

We need
Each Other

Introduction

To restore our **Fallen nature**
and create a foundation of Substance
for the Foundation of Messiah
for the Foundation of HTM –
Heavenly Tribal Messiahship

we need each other!

Foundation of Substance

Even though a foundation of faith is laid, the Messiah still can't come to you. The Messiah can't come to you until a foundation of substance is laid. This is the Cain and Abel problem. Internal Cain and Abel must be substantiated through an external relationship with brothers and sisters (people). You must get victory.

Then what is the essential meaning of the Cain and Abel problem and also its solution?

The foundation of substance is internal, just internal, while the foundation of faith is an external offering.

only when you can subjugate the Cain nature within you through internal struggle, can you establish an internal foundation of substance.

You also need an internal foundation of faith -- you feel God's love.

Unless we can cleanse our inside, we have nothing to do with God -- we cannot give life to brothers and sisters.

Therefore, one key will open many doors.

Purity or purification of the inside is the master key.

If you have some ill feeling against brothers and sisters (or other people), your insides are not too pure.

Then God cannot work.

This feeling or internal aspect will be substantiated through external expression, the external aspect.

This is a Cain and Abel problem.

In our veins is running the same blood as Eve, Adam and Cain. In our veins, the blood of fornication is running. The blood of murder is running through our veins; we are in the blood lineage of murderers.

Cain was supposed to love Abel, but Cain killed Abel whom God loved most. Cain couldn't love Abel whom God loved most. This is the fundamental contents of the Cain and Abel problem: **lack of love**.

This is the essential problem of Cain and Abel: **I (We) cannot love (enough).**

We are here in the Unification Church, then, for what purpose? To pay indemnity. For what?

To realize three great blessings;
to return to God, to remove or solve sin,
to unite with the Abel figure, to resolve original sin,
to bring joy to God, to bring people to the Messiah.

But ultimately, we are here to indemnify the failure of Adam's family.

This marks the beginning of the Completed Testament Age.

At the dawn of the Completed Testament Age, the time has come for each family to take up the messianic mission of completing the work of salvation all over the world.

After restoring your family, the next step is to restore your community, tribe, and nation.

We call this process tribal messiahship.

Tribal messiahship is the fulfillment of the biblical vision of "a chosen race, a royal priesthood, a holy nation" (1 Peter 2:9).

This race, however, is the "love race," including all people in one global family.

In fact, the Reverend Moon calls us to become "a royal family of God."

Tribal messiahs also answer Jesus' call for the "faithful and wise steward" (Luke 12:42), trusted by his master with all the goods of his household. God has indeed bestowed upon us the goods of this earth.

Tribal messiahship requires wisdom in responsible care for the creation, based upon faith in the master who created it.

Tribal messiahs also inherit the commission given by Jesus to evangelize and teach (Matthew 28:19-20).

To live for the sake of others means not only to serve others spiritually and physically, but to teach others the word which gives life, God has revealed His word progressively according to man's ability to receive it.

Today marks the opening of the Completed Testament Age, in which God's word is made flesh as husband and wife, parents and children.

It is the responsibility of tribal messiahs to witness to this truth, to teach it and to live it.

Just as a body, though one, has many parts, but all its many parts form one body, so it is with Christ.

For we were all baptized by one Spirit so as to form one body — whether Jews or Gentiles, slave or free—and we were all given the one Spirit to drink.

Even so the body is not made up of one part but of many. - 1 Chor. 12

1965

At a meeting held in the eastern part of the United States on the occasion of his first visit to the U.S.A., a questioner bluntly asked him: "Are you Christ?"

In reply Sun Myung Moon raised his hand and pointed to various members of the audience in turn, saying:

"and so are you... and you... and you also,
if you can accept it."

1965

On another occasion a translation of what he said in the Korean language was given as follows:

"This is God's world and it has no boundaries. It is one.

Your life is one of universal significance and I call upon you to share my mission. Be urgently concerned for the world and know, feel and act in accordance with the Divine Will.

The purpose of the coming Lord is that some day
all shall be like him - like Christ."

Since I am here you are like a little branch come out of my bark.

You should be able to cut off your branch and plant it in a foreign land and still be able to grow, become independent.

You are a branch of the bark so God will chop this branch and plant it in your own country.

There you put down roots and grow up into a great trunk.

Due to Adam and Eve's fall, the elder brother was positioned on **satan's side**. This should be reversed.

This reversal of dominion has reached the summit of the world.

The **satanic world** has developed until now centering upon the nation.

That is why the Messiah cannot come unless there is a rational level of unity between Cain and Abel. Cain and Abel must unite in order to prepare a firm foundation for the tribal messiah to stand on.

Jesus came to earth 4,000 biblical years later than Cain and Abel. What did he seek? He came to look for a Judaism united with the nation of Israel, which were in a Cain and Abel relationship with each other. Nothing is possible without considering Cain and Abel's story.

The returning Messiah must deal with the blood relationship.

The Messiah is in Adam's position. That is why a parent is restored through Abel, as the Principle makes clear.

After your blessing you shall be able to restore your own clan,
your own tribe, your relatives.

In your territory you should be able to have your own
12 disciples, your own tribe.

You are going to your own country as the messiah
of the tribe, the tribal Messiah.

At the time of Jesus there was no foundation laid, no indemnity paid. So since then you had to suffer, you had to pay by blood and by sweat but now all the indemnity is paid.

Everything you achieved has become a visible thing, a visible achievement.

We have an incredibly easy task today compared to the time of Jesus, because Satan will not claim, because the price has been paid by God.

You transcend all the indebtedness of the human system and everything you do shall become your own assets, shall be accumulated, can be seen.

I have done everything that had to be done as a Father, everything that was my responsibility has been fulfilled.

All you have to do is fulfill the tribal messiah's role in your own family own clan. You should be the messiah to them.

You shall welcome the messiah... You shall be part of him.

You shall expand his territory and build the Kingdom here on earth. Do you follow?

Everyone of you shall take Jacob's position.

You shall marry and have 12 children of your own, the internal ones twelve sons and daughters and externally you shall have 12 spiritual children.

External internal both, 12 spiritual children each. Eventually that will expand into 72 disciples, 12 and 72 makes 84.

There is no such word like "tribal messiah" in the Bible, but it is very essential in our vocabulary.

From now on it will be the time of the worldwide level. I have indemnified the national level time period centering upon Jesus, and we are now liberated from it.

You can become tribal messiahs on the worldwide level where there is no more persecution.

From now on, when you are united with your spiritual children and restore your tribal messiahship, even other tribes in the spirit world will support you.

A united front line will then take place.
