Introduction

I must fulfill in my lifetime (horizontally), through my efforts, the indemnity conditions which have accumulated through the long course of the providence of restoration (vertically).

Only by doing this can I stand proudly as the fruit of history, the one whom God has eagerly sought throughout His providence.

In other words, I must restore through indemnity, during my own generation, all the unaccomplished missions of past prophets and saints who were called in their time to carry the cross of restoration.

Introduction

Otherwise, I cannot become the individual who completes the purpose of the providence of restoration.

To become such an historical victor, I must understand clearly the Heart of God when He worked with past prophets and saints, the original purpose for which God called them, and the details of the providential missions which He entrusted to them.

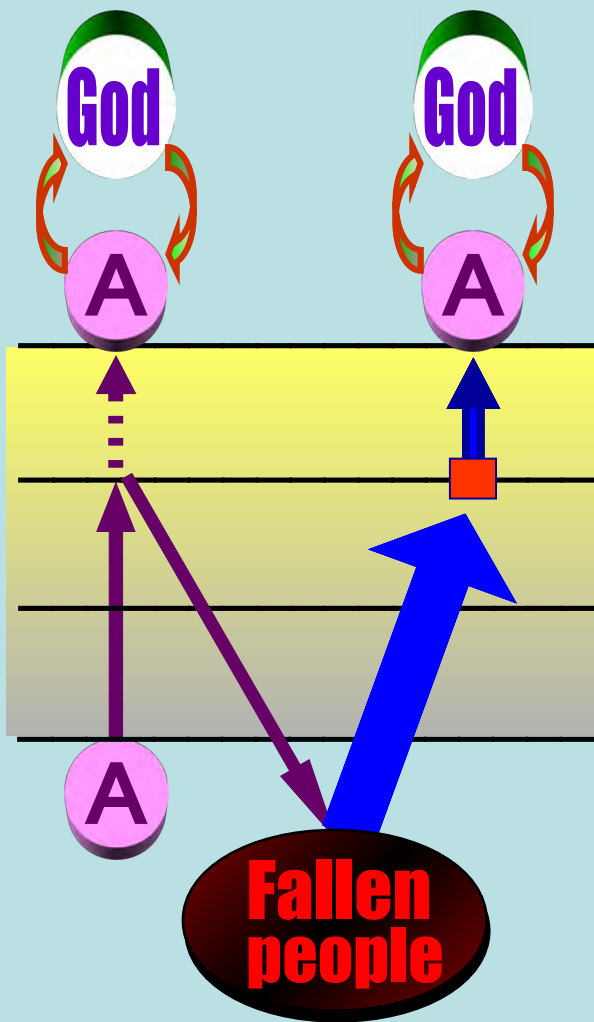

Introduction

Yet there is **no one among fallen humanity** who can become such an historical victor by his efforts alone.

For this reason, we must understand all these things through **Christ at the Second Advent**, who comes to fulfill the providence of restoration.

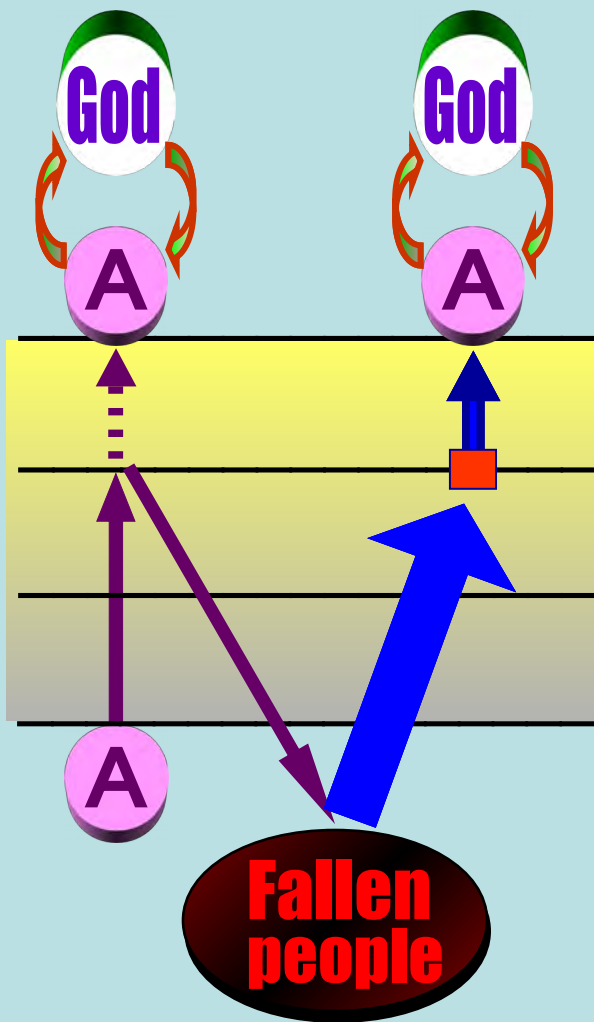

Moreover, when we **believe in him, become one with him, and attend him in his work**, we can stand in the position of having **fulfilled horizontally** with him the **vertical indemnity conditions** in the history of the providence of restoration.

**Vertical; God, Jesus,
Lord of the Second Advent
meeting horizontal
fallen Mankind**

Foundation of Faith

To restore the basis upon which they can complete the purpose of creation, fallen people must first restore through indemnity the foundation of faith which the first human ancestors failed to establish (p. 180).

Foundation of Faith

On this foundation, we need to establish the foundation of substance and thereby the foundation for the Messiah, through which we can receive the Messiah and be cleansed of the original sin.

This is required in order for us to become perfect incarnations of the Word (p. 181).

**This will be my most difficult slides to do.
Difficult because the subject is very loaded.**

**I understand the Ideal Family as the core value
in Unificationism.**

**Thats why also the New Holy Family,
is the most Holy Core Value in our movement.**

November 30, 1973

I was very inspired by In Jin Nim and Hyung Jin Nim when they started their online missions around 2009.

The division that later happened after that is most regretful.

I believe in Unity – the core of the name Unification Church.

In the 60-70s the name for UC was Unified Family.

I will make an analogy.

Many first Gens who are not with us supporting True Prents today, have made an incredible good job laying the foundation for the Movement.

Ex. buying, renovating Lancaster Gate in London

Shouldn't that be remembered and honored,

Regardless where the persons involved stand today.

At the time they did all in good faith and standard.

One good example is the once Nat leader of UK, Mr Orme.

Listen to his testimony and hear yourself how the spirit world worked with Dennis, to prepare him while he was steering the supertankers on the vast oceans in the 60s and responded.
