

EXPOSITION OF THE  
DIVINE  
PRINCIPLE

THE HOLY SPIRIT ASSOCIATION FOR THE  
UNIFICATION OF WORLD OBSTANCY

# Divine Principle & Rebirth

Background:

The Bible talks about Rebirth as not about a physical birth, but about receiving a spiritual renewal.

Since the original sin in the garden by Adam (Genesis 3), all mankind is born in a corrupted state by inheritance.

It is by that our soul needs to be reborn—made pure and righteous again—the way God created us to be.

He provided the way for this to happen, but because God gave us free will, we have a choice to accept it or not.

Background:

The term in the original Greek text is *gennaō* (born) meaning “to regenerate” and *anōthen* (again) meaning “from above, anew.”

Both meanings are consistent with the redeeming purpose. The label of Christian (*Christianos*) means “follower of Christ.”

The born again Christian has accepted this supernatural transformation from sin to righteousness, evil to good.

# Rebirth – Principle

## Jesus and the Holy Spirit and Their Mission to Give Rebirth

Jesus came as the True Father in order to give rebirth to fallen people, transforming them into good children, thoroughly cleansed of original sin. The Holy Spirit came as the True Mother (p. 170).

Christ must come again in flesh in order that he may become the **True Parent both spiritually and physically, by forming the substantial Trinity centered on God.**

He will then, by giving them rebirth both spiritually and physically, have all fallen men form (by couples) substantial trinities centered on God, after having liquidated the original sin.

When fallen men have established the four position foundation in the original form centered on God, then the Kingdom of Heaven on earth will be restored through the realization of God's three great blessings to man.

# ~~Spiritual and Perfect Trinities~~

~~Gods 3 Blessings  
realized!~~

**Spiritual  
and Physical trinity**

# Spiritual and Perfect Trinities

Gods 3 Blessings realized!

## Principle view:

Jesus came as the True Father whom Adam had failed to become. For this reason, the Bible speaks of him as "the last Adam" and the "Everlasting Father."  
(I Cor. 15:45); (Isa. 9:6)

However, a father alone cannot give birth to children.

There must be a True Mother, as well as a True Father, for fallen children to be reborn as good children.

The Holy Spirit came as the True Mother.

This is why Jesus told Nicodemus that no one can enter the Kingdom of God unless he is born anew through the Holy Spirit. (John 3:5)

## Spiritual Rebirth through Jesus and the Holy Spirit

A new life is born through the love of parents. When we believe in Jesus as the Savior through the inspiration of the Holy Spirit, (I Cor. 12:3) we receive the love of the spiritual True Parents, which is generated through the give and take between Jesus, the spiritual True Father, and the Holy Spirit, the spiritual True Mother.

Through this love, new life is infused into us, and our spirits are reborn as new selves. **This is spiritual rebirth.**

Nevertheless, since human beings fell both spiritually and physically, we must be cleansed of original sin by being born again both spiritually and physically.

Christ must return to earth to grant physical salvation to humanity, which is to be realized through our physical rebirth.

# Change of Blood Lineage; The Real Experience of Salvation by the Messiah

October 13, 1970--Seoul, Korea

Only God knows all things completely; therefore, complete dominion is possible only by God.

Adam himself is a created being, and it is impossible for a created being to have complete dominion over the creation.

Therefore, God made Adam in His image so that He might live directly in him. In other words, God intended to make Adam stand in the position of God's resonator and wanted to control the universe directly through him.

## *The creation of Adam*

Through Adam's form, God planned to have dominion over both the spiritual world and the physical world, with Adam as the center. That was the purpose of creation. Therefore, God had to have a substantial relationship with the substantial being, Adam, in order to have dominion over all things.

Adam's perfection would represent the perfection of God's Hyung Sang [visible, external form]. The body of Adam and his personality or spirit were the same type as that of God, who is the center of the incorporeal realm. Without a form, God could not have dominion over the world of form. With that idea, God created Adam.

## *Resurrection of love*

Mankind has been suffering through 6,000 biblical years up till now in order to be liberated from the bondage of Satan's love. God has been prevented from entering the inner mind of people directly to recover the necessary central point, so He has had to adopt an indirect method to penetrate their conscience.

In history, therefore, God sent prophets, saints, and sages, hoping that through them fallen man would receive His love and truth. That has been the history of restoration up until now. God's providence has centered on the recovery of love. Its goal is to restore people whose conscience is indwelt by God. It aims at unity through God's love.

God had to send Jesus to the earth when the time was right, even if the foundation was not completed.

If Judaism and Israel had become one, Jesus could have taken the position of True Parents because he would have stood upon the substantial foundation for the Messiah.

Since he could not take the position of True Parents, he could not accomplish the change of blood lineage centering upon new love.

That is the principled explanation.

## *The necessity for the Messiah*

Then why do we need the Messiah?  
What is his purpose?

He comes for the purpose of salvation.

In order to be saved, man must go back to the point which connects us to God's love.

How are we to accomplish that?

People have inherited satanic blood and have become substantial beings who have nothing to do with God's blood lineage.

We are completely opposite from the realm of God's love, and this must be indemnified.

Man's original sin must be removed; the blood lineage from Satan must be changed.

But fallen people cannot do it by themselves; therefore, the Messiah is necessary.

True Parents must become one with the love of God, establish a good reciprocal standard with Him, and love the world as if it is theirs.

Otherwise it is absolutely impossible to remove fallen nature and original sin.

Therefore, parents of evil and parents of goodness have to struggle and compete with each other for love, but the love of the True Parents will endure.

Satanic love will be removed from man; the blood lineage will be changed.

1970s

## *The way of Jesus*

Everybody has to carry his own cross.

If you cannot fulfill that standard, you cannot be saved.

You must be willing to face death itself.

By establishing that absolute standard, your evil blood lineage can be cleansed.

In order to have it cleansed, we must work and take action, not just talk about it or have feelings about it.

We must do strong things, such as fasting and prayer, thus going through the boundary of life and death.

With total determination to leave nothing unaccomplished, Jesus endured that suffering. He established victory on his own individual level, but his challenge was how to connect this with all of human history and how to reenact all past situations and set a victorious foundation, resolving all past failures, in order to stand as the Messiah.

Text from ChamBumo Gyeong;

Human beings, who are born as fallen descendants of Adam and Eve, can never go to heaven unless they walk the seven-year restoration course.

It is not spoken of in the Bible, but Jesus also traveled such a course, the seven-year period from when he was 27 to when he was 33. The period from age 34 to 40 would have been his second seven-year course.

In this way, Jesus could have established the worldwide foundation by age 40.

However, because the people did not accept him and he died, that period remains in the Bible as seven years of great calamity and disturbance. SMM

## *Foundation of love*

In Jesus' case, it was not enough to stand on the individual level; he also had to stand on the level of history.

For that purpose he had go through all the courses of history in order to reverse the direction of history.

No past victorious foundation was offered to him.

History could only be restored through his life of public ministry.

God chose certain representatives in history, in the stages of formation, growth, and completion, to represent history and the world. History had to develop in this reversal course.

## *Teaching of resurrection*

Christianity has become a world religion both in concept and in reality. It teaches that everybody must be reborn, just as Jesus told Nicodemus,

'Unless one is born anew, he cannot see the kingdom of God.'  
(John 3:3)

You must establish the condition to inherit the heart of history; otherwise the start and motivation for resurrection is not fulfilled.

Then for the blood lineage to be reversed, conditions must be established so that the seed which is going to become a future child enters the bone marrow of Adam and connects with God's love.

## *Love for Jesus*

Because people in the world all came from the seeds of Adam, many people are anxious to go back to the original Adam.

The Holy Spirit is the feminine aspect of God which is urging us to go back to Jesus, the unfallen Adam.

Thus, all Christians must become part of the seed in Jesus' body in order to become his children, reborn through the Holy Spirit.

1982  
Korea

## *The way of rebirth*

The realm of total perfection cannot be achieved without a condition for restoring fallen Eve.

The Holy Spirit and Jesus must give rebirth centering upon original love.

In order for Jesus to be born, God in His providence prepared a certain historical foundation of heart.

That providence must involve the womb of a woman.

## *Jesus*

Both in heaven and on earth, angels were mobilized to welcome and attend him at his birth.

From then, the new world was begun.

If Jesus' family: had fully supported him, and especially if John the Baptist had followed him, then Judaism could have completely united with Jesus, for John was known as a prophet.

## *Israelites without a nation*

Unification Church members are like the Israelites; they are a chosen people without a nation.

Therefore they have to suffer: but no matter what, they have to overcome and occupy the original nation.

We must establish one nation under God's sovereignty; for that purpose we have been passing through the course of suffering.

What is our hope? Our hope is to someday restore God's sovereignty and build a nation which we can be proud of and register ourselves as citizens of that nation.

## *Lord of the Second Advent*

Tragically, Jesus died a miserable death.

The seed within Jesus' bone marrow was connected spiritually to God and produced spiritual salvation, but from the Principle point of view Jesus must come again to fulfill his mission.

The Messiah absolutely must come again into this world.

The worldwide Christian foundation has been laid for that purpose.

## My mission

If the Christian churches become united, it would be as if Israel and Judaism had united into one country.

So if Christianity becomes united, the democratic countries will naturally become united.

Then the world can stand in the sphere of salvation.

## *The change of blood lineage*

From the Principle point of view, I first have to lay the national indemnity foundation.

I have become a man of victory, so from now on we will see the horizontal foundation on the national level.

That horizontal foundation must be done through Japan; that is the Principle formula.

Many prophets and pioneers in Japan had to make sacrifices in the past. The Eve nation should be filled with gratitude to be suffering for the sake of the Adam nation.

That is the historical task of Japan.

You are given the Blessing, which means you are given the way to the new blood lineage.

You are standing on the foundation of thousands of years of God's suffering, as well as my own suffering.

When you get married you become engrafted; by being engrafted you come to have a different blood lineage.
