"the end of the age" not "the end of the earth"

(for there will be no physical destruction of the age - a type of civilization)

will ultimately result in a supracivilization, which may be what you mean by the Kingdom of God.

But at the end of the age from which you are just emerging you enter a New Age.

Mankind seeking True Freedom

- Principle view

In truth, human beings lost their freedom as a result of the Fall. Yet even fallen people possess intact a seed of their original nature which seeks freedom, and this makes it possible for God to carry on the providence to restore it.

With the progress of history, people have been ever more zealously aspiring for freedom, even at the cost of their lives.

This is evidence that we are in the process of restoring our freedom, long lost due to Satan.

The purpose of our search for freedom is to facilitate the accomplishment of our God-given responsibility, which is essential for fulfilling our purpose of creation.

Arabian Spring -Mankind seeking
True Freedom

- Principle view

As aspirations for freedom mount in intensity, people will demand a social environment conducive to its realization.

When the social circumstances of an era cannot satisfy the desires of freedom-loving people, revolutions inevitably erupt.

Revolutions will continue until true freedom has been fully restored.

The Spiritual Fall and the Physical Fall

The fall which took place through the sexual relationship between the angel and Eve was the spiritual fall, while the fall which occurred through the sexual relationship between Eve and Adam was the physical fall.

The whole purpose of Human history war and Religions is to bring the new Adam = The Messiah

He surely will establish the everlasting and indestructible Kingdom of Heaven on earth.

2.1 How Does God Carry Out His Work of Resurrection?

Providence of Resurrection = *Providence of Restoration* = *Providence of Re-creation*

Original human being

Resurrection

- ① **Merit of the age**
- ② **Believe and practice the Word**
- ③ **Earthly Life**
- ④ **Three ordered stages**

Fallen human being

- ④ Fourth, the providence of resurrection is to be completed through three ordered stages.

2.2 The Providence of Resurrection for People on Earth

The two thousand years from Adam to Abraham may be called the age of the providence to lay the foundation for resurrection (p. 139).

2.2 The Providence of Resurrection for People on Earth

The two thousand years from Abraham to Jesus may be called the age of the providence of formation-stage resurrection (age of justification by works).

2.2 The Providence of Resurrection for People on Earth

Upon their death, the believers of **this era** entered and abided in the form-spirit level of the spirit world.

2.2 The Providence of Resurrection for People on Earth

The two thousand years from Jesus to the returning Christ may be called the age of the providence of growth-stage resurrection (age of justification by faith).

2.2 The Providence of Resurrection for People on Earth

Upon their death, the believers of **this era** enter and abide in Paradis, the life-spirit level of the spirit world.

2.2 The Providence of Resurrection for People on Earth

The era when people are to complete the providence of resurrection through the returning Christ is called the age of the providence of completion-stage resurrection (age of justification by attendance).

2.2 The Providence of Resurrection for People on Earth

Upon their death, the believers of **this era** will enter and abide in the Kingdom of Heaven in heaven, which is the divine-spirit level of the spirit world (p. 140).

2.3 The Providence of Resurrection for Spirits

2.3.1 Purpose and Way of Returning Resurrection

The spirits of people who died before they could reach perfection during their earthly life can be resurrected only by returning to earth and completing their unaccomplished responsibility through cooperation with earthly people (p. 144).

2.3 The Providence of Resurrection for Spirits

2.3.1 Purpose and Way of Returning Resurrection

We call this process returning resurrection (p. 145).

2.3.2 The Returning Resurrection of the Spirits of Israelites and Christians

After the advent of Jesus, the form spirits of the Old Testament age (▲) all returned to earth and assisted faithful people on earth (■) to attain the level of life spirit.

2.3.2 The Returning Resurrection of the Spirits of Israelites and Christians

By this, they too received the same benefit: they entered Paradise together. We call this growth-stage-returning resurrection.

2.3.2 The Returning Resurrection of the Spirits of Israelites and Christians

After the Second Advent, the life spirits of the New Testament Age (■) will all return to the earth to help faithful people on earth (■) to attain the level of divine spirit.

2.3.3 The Returning Resurrection of Spirits

Who Abide Outside of Paradise

Spirits of other religions

People of the same religion

A spirit who believed in religions other than Christianity during his lifetime **seeks a counterpart** among the earthly people of the same religion as he believed during his earthly life. He descends to the person of his choice and guides him.

2.3.3 The Returning Resurrection of Spirits

Who Abide Outside of Paradise

When he helps that person fulfill the purpose of the providence of restoration, they both receive the same benefit (p. 147).

2.3.3 The Returning Resurrection of Spirits

Who Abide Outside of Paradise

Spirits of other religions

Good spirits

People of the same religion

Good people

Good spirits who lived a conscientious life descend to good people on earth and cooperate with them. In the process, the spirits receive the same benefits as the people they have helped.

2.3.3 The Returning Resurrection of Spirits

Who Abide Outside of Paradise

Spirits of other religions

Good spirits

Evil spirits

In order for evil spirits to receive the benefit of returning resurrection, their works must have the effect of punishing earthly people to help them make conditions to indemnify their failures, which have frustrated God's past efforts to cleanse them of their sins (p. 148).

Quote SMM:

Those who are more pitiful than starving people are those who deny God.

They wander around in the spirit world like clouds.

They become **wandering spirits**.

Just as clouds gather and produce rain, they **get together and create evil influence**.

They all go to hell and inflict pain in hell.

Although I know this all too clearly, I have to save them, and this is why I am doing this work. /(1990.10.2)

Much of the evil we see around us, have its roots in Evil Spiritual World

” There was no Evil in God's creation; there is no Evil in the Mind of God. But man through his own choice - and because he has yielded to the instinctual urges which are a heritage of his animal ancestry as a physical vehicle - has created a dual universe.” /Fletcher. Ford session

“Satan blocks the way for godly elements to flow in, and then he introduces and expands sexual immorality.” /SMM

Dr. Modi led me gently through the processes of spirit releasement

How reassuring it was to learn that so many of the feelings, problems, thoughts, and illnesses I had harbored were not mine alone.

How exciting it was when, one by one, we released these unhappy souls and they happily left and took their problems with them.

I never understood why it seemed I could never get well and stay well. Suddenly my problems began to leave with their proper owners. It seemed that all my acute presenting symptoms were spirit-owned, and as the entities left, so did the symptoms.

I also saw Satan and his demons firsthand!

I watched as they pulled and tugged and manipulated my soul by holding sole parts and by using devices and other obstacles to interfere with my communication with God and cause me emotional, physical, and relationship problems.

I learned how easy it is for us to loose pieces of our souls, innocently enough. but lose them nevertheless in moments of weakness

roused by strong emotions: fear, anger, grief, and even joy.

Providence of restoration in Adam's Family

Foundation for the Messiah

Foundation of Substance

Foundation of Faith

On these two foundations, the foundation for the Messiah was to have been established, and the Messiah could have come to Adam's family (p. 189).

Abraham's Offering of Isaac

 After Abraham failed in the symbolic offering, God commanded him to sacrifice his only son Isaac as a burnt offering.

The Foundation of Substance

To establish the foundation for the Messiah in Isaac's family, the foundation of substance had to be laid next. For this purpose, Isaac's sons, Esau and Jacob, had to be placed in the divided positions of Cain and Abel respectively.

3.2 The Foundation of Substance

Indemnity condition to remove the fallen nature

By making the substantial offering, they were responsible to fulfill the indemnity condition to remove the fallen nature and lay the foundation of substance.

So after Abram had been living in Canaan ten years, Sarai his wife took her Egyptian maidservant Hagar and gave her to her husband to be his wife.

If Abraham had not failed in the symbolic offering, Isaac and his half-brother Ishmael, in place of Abel and Cain, should have set up the condition of indemnity to remove the fallen nature, which had been left unaccomplished by Cain and Abel. Because of Abraham's failure, God, by setting up Isaac in Abraham's position, and Esau and Jacob in place of Ishmael and Isaac, worked the providence to have them set up the condition of indemnity to remove the fallen nature.

As discussed in the Principle, Ishmael, the elder of Abraham's two sons, could not receive God's blessing when Abraham's position as a father of faith was passed to Isaac, the second son.

Abraham had made a mistake in the sacrifice of birds and animals but through his determination to restore that mistake he offered his son as sacrifice.

In the original dispensation, Abraham was to lay a foundation of faith after which Ishmael and Isaac would lay a foundation of substance:

God's blessing would then have been given to Isaac and Ishmael.

Because Ishmael was not responsible for losing his Providential position in Abraham's family and the blessing that came with it, God's promise to bless him became a commitment to be fulfilled in time.

Ishmael, like JaCob, became the father of the twelve sons who became the patriarchs of 12 tribes.

These 12 tribes, cousins to the 12 tribes of Israel, were progenitors of the Arabs.

The Ishmaelites inherited the burden of a blessing denied, which created a historical base for resentment towards the Israelites.

Israeli – Arab conflict and wars

Both Israel and Palestine claim the land

ISRAEL CLAIMS

- Jewish, Muslim and Christian groups invoke religious arguments for their uncompromising positions.
- Contemporary history of the Arab–Israeli conflict is very much affected by Christian and Muslim religious beliefs and their interpretations of the idea of **the chosen people** in their policies with regard to the "Promised Land" and the "Chosen City" of Jerusalem.
- The Land of Canaan or Eretz Yisrael (Land of Israel) was, **according to the Torah (and the Koran, The Table 5:23), promised by God to the Children of Israel.**
- According to biblical studies, the **Israelites** ruled that land from the 13th or 14th century BCE to the 1st century BCE (with short periods of foreign rule), remaining an ethnic majority of the population in the area until the 7th century CE.
- In his 1896 manifesto, The Jewish State, **Theodor Herzl** repeatedly refers to the Biblical Promised land concept. The **Likud** is currently the most prominent Israeli political party to include the Biblical claim to the Land of Israel in its platform.

Both claim the land

PALESTINE CLAIMS

- Muslims also claim rights to that land in accordance with the Quran.
- Contrary to the Jewish claim that this land was promised only to the descendants of Abraham's younger son Isaac, they argue that the Land of Canaan was promised to all descendants of Abraham, including his elder son Ishmael, from whom Arabs claim descent.
- Additionally, Muslims also revere many sites holy for Biblical Israelites, such as The Cave of the Patriarchs and the Temple Mount, and in the past 1,400 years have constructed Islamic landmarks on these ancient Israelite sites, such as the Dome of the Rock and the Al-Aqsa Mosque.
- Muslims also believe that Muhammad passed through Jerusalem on his first journey to heaven. **Hamas**, which governs the Gaza Strip, claims that all of the land of Palestine (the current Israel and Palestinian territories) is an Islamic what that must be governed by Muslims.

Sunni & Shia Muslims

Introduction

- The division between Sunnis and Shi'as is the largest and oldest in the history of Islam.
- They both agree on the fundamentals of Islam and share the same Holy Book (The Qur'an), but there are differences mostly derived from their different historical experiences, political and social developments, as well as ethnic composition.
- These differences originate from the question of who would succeed the Prophet Muhammad as leader of the emerging Muslim community after his death.

Sunni Muslims

- The larger group of Muslims chose Abu Bakr, a close Companion of the Prophet, as the Caliph (politico-social leader) and he was accepted as such by much of the community which saw the succession in political and not spiritual terms. (Sunnis)
- Sunnis argue that the Prophet chose Abu Bakr to lead the congregational prayers as he lay on his deathbed,

Shia Muslims

- However another smaller group, which also included some of the senior Companions, believed that the Prophet's son-in-law and cousin, Ali, should be Caliph. They understood that the Prophet had appointed him as the sole interpreter of his legacy, in both political and spiritual terms. (Shi'as)
- Muhammad stood up in front of his Companions on the way back from his last Hajj, and proclaimed Ali the spiritual guide and master of all believers. Shi'a reports say he took Ali's hand and said that anyone who followed Muhammad should follow Ali.

Korea proclaimed as two states North and South Korea.

"In 1948, Israel became independent; therefore, some might think it reasonable for the Lord to come back to Israel. Korea also became independent in 1948. However, Korea was liberated from Japanese colonization, in contrast to modern Israel's situation. Conceivably both countries may have become independent at the same time because the physical Israel inherited something from the spiritual Israel, Korea.

The fact that the Jewish people, who had been wandering for 2,000 years, found their nation, shows that all their sins had been forgiven. Therefore, they could return to their original position. The prophecy that Israel would be restored when Jesus returned was fulfilled.

Because Jesus' death was indemnified, mankind was able to receive forgiveness and the Lord of the Second Advent could come."

Satan repents 1999:

From Lucifer to True Parents

I am offering this to True Parents.

Since all people call you True Parents, I call you True Parents.

I am very sorry that I gave you an extremely huge difficulty to straighten out the countless aspects of evil history of sin that I committed. What word would I have to tell you?

Once, I, undeserving and selfish, desired to receive the blessing. I am very sorry for this.
If it is possible, I ask for your generous punishment, as you are the parents of humankind.
As I see the countless ways of evil and sin, the ways of indemnity, even with my eyes, I can see that the only way of my return is the way of bloody bruises.
However, if it is the last way of suffering to go to God and True Parents, I will follow obeying.

True Parents, Parents of humankind,
Lucifer is very sorry.
I am truly sorry.

From Lucifer - March 21, 1999

The Bible says “innumerable company of angels”
(Hebrews 12:22) chose to rebel with him.

Revelation 12:4 says a third of the stars were cast out with him,
then the conclusion is that the stars _refer to fallen angels,
fully one third of the heavenly host.

Comment: So even if Lucifer has repented, there are numerous fallen angels
+ fallen ancestors (inherited sins) influencing people on earth.

Unification of Religions

**World Religions
united**

- Together we need to connect everything internally and externally. Even the different kinds of martial arts, Tae Kwon Do and Won Hwa Do, must be unified. We must expand the realm of martial arts to block Satan. We have to reverse

the realm of incorrect teaching leading to terrorism. Terrorists are like false martial arts practitioners. To reverse this, there must be true martial arts.

/2007.07.06

- Then we turn our eyes to the conflict in the Middle East. What began as a struggle between religions is now grinding the entire world in a crucible of fear

-

over terrorism and murder. Meanwhile, the Korean peninsula, my homeland, tragically remains the world's only divided nation. It still awaits its day of unification with deep longing. By what means can we possibly save today's world, where morality and family values are utterly degraded? /20041213

TF on Terrorism

- Three brothers, black brother, white brother and yellow brother must embrace each other and bring love to everyone. This is a very serious time. We must unite together. We committed for 12,000 ministers to come. We must make a * coalition together and unite and bring hope to this nation. Without this kind of blessing ideas this country will not have any direction. White people should be humble, not be proud. Their power cannot stop these problems. The jet terrorist attack could not be stopped by power.
- Now is the time to invite all religious leaders and give them the blessing. Man's ideas can never solve the problems of war and terrorism. /2001.09.18
- The US is 70% white. Maybe it is 30% worldwide. You are white, descendants of the Scandinavians. In reality, not many people like America. If this trend continues, terrorism will take place in the broad daylight, and assets of whites will be taken and given away. I am trying to prevent that from happening, but they don't understand, and treat me as an enemy. /2001.02.17

- The rapid spread of HIV and sexually transmitted diseases threatens the very existence of the human race. It is said that there is no safety zone against the HIV virus. A greater terrorism than that over which the entire world is now trembling is before our eyes, allowing us no safety zone. Once contracted, its victims must give up their dreams for happiness, ideals, and life itself. Unless we resolve this catastrophe plaguing our planet, how can we claim that we are world leaders? . /2001.10.21
- Only through practicing true love can we become true individuals, true parents, true teachers and true Lords. Only then can we finally become the leaders who can bring about peace on Earth. A life of living for the sake of others is the first gate to peace.
- The path to peace ultimately must be based on "Godism" or "Head-Wing Ideology," the teaching that can reconcile and embrace all sides in a conflict, from the thought to the fruit, by dealing with the starting-point of conflict in the relationship between Cain and Abel.

- How can we break the chain of hatred and violence we perpetrate against one another? Returning hatred in response to hatred only leads to more hatred, terror and destruction. This is certainly not the path to peace. We can touch, embrace and educate conflicting parties only by true love. True love that places God in the center disregards national boundaries; therefore it is international. /2001.10.20
- The world today continues to agonize over issues affecting all of humanity, such as the threat of war and terrorism, discord among races, antagonism among religious groups and the destruction of the environment.

As we enter the new century, it is imperative that we give priority to developing an awareness of our responsibility for bringing about change in the family, nation and world. /1997.11.28

The Words of Dae Mo Nim

(Mrs. Hyo Nam Kim -- Hoon Mo Nim)

- When I started the work of Chung Pyung, I told you that, "There is not only our own spirit self in our bodies, but there are so many evil spirits that we can not imagine.
- What is more is that because the evil spirits are trying to drag you into the trap of the fall we must remove these evil spirits."

- It is a metaphorical expression that evil spirits are packed very densely like ant eggs. However, the evil spirits are able to drive mankind to endless destruction.

Therefore, if you can not remove evil spirits you will meet miserable accidents.

We can see that a family had unexpected accidents like fires or miserable traffic accidents.

These accidents are the acts of revenge that evil spirits bring to our members.

- We know there have occurred wars between individuals, neighbors and nations.

As mankind has decorated history with blood, many people have died bitterly saying, "I will kill you".

For example, when I examined a patient of cirrhosis of the liver, I could find out the cause.

As we well know if a grandfather had a liver disease, the father has also the disease and the children have it too.

Dae Mo Nim

1998

- Though these evil spirits did not belong to Chung Pyung, they are being persuaded easily in the process of many good spirits' descending.

It was natural because the evil spirits saw that the good spirits became beautiful, although they are still in difficulties and in rugged clothing.

TF Seung Hwa 3 Sept 2012

- After separation from the physical body, we cannot go so easily to our families, etc.
But, with TF, as his spirit separated from his physical self, TF sat inside the room as if he didn't even go to SW.

For several days, TF stayed continuously in the Cheong Cheon Gung (CCG).

When you greeted TF on the 3d floor, he received your greetings.

And at several times, he was taking a rest, etc.

TF is the substantial entity of God, so I feel this is possible.

- On the night of the three day service, TF went to SW and began receiving reports.

He looked around the SW and gave many good words to me.

There were many AGS, and TF was very happy.

- In SW and PW there are many different providences. TF has to lead everything. He is receiving many reports.
- TF is living with TM now. TPs, even though they are in the PW, they also control everything in the SW. They are in SW, but they control and dominate the PW together.

TF in the SW and TM in the PW.

They are of one heart, one mind, one mindset,
so they are governing.

- Do not think that the providence has stopped.
God's providence has not stopped.
TM said that. God's will is moving on.

So, all of us; we thought TF was not here, but don't neglect working for God's will.

Don't neglect it. TF will see all the details of our daily life.

Dae Mo Nim

Sep 22 2012

- When TF lived in the PW he led the providence, and now that he lives in SW, he will lead the providence both physically and spiritually.

Dae Mo Nim

Sep 22 2012

- As I attend TPs, I feel that even though TF went to SW, it is as if he didn't go. Last week, at the Ancestor Blessing ceremony, TF came and sat on his chair.

When I did the Anc Liberation ceremony, he came and saw what I was doing.

TF taught me: "if you do like "this," you can do easily."

TF went to SW, but he is still here.

- We should not have fallen nature in our lives anymore. TF is looking at us in daily life, so we have to remove fallen nature.

Please don't have fallen nature:

anger, arrogance, dissatisfaction, etc.

Have true love, not just intellectually, but in practice.

If we don't practice true love, there is no meaning.

We have to practice in our family.

We must become such family members.

And do it in our WA.
