

Divine Principle & St Paul

Introduction

quoted from DP96

The impulse of the original mind, which everyone possesses, is to abhor evil and exalt goodness.

In the lives of religious people one can see an intense struggle to realize goodness by single-mindedly following the desires of the original mind. Yet since the beginning of time, not even one person has abided strictly by his original mind.

As St. Paul noted, "None is righteous, no, not one; no one understands, no one seeks for God."

- Rom. 3:10-11

Introduction

Confronted with the human condition, he (Paul) lamented,

"For I delight in the law of God, in my inmost self, but I see in my members another law at war with the law of my mind and making me captive to the law of sin which dwells in my members. Wretched man that I am!" - Rom. 7:22-24

Introduction

Paul wrote that the creation has been groaning in travail while longing for the children of God.

- Rom. 8:19-22

Introduction

Paul wrote, "we ourselves, who have the first fruits of the Spirit, groan inwardly as we wait for adoption as sons, the redemption of our bodies," - Rom. 8:23

He was acknowledging that we fallen people stem from the lineage of Satan, not the lineage of God. John the Baptist reproached the people, calling them "a brood of vipers" - Matt. 3:7

Introduction

Comment;

In the Early Unification days in Korea many mediums testified to True Fathers – Sun Myung Moons mission as returning Messiah and True Parent(s).

A similar testimony was repeated in the west for the early missionaries like Ms Young Oon Kim coming to California 1959 as first US missionary.

SPIRITUAL COMMUNICATION WITH THE APOSTLE PAUL
GIVEN THROUGH THE CLAIRAUDIENT MEDIUMSHIP
OF REV. LOUIS W. LUSARDE
MAY 20-21, 1962

Rev. Lusardi (if I recall the spelling correctly) was a spiritual medium living in the San Francisco Bay area.

He was young enough at the time to still be living today (90's).

He was the one who received the message from the Apostle Paul.

The message(s) were circulated and read in the US movement (Dr. Kim's branch) in the late 60s and early 70s.

I remember feeling at the time that they had the ring of truth to them.

quote Paul 1962

You have heard me say in my Epistles all have sinned,
all fall short of the Glory of God.

What does this mean?

It means that through the original sin none is righteous,

NOT ONE PERSON.

It means that all have a common guilt, a common sin.

This **sin** must be gotten rid of,
for it is **a stench** in the nostrils of God, our Divine Father.

The Jews fell away because they thought that the Old Testament was sufficient for them.

Their rejection of Jesus is proof enough they were blinded to the fact that He was the fulfillment of the scriptures.

I bear witness to the fact that
the Old Testament and the New Testament
combined are **not sufficient to live by** in the
New Cosmic Age we have ascended into.

To be saved, every man, woman and child must commence their mission before they leave this earth plane.

And before they can do this they must find the reason for the **original sin** and **what original sin is.**

Perfection and resurrection can only
be achieved through work and
that work must be done in the body,

The spirit of Truth demands it.

quote Paul 2001

"I recognize the importance
of human responsibility."

The Apostle Paul is the most blessed one.

It's because Paul met Jesus and received
his love, furthermore received the
direction and mission from the Messiah,
and finally listened to the new truth
under the devoted love of God.

Individual responsibility of 100% significance
is of tremendous importance for God's providence,
even though compared to God's will, each
individual's responsibility is extremely small.

Paul didn't even think of this fact.

The strict doctrine of predestination in modern Christianity is nothing other than a big mistake that stemmed from Paul's wrong ideas.

Paul feels extremely sorry about this to True Parents, who clarified the Principle.

Another part of the Principle that so much impressed Paul was the theory of Give and Receive Action.

In fact, it is a too obvious truth that religious believers should love one another.

Then, why couldn't we realize this simple truth, and chose instead to fill this world with struggle, strife, envy, and jealousy?

Paul didn't know that the theory of Give and Receive Action is an actual presence in the world. Paul knows that no normal person could possibly discover this theory.

I promise to study the Principle and lead Christian believers here in the right direction.

I have been making thorough preparation for accomplishing my assigned mission.
