## ***Introduction***

Church integrates human character and the Word

The purpose of a church is to find and establish God's nation;  
it is not to find and establish a church.

**God's original ideal for creation was to establish  
one world centered on a nation.**

Hence, the destination of the church is to find that nation.

/SMM 1986.11.2

## ***Introduction***

In the future, the time of the church will pass. The church is not what humankind desires.

The church is needed during the process of restoration **in the realm of the Fall**, but once a new era arrives, the era of the church will pass away.

## ***Introduction***

For this reason, the Unification Church is not just doing church activities.

Under the name of the church, we are adapting to society, reforming society, and initiating a movement to purify society.

The mission of pioneers is to do that which cannot be done by the people who are just living within the boundaries of their own culture, society, and world.

# The Archangel Gabriel will blow a sacred trumpet to wake the dead at the Last Judgement

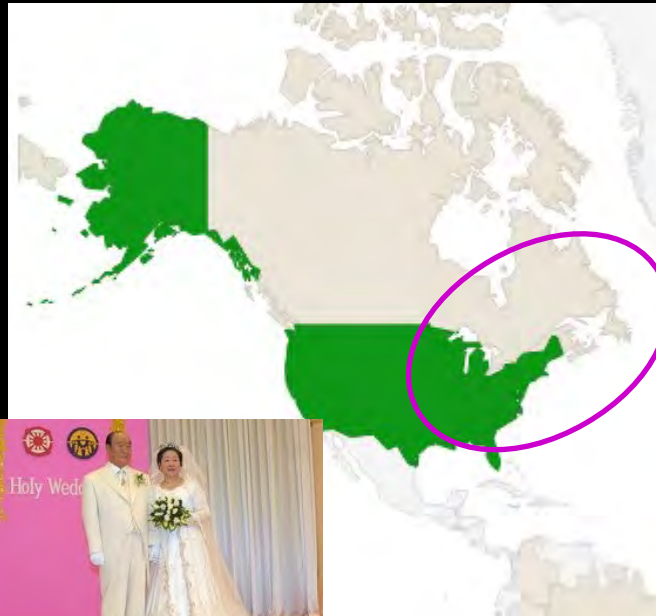

Unified Korea has the shape of an Angel blowing a horn!

1 Thessalonians 4:16-17, "For the Lord Himself will descend from heaven with a shout, with the voice of the archangel, and with the trumpet of God; and the dead in Christ shall rise first. Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air, and thus we shall always be with the Lord."

Korean flag

The Korean flag is called taegukki.

Its appearance symbolizes  
the principles of yin and yang in Oriental philosophy.

The circle in the center is divided into two equal parts.

The upper red section represents the "positive" cosmic energy **yang**.  
Similarly, the lower blue section symbolizes, the "negative" cosmic  
forces **yin**.

The two forces together embody the concept  
of perpetual motion and balance and harmony  
that characterize the eternal realm. (KoH)

The circle is surrounded by four trigram, one in each corner, from the ancient Chinese wisdom book **I Ching**

Confucius and Lao-tse has commented on this important book of wisdom!

Each trigram symbolizes one of the four universal elements (from top left around clockwise):

<u>Name</u>	<u>Property</u>	<u>Element</u>	<u>Family relationship</u>
Ch'ien, the creative	- strong	- heaven	- <b>Father</b>
K'an, the precipice	- dangerous	- water	- second <b>Son</b>
K'un, the host	- sacrificing	- earth	- <b>Mother</b>

King Sejong is one of the greatest leaders in all Korean history. He is often referred to as one of the most outstanding exemplars for those in the Korean business world.

I am descended from him on my Korean side with the surname Yi ( 李 ) of Jeonju ( 全州 ).

King Sejong became a recognized figure because his leadership style aligned with universal principles, which also happen to coincide with our beliefs.

I argue that his character and values were also similar to Reverend Moon's.

King Sejong was born on the tenth day of the fourth month in 1397, by the lunar calendar.

He was the grandchild of King Taejo of Joseon who established the Joseon Dynasty (1392–1897), which arose after the fall of Goryeo (918–1392).

King Sejong ascended the throne at the age of 21 as the fourth king of Joseon (r. 1418–1450) after his father, King Taejong of Joseon.

At the time of his ascension, Joseon was still unstable. It was a new dynasty in dire need of a leader with a strong heart and mind in addition to skill.

As history has shown, King Sejong more than lived up to what had been expected of him. He played a major role in stabilizing Joseon and is recognized for his exceptional leadership.

His leadership inspired some of the greatest scientific and cultural advancements of his time, including applying advanced arithmetic to farming and calendar development; producing astronomical charts and 347 books of musical scores; as well as developing the Korean alphabet.

All this was achieved during the 32 years of his reign.

If we parallel parts of King Sejong's era with ours, we realize that we too are striving to establish a new nation: **Cheon Il Guk**.

That is our ultimate goal.

Thus, if we draw out some common basic principles, we may be able to discover that we can learn something from history.

Korea – Holy Land of the Morning Calm

한글

King Sejong

He is the king who democratized the Korean language; he gave the people the ability to read by creating the alphabet, hangul, moving the language away from just the Chinese characters that only the aristocrats could read, so that the national language could be written and read by everyone.

Based upon which language will all languages be unified?  
The answer to this question is obvious.  
Children should learn the language of their parents.  
If Christ does indeed return to the land of Korea,  
then he will certainly use the Korean language,  
which will then become the mother tongue for all humanity.

Eventually, all people should speak the True Parents'  
language as their mother tongue.  
All of humanity will become one people and use one  
language, thus establishing one global nation under God.

## Spiritual fire and internal Christian revival

No matter how cruelly subjugated the Korean people were, some spiritual manifestation of the subjective, Adamic authority had to appear.

What kind of works were to be done?

**Spiritual works.**

# Spiritual fire

Groups emerged in which this spiritual activity could take place.

Japan, the Eve-type nation on the satanic side, was oppressing Korea.

Nevertheless, since God had a plan for His future providence, He had to make necessary preparations even while Imperial Japan ruled Korea.

For this reason, Christianity made progress even in those days.

# Spiritual fire

First, Western missionaries came in the 1910s and the 1920s, but they were unwelcome. They had to go back.

From 1930 to 1936 was a golden age of Christianity in Korea.

Through Korea's traditional Christian churches, God has been conducting spiritual manifestations to this day.

During the 1930s and 1940s, He built a foundation even before Korea's liberation.

# Spiritual fire

The Apostles who **at first did not follow Jesus because they lacked faith** worked very hard to establish the Christian foundation.

On that foundation began the history leading to the Second Advent of the Lord.

Before Korea's liberation, many people were able to communicate with the spirit world and referred to themselves as biblical figures such as Peter, John, Paul or Abraham.

# Spiritual fire

The spirits who represented all those prophets, who had come and gone throughout history manifested themselves on earth all at once through these spiritual groups in Korea.

As a result, many groups formed that were bent on the restoration of Eden.

# Spiritual fire

Among the groups focused on restoring Eden, one represented the Old Testament Age, one the New Testament Age and one the Completed Testament Age.

Within that preparation, there was a heavenly program to cleanse **sins**, so participants overcome tremendous obstacles.

# Forty Years

How did Japan dominate Korea for forty years?  
Even the satanic side knew that in the future Adam  
on the heavenly side would appear.

Satan already knew of the coming of the true Lord;  
he knew the coming of the Lord as the culmination  
of four thousand years of history.

Therefore, Japan occupied Korea in order to destroy  
that possibility. That is why **Japan invaded Asia**.

# Forty Years

From this point of view, we can understand that Korea is a providential nation centered on God's will.

We know that it is a principle of development that prior to the appearance of what is true, what is false appears. That is why the devil invaded Asia and ruled it for forty years.

Thus, the satanic forces brought Korean women aged from twelve to forty, whose purity was most cherished, into sexual slavery with the intention of staining the national character of the Korean people.

*Kim Seong-do*  
1883-1944

You have all heard of Grandmother Kim Seong-do  
from Cholsan.  
She was Chung Seok-on's mother.

This Grandmother Kim had the mission of the Korean Eve.

She was an exemplary woman who opened the gate  
to the providence of Korea's restoration.

*Kim Seong-do*  
1883-1944

She could not have lived an ordinary life, being married and having a family.

She had to go through a unique course...

There is division into the heavenly side and the satanic side.

Restoration is impossible except in connection to that lineage.

*Kim Seong-do*  
1883-1944

She received so many teachings from Heaven.  
She heard the exact date of Korea's liberation.  
She also heard that the Lord would come to Korea  
as a man in the flesh, at his Second Advent.

She thoroughly understood that the coming of the  
Lord was a great privilege for Korea.  
She also understood that God would restore the world  
through Korea.

*Kim Seong-do*  
1883-1944

Heaven had prepared this foundation around Cholsan; through the spirit world, Heaven taught her many things, such as how Eden could be restored and why Eve had fallen.

Mr. Baek Nam-ju from Wonsan had done research on Swedenborg's spiritual endeavors and translated his books.

He received revelations from God that the Messiah would come to Korea.

*Pastor  
Baek Nam-ju*

He decided to prepare for the coming Lord.

In order to pay **indemnity** for Jesus' suffering, he walked barefoot to Cholsan to meet Kim Seong-do and apply to register Grandmother Kim's group under the name Holy Lord Church. He was the first person in Korea to have a John-the-Baptist mission.

*Conflict*  
*between the groups*

In the satanic world, it is not fair that a woman has to fight alone, representing a nation.

A woman should fight in concert with men.

Men and women should work together and have a unified foundation. Did Mr. Baek Nam-ju work in that way? He did.

They should have been completely united,  
**but they weren't.**

Mr. Pack was also aware -- through revelations from the spirit world -- that Korea would become a nation with a special, God-ordained providential course, but he did not know how it would come about.

*Conflict*  
*between the groups*

They met in Cholsan and held discussions,  
but they could not agree with each other.

They became divided.

Then problems started in the first generation of the providence of Korean restoration.

As a result, their mission had to move to the next generation.

God's will was that the foundation for pioneering should be prepared through a representative of women, Grandmother Kim Seong-do, from Cholsan, but the first generation could not fulfill its mission, so the mission passed to the second generation.

## *The Suffering of Holy Lord Church*

The problem women faced in the family expanded to the society through mainline Christian ministers, and later it became a nationwide problem.

Chung Su-won's grandmother, Mrs. Kim Seong-do, was also in that kind of situation.

All the established churches became hostile toward them. This was when the oppression by Japanese was the cruelest.

A while later, members of the Holy Lord Church received revelations that the Japanese would be defeated.

*Pastor Lee Yong-do*  
*(1901-1933)*

The movement in the west transferred to Mrs. Heo Ho-bin and the movement in the east came under Mr. Lee Yong-do. Pastor Lee's church was somewhat different from Mrs. Lee's. Originally, they were united.

What did Pastor Lee do? He established the Jesus Church. Mrs. Heo Ho-bin was director of the Central Theological Seminary.

In 1930, Pastor Lee Yong-do appeared in Korea with fire like that of Elijah.

*Pastor Lee Yong-do*  
*(1901-1933)*

People who listened to him speak felt overwhelmed by Heaven. God's grace poured out of him like water.

Christianity had to carry Korea in order to drive away Japan and establish Heaven's authority.  
That battle remained.

God bestowed energetic fire on him in order that he might work out a way for all branches of Korean Christianity to become one.

*Pastor Lee Yong-do*  
*(1901-1933)*

If everyone had been completely united and fought against the Japanese, the Japanese would not have been able to carry out armed aggression. Why?

Because those united people would have been in the position to claim Adam's authority.

## *Women who mourned Lee Yong-do*

Here are some interesting facts.

When a spiritual person dies, some people pray for the person.

Mr. Lee died alone in Wonsan, but at the very moment of his death, God chose women in faraway places and told them to offer special prayers.

You have to understand that because of God's hidden will in relation to the providence, He did not want to abandon His nation or His people.

Thanks to those women who prayed with all their heart behind the scenes, God's providence could continue through successive generations.

## *The Inside the Belly Church*

The meritorious deeds of the Chung Family were so great that God loved them and gave them His grace to the extent that when the children did not accept His will, the mission could be transferred to someone else.

The woman who took over her mission had loved and served Kim Soong-do, Mr. Chung's grandmother, with all her heart and soul. She was Mrs. Heo Ho-bin.

This did, however, mean that the providence had to decline by one level.

## *The Inside the Belly Church*

Mrs. Heo testified that she was not supposed to be the Lord's wife; her mission was to give birth to the Lord. In other words, she said that the Lord would be born through her womb.

Hers was the mission of Mary.  
While Mrs. Kim had Eve's mission,  
Mrs. Heo had Mary's mission.

## *Revelation from Jesus*

Since revelations were received through Mrs. Heo lo-bin's belly, this group was called the "Inside the Belly" Church.

The group did not name itself that, it just became known by that name.

The group wanted to take over Mrs. Kim's mission, so they prayed, fervently asking for God's help.

In those days, Jesus appeared to Mrs. Heo.

Jesus started expressing his teachings to this couple.

Jesus asked them to accept his will and endure all difficulties under any circumstance.

## *Revelation from Jesus*

The Inside the Belly Church had to make thorough preparations to attend the Messiah.

It had to dissolve all the resentment and grudges Jesus accumulated during his lifetime.

Next, they had to prepare everything so that the returning Lord could have the best life on earth.

The Messiah has to live a life that no one can help envying, a life better than that of a member of the British royal family. Is it true?

They were taught in detail how to make the Messiah's clothes.

They were told to make suitable clothes for Jesus to wear from his birth to the age of thirty-three.

They had to make many clothes, enough so that Jesus could change his clothes every three days – Korean traditional clothes at times and Western clothes at other times.

## *Revelation from Jesus*

This providence was related to Eve's mission. Because Mrs. Heo had inherited Mrs. Kim Seong-do's mission, Mrs. Heo 's daughter was also prepared to meet the lord. There were even twelve disciples. It is very interesting to know that those preparations were being made.

Do you have any idea how often they had to bow?  
They usually bowed three thousand times a day.  
They sometimes bowed seven thousand times.

*The completion  
of internal  
preparations*

I had to struggle, unknown to anyone, to prepare for the course of restoration we have learned about in the Divine Principle.

I prepared the Divine Principle that I teach today while I was in my twenties.

Look at the situation now! What I spoke about fifty years ago has been fully realized.

This is not something I am saying for the first time.

In those days, the nation we now call Korea did not exist.  
How sad the situation was then!

*True Father's mother  
and older brother*

You don't know how much my mother loved me!  
Her mind was occupied by thoughts of me.  
She knew I was the only member in the Moon Family  
whom she could believe in.

She may have already known I would become a great man.  
She used to do whatever I asked her to do.

Therefore, our mother-son cooperation was  
perfect even though she did not know about restoration  
through indemnity.

*True Father's mother  
and older brother*

Also, my older brother was absolutely cooperative with me.  
Thus, the foundation to indemnify Cain's position was  
completely established.

There were numerous older and younger brothers throughout history, but my older brother understood that his younger brother was a historic person.

So he absolutely obeyed me in everything.

If I said, "This is right," he thought so and believed in me  
100 percent; he had no doubt at all.

*True Father's mother  
and older brother*

Therefore, what about the restoration of Cain?  
Was it accomplished or not?  
It was completely established.

Moreover, was the mother-son cooperation completed or not?  
This was completed as well.

What would have happened if Christianity and Korea had welcomed me? (1945)

I could have absorbed Protestant America over the course of seven years.

And if I had begun working on the world level after the seven-year course finished in 1952, I would have mobilized all the world's statesmen by the time I was forty years old, leading them in one direction, toward the goal of making the kingdom of heaven on earth.

That was the original providential plan.

Christianity has made a unified, global territory after four thousand years of Judeo-Christian history.

If Christianity had followed me, a unified physical and spiritual world would have come about.

The American military government's mistake England, America and France had to return to the center of the unified physical and spiritual worlds.

The two son factions and the daughter faction (respectively), which had been fighting among themselves, had to return.

From the world's point of view, the eldest son on God's side and the eldest son on Satan's side should have become one and come to the returning lord's country.

Why should they have come?

They should have come to inherit the seed.

The people who had inherited the false seed of wickedness should have obliterated it and come to the true country in order to inherit the heavenly world's true life.

Pyongyang in 1946 was still a dynamic center for Korean Christianity. Denominations which had been banned by the Japanese had re-established themselves. There were churches everywhere. Christians called the city the **Jerusalem of the East**. But the writing was on the wall, as the Soviet-backed authorities began breaking up Christian power.

- \*As the key word for number 3 is harmony (at least outwardly), this implies that the number 12 will also contain within itself certain harmony.  
However, because we are dealing with the level 4 of spirit manifestation, this is a different kind of harmony, as it is connected with the cosmos.
- \*In other words, the number 12 implies some kind of a cosmic harmony.

- \*Life is experienced (at least outwardly) as harmonious (12 is divisible by 3) and the individual feels his or her connection with the global plan for humanity and the cosmic karma.
- \*On a very high level, the person of the number 12 is able to withstand with ease the intensity of very high vibrations, thus willingly cooperating and collaborating with the spiritual world on variety of earthly problems, which ultimately leads to the minimizing of their negative karma and impact on the people

- \* manifestations of the number 12 on the earthly plane are the arts, especially the music, since there are 12 major half-tone
- \* Its first manifestation (the music) is filling up the human soul with a harmony of a very high spiritual order and its second one (the astrology) is revealing to humans that their destiny is just a fragment of the cosmic evolution

Where Will Christ Return?

## 3.1 Will Christ Return among the Jewish people?

Rev. 7:4, Matt. 10:23, and Matt. 16:28

→ Among the Jewish people

**And I heard the number of the sealed, a hundred and forty-four thousand sealed, out of every tribe of the sons of Israel, ...** RSV (Rev. 7:4)

 Some Christians expect that Christ will come again among the Jewish people, based on such passages as Rev. 7:4, Matt. 10:23, and Matt. 16:28 (p. 396).

## 3.1 Will Christ Return among the Jewish people?

Rev. 7:4, Matt. 10:23, and Matt. 16:28

→ Among the Jewish people

**“..Truly, I say to you, there are some standing here who will not taste death before they see the Son of man coming in his kingdom.”**

RSV (Matt. 16:28)

 Some Christians expect that Christ will come again among the Jewish people, based on such passages as Rev. 7:4, Matt. 10:23, and Matt. 16:28 (p. 396).

# 3.1 Will Christ Return among the Jewish people?

**Rev. 7:4,** and **Matt. 16:28**

**Matt. 10:23,**

→ **Among the Jewish people**

**Matt. 21:33-43**

→ **Not among the Jewish people**

 But in Matt. 21:33-43, Jesus clearly conveyed that he would not come again to the people who persecuted him. God will take away the mission previously entrusted to them and give it to another people who can produce its fruits upon Christ's return (p. 396-7).

**Chosen people after crucifixion**

**Christians**

 Therefore, the chosen people after Jesus' crucifixion are not the descendants of Abraham, but rather the Christians who have inherited the faith of Abraham (p. 398).

## 3.2 Christ Will Return to a Nation in the East

Where  
the sun rises

Rev. 7:2-4

Then I saw another angel ascend from the rising of the sun, with the seal of the living God, . . . . And I heard the number of the sealed, a hundred and forty-four thousand sealed, out of every tribe of the sons of Israel,

RSV (Rev. 7:2-4)

Rev. 7:2-4 indicates that the seal of the living God will be placed on the foreheads of the 144,000 in the East, where the sun rises (p. 399).

## 3.2 Christ Will Return to a Nation in the East

Where  
the sun rises

Rev. 7:2

Then I looked, and lo, on Mount Zion stood the Lamb, and with him a hundred and forty-four thousand who had his name and his Father's name written on their foreheads.

RSV (Rev. 14:1)

Rev. 14:1 says that these chosen ones will accompany the Christ at his return.

## 3.2 Christ Will Return to a Nation in the East

### Second Advent in the East

We can thus infer that the nation which will inherit the work of God and bear its fruit for the sake of the Second Advent is in the East.

## 3.3 The Nation in the East is Korea

Since ancient times, the nations in the East have traditionally been considered to be the three nations of Korea, Japan and China.

## 3.3 The Nation in the East is Korea

Japan entered the period of the Second Advent as a fascist nation and severely persecuted Korean Christianity.

## 3.3 The Nation in the East is Korea

**Would become  
communist**

China at this time was a hotbed of communism and would become a communist nation. Thus, both nations belonged to Satan's side.

# 3.3 The Nation in the East is Korea

Korea, then, is the nation in the East where Christ will return.

# 3.3 The Nation in the East is Korea

As the nation to which the Messiah returns,  
Korea had to meet the following qualifications:

## 3.3.1 A National Condition of Indemnity

The First Israel suffered four hundred years in Egypt in order to fulfill a dispensation of forty for the separation of Satan (p. 400).

## 3.3.1 A National Condition of Indemnity

The Second Israel had to prevail over the four hundred years of persecution in the Roman Empire.

## 3.3.1 A National Condition of Indemnity

As the Third Israel, the Korean people had also to suffer under a nation on Satan's side for a period which fulfills the number forty. Thereby they could fulfill a dispensation of forty for the separation of Satan as required to commence the cosmic-level course to restore Canaan.

## 3.3.1 A National Condition of Indemnity

 **Korea.. forty-year hardship under Japan**

This was the forty-year period during which Korea suffered untold hardships as a colony of Japan (1905-1945).

## 3.3.2 God's Front Line and Satan's Front Line

### God's side

At the fall of the first human ancestors, God's side and Satan's side parted ways from a single point (p. 402).

## 3.3.2 God's Front Line and Satan's Front Line

### God's side

These divided realities consolidated separately into the Cain-type and Abel-type worlds, which eventually matured to form the democratic world and the communist world.

## 3.3.2 God's Front Line and Satan's Front Line

**South Korea**

**North Korea**

When these two worlds came into global conflict, it was centered on the Korean peninsula.

## 3.3.2 God's Front Line and Satan's Front Line

**South Korea**

**North Korea**

Religions, ideologies, political forces and economic systems all came into conflict and caused great confusion in Korean society, which then had worldwide impact.

### 3.3.3 The Object Partner of God's Heart

#### ① Path of blood, sweat and tears

- ① To become the object partners of God's Heart, we must first walk a path of blood, sweat and tears.

### 3.3.3 The Object Partner of God's Heart

① Path of blood, sweat and tears

② People of goodness

② The nation qualified to stand as the object partner of God's Heart must be a people of goodness. The homogeneous Korean people rarely invaded other nations (p. 403).

### 3.3.3 The Object Partner of God's Heart

- 1 Path of blood, sweat and tears**
  - 2 People of goodness**
  - 3 By nature endowed with a religious character loyalty, filial piety and (worship chastity) God;**
- ③ The Korean people are by nature endowed with a religious character. They have evinced a strong desire to worship God, and always revered the virtues of loyalty, filial piety and chastity.

## 3.3.4 Messianic Prophecies

- ① The Korean people have believed in the prophecy that the Righteous King will appear and found a glorious and everlasting kingdom in their land.

## 3.3.4 Messianic Prophecies

### ① Messianic idea among the Korean people (Chonggamnok)

- ② Among the faithful of every religion in Korea are those who have received revelations that the founders of their religions will return to Korea.

## 3.3.4 Messianic Prophecies

① **Messianic idea among the Korean people (Chonggamnok)**

② **Revelation that religious founders will return to Korea**

② Among the faithful of every religion in Korea are those who have received revelations that the founders of their religions will return to Korea.

## 3.3.4 Messianic Prophecies

**‘And in the last days it shall be, God declares, that I will pour out my Spirit upon all flesh, and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams;**

RSV (Acts. 2:17)

- 3** Revelations and signs are being given to spiritually attuned Christians testifying to the Second Coming of Christ in Korea; they are sprouting in profusion like mushrooms after a rain (p. 405).

## **3.3.4 Messianic Prophecies**

- ① Messianic idea among the Korean people (Chonggamnok)**
- ② Revelation that religious founders will return to Korea**
- ③ Revelations and signs (Acts 2:17)**

**Clear revelations that the Lord will come to Korea**

Hence, many are receiving clear revelations that the Lord will come to Korea.

## 3.3.5 The Culmination of All Civilizations

The spiritual and material aspects of civilization developing from religion and science, which have flourished all over the world, will be embraced and harmonized in Korea as guided by the new truth.

## 3.3.5 The Culmination of All Civilizations

Then they will bear fruit in the ideal world of God's deepest desire (p. 406).

# 3.3.5 The Culmination of All Civilizations

1 Civilization of land -----> Korea

1 The essences of all civilizations which developed on the land should bear fruit in Korea.

# 3.3.5 The Culmination of All Civilizations

1 Civilization of land

Korea

2 Civilizations of rivers and seas

Pacific

2 The essences of civilizations born on the shores of rivers and seas should bear fruit in the Pacific civilization to which Korea belongs.

# 3.3.5 The Culmination of All Civilizations

3 Civilizations born out of different climate zones should bear fruit in the temperate-zone civilization of Eden, which is Korea (p. 406-7).

# Section 4

## Parallels between Jesus' Day and Today

The period of the Second Advent is parallel to the time of Jesus, and the two periods have many similarities.

1

## Authority, Ceremony, and corruption

1 Today's Christianity, like the Judaism of Jesus' day, adheres too rigidly to institutional authority and ceremonies, while internally it is corrupt.

1

**Authori**

2

**corrupt**

**Persecute**

**Christ**

2

Christian leaders today, like the Jewish leaders of Jesus' day, will probably be the first to persecute Christ at the Second Advent.

**Find themselves in hell**

4

Both in Jesus' day and at the Second Advent, many devout believers who set out with the hope of entering Heaven may actually find themselves in hell (p. 409).

Mr. Moon reminded me that in the Book of Revelation there is a picture of the New Jerusalem, the Holy City, coming down out of the heavens.

And there was a door on the east and a door on the south, a door on the north and a door on the west – and when the teacher comes, he always has to come through the eastern gate.

In the Holy City of Jerusalem there is an eastern gate long since sealed and blocked. It will never be opened until the new teacher comes.

/Arthur Ford sitting 1965

The Hebrew name of the Golden Gate is Sha'ar HaRachamim (שַׁעַר הַרַחֲמִים), Gate of Mercy. In Jewish sources the eastern gate of the Temple compound is called the Shushan Gate. This would make it the oldest of the current gates in Jerusalem's Old City Walls.

I can only repeat the vision of John, that when the New Age comes, the Eastern Gate will open, and not only man - but Revelation – will flow out of that gate. /Ford-Fletcher

According to Jewish tradition, the Shekhinah (כינה) Divine Presence) used to appear through the eastern Gate, and will appear again when the Anointed One (Messiah) comes (Ezekiel 44:1–3)

# 30 000 Blessing in Korea 1992

Some see a symbolic similarity between the birthmark on Gorbachevs head - his providential role to reform Communism - and the map of a united Korea... - you decide!

## **Blessed families and honoring one's ancestors**

The Unification Church allows for honoring ancestors and should carry on that tradition.

In the future, however, this will be done with reference to the True Parents, and will thus differ from the secular tradition in the secular world.

By attending the heavenly Parent, the heavenly kingdom and the heavenly ancestors, a royal domain will emerge, one where we can eternally attend the realm of tribal messiahship as part of the mainstream lineage and bequeath the way of attendance to succeeding generations.

It will be a nation where we can attend the King, and sing praises for the eternal reign of peace and prosperity.

You, your mother, father, family and tribe can go directly to heaven only after having lived in such a nation.

/SMM 1991.10.19

There is some element of truth in **Christianity's ban on the performance of ancestral rites** to this present day.

This rite should be offered to God and the True Parent of all humankind.

The ancestors ideally should be first served from heaven.  
However, **due to the Fall, this has been prohibited** until the present time.

In the age of restoration, since you have received the Blessing, you should attend your ancestors from now on.

/SMM 1991.11.10

Korean history is truly amazing.

An uncle would take part in the memorial services while attending the eldest son during the services held in his house, wouldn't he?

You should know the historical background of Korea in God's providence was for the purpose of establishing it as the eldest son race.

Knowing this, you can see how superior the Korean race is, and how great the Korean people are.

Therefore, your children would not be timid.

/SMM 1993.2.28

In regard to the firstborn son of the eldest son, even the grandfather comes under his command when that son performs the ancestral rites.

The grandfather has to show his respect. The fact that Koreans place value in the lineage of the firstborn son, and also in their genealogy and lineage, holds record-breaking historical value in God's providence of restoration, which can never be forgotten from the deepest root of His mind.

2000/2003

The nation of the Fourth Israel will be a nation uniting Israel, the United States and Korea. The spiritual world and the physical world had been divided, but by holding the coronation of Jesus, the spirit world could come to earth and let go of the failures of Israel from the Old Testament Age. Once the nation of Israel believes in Jesus who was crowned, they will pass into the New Testament Age. Likewise, once they believe in True Parents, who held the coronation for Jesus, they will go beyond the Completed Testament Age through them, into Cheon Il Guk.

## Summary:

I support the church, continue with ecumenical work and engage in Victory Over Communism activities for the sake of Korea's unification.

I am well aware that the unification of Korea is the beginning of the unification of the world.

The liberation of North and South Korea is the beginning of the liberation of humankind.

There is only one root, and that is Korea.

The **fight between the mind and body** has expanded to the world level, with the religious world and the political world fighting each other.

From the providential perspective, the true and original relationship between the mind and body must be restored.

The UN is the world-level organization representing politics, and it needs a UN of religions integrated with it.

The mind and body that are currently separated must become one.
