Divine Principle

+ speeches by Dr. Moon 1956-2012

Like Jesus teaching was called "the Way"
so the Principle is likewise eternal Divine Spiritual Truth
And Laws ("the Way") which can set Man free of the
bondage of Original Sin and become the Divine
Physical/Spiritual being intended at the beginning of
Creation.

The final goal of all Humans Physical and Spiritual life.

Man fell by the false word of satan, a fallen angel.

Man will be restored to holyness again by beleiveng in the true word of God and Power of Messiah.

Similar process – opposite direction by FAITH!

Man fell into **IGNORANCE** by the
false word of satan, a fallen angel!

We remain entirely ignorant of the answers:

What is the original mind,
the wellspring of good desires?

What is the origin of the evil mind that incites
evil desires in opposition to the original mind?

What is the root cause of the contradiction that
brings people to ruin?

Internal ignorance and external ignorance.

The Culmination of All Civilizations

Spiritual and material civilization, built upon religion and science - the quests to overcome the two aspects of human ignorance - must be brought into harmony.

Only then can we resolve the fundamental problems of human life and realize the world of God's ideal.

Sin in the human race had its origin in Adam and Eve, but sin in the universe had its origin in angelic beings that rebelled against the Creator.

Good is related to original value, the originally intended value.

Goodness always brings protection to that original form.

What is evil?

Evil is the power which tries to obstruct and destroy

Looking at the mind and the body,
the mind is the subject partner, in the plus position,
and the body is the object partner, in the minus position.

Even so, they fight each other. How did they come to fight?

It is because the body became another plus.
The body should be eternally the object partner
before the mind, but it took over the position of
subject partner.

That was the Fall.

Genesis 3:14 states that God cursed the fallen angel, saying he should go upon his belly and should eat dust all the days of his life. "Upon your belly you shall go" means that the angel becomes a miserable being, unable to function properly according to the original way of creation.

To have to "eat dust" means that he has to live by receiving evil vitality elements from the sinful world, deprived of the right to have elements of life from God, since he was thrown down from heaven (Is. 14:12, Rev. 12:9)

/DP 1973

What kind of weapons did Satan use?

He used an airborne weapon: that is smoking.

Next, the liquid weapon is liquor;
and then the solid weapon is drugs.

Through these means, **everything including your spirit is made to rot.**

He makes everything rot – your body and spirit, and everything from the nostrils to the lungs.

So we do not drink liquor or smoke cigarettes.

These are the **weapons Satan uses to destroy human beings.**

These three things, which are elements that prevent one's spirit from communicating with God, are the enemy's best weapons.

What comes next?

Free sex that destroys the order of love. (- Spiritual)

The world spends some \$1,000.000.000 annually on the military

68 million daily searches for pornography in the United States

Porno industry \$13.000.000.000 dollars in profit.

By comparison,

Hollywood released 507 movies and made only 8.8 billion

(Bridges and Wosnitzer, 2007).

The reasons to this can all be found in Divine Principle explanation of Fall of Man.

Chapter 2

The Human Fall

All people have an original mind which inclines them to reject evil and pursue goodness. Yet, even without our being aware of it, we are driven by evil forces to abandon the goodness which our original mind desires and to perform evil deeds which, in our innermost heart, we do not want to do. As long as these evil forces assail us, the sinful history of humanity will continue unabated. In Christianity, the master of these evil forces is known as Satan. We have been utterly unable to liquidate the forces of Satan because we have not understood Satan's identity or how he came to exist. To extirpate evil by its root, and thereby end sinful history and usher in an era of goodness, we must first expose the motivation and origin of Satan and recognize the destruction he has wrought in human life. This explanation of the human Fall will clarify these issues.

SECTION 1

THE ROOT OF SIN

No one has known the root of sin, which lies deep within and ceaselessly drives people toward the way of evil. On the basis of the Bible, Christians have held to a vague belief that Adam and Eve's eating the fruit of the tree of the knowledge of good and evil was the root of sin. Some Christians believe that the fruit of the tree of the knowledge of good and evil was the fruit of an actual tree, while others believe that

So is Sex a Sin? - Yes and No

Yes for all fallen relationships since the Fall of Man – multiplying satans Lineage and Original Sin.

No, for Jesus and his missing Holy Bride

No for SMM and his Holy Bride.

No for all of Blessed couples who have had Original Sin removed through the Blessing!

Father said that even though second generation are born without original sin, the spirits of new born children will be clean beginning in the third generation children,

since the spiritual body of first and second generation members are stained and blotchy with the sins of our ancestors like dirty clothes.

Second generation children live in an environment where the Fall can take place at any time, so they must be careful.

Bible Verses About Sins of Omission and Commission

James 4:17 - Therefore to him that knoweth to do good, and doeth [it] not, to him it is sin.

Luke 13:3 - I tell you, Nay: but, except ye repent, ye shall all likewise perish.

1 John 3:4 - Whosoever committeth sin transgresseth also the law: for sin is the transgression of the law.

Why did restoration through indemnity come about?
For what purpose did it appear after the Fall occurred?

If there were no portion of responsibility,
then there would be no need for the term
"restoration through indemnity."

In what position did human beings fall?

They fell during the course of fulfilling their portion of responsibility.

At that time, human beings handed over the realm of the portion of responsibility to Satan.

It was taken by Satan.

Therefore, we must regain the realm of the portion of responsibility. 1986.3.16 CSG Book 8 5:1

DIVINE
PRINCIPLE

Because John the Baptist gradually came to doubt Jesus and finally even undermined his work, the Jewish people, who had the highest esteem for John, were compelled to disbelieve in Jesus.¹⁸⁹(cf. Messiah 2.2)

Consequently, the foundation of faith which John had laid for the first worldwide course to restore Canaan was invaded by Satan.

DIVINE
PRINCIPLE

Jesus himself now had to take on John's mission and restore through indemnity the foundation of faith (40 day fasting) in order to set out on the second worldwide course to restore Canaan.

When Jesus fasted for forty days in the wilderness, it was to separate Satan for the very purpose of restoring the foundation of faith; however, for this he lowered himself to assume the position of John the Baptist.

John the Baptist = returning Elijah

Still John denied it = Sin of Omission

DIVINE
PRINCIPLE

“Every human being is struggling to attain life-long happiness and overcome misfortune”.

/First sentens in Divine Principle

1. First, there is no freedom outside the Principle.
Freedom requires both free will and the free actions
pursuant to that will

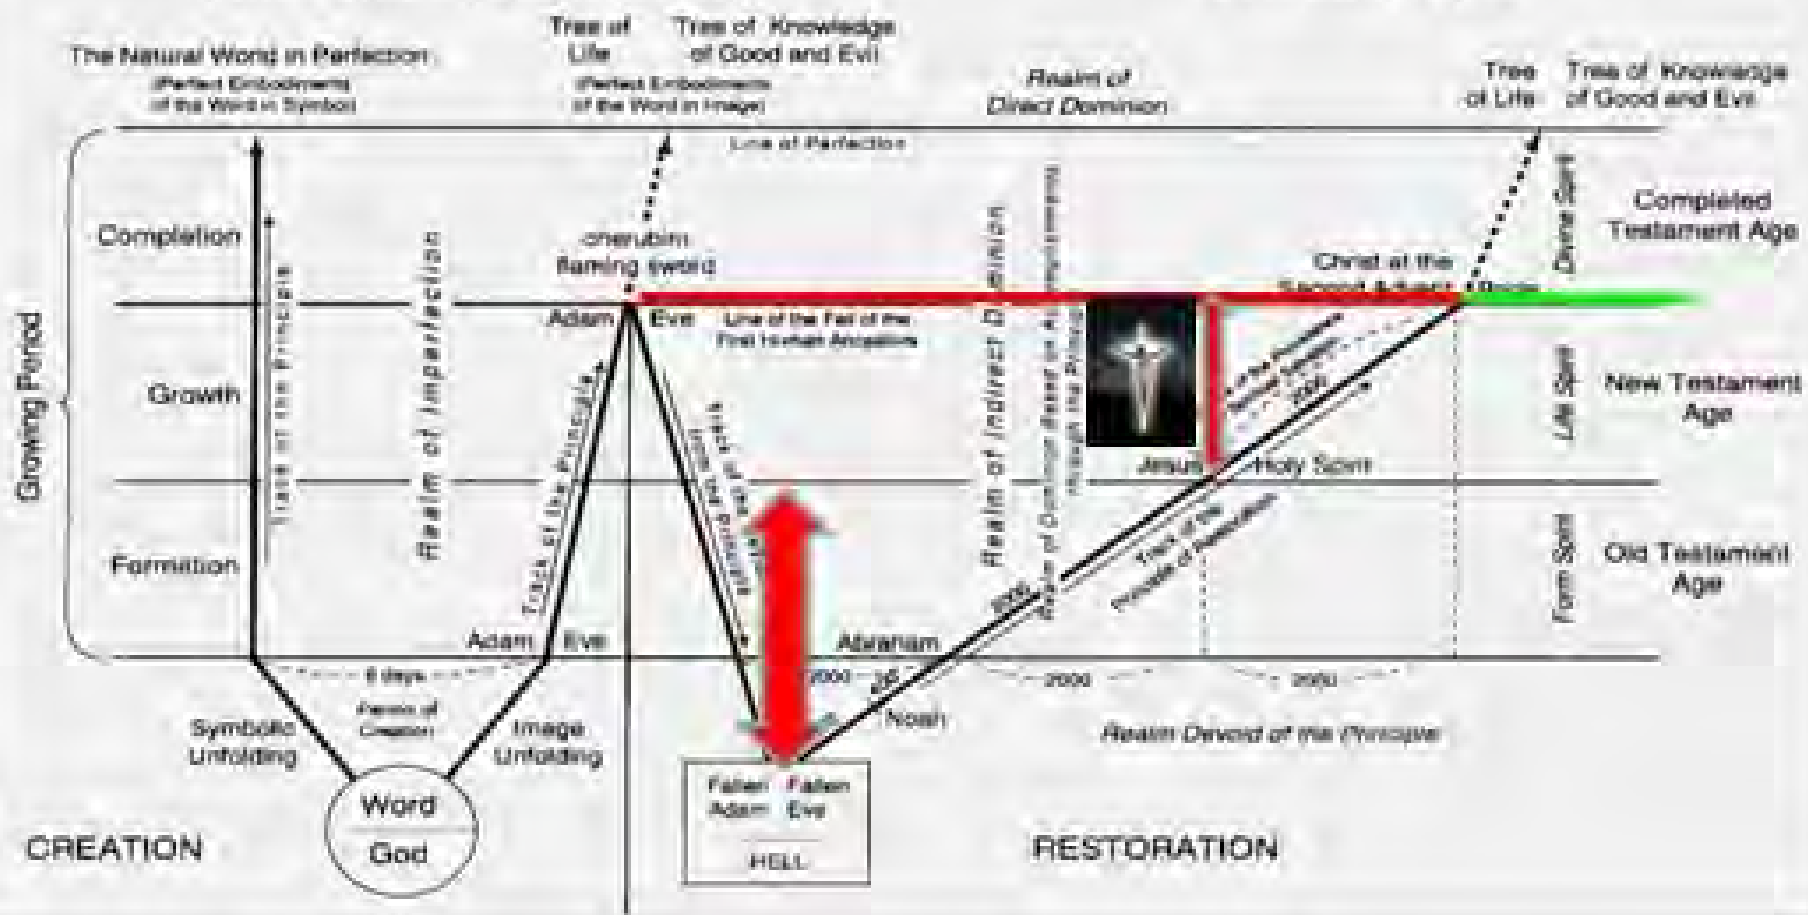

2. Second, there is no freedom without responsibility. Human beings, created according to the Principle, can reach perfection only by fulfilling their responsibility based on their free will.

3. Third, there is no freedom without accomplishment. When human beings exercise freedom and carry out their responsibility, they strive to accomplish results which complete the purpose of creation and bring joy to God.

**Chart 1: The Unfolding Manifestation of God's Word
In the Creation of the Universe and the Providence of Restoration**

The Garden of Eden Where God's Word
(the Ideal of Creation) is Realized Perfectly

The World Where
Restoration is Complete

No matter how broad the Christian cultural realm becomes, a perfected Adam who can manifest the true love of God must appear together with the bride.

Thus, you must fulfill your portion of responsibility and enter the realm of direct dominion.

You must prepare a foundation of true love in your family that can unite upper and lower, front and back, and left and right with love at the center.

Is this an easy thing to do?

/SMM1991.10.15

"Then the Lord saw that the wickedness of man was great in the earth, and that every intent of the thoughts of his heart was evil continually.

And the Lord was sorry that He created man on the earth and He was grieved in His heart."

SATAN WITH ADAM AND EVE (BOOK IV)

*Ah! gentle pair, ye little think how nigh
Your change approaches*

Blake

The first human ancestors destroyed this, the very thing that they should have perfected; as a result, the whole of humanity still has to fulfill its given responsibility.

To do so, everyone gains dominion over everything in the satanic world, stands in a position to dominate Satan, and reaches the position where they can receive the love of God with dignity.

When that happens, Satan will be cut off. /SMM1986.3.16

Quote SMM (SunMyungMoon) 1965:

There was no evil in the beginning.
Lucifer acted against the Principle.
That became evil.

Evil is not something entirely different from love.
Evil is the misuse of love.

Good is the right and proper use of love.

Good and evil started from one point -- love.

If we love God, that is all right.

But if we love something or someone against God's will,
that is evil.

If we love someone or something in accordance with
God's will, that is good.

The Influence of Good and Evil Spirits (Essentials Of The Unification Principle)

The struggle between the original mind and the evil mind is greatly exacerbated by the intervention of spirit men and women in the affairs of people on earth.

Good spirits, that is those close to God, have a beneficial influence on the spirits of men and women on earth.

However, evil spirits, who are close to Satan in character and direction, have a bad influence on the spirits of people on earth.

The Influence of Good and Evil Spirits

Because of the dislocation of spirit and body brought about by the fall, fallen individuals are generally unaware of the influence of good and evil spirits in their lives.

They tend to attribute fallen spiritual influences to their own moods, sentiments and inspirations.

Whenever the spirit of a fallen man or woman unites with the thoughts or activities of evil spirits he or she multiplies the power of Satan and evil in the world.

The “**evil eye**” is a malevolent look that many cultures believe able to cause injury or misfortune for the person at whom it is directed for reasons of envy or dislike.

A nazar (Turkish: nazar boncugu Old Turkic: gökçe munçuk) is an eye-shaped amulet believed to protect against the evil eye ("evil eye", from nazar and "amulet" from boncugu). The word "nazar" is derived from the Arabic, "sight" or "seeing".

Divine Principle
in Plain Language
by Jon Quinn

There is ample evidence today that the root of evil, the Fall, was an immoral sexual relationship.

God created the sexual act of love as the most precious, holy and exciting expression of love in our lives.

Yet throughout history the act of love has often been regarded as lowly and made a joke of.

Comment: Illicit sexuality - root of suffering and shame

- Adam & Eve covered their genitals and not the mouth after having "eaten" of the fruit.
- Covenant between Abraham and God is symbolized by circumcision of the male sexual organ.
The shedding of satanic blood - kinship with satan.
- Jesus spoke of ... you have the devil as your father
- Fruitful - propagation - reproduction – illicit sexuality
- Sex industry larger than combined world military budget!

ROOT OF EVIL — IMMORAL SEX

The Bible teaches us that although it is necessary for man to multiply, for those who can, it is best to be celibate (live single).

This was to be an indemnity payment for the Fall and implies that marriage has not had the complete sanction of God.

The Bible emphasizes not getting married.

In First Corinthians 7:38 we read,

“So that he who marries his betrothed does well; but he who refrains from marriage will do better.”

Celibacy is encouraged because God’s ideal was lost due to the misuse of love.

How we can see that the Root of Human Fall

Comment: One can wonder why we inherit Sin.

Recent science study:

Genes (DNA) play a greater role in determining key personality traits like social skills and learning ability than the way we are brought up by our parents, researchers claimed.

DP: God created Man to inherit goodness from previous generations of ancestors. Because of the Fall, it was all turned upside down. Inheriting Sin and fallen nature.

To restore the basis upon which they can complete the purpose of creation, fallen people must first restore through indemnity the foundation of faith which the first human ancestors failed to establish (DP p. 180).

Testimony by Kim Won-jong

On a different night when I was in bed, a snake as thick as a pillar appeared and after reaching my ankle it started climbing up my leg. It flicked a spatula shaped tongue and when it tried to bite my face, I grabbed its upper and lower jaws trying to rip its jaws apart. I looked down the cave-like innards of the snake.

At that point I awoke to find my blankets all wet. '

Two months after the episode, on Febr 2, 1962, the Reverend Sun Myung Moon came to Daegu on a tour. He spoke for six hours.

He said,

*"To know what was in the mind of the snake when he tempted Eve six thousand years ago, **grab the upper and lower jaws of the snake and shout, 'Snake! Let's have a look at your innards,'**" and unless you can see everything that is inside the snake, you cannot know the snake's mind."*

I once again felt that Father knew all the secrets of heaven.

That is why the **snake** was used as a metaphor.

Do you have a sexual organ or not?

Would you insert your love organ into it?

If Jesus had married and shared his love with a woman who loved him more than he could ever love, would the devil be able to pull away the children they bore? God would protect them.

Christians will say all kinds of things and raise a big fuss. What do you think would have happened if a pure Jesus, as a good man, welcomed a good woman and had a family that God could protect?

Book Eleven- The Root of the Universe

HakJaHan Moon 2012:

God's providence never develops without going through indemnity.

Those who studied the Divine Principle know it well.

'Indemnity' does not necessarily means something bad. It could give you a promise for the future.

Rev. Moon has unfolded God's providence on earth during this really difficult time.

Let's think of the Israelite from 2,000 years ago.

It was the Messiah that they, under Roman dominion, were waiting for with the pride that they were chosen people.

They believed that once the Messiah came, they would be liberated from everything and stand out in the world. However, providential history does not develop in such a fancy way.

They did not know 'indemnity.'

Consequently, they killed the only begotten-son of God. Then what happened to the Israelite?

They became a people who were exiled for 2,000 years.

/endquote

Paying Indemnity is like paddling upstream
the river of Sin.

Once you stop paddling (= stop paying indemnity)
and the “stream” will take you backwards.

Or humans are in spiritual debt...
if you repay the dept by paying indemnity,
you lessen the debt on your children
and future generations.

People take-up the word "blessing" so easily, but they forget that behind this blessing is a great journey of suffering and hardship.

Look at Mans situation and the World

- Many illiterate, Unemployment, Poverty,
- Conflicts, War

- Alienation Man-Man, Man-Woman
- Illicit sexuality
- ...

A robber killed the original father and raped the mother.
Fallen human beings today are in the position of children
who were born from that relationship.

Who is Satan?

He is the enemy of God's love.

Satan is the adulterer who violated the children of God,
so even the God of love cannot forgive him.

There is no way to forgive the adulterer of love.

Others can be forgiven, but Satan cannot.

If he is forgiven, the heavenly law will break down.

Borysenko, the author of 13 books, states that the gap between what we know and how that translates into taking care of our health has its origin in our sorry emotional state.

The three most predominant emotions which have a large impact on both our physiology and health are depression, anxiety, and chronic anger.”

Faith and Reality: Sun Myung Moon

Unhappiness, depression and despair will be produced whenever we fail to maintain the proper relationship with our object. (God)

In order for us to continue living it is absolutely necessary to have a continuous and positive objective stimulus.

All the elements of success and failure develop around this relationship.

Faith and Reality: Sun Myung Moon

Up to now Satan and his following have been the dominating forces on earth.

Now we must establish the sovereignty of good.

New generations, a New age, a New civilization will be created, and very soon we will have the Kingdom of God on Earth.

In the past, ideological systems ended up with only ideals. But now our belief system will bear fruit in actual reality.

Depressed World:

Economic depression, environmental pollution, political irregularity, racial and religious strife, the decay of ethics and morality, the collapse of the sense of values: is there anyone who can fundamentally solve these many evils and problems?

It has not been possible through human wisdom or effort.

We have not been able to find a solution to these problems by mobilizing economic power or governmental power; rather, the evils of humankind are gradually becoming worse.

Depression:

Voice of heaven

Now humanity has to humbly listen to the voice of heaven and find the road of resolution directed by God.

This country and its people must accept my teachings.

This is not because I am trying to raise myself up, but because it is the will of God.

God has revealed the principles of heaven through me, and He has given me the answers to the fundamental problems of humankind.

By having
unchangeable faith,
a united mind and body,
and being with God,
we can establish the Kingdom of Heaven.

If these standards are changed,
then Satan comes in.

Satan has changeable, unstable elements.
When our faith waivers, he tempts us with his
changeable nature. (Root of depression)

What is sin?

Sin is anything which makes a condition through which Satan can accuse man.

Through the family Satan has had the condition to accuse man, but when all the evil conditions are eliminated on the family foundation,
the Kingdom of Heaven can begin.

What is sin?

Sin is anything which makes a condition through which Satan can accuse man.

Through the family Satan has had the condition to accuse man, but when all the evil conditions are eliminated on the family foundation, the Kingdom of Heaven can begin.

Through the multiplication of this basic family of goodness, a tribe, society, nation and world of goodness can come about.

We must not only talk about the Kingdom of Heaven; we must establish it.

Un- or Happy Future ?

In the USA the percentage of marriages ending in divorce varies from around 55% of all U.S. marriages to 50% of first marriages and 60% of second marriages.

In the UK, marriages ending in divorce after 15 years in England and Wales rose from just under 1 in 4 (22%) of all marriages in 1970 to a third (33%) of all marriages in 1995.

The Reality of Marriage under Satan

The purpose of marriage is to bring one man and one woman together in order to establish a God-centered family and become a true resemblance of God.

The Bible says that a man and a woman will become one flesh (cf. Gen. 2: 24).

The reality is that in marriages contracted in the satanic realm, a man and a woman rarely become one flesh at all.

The Reality of Marriage under Satan

“A man will feel more connected to his car than to his wife.”

To all the married male readers: Have you ever felt pain because your wife banged her leg against a chair though she could still walk?

You probably felt bad that it happened, but did you feel her pain in you?

How about this:

Have you ever driven your car into a pothole and felt pain when the tire hit that pothole, though the car continued to ride smoothly?

Hence, the institution of marriage has been in turmoil and confusion because it started and expanded under Satan.

As Adam and Eve-Messiahs, the True Parents have astablished a platform of restoration upon which friendship can be restored to its original state.

The Reality of Marriage under Satan

Some people do not like the notion of marriage because they do not see it fulfilling anything.

Some people even call it a man-made prison.

This is because most of the marriages we see and are familiar with in this world have the form of God-planned marriage but the content of Satan-centered marriage.

Christian Nseka

Born in Kinshasa, Zaire (the country currently known as the Democratic Republic of Congo), Christian Nseka joined the Unification Church in 1987 in his homeland and thereafter became a lecturer of the Divine Principle, the main teaching of the Unification Church.

The physical Body is the vessel to bring you to the Destination = Gods Divine Kingdom of Heaven and Earth.

If your vessel sinks on the way – due to Sin you need a new Vessel = own Physical Body = or other through Returning Resurrection

If God told them not to “eat of the fruit” then it would clearly not refer to her offspring, but rather to her sexual organ.

Far more importantly, however, if Adam had not fallen, God could have made another Eve or as many Eves as necessary.

God actually gave the commandment after He saw that Lucifer was starting down the wrong path with Eve; i.e., God said: “...of the fruit of the tree of the knowledge of good and evil you shall not eat, for in the day that you eat of it you shall die”
after Lucifer started to go down the wrong path with Eve.

Add to this a careful study of Lucifer's temptation to Eve, where we find that he said to her:

"You will not die.

For God knows that when you eat of it your eyes will be opened, and you will be like God, knowing good and evil."

Notice carefully here what Lucifer is saying.

He told Eve that she WILL have the knowledge of good and evil when she eats.

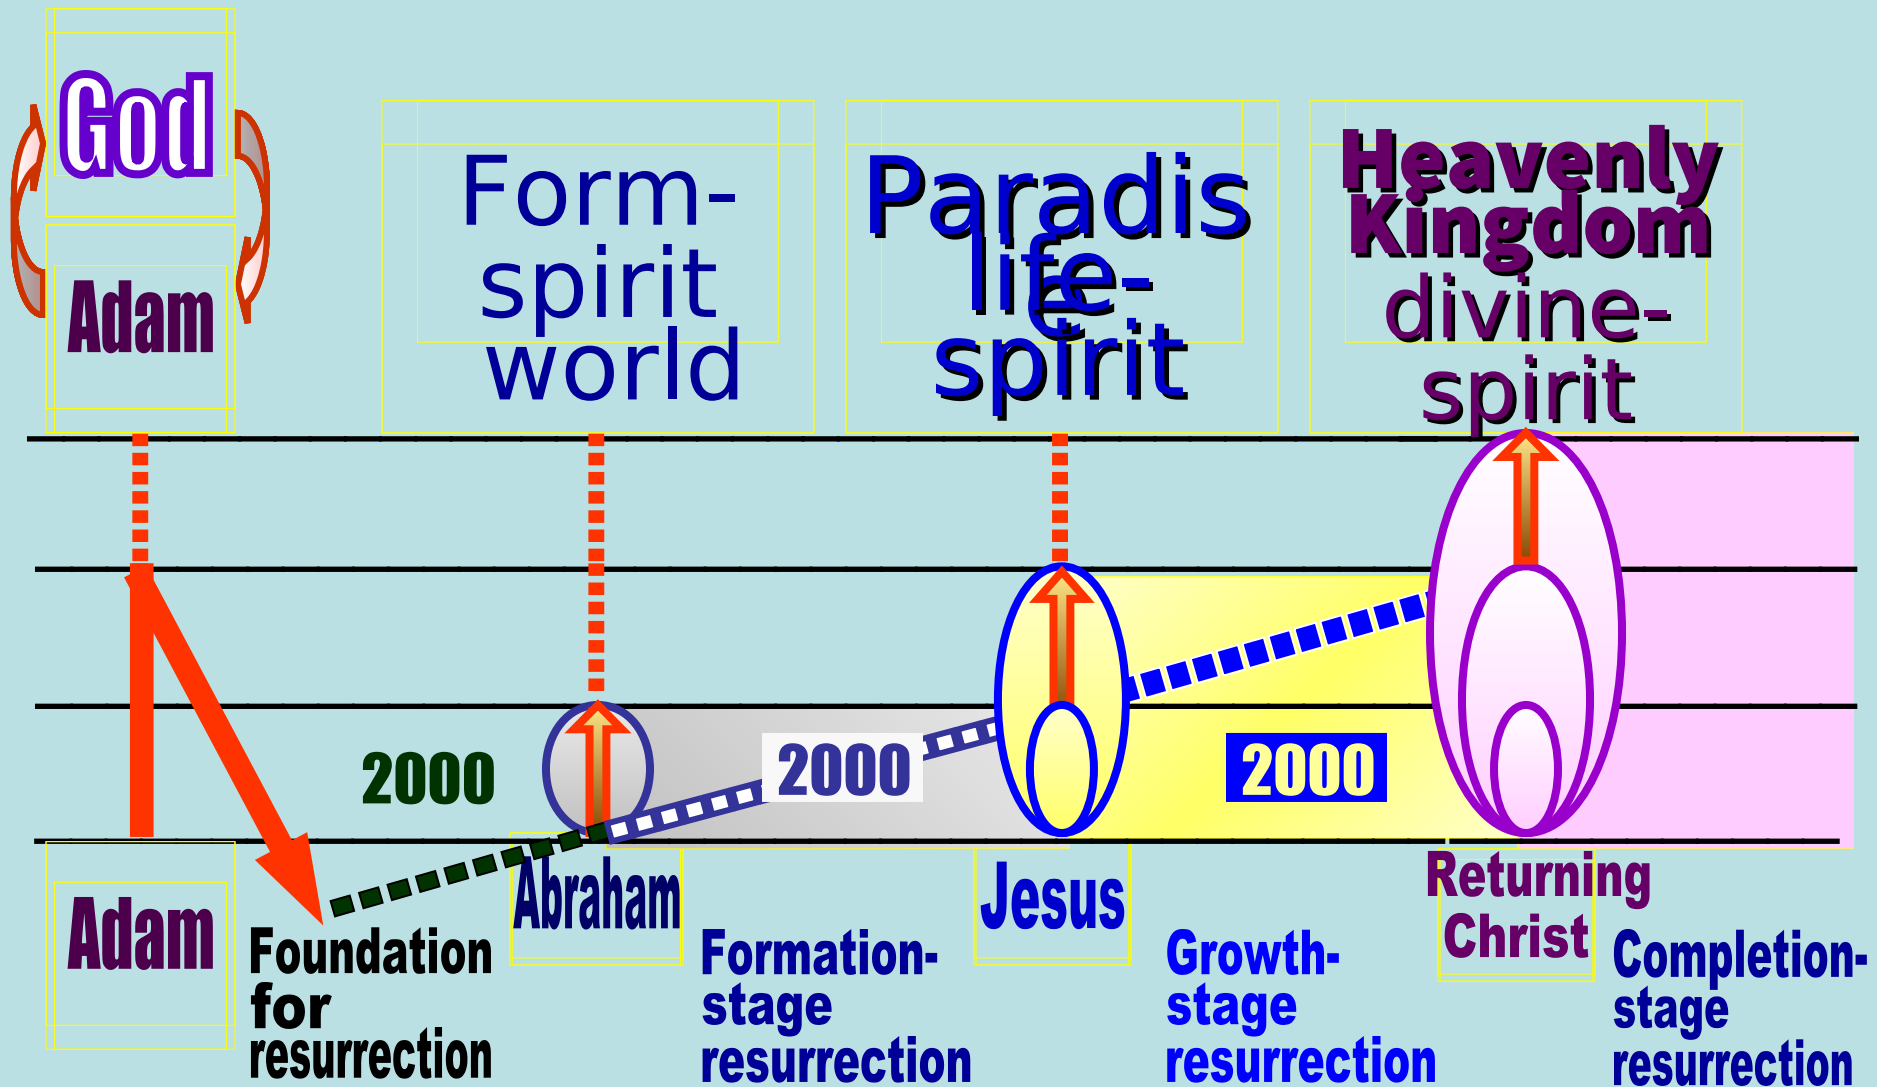

So, keeping in mind that God gave the commandment after Lucifer started down the wrong path with Eve, we can see that Eve would BECOME, or rather became, the “Tree of the knowledge of good and evil” when her purity became compromised with Lucifer.

Would she have gained the knowledge of good and evil if she didn't eat with Lucifer?

Evil would not have come to exist.

The Providence of Resurrection for People on Earth

Upon their death, the believers of this era will enter and abide in the Kingdom of Heaven in heaven, which is the divine-spirit level of the spirit world (DP p. 140).

FOUR ESOTERIC ACCOUNTS OF CAIN AND ABEL

1. The Zohar Account:

"For two beings had intercourse with Eve, and she conceived from both and bore two children. Each followed one of the male parents, and their spirits parted, one to this side and one to the other, and similarly their characters.

FOUR ESOTERIC ACCOUNTS OF CAIN AND ABEL

On the side of Cain are all the haunts of the evil species from which come evil spirits and demons and necromancers. From the side of Abel comes a more merciful [Adam-like] class -- yet not wholly beneficial -- good wine mixed with bad. The right kind was not produced until Seth came, who is the first ancestor of all the generations of the righteous."
(Bereshith 36b-37a)

2. The Gnostic Christian Account:

"Then the [divine] authorities [i.e., Elohim]. . . sent seven [fallen] archangels to see what happened. They came to Adam. When they saw Eve speaking with him, they said to one another . . . 'let us seize her and let us cast our seed on her, so that . . . those whom she begets will serve us.' [Eve] conceived . . . and she bore the rest of the sons from the seven . . . angels." (On the Origins of the World, II:5)

3. The Islamic Account:

Allah's Apostle said, "Tonight two (visitors) came to me (in my dream) and took me to a town built with gold bricks and silver bricks. There we met men who, half of their bodies, look like the most-handsome human beings you have ever seen, and the other half, the ugliest human beings you have ever seen. Those two visitors said to those men, 'Go and dip yourselves in that river.

3. The Islamic Account:

So they dipped themselves therein and then came to us, their ugliness having disappeared and they were in the most-handsome shape. The visitors said, 'The first is the Garden of Eden and that is your dwelling place.' Then they added, 'As for those people who were half ugly and half handsome, they were those who mixed good deeds and bad deeds, but Allah forgave them.' (Sahih Bukhari Hadith: Volume 6, Book 60, Number 196)

4. The Rev. Moon Unificationism Account:

"Lucifer dared to seduce Eve at the risk of his life . . .
and [they] had sexual intercourse with each other. . .
Eve joined with Adam after she had the illicit relationship
with the archangel [Satan] . . .
and [Satan's and Adam's] elements were then transmitted
to their descendants . . .
and mankind has multiplied sin to the present day,
thus perpetuating the lineage of Satan."
(Divine Principle I.2.2.2)

Thus, we see virtually the same mixed-paternal parentage
attributed to Cain and Abel in all four scriptural accounts.

Swedenborg offers this general commentary on the sexual organs in the Universal Human:

But I have not been allowed to know the identity and nature of the communities that belong to the specific organs of generation.

They are actually **too inward for anyone in a lower sphere to understand**. They relate to uses of those organs that are deeply hidden and far removed from knowledge. The **reason is providential**—to prevent things that are intrinsically most heavenly from damage by foul thoughts, which involve lewdness, promiscuity, and adultery.

/Emanuel Swedenborg, *Arcana Coelestia*

van Dusen M.D

Doctor Wilson van Dusen:

Present day psychosis always involves some degree of self pride (spiritual madness) but the hallucinated aspect looks most like what Swedenborg described under the general headings of obsessions (to be caught in false ideas) and possession to have alien spirits acting into one's thought, feelings, or even into one's own bodily acts.

He indicates that normally there is a barrier between these spiritual entities and man's own consciousness.

He also makes quite clear that if this barrier of awareness were penetrated the man would be in grave danger for his mental health and even for his life.

In my dialogues with (mental) patients I learned of two orders of experience, borrowing from the voices themselves, called the higher and the lower order.

Lower order voices are as though one is dealing with drunken bums at a bar who like to tease and torment just for the fun of it.

They will suggest lewd acts and then scold the patient for considering them. They find a weak point of conscience and work on it interteasing him for three years over a ten-cent debt he had already paid.

They call the patient every conceivable name, suggest every lewd act, steal memories or ideas right out of consciousness, threaten death, and work on the patient's credibility in every way.

For instance they will brag that they will produce some disaster on the morrow and then claim honor for one in the daily paper.

They suggest foolish acts (such as: Raise your right hand in the air and stay that way) and tease if he does it and threaten him if he doesn't.

The lower order can work for a long time to possess some part of the patient's **body**.

The higher order is much more likely to be symbolic, religious, supportive, genuinely instructive, and communicate directly with the inner feelings of the patient.

I've learned to help the patient approach the higher order because of its great power to broaden the individual's values.

Swedenborg indicates that good spirits have some degree of control over the evil ones.

Higher order hallucinations have made the same comment — that they can control lower order ones, but it is seldom to the degree the patient would desire.

In some respects they overcome the evil insofar as the patient identifies with them.

A discovery four years ago helped me to get a relatively rich and consistent picture of the patients' experience. Though I noticed similarities with Swedenborg's description of the relationships of man to spirits it was only three years after all the major findings on hallucinations had been made that the striking similarity between what Twentieth-Century patients describe and Swedenborg's Eighteenth-Century accounts became apparent to me.

Among the seven sins in Dante's *The Divine Comedy*, this "scarlet sin" is said to be the worst.

God considers adulterous love to be the most serious of all sins, and He will never condone it.

Come now, and let us reason together, says the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool. Isaiah 1:18

Fletcher: "Nobody can give away perfection. Perfection was the ideal, and perfection was mans goal from the beginning, but man choose himself to loose that perfection, and she must now choose to return to it. But it is really true that no one can return to his homeland which he has forgotten, if not someone gives him a map or leads him along that road."

If you make a wrong start, you will end up in the wrong place. That is why when a ship sets out into the great ocean, it should chart out the course and follow the compass carefully from the moment it first sets sail from port.

Then, what is the port of departure for human life? People do not know. Where can we find the direction, the compass guiding us to reach our destination in the world beyond?

Human beings have not been able to find this, so they have been wandering about to and fro. No matter how they have tried, they have not been able to overcome their human limitations. /SMM 1988.1.3

For this reason, in his ministry of exorcism, Jesus always distinguished between the possessing demons and the persons harboring them.

Satan holds people captive against their will, even if originally they were responsible for inviting the demons in.

Therefore Jesus' mission was two-fold:
to battle against Satan (Prosecutor) and
to fight for man (Defense attorney/Defender).

The Lucifer effect

Whatever one construes the biblical passages of the Fall, it is a powerful narrative which poses a number of questions. Phillip Zimbardo, for example, a Stanford professor of social psychology, published *The Lucifer Effect* (2007), in which he gives a reflective account of the notorious Stanford Prison Experiment he conducted in 1971.

In a mock prison at the psychology department at Stanford University, he witnessed the rapid transformation of good, mentally healthy, intelligent college students into abusive ones in a matter of days.

The Lucifer effect

Zimbardo, was deeply puzzled by the narrative of the Fall at the Garden of Eden.

By referring to the transformation of Lucifer to Satan in the Foreword of his book, he notes **the magnitude of this narrative, in contrast any other transformation of good to evil:**

That is the most extreme arc of transformation imaginable, and so sets the context for my investigations into lesser human trans-formations of good, ordinary people, not angels, into perpetrators of evil in response to the corrosive influence of powerful situational forces

Comment: From Rudolf Steiners "Cosmic Memory"

The longing for knowledge is produced by the fact that the soul develops inner organs, the brain and so forth, by means of which it gains possession of knowledge. This is a consequence of the circumstance that a part of the energy of the soul is no longer directed toward the outside, but toward the inside.

The superhuman beings however, which have not carried out this separation of their spiritual forces, direct all the energy of their soul toward the outside.

Therefore that force is also available to them externally for fructification by the spirit, which “man” turns inward for the development of the organs of cognition...

Now that force by means of which one human being turns toward the outside in order to act together with *another* is *love*. The superhuman beings directed all their love outward in order to let universal wisdom flow into their soul.

“Man” however can only direct a part of it outward.

“Man” became sensual, and thereby his love became sensual.

He draws away from the outside world that part of his nature which he directs toward his inner development.

And thus that arises which one calls *selfishness*.

When he became man or woman in the physical body, “man” could surrender himself with only a part of his being; with the other part he separated himself from the world around him.

He became selfish. And his action toward the outside became selfish; his striving after inner development also became selfish.

Old Test. Offering

Abraham
Isaak

The significance of making the offering is to cut the parts in two, so that one is under God's claim and the other under Satan's claim.

In that case both the offering and the man who offered the sacrifice must become entirely one.

The man who offers the sacrifice is in the subjective position, while the offering is in the objective position!

Without these two united into one,
the purpose of the offering cannot be attained.
The offering being in the objective position to man as
the subject, it can represent the person's flesh-body.
The thing being offered (i.e., the animal) has to shed
blood in place of sinful man.

In other words, the offering is in place of man -- representing man.

One thing is for sure: the **highest religions** have maintained that people must control their desires:
the desire to eat, to sleep and to experience sexual love.

Adam fell due to his disbelief.

Disbelief was the primary reason.

Next, Adam fell because he asserted himself.

He put himself, his ego in the center of everything.

Adam fell because he took a self-centered position.

Next, Adam demanded a realm of self-centered love.

These are the three major elements of the Fall:

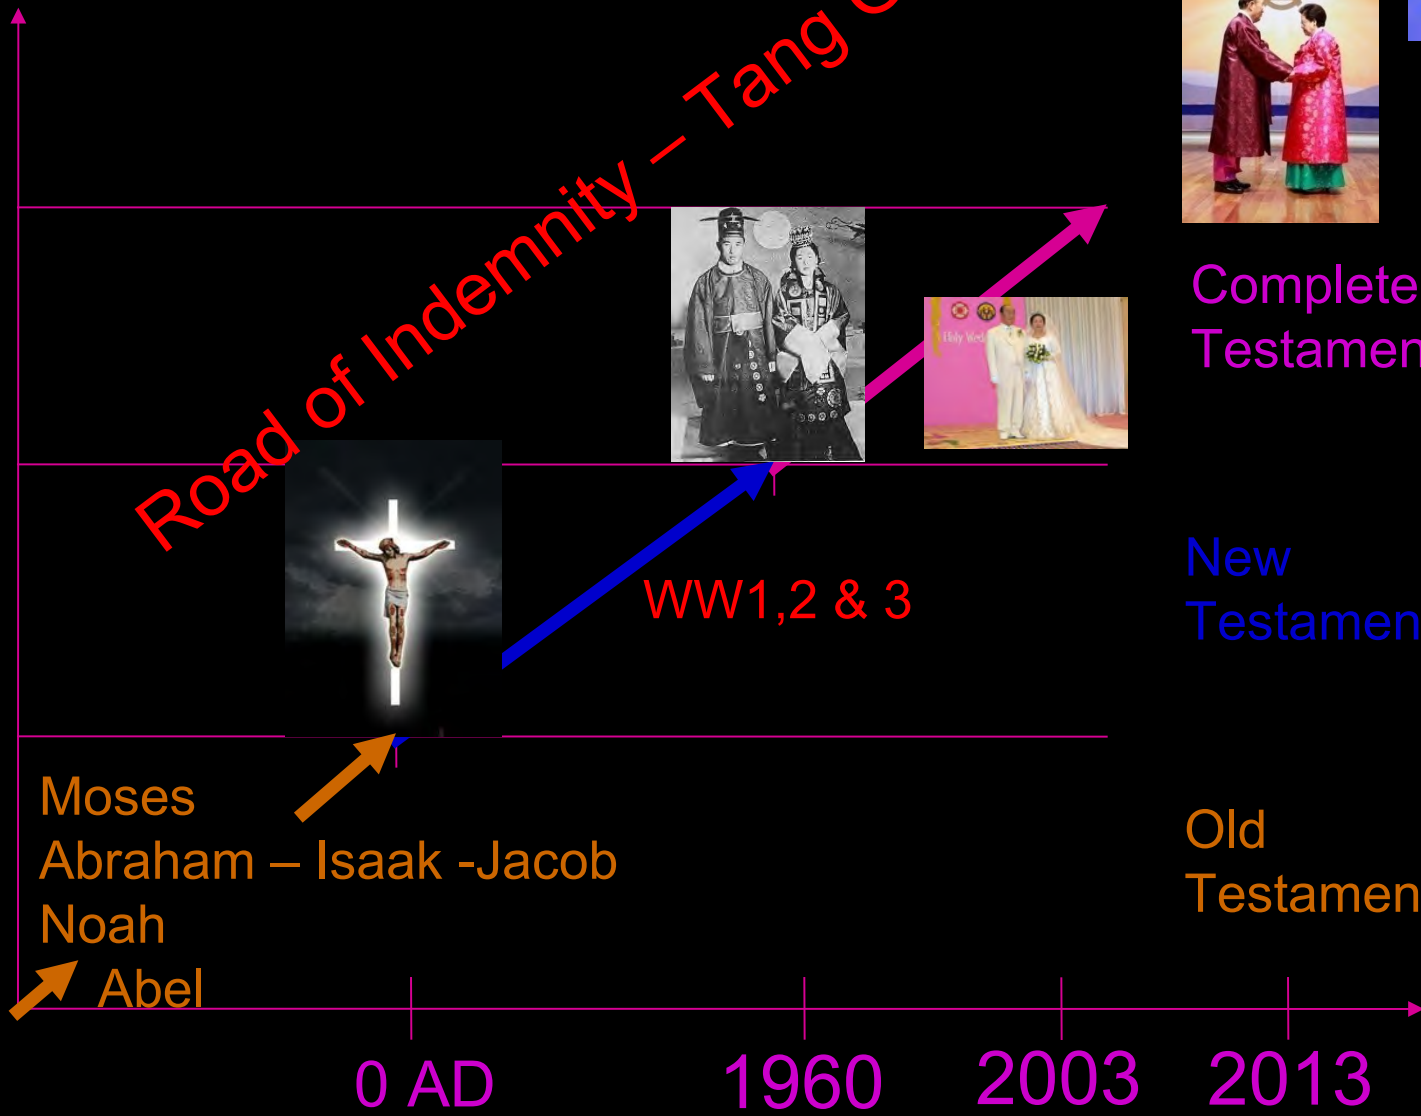

disbelief, self-assertion or self-centeredness,

and finally dreams of self-centered love.

The fallen angels were like this. /SMM 10 Apr 1983

Mark 5:1-20

King James Version (KJV)

5 And they came over unto the other side of the sea, into the country of the Gadarenes.

² And when he was come out of the ship,

immediately there met him out of the tombs a man with an unclean spirit,

³ Who had his dwelling among the tombs; and no man could bind him, no, not with chains:

⁴ Because that he had been often bound with fetters and chains, and the chains had been plucked asunder by him, and the fetters broken in pieces: neither could any man tame him.

⁵ And always, night and day, he was in the mountains, and in the tombs, crying, and cutting himself

⁶ But when he saw Jesus afar off, he ran and worshipped him,
⁷ And cried with a loud voice, and said, What have I to do with thee, Jesus, thou Son of the most high God?

I adjure thee by God, that thou torment me not.

⁸ For he said unto him, Come out of the man, thou unclean spirit.

⁹ And he asked him, What is thy name? And he answered, saying,

My name is Legion: for we are many.

¹⁰ And he besought him much that he would not send them away out of the country.

¹¹ Now there was there nigh unto the mountains a great herd of swine feeding.

¹² And all the devils besought him, saying, Send us into the swine, that we may enter into them.

¹³ And forthwith Jesus gave them leave.

And the unclean spirits went out,

and entered into the swine:

and the herd ran violently down a steep place into the sea,

(they were about two thousand;)

and were choked in the sea.

“When the unclean spirit has gone out of a person, it passes through waterless places seeking rest, and finding none it says,

‘I will return to my house from which I came.’

And when it comes, it finds the house swept and put in order.

Then it goes and brings seven other spirits more evil than itself, and they enter and dwell there.

And the last state of that person is worse than the first.”

/Luke 11:24

Put on the whole armor of God, that you may be able to stand against the wiles of the devil. For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual *hosts of wickedness in the heavenly places.*

/Eph. 6:11

3rd Adam

3rd Adam

The spirit world could not function until the appearance of Unification Church. Why?

Because there was no handle to grab;
no rapport was established.

There was no love between the races.

There was no one who could prepare the base so that God could really bring down His hosts of angels.

But now the Unification Church represents that base, so God can bring down any number of angels or spirit men He wishes.

3rd Adam

So far, there have been many, many evil spiritual phenomena. There are many evil, lost spirits haunting people.

Spirits can also actually cause diseases and accidents.

What is the difference between evil spirits and good spirits?

When an evil spirit approaches, you somehow feel fearful and uncertain and very unstable.

A satanic spirit is like the winter wind, making you shiver.

Comment: Modern science have mostly not understood evil spirit possession, and regard it as superstition or old religious dogma.

Quote:

Freud's student Carl Jung theorized that possession occurred when an individual came to identify with a complex from the collective subconscious.

Freud believed subconscious impulses were personal and often sexual in nature. / Joseph P. Laycock
(Remains from sexual Fall of Man – as in Divine Principle)

Jesus' great spiritual force caused the evil spirit to depart and this allowed the victim to immediately become normal.
The evil influencing factor had been removed.

*Freud's personality theory (1923)
saw the psyche structured into three parts
the **id**,
ego and
superego,
all developing at different stages in our lives.*

*These are systems, not parts of the brain,
or in any way physical.*

id is the primitive and instinctual part of the mind that contains sexual and aggressive drives and hidden memories,

super-ego operates as a moral conscience

ego is the realistic part that mediates between the desires of the *id* and the *super-ego*.

Id:

Instincts

Ego:

Reality

Superego:

Morality

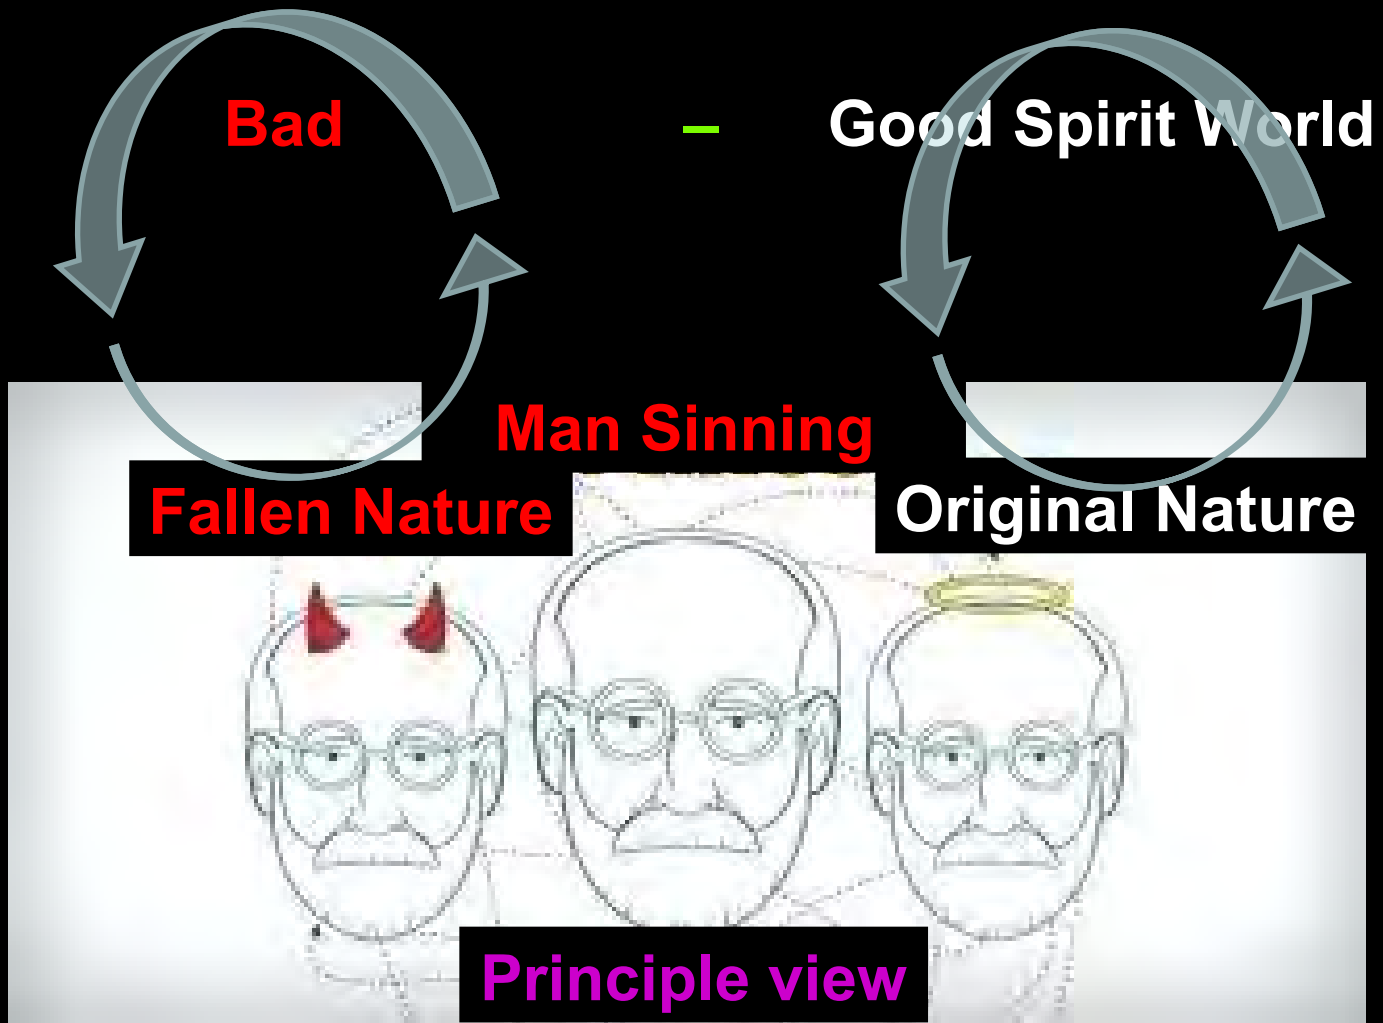

From the Principle view
I (*Bengt*) would interpret;

ID is the undeveloped spirit of fallen man
i.e. remains of fallen nature from **the Fall of Man,**
unrighteous sexual desires.

SUPEREGO as the Original Divine that remains in all Mankind
from the unfallen Adam & Eve - moral conscience.

EGO as the struggling life of fallen Man between good and evil,
influence from the Physical and Spiritual worlds.

“Man is, on the whole,
less good than he imagines
himself or wants to be.”

Carl Jung

From the Principle view
I (*Bengt*) would interpret;

Mans hidden shadow as the Principles – 4 Fallen natures

3rd Adam

But when some good spirit is trying to embrace you,
you feel so good without reason!
You'll be walking on Cloud 9!

A heavenly spirit is like spring.
It melts you, relaxes you,
and gives you the warmth of love and comfort.

You should feel that in the Unification Church.

3rd Adam

I have been conducting the program of the spirit world for everything.

I do not talk about how heaven is or how heavenly father is, and so forth.

I do not talk about them carelessly.

I only talk about them after I have digested them with the truth and can explain them in some systematic manner.

Do you think that I simply listen to the words of some women or grandmothers, or some spiritual medium? No way.

They are ignorant.

They know how to testify to the present, but they do not know how things operate. /SMM (68-276)

Jesus miracles

”Father said Jesus was put on the cross because he showed spiritual miracles.”

p.414 A Testimony to Gods Word by Gil Ja Sa Eu

Jesus accomplished healing by chasing out **evil spirits** or **demons**.

Jesus' great spiritual force caused the evil spirit to depart and this allowed the victim to immediately become normal. **The evil influencing factor** had been removed.

Reverend Moon Speaks on Satan, the Fall, and Evil Undated

As he walked the course of restoration, Jesus did not delight in performing miracles. These miracles took place when Jesus shouted out in excruciating sadness.

The Incarnation of Jesus, a Pioneer February 1, 1959

When Jesus saw that the people were not likely to receive him by the words of God alone, he began to perform mighty works. He hoped that people could recognize him through his miracles.

"Even though you do not believe me, believe the miracles, that you may know and understand that the Father is in me, and I in the Father"

The Gospel

Jesus said

fasting indemnifies the forces of Satan

and

prayer calls on the power of God.

Even though Jesus was born as the original son of God, he still needed to go the way of indemnity in order to save this world. (Compare O.T. blood, burnt offerings.)

Comment: Jesus surely knew the Law of Indemnity
(Tang Gam, korean).

His sacrifice of his Holy Body postponed the final Physical
Salvation,
But it also opened the way for 2000 years of Spiritual Salvation,
through Jesus voluntary blood sacrifice.
Compare O.T. blood offerings.

You must know that the bitter term
“restoration through indemnity”
emerged due to human beings being unable to fulfill
their portion of responsibility. / SMM 1983.3.1

The way of indemnity is necessary for us.
In order to save this world, you walk the way of indemnity.
Even though Jesus was born as the original son of God,
he still needed to go the way of indemnity in order to
save this world.

Since the world could not do so, and since **the people**
who were supposed to go the way of indemnity opposed
him, Jesus himself had to walk that path and had no
choice but to take responsibility. /SMM 1984.7.8

Jesus Christ came for the will of God, to transmit God's will to the chosen nation of Israel. God was moving in a certain direction and Jesus Christ was moving parallel to that direction, so certainly the people of Israel were supposed to move in a way parallel to Jesus.

If all three had been moving parallel in one direction, God's ultimate will could have been fulfilled in that nation. God and Jesus were united and all that was needed was to have the people of Israel unite with Jesus.

After man's having fulfilled on the national level, expansion of that fulfillment to the worldwide level would have been assured. /SMM 761225

Comment: Indemnity seem to involve time also.
