## *Only Begotten in Divine Principle*

The new truth should be able to elucidate many difficult issues in Christianity, which has been granted the mission to establish its sphere of culture worldwide.

It should show why God's salvation of humanity was possible only through shedding the blood of His only begotten Son on the cross.

Jesus was the only begotten Son of God;  
he attained oneness with God through perfect give  
and receive action.

When we unite with Jesus in a perfect reciprocal  
relationship, we can recover our original God-given nature.

Jesus, who came as God's only begotten Son and the Lord of Glory, was not meant to walk a path of suffering.(I Cor. 2:8)

Rather, it was for John the Baptist, born with the mission to make straight the way of Jesus, (John 1 :23), (Luke 1:76)to go through tribulations.

God had personally been guiding His beloved chosen people until the time Jesus appeared as the Messiah.

Yet from the moment they turned against His only begotten Son, God tearfully had to turn His back and allow Satan to lay claim to them.

In His efforts to recover His rebellious children, time and time again God had to let the most righteous and beloved ones be sacrificed to the satanic world, even delivering Jesus, His only begotten Son, to the cross.

God has been grieving in this way every day since the human Fall. (Gen. 6:6)

True Father came on this earth as the Lord of the Second Advent with the mission to establish the True Parents. He started his mission in 1945 as the Lord of the Second Advent, but he fulfilled his mission by establishing True Parents — Father and Mother together — who as God's true Son and true Daughter undertook the task to establish the True Family, and thereby bring the ideal of God's love to this world.

**By Andrew Wilson 2015**

Now our task is to be fruitful, multiply and fill the earth.  
It means we should make our families ideal families.

We can do that now because True Parents planted that flag in the creation, because the unity of masculinity and femininity in God is fully mirrored and fully resonates with the masculinity and femininity of True Parents.

**By Andrew Wilson 2017**

The sinless lineage that True Parents set up through the Holy Wedding is not True Father's lineage or True Mother's lineage;  
it is True Parents' lineage—God's lineage.

That lineage did not exist before the Holy Wedding because neither True Father nor True Mother by themselves could solve the original sin.  
It could only be solved by both of them together.

Since August 2014, Hak Ja Han Moon, the widowed spouse of Rev. Sun Myung Moon whom FFWPU members call True Mother, has been proclaiming herself **“the only begotten Daughter.”**

The title itself is well-established in Rev. Moon's teaching:

"The only begotten Son needs the only begotten Daughter"  
(May 1968), and

"The Messiah, who comes as the only begotten Son, must find the only begotten Daughter" (January 1989).

First and foremost, Jesus is a human being. His being only-begotten means he is the originating point of God's lineage — Adam, had he not fallen.

He is only-begotten because his birth on earth was based on the special conditions made by Tamar, Ruth, Rahab, Bathsheba, and Mary so that he uniquely could be conceived and born in God's lineage.

I have come to the realization, based on my study of the Principle, that in calling herself God's daughter, True Mother has in fact lowered herself.

Her proclamation is not puffing herself up, but is actually going down, from the parent position to the child position.

There is only one reason she would do that:

The Parent position was not secure.

This should be a cause for concern.

Rev. Moon had proclaimed in 1992,  
“Until now Mother has been following me,  
but... now she stands at my side.”

Again in 2003, he declared that True Mother was  
co-equally True Parents in every respect.

Mother exited from the position of True Mother and took up the position of God's daughter.

She had to re-establish her position as God's daughter, who fulfills the First Blessing of individual perfection as God's perfect object partner, before she could stand as True Mother who fulfills the Second Blessing with True Father.

So, to shore up the crumbling foundation for True Parents, Mother lowered herself.

She took up the child's position to stand as Abel, in order to restore the foundation for the Messiah, just as Jesus lowered himself to the child's position to take up the mission of John the Baptist when he was not recognized.

Father had done the same when Christianity did not support him.

According to *EDP*, God never intended for Jesus to go a path of suffering, but when those responsible to lay the foundation proved faithless, Jesus took responsibility to lay it himself. Specifically, when John the Baptist did not prepare the way for Jesus, Jesus had to prepare his own way:

Jesus, who came as God's only begotten Son and the Lord of Glory, was not meant to walk a path of suffering.

Because John did not complete his responsibility, Jesus had to undergo suffering in John's place.

To restore unity with the wider public,  
Mother is holding rallies throughout the world.

With all this, True Mother is preparing to offer the  
foundation of substance of Cain-Abel unity as the  
foundation for True Parents in 2020.

What may Father looking down from heaven think of this?  
Is he upset that Mother is putting herself ahead of him?

Not at all! He is cheering her on.

He is rooting for Mother to be victorious.

Seeing Mother going the same course that he went,  
struggling for recognition amid broken and failed  
foundations and overcoming by herself as he did,  
makes Father love and respect Mother even more.

When Mother ascends and he greets her, he will be greeting a woman who is every bit his equal: equal in experience, in suffering, and in accomplishment.

Her difficult course only expands the base for them to share love eternally as a couple.

Thus, in the end, supporting Mother to be victorious as the only begotten Daughter is a love offering to True Father.
