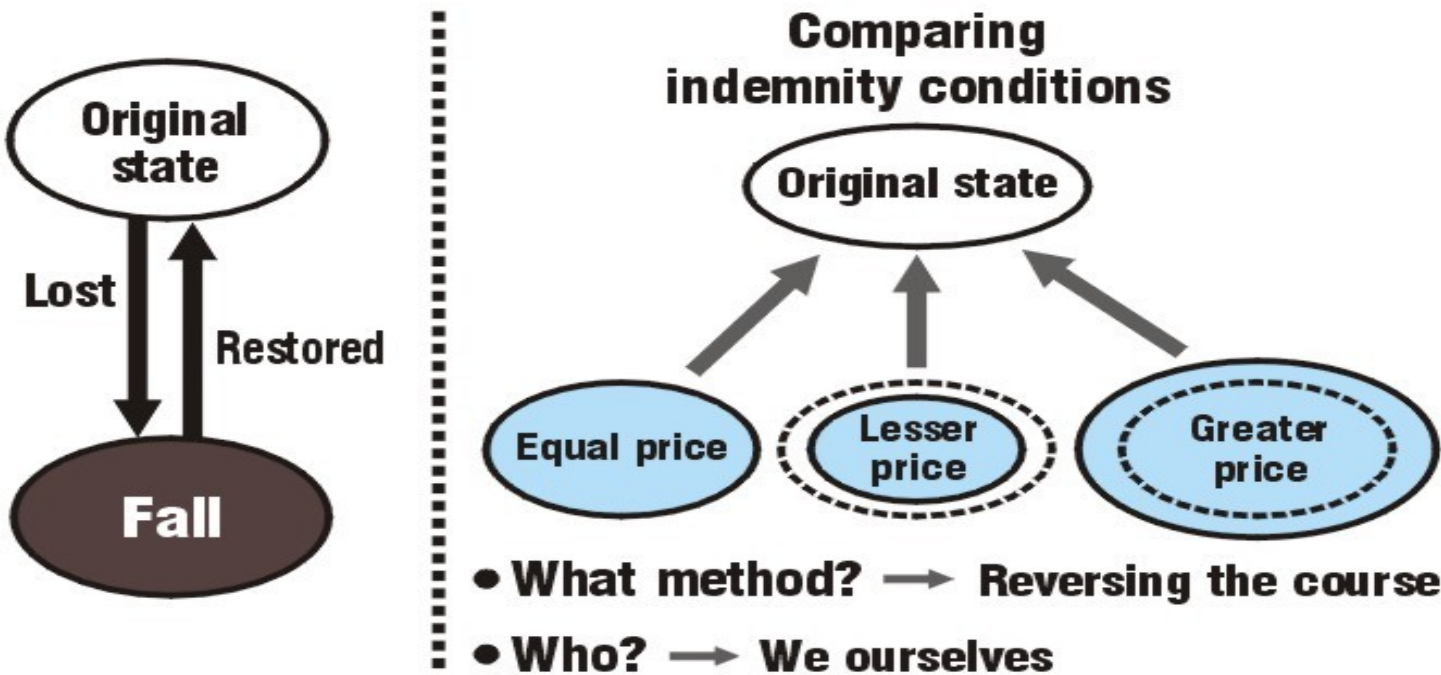

## Establishing indemnity conditions

## Comparing indemnity conditions

- When someone has lost his original position or state, he must make some condition to be restored to it.
- The making of such conditions of restitution is called indemnity.
- How does a condition of indemnity compare with the value of what was lost?

## Establishing indemnity conditions

- An indemnity condition can be made at a price equal to, less than, or greater than the value of what was lost.
- As for the method, an indemnity condition is made by reversing the course through which the original state was lost.
- It is we ourselves who must fulfill the necessary indemnity conditions as our portion of responsibility.

# **The foundation for the Messiah**

## **How Adam failed to achieve the purpose of creation**

- For us, fallen people, to receive the Messiah, we must establish the foundation for the Messiah.
- To establish this foundation, since an indemnity condition is established through a reverse course of the failure, we must know how Adam failed to achieve the purpose of creation.

# The foundation for the Messiah

## How Adam failed to achieve the purpose of creation

- First, Adam should have established the foundation of faith by keeping strictly God's commandment and passing through a set growing period.
- Second, Adam should have established the foundation of substance: after establishing an unshakable foundation of faith, he was then to become one with God, thereby becoming a perfect incarnation of the Word and attaining individual perfection.

# The foundation for the Messiah

## How Adam failed to achieve the purpose of creation

**X** Purpose of creation realized

- However, Adam failed to establish these conditions and thus failed to achieve the purpose of creation.

## How we can lay the foundation for the Messiah

### Foundation for the Messiah

||

Foundation  
of  
substance

+

Foundation  
of  
faith

- Therefore, in order to receive the Messiah and complete the purpose of creation, we must restore the foundation of faith and foundation of substance and thereby the foundation for the Messiah.

## How we can lay the foundation for the Messiah

### Foundation for the Messiah

- In order to restore the foundation of faith, first there must be a central figure. Second, a condition must be offered. Third, a numerical period of indemnity must be completed.
- In order to lay the foundation of substance, we must make the indemnity condition to remove the fallen nature.

That is why the path of salvation which Unification Thought is teaching is not individual salvation.

O.T.= Offering – Symbolic salvation

N.T.= Individual Salvation

C.T.= Family Salvation

If the family is not saved then nothing can be saved.

It is the salvation of couples and children.

If we are not able to save our children then we must wait in the spiritual world.

Thus in the spirit world the educational law is established.

Everyone must go to the spirit world in a single line.  
Do you understand?

In the spirit world there is an educational system,  
and all the things which were not able to be accomplished  
on the earth are educated and everyone  
must cross (pass?) over together.

We believe for the sake of family salvation.

Do you understand? [Yes.]

"A life of faith in itself is indemnity."

Have you considered that doing the will of God, aligning yourself to the Principle, and living the Principle with True Parents as the standard, is also indemnity?...

...Be careful in this: indemnity cannot be accepted if you attempt to pay it without the right attitude.

There is often a fine line separating the two; make sure you cross the boundary line and give your offering to God rather than Satan.

Satan can too easily claim a condition of indemnity that is not sanctified.

The trouble is, you do not always know whether God was able to accept your offering or if it was tainted just enough to permit Satan to grab it.”

The works of re-creation follow the course of re-storation through indemnity; indemnity is carried out through the works of re-creation.

Therefore, re-creation can only come about when you invest yourself (100%).

For this reason, it is a reasonable conclusion to say that sacrifice is inevitable.

How did Adam fall? He fell due to his disbelief.

He put himself, his ego in the center of everything.  
Adam fell because he took a self-centered position.

- Next, Adam fell because **he asserted himself**.  
He put himself, his ego in the center of everything.  
Adam fell because he took a self-centered position.
- Next, Adam demanded a realm of self-centered love.

These are the three major elements of the Fall:  
**disbelief,**  
**self-assertion or self-centeredness,**  
**and finally dreams of self-centered love.**

These are the footholds of Satan.  
The fallen angels were like this.
