Jesus of Galilee will not return

Fletcher:

- Mr. Moon in deep meditation can project himself and be seen just as Jesus has been able to project himself and be seen by the saints.

This is one of the marks - of the messiahs always.

- The **Jesus of Galilee will not return** - it is not necessary.  
The Christ who manifested through him is the Eternal -  
he will manifest again.
- It takes not one man in a little country to be a John the Baptist, but many men/women in many countries to herald the coming.  
*(Me & ...YOU!)*

He will come April year (2000-2001) or  
2024-2025 (Moon Calendar).  
Believe in God (this is the teaching of the  
holy man who came from Heaven).

William Branham USA had been hearing voices since he was seven years old. Finally, in May of 1946, Branham was commissioned by an angel from God to be the forerunner of the Second Coming of Christ.

Pastor Branham

One of the more radical beliefs of the group is that of Serpent Seed which states that the first sin committed occurred when Eve engaged in sexual activities with the Serpent in the Garden of Eden thus causing "the fall of man."

## The Crowning of Jesus as King over Israel

22 Dec 2003 - Independence Park, Jerusalem, Israel

People had come from all over Israel to this Peace rally.

There was clear proclamation of "father and mother Moon" as the Second Coming of Christ, and also the Crowning of Jesus as King over Israel.

23 Dec 2003

Interestingly the spiritual world manifested itself through one Oriental sister...

who could not resist standing up and talking for about 15 minutes, the same time our coordinator mr. Kim tried to give us the last information for the day.

He smilingly called it "stereo distraction" for us...

no one could stop the sister who were clearly talking in "tongues" about the importance of what we were doing!

All was laughing and in a good mood :-)

*The purpose of life on earth is mind-body perfection*

We need to know that it is the physical world,  
not the spirit world, which is the subject.

The physical world, not the spirit world,  
is the subject in achieving perfection.

The perfection of the physical world encompasses the  
perfection of both the spiritual and physical worlds.

Thus, life on earth is precious.

CSG 1977.2.6

The original ideal world is a world where I can become perfected by enabling my partner to become perfect.

It is a world where we are acknowledged and reach perfection by **living for the sake of others**.

If we invest and sacrifice to try to enable our partner to become perfect, our position also can be perfected as our partner becomes perfect.

Conclusion: My spouse and children will show me if and when(ever) I reached "perfection".
