## *Introduction*

Nightly we dream several dreams that are marvously accurate representations of ones life.

Most are forgotten.

Few can make use of dreams that are recalled.

We slip in and out of common fantasies.

Words, phrases and images flit through our head as we go about the days work. Most of it is **lost**.

## *Introduction*

Our body has a whole language of its own, pointing to our attitudes, tendencies and dispositions. It is amazing how little of human experience is actually known.

Dreams represent your situation in a symbolic form regardless of whether you care or not, notice them or not, believe in symbolism, or have any ability to use them.

The most profound tendency of the psyche is to represent itself.

## *Introduction*

Everyone is struggling to attain happiness and avoid misfortune.

From the commonplace affairs of individuals to the great events that shape the course of history, each is at root an expression of the human aspiration for ever greater happiness.

/Intro Divine Principle

Background:

Healing can mean many things,  
from mental-spiritual-physical improved health,  
to the highest healing possible  
becoming a Divine Spirit on par with Jesus Christ.  
(takes up to at least, 3 generations of Blessings)

Jesus does forgive Sins - Yes!, during 2000+ years  
still no Sinless Mankind have developed since Creation.

Background:

Not without reason in normal church Marriage vows are the words ...till death do us part.

No Marriage have ever been recognized as Holy and everlasting also after Death.

Jesus also left the keys to Kingdom of Heaven... on Earth. For the Second Coming of Christ to pick up!

”...pick up” = New Revelation; explaining the Fall and its Solution

## Acts 8:5-8

5 Then Philip went down to the city of Samaria, and preached Christ unto them.

6 And the people with one accord gave heed unto those things which Philip spake, hearing and seeing the miracles which he did.

7 For **unclean spirits, crying with loud voice**, came out of many that were possessed with them: and many taken with palsies, and that were lame, were healed.

8 And there was great joy in that city.

## Health

All religions encourage their followers to lead a healthy life style.

The word "health" is related to the words "whole", "hale" and "holy".

In the Judaic tradition, there was no division between body, mind, soul or spirit.

A human being was considered a whole, a unit,  
not to be divided in better or worse, good or evil parts.  
To be healthy meant to be pure physically and morally,  
and to stay healthy was considered a religious command.

"The neglect of one's health was regarded as a sin."

Jesus came out of this tradition.

For him every person was a whole as well.

When someone approached him,  
he dealt with him or her as one:

"Nowhere in the New Testament does it say  
Christ came to save souls;  
he came to save human beings — body and soul."

There are more accounts of Jesus healing the physical body  
than Jesus forgiving sins.

# The Spiritual Fall and the Physical Fall

**Spirit  
self**

**Physical  
self**

God created human beings with two components: the spiritual self and the physical self.

**The human Fall** likewise took place in two dimensions: the spiritual and the physical.

Satan is constantly accusing all people before God, as he did Job, in order to drag them into hell.

51(Job 1:9-11)CEV|KJ|NI

However, even Satan cannot perpetrate his evil activity unless he first finds an object partner with whom he can form a common base and engage in give and receive action.

Satan's object partners are evil spirits in the spirit world.

The object partners to these evil spirits are the spirit selves of evil people on the earth, and the vehicles through which these evil spirit selves act are their physical selves.

Accordingly, the power of Satan is conveyed through evil spirits and is manifested in the activities of earthly people

## The Works of Good Spirits and Evil Spirits

We use "good spirits" as a general term for God, spirits on the side of God, and good angels.

The general term for Satan and spirits on his side is "evil spirits."

The works of good spirits and evil spirits, as in the case of good and evil acts generally, have a similar appearance at the outset but pursue contrary purposes.

Over time, the works of a good spirit will increase a person's sense of peace and righteousness and even improve his health.

The works of evil spirits, on the contrary, will gradually lead to an increase of anxiety, fear and selfishness and cause his health to deteriorate. (ultimately death)

It may be difficult for someone who does not know the Principle to discern the works of spirits, but eventually, often belatedly, he will recognize the nature of the spirits by the fruits they bear.

Since a fallen person stands in the midway position between God and Satan and relates with both of them, the works of a good spirit may be accompanied by the subtle influences of an **evil spirit**.

In other cases, phenomena which begin as the works of evil spirits may, as time passes, merge with the works of good spirits.

Discerning the spirits is thus very difficult for those who do not understand the Principle

DIVINE  
PRINCIPLE

In the present era, spiritual phenomena are becoming ever more prevalent.

Unless religious leaders can correctly distinguish the works of good spirits from the works of evil spirits, they cannot properly instruct and guide those who experience spiritual phenomena.

# The Spiritual Fall and the Physical Fall

The fall which took place through the sexual relationship between the angel and Eve was the spiritual fall, while the fall which occurred through the sexual relationship between Eve and Adam was the physical fall.

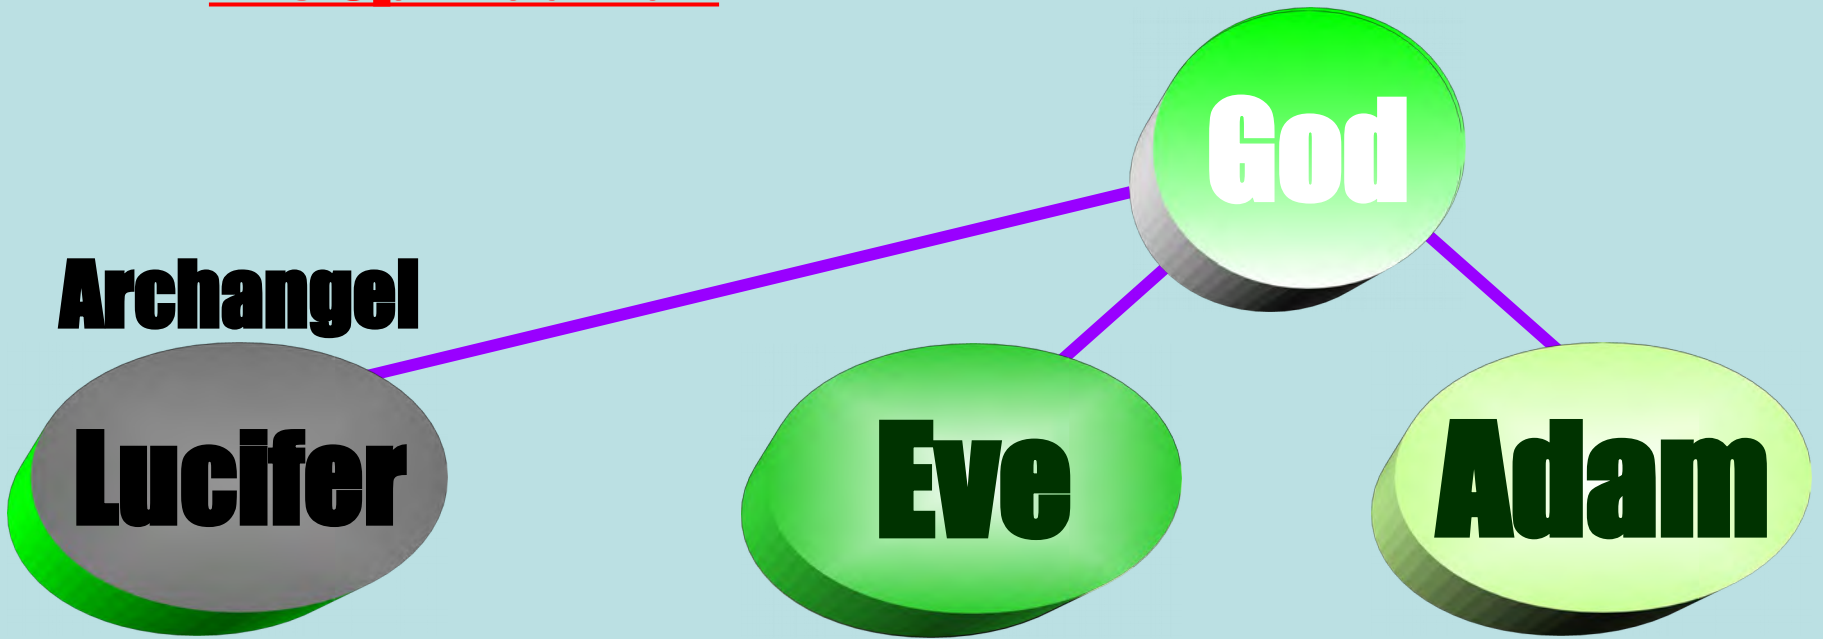

# The Spiritual Fall

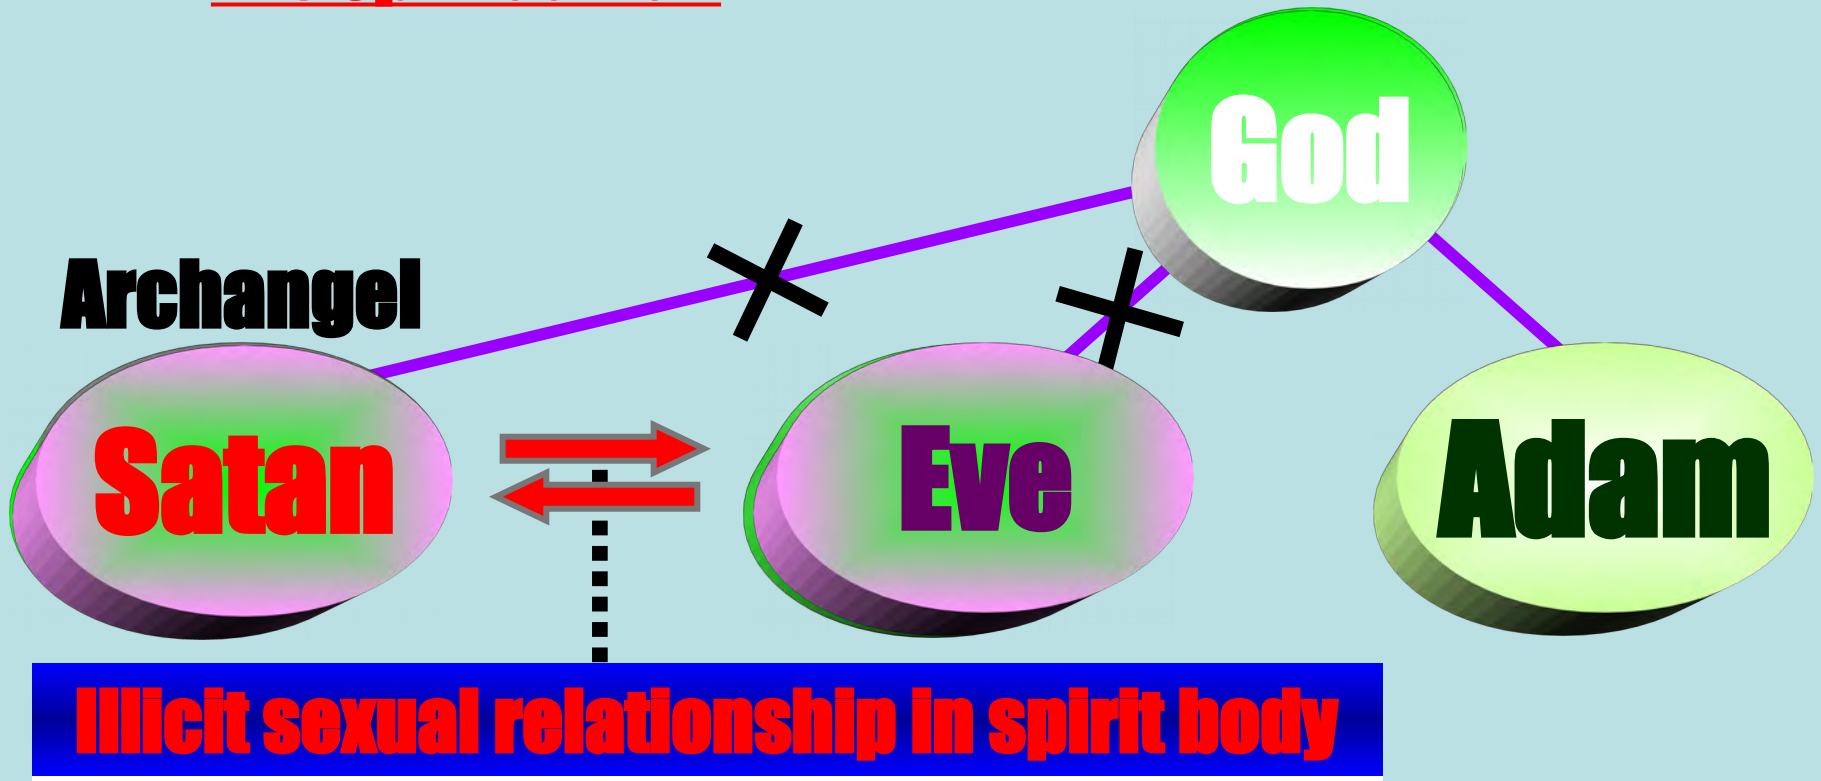

After the creation of human beings, Lucifer, **feeling** as though he were **receiving less love than he deserved**, wanted to grasp the same central position in human society as he enjoyed in the angelic world, as the channel of God's love.

# The Spiritual Fall

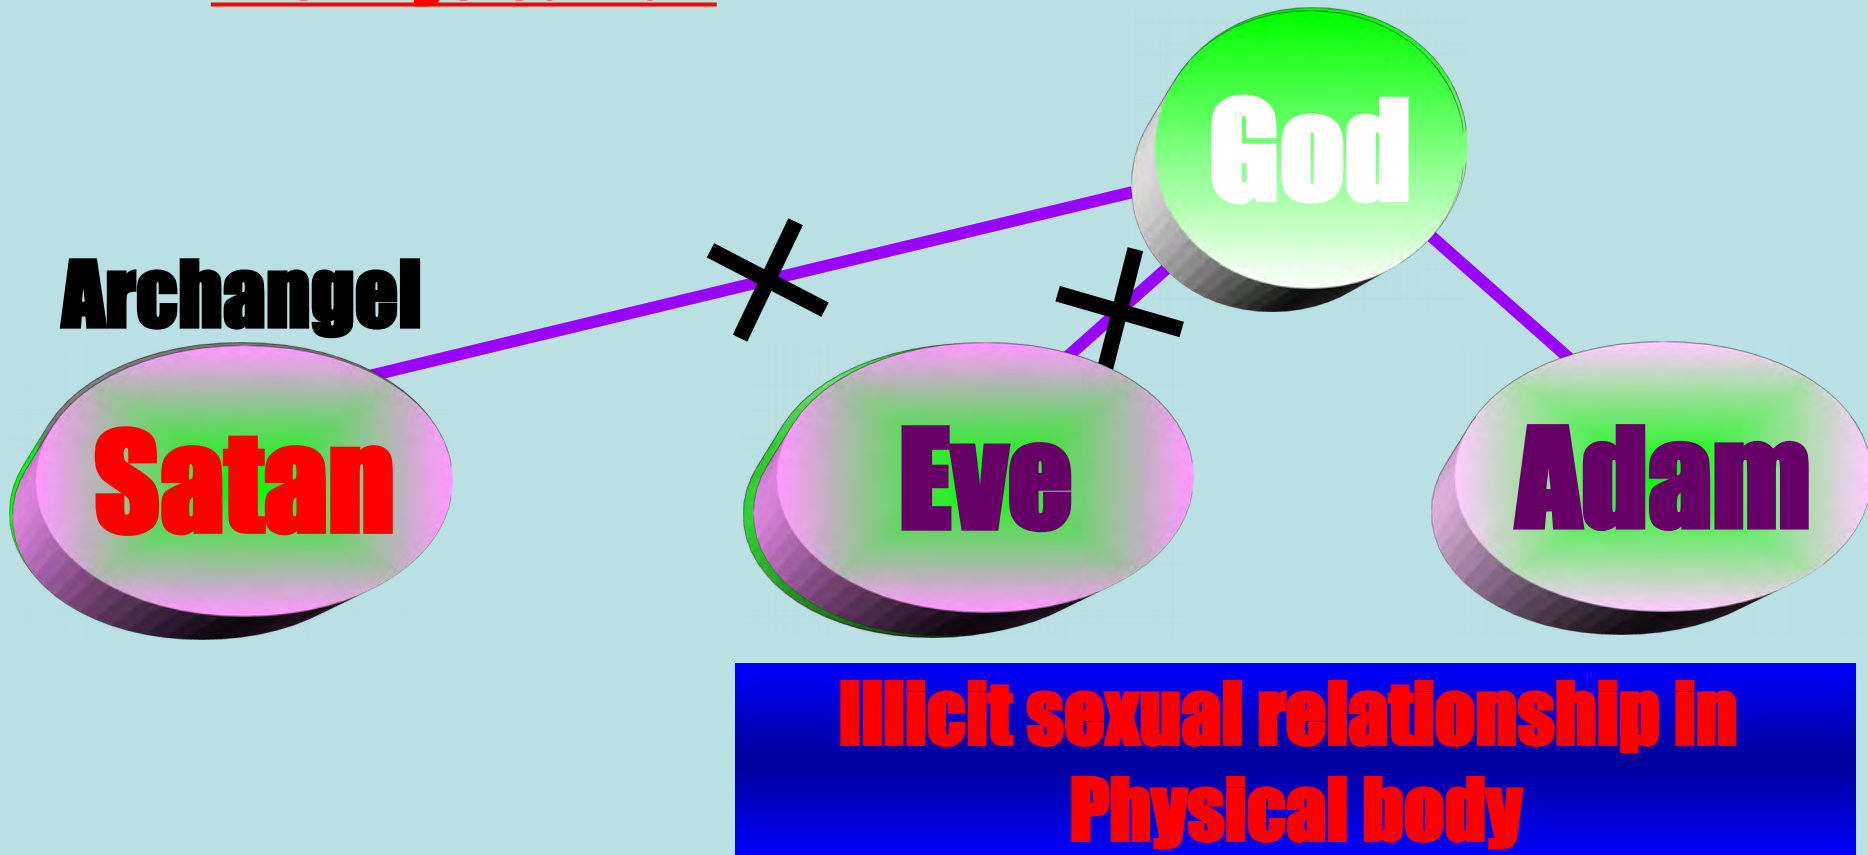

This was why he seduced Eve, and this was **the motivation of the spiritual fall.**

# The Spiritual Fall

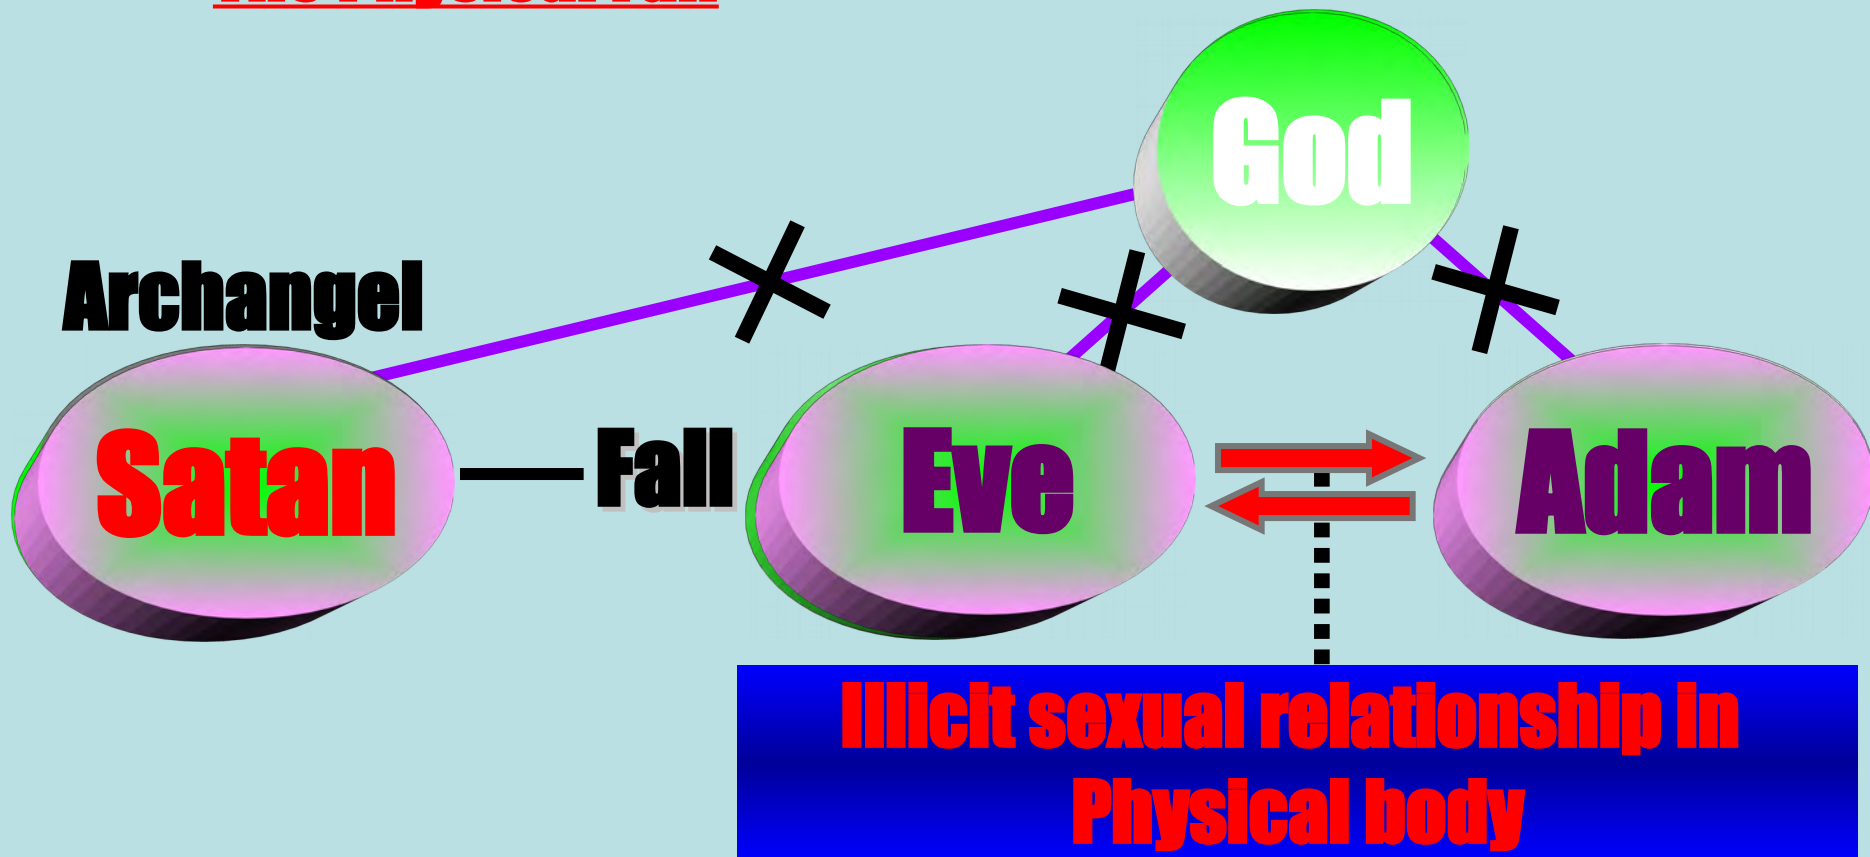

Lucifer, who **left his proper position** due to his excessive desire, and Eve, who wanted to open her eyes and become like God before the time was ripe, **formed a common base** and began give and take action, which led them to **consummate an illicit sexual relationship** on the spiritual plane.

# The Physical Fall

Fallen Eve then seduced Adam with the hope that by uniting with him, she could rid herself of the dread and once again stand before God. This was Eve's motivation which led to the physical fall.

# The Physical Fall

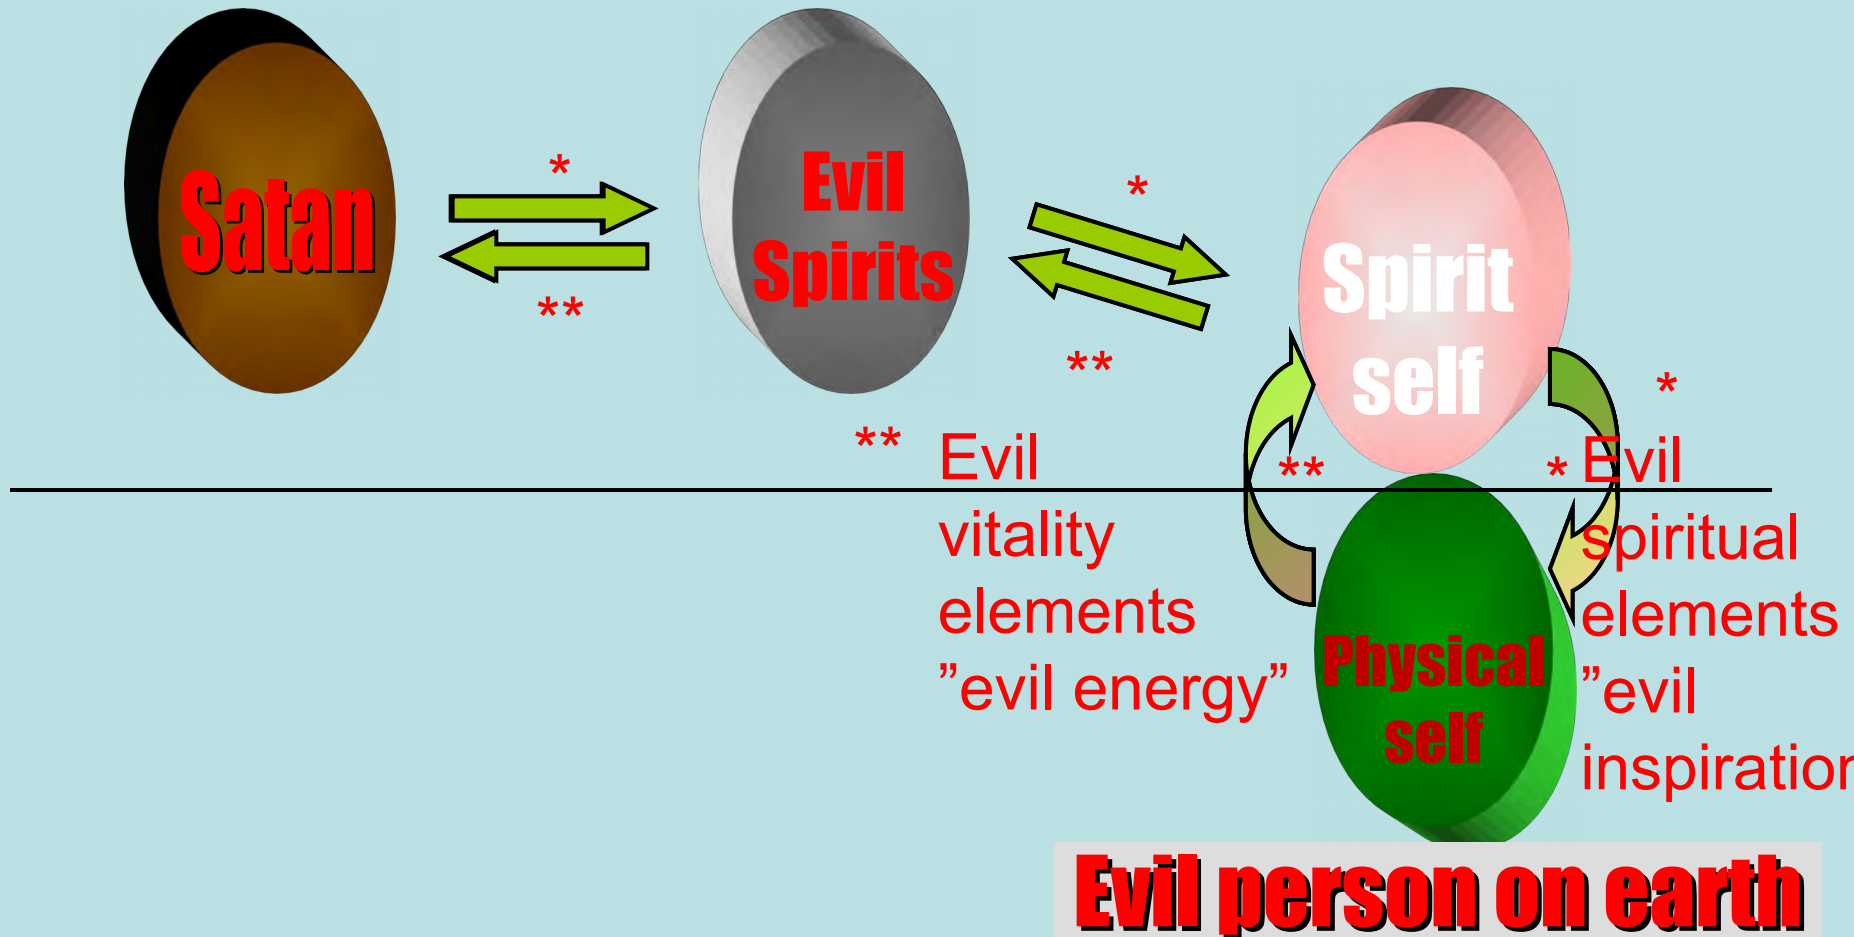

Adam responded and formed a common base with Eve, standing in the position of Archangel, and they began give and take action with each other, which brought them together in an illicit physical relationship of sexual love.

This picture is displayed today at the Library of Congress in Washington, D.C.

William Branham USA had been hearing voices since he was seven years old. Finally, in May of 1946, Branham was commissioned by an angel from God to be the forerunner of the Second Coming of Christ.

One of the more radical beliefs of the group is that of Serpent Seed which states that the first sin committed occurred when Eve engaged in sexual activities with the Serpent in the Garden of Eden thus causing "the fall of man."

## Healings in UC-movement

Dr. Joseph Sheftick in a talk to the 120-day training session in the World Mission Center in the spring of 1984.

The first segment deals with the power of the mind to influence our physical bodies and our state of health.

The second segment deals with the foundation of faith, the foundation of substance, and the power of imaging as they relate to the healing process.

1984

## Healings in UC-movement

The third and final segment will discuss psychic research in the United States and the Soviet Union, the phenomenon of psychic warfare, the power of symbols, and the importance of Principle as the basis for understanding and solving life's problems.

Source: <http://www.tparents.org/Library/Unification/Talks1/Sheftick/>

1984

1. **The Foundation of Faith** requires a central figure, a conditional offering, and a time period.

The patient stands in the position of central figure, and in doing so must take the responsibility to fulfill those conditions necessary to bring about the desired results.

In making a conditional offering we offer our minds, bodies, and material belongings.

The proper attitude of mind is of essential importance to the restoration of health.

1984

2. **Indemnity** is an important factor involved in healing -- and we do have to pay indemnity; there is no escaping it!

Often this aspect of the healing process is misunderstood, Indemnity is necessary because original sin, ancestral sin, group or collective sin, or individual sinful actions which have been done against others or the Principle must be restored.

Sin here means unprincipled actions and separation from God.

1984

3. Along with the Foundation of Faith,  
we need the **Foundation of Substance.**

For this we need Abel and Cain.

The purpose of the Abel-Cain relationship is to reverse the four points of fallen nature and remove it,  
and to allow the Spirit of God  
to work within and between the two individuals.

Here the doctor or therapist is in the Abel position,  
and the patient is in the Cain position.

# Heal Yourself Before You Can Heal Others

Elizabeth Aihe

Mr. Bocharnikov, a Certified Massage Therapist with vast knowledge and experience related to health, explained how important it is to control our emotions, to exercise, to relax and eat well in order to be healthier and live longer. He mentioned different techniques of relaxation and how our digestive system reacts based on how we are thinking before we even eat the food.

What we are thinking about when we are buying the food, cooking the food, and when it is time to eat the food can have a big impact on our internal systems.

Wilson van Dusen M.D.:

Present day psychosis always involves some degree of **self pride** (**spiritual madness**) but the hallucinated aspect looks most like what Swedenborg described under the general headings of **obsessions (to be caught in false ideas) and possession to have alien spirits acting into one's thought, feelings, or even into one's own bodily acts.**

van Dusen M.D

He (Swedenborg) indicates that normally there is a barrier between these spiritual entities and man's own consciousness.

He also makes quite clear that if this barrier of awareness were penetrated the man would be in grave danger for his mental health and even for his life.

van Dusen M.D

In my dialogues with (mental) patients I learned of two orders of experience, borrowing from the voices themselves, called the higher and the lower order.

Lower order voices are as though one is dealing with drunken bums at a bar who like to tease and torment just for the fun of it.

They will suggest lewd acts and then scold the patient for considering them. They find a weak point of conscience and work on it interteasing him for three years over a ten-cent debt he had already paid.

A discovery four years ago helped me to get a relatively rich and consistent picture of the patients' experience. Though I noticed similarities with Swedenborg's description of the relationships of man to spirits it was only three years after all the major findings on hallucinations had been made that the striking similarity between what Twentieth-Century patients describe and Swedenborg's Eighteenth-Century accounts became apparent to me.

## *Indemnity and Healing*

Indemnity is an important factor involved in healing –  
and we do have to pay indemnity; there is no escaping it!

Indemnity is necessary because original sin, ancestral sin, group or collective sin, or individual sinful actions which have been done against others or the Principle must be restored.

Sin here means unprincipled actions and separation from God.

Healing often involves the restoration of at least one, and possibly all of these levels of sin.

## *Indemnity and Healing*

You may have a problem on all dimensions of your being simultaneously: physical, emotional, mental, and spiritual. This is most often the case.

For healing to be complete, it must take place on all levels – and for this, time is necessary.

## *Indemnity and Healing*

There have of course been cases of instantaneous healing, but if you study these cases more deeply you see that these individuals had already paid much indemnity by going to many doctors or therapists, spending thousands of dollars, and going through all kinds of mental, emotional, and spiritual agonies before they found the one who cured them "instantly."

Faith healing works this way.

## *Indemnity and Healing*

One point I would like to stress is that we do have the responsibility to try to get well, and to keep trying.

The fact that we have to pay indemnity does not mean that we should not exercise our God-given portion of responsibility; rather, responsibility is an integral part of paying indemnity.

But we are working on many levels at once.

Most people consider good health to be their most valuable asset.

## *Indemnity and Healing*

But, as we are involved in the process of family, nation, and world restoration, our individual course of action should not center on this point only.

While it is usually good to try to get well whenever possible, living a life of suffering or even dying for the sake of humanity and God's will is not evil or wrong.

## Healings in UC-movement

On the first day of the seminar, in her introductory presentation, Beatriz Steeghs (Gonzales) offers Father's "formula for a life of faith."

Father's formula has three steps.

The first step is repentance,  
enabling me to separate from Satan.

After successfully repenting I am able then to take the second  
step - entering into the realm of God's love.

And, finally, knowing the heart of God, I can begin  
living my life for the sake of others. /1995

## Divine Principle as a model of health

The core teachings of DP,  
upon which Unification Thought (UT),  
the teachings/philosophy of SMM systematized  
by Dr. Sang Hun Lee is based, are:

The Principle of Creation, God's ideal

The Fall

Restoration

The ideal of the three blessings and a Cheon Il Guk made up of individuals who have fulfilled them, is a basic pillar of the Principle of Creation.

“Mind-body unity” must be achieved by developing and maturing the three core functions of the mind; intellect, emotion and will, if one is to fulfill the first blessing.

But in mental illness one or all of these three parameters are disrupted.

source: **Applied Unificationism**

*DP: There are 2 Bodies one Spiritual – one Physical  
There are 2 Minds one Spiritual – one Physical  
5 Spiritual Sences – 5 Physical Sences*

There is a consciousness latent in the body which is fully aware of the body, and knows about its purpose, its design and its function and which guides the body to achieve its purpose of remaining healthy.

All the emotions, thoughts and imaginations in our mind have an influence or impact on our body.

Jesus himself now had to take on John's mission and restore through indemnity the foundation of faith (40 day fasting) in order to set out on the second worldwide course to restore Canaan.

When Jesus fasted for forty days in the wilderness, it was to separate Satan for the very purpose of restoring the foundation of faith; however, for this he lowered himself to assume the position of John the Baptist.

Divine Principle  
in Plain Language  
by Jon Quinn

There is ample evidence today that the root of evil, the Fall, was an immoral sexual relationship.

God created the sexual act of love as the most precious, holy and exciting expression of love in our lives.

Yet throughout history the act of love has often been regarded as lowly and made a joke of.

## ROOT OF EVIL — IMMORAL SEX

The Bible teaches us that although it is necessary for man to multiply, for those who can, it is best to be celibate (live single).

This was to be an indemnity payment for the Fall and implies that marriage has not had the complete sanction of God.

The Bible emphasizes not getting married.

In First Corinthians 7:38 we read,

“So that he who marries his betrothed does well; but he who refrains from marriage will do better.”

Celibacy is encouraged because God’s ideal was lost due to the misuse of love.

Mr. Moon in deep meditation can project himself  
and be seen just as Jesus has been able to project  
himself and be seen by the saints.

This is one of the marks - of the messiahs always.

Mr. Moon reminded me that in the Book of Revelation there is a picture of the New Jerusalem, the Holy City, coming down out of the heavens. And there was a door on the east and a door on the south, a door on the north and a door on the west —

and when the teacher comes, he always has to come through the eastern gate.

In the Holy City of Jerusalem there is an eastern gate long since sealed and blocked. It will never be opened until the new teacher comes.

The Hebrew name of the Golden Gate is Sha'ar HaRachamim (שַׁעַר הַרַחֲמִים), Gate of Mercy. In Jewish sources the eastern gate of the Temple compound is called the Shushan Gate., this would make it the oldest of the current gates in Jerusalem's Old City Walls.

I can only repeat the vision of John, that when the New Age comes, the Eastern Gate will open, and not only man - but Revelation – will flow out of that gate. /Ford-Fletcher

According to Jewish tradition, the Shekhinah **כינה** (Divine Presence) used to appear through the eastern Gate, and will appear again when the Anointed One (Messiah) comes (Ezekiel 44:1–3)

3<sup>rd</sup> Adam

The spirit world could not function until the appearance of Unification Church. Why?

Because there was no handle to grab;  
no rapport was established.  
There was no love between the races.

There was no one who could prepare the base so that God could really bring down His hosts of angels.  
But now the Unification Church represents that base,  
so God can bring down any number of angels or spirit men He wishes.

3<sup>rd</sup> Adam

So far, there have been many, many evil spiritual phenomena. There are many evil, lost spirits haunting people.

Spirits can also actually cause diseases and accidents.

What is the difference between evil spirits and good spirits?

When an evil spirit approaches, you somehow feel fearful and uncertain and very unstable.

A satanic spirit is like the winter wind, making you shiver.

**3<sup>rd</sup> Adam**

But when some good spirit is trying to embrace you,  
you feel so good without reason!  
You'll be walking on Cloud 9!

A heavenly spirit is like spring. It melts you, relaxes you,  
and gives you the warmth of love and comfort.

You should feel that in the Unification Church.

3<sup>rd</sup> Adam

I have been conducting the program of the spirit world for everything.

I do not talk about how heaven is or how heavenly father is, and so forth.

I do not talk about them carelessly.

I only talk about them after I have digested them with the truth and can explain them in some systematic manner.

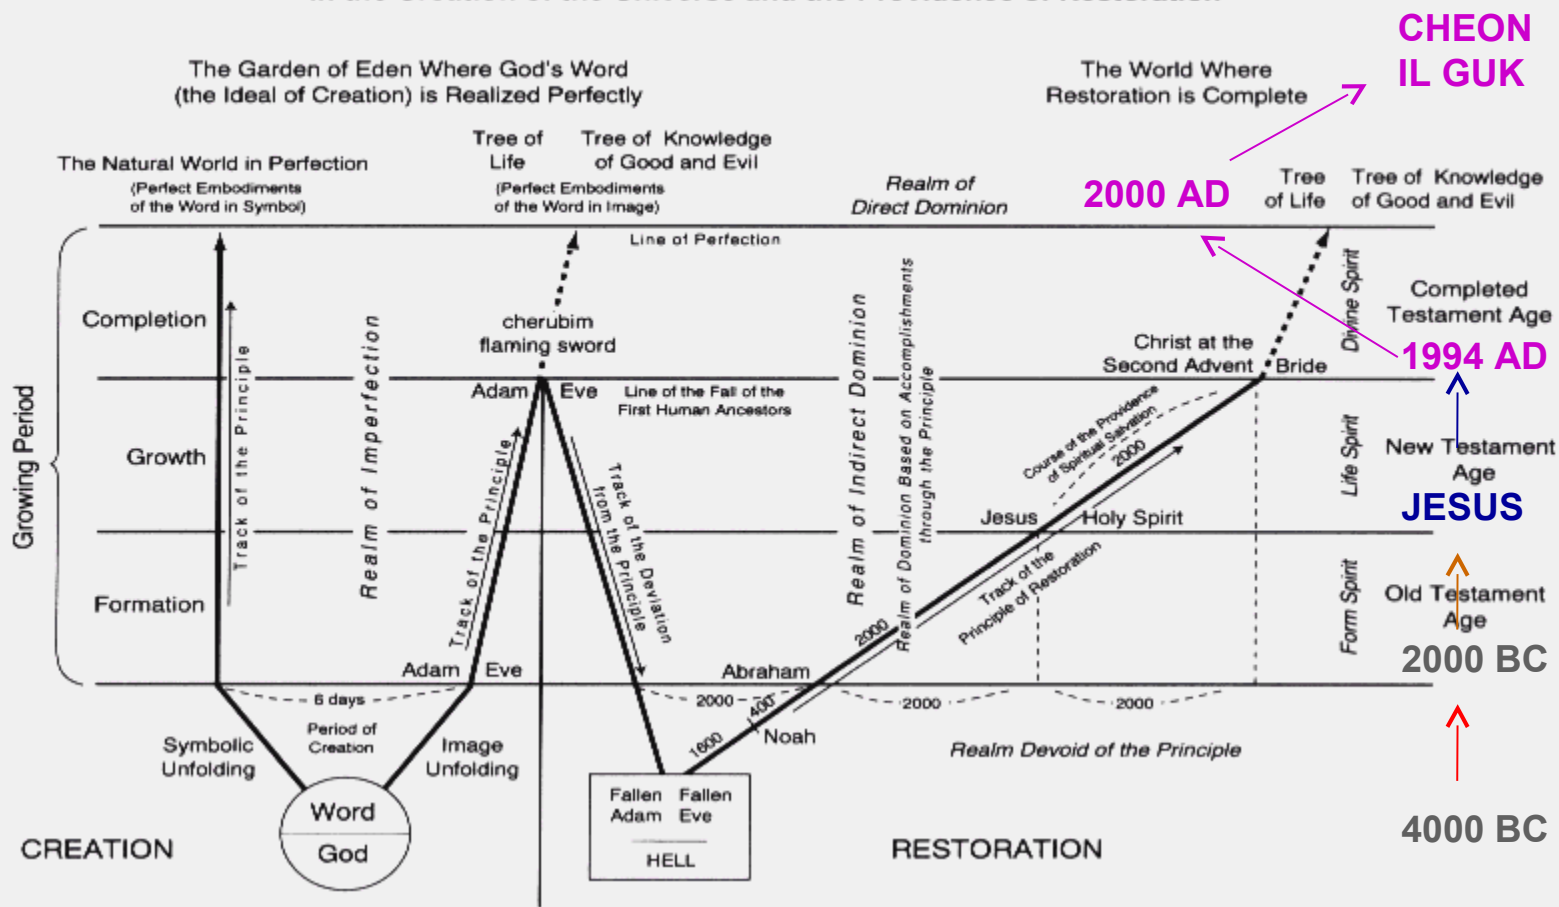

Do you think that I simply listen to the words of some women or grandmothers, or some spiritual medium? No way.

They are ignorant.

They know how to testify to the present, but they do not know how things operate.

Bible: Man became

DP: Over time, the works of a good spirit will increase a person's sense of peace and righteousness and even improve his health. The works of evil spirits, on the contrary, will gradually lead to an increase of anxiety, fear and selfishness and cause his health to deteriorate.

## A fifth fallen nature?

In November of 2010, due to extenuating circumstances in our church community the Executive Vice President of the Family Federation for World Peace, Joshua Cotter, was asked to tour The United States giving a presentation entitled

"A Period of Great Transition in History."

In that presentation he clarified the existence of a fifth fallen nature, "shifting the blame."

# Healing in CheonPyeong Korea

Ms Young Oon Kim Korea:

The third morning when I got up, my diarrhea stopped, my kidney was cleared up, my swelling all gone and I felt so light inside.

You know when you have diarrhea day after day, you feel so dull.

Now I felt so light inside and had a real appetite.

I ate fish, pork and spicy pickle of our country, very spicy, rice.

Digestion was 100 % good. I couldn't understand.

So I asked the leader, "I didn't even ask for healing.

How did this happen to me?"

Ms Young Oon Kim Korea:

He (SunMyungMoon) smiled and said, "It is not strange at all. In this new dispensation, God's power is more, 100 % more mightier than in the New Testament Age.

Now, although you are reluctant, you are open to this new dispensation, and God's might power started working in your spirit, which affected your body.

It is nothing.

You stay here and see what kind of things happen in this group."

## Dae Mo Nim's Work to Separate Earthbound Spirits

- In the mid-1980s, Rev. Sun Myung Moon recognized a need to address the debilitating phenomenon of attached earthbound spirits on the population of the world, especially beginning with the members of the Unification Church.

For this purpose he chose Soon Ae Hong, the mother of his wife Hak Ja Han Moon.

See <http://journals.uts.edu/volume-ix-2008>

## A Comparison of William Baldwin's "Spirit Releasement Therapy" and Dae Mo Nim's Ancestor Liberation

Both Baldwin and Dr. Shakuntala Modi, through their depossession practices, have discovered that somewhere between 80% and 90% of their clients' debilitating symptoms were caused by possessing human and demon entities, and that removing these attached spirits for the most part permanently removed their patients' symptoms.

Furthermore, in 1991, Baldwin publicly declared that

“spirit attachment is almost universal in the human population”

and, for this reason, mental health professionals and clergy should be “trained to use the appropriate techniques to relieve this affliction.”

As if to answer this call, Dae Mo Nim has appeared in our time as a providential healer, whose depossession techniques serve humanity as a whole:

There is another enormous pollution yet unknown to humanity, and this is the spiritual pollution.

Few people know that the invisible spiritual pollution is more dangerous than the visible pollution.

The Chung Pyung Spiritual Training Center is a place of recycling evil spirits into absolutely good spirits (AGS).

It creates a miracle of giving rebirth to the spiritual selves degraded like useless garbage and transforming them into God's children with cosmic value.

real substantial Return of Christ!

## Quote: SMM

When you get married you become engrafted; by being engrafted you come to have a different blood lineage.

Your marriage is not just an ordinary marriage of this world.

Far from it. It is most precious, centering upon the heart of heaven and earth.

You must perfect your heart within your family, centered upon God's love, and you must perfect your personality with glory and joy.

Perfect man and perfect woman must unite to fulfill their responsibility and their purpose.

The original world would have been the world of heart and gratitude. If you stand on that foundation, there can be no chance of falling.

If Jesus had married and shared his love with a woman who loved him more than he could ever love, would the devil be able to pull away the children they bore? God would protect them.

The spirit self can attain perfection only during a person's earthly life.

The spirit mind guides the spirit self as it grows in the soil of the physical self.

The growth of the spirit self toward perfection progresses through the three orderly stages ordained by the Principle of Creation.

Earthly Life and the Spirit World, Vol. II

Jesus died on the cross, but **he did not die in the son's position.**

If Jesus died in the son's position, then he was a victorious offering to God and does not need to come again.

But he could not be offered wholly.

He lost his physical body and only offered his spirit.

This is equal to the angel's offering in the spiritual world.

That is why Christians go to paradise instead of heaven in the spiritual world.

In other words, the spiritual world, dominated by the archangel, is the realm of the archangel.

To go beyond that realm, victory must be won on earth in the physical world.

That is the will of God.

That is the meaning of Jesus' presence on the earth and the spiritual world.

Earthly Life and the Spirit World, Vol. II

“Every human being is struggling to attain life-long happiness and overcome misfortune.

/DP Introduction

From the commonplace affairs of individuals to the great events that shape the course of history, each is at root an expression of the human aspiration for ever greater happiness.

*Comment: the essence of being human is to live for the sake of others.*

/DP Introduction

There is a saying that the habit of a three-year-old continues until he turns eighty. Inborn personality is hard to change. Hence, spirit people cannot live very differently from the way they lived on earth.

After all, the inhabitants of the spirit world are the souls of people who formerly lived on earth.

From this perspective, the spirit world is not so different from the physical world. /SMM

Relationship Between People On Earth And Spirits

After all earthly people are restored,  
it will take a long time for the spirit world to be  
completely restored because there are so very  
many spirits who must be restored through the  
principle of resurrection through people on earth.

It will be much faster for earthly people to be restored.  
The number of spirits is very great.

And they must go through the resurrection in an indirect way.

/SMM 1965:4

*Comment: Sprits are seeking Vitality elements for their growth!  
Indirect = Vitality Elements needed from physical  
human body = physical people on Earth.*

# The Providence of Resurrection for People on Earth

Upon their death, the believers of this era will enter and abide in the Kingdom of Heaven in heaven, which is the divine-spirit level of the spirit world (p. 140).

**Me!**

The first resurrection is the resurrection enabling the accomplishment of the purpose of creation for the first time since the commencement of the history of God's providence of restoration.

The original self will be restored by removing man's original sin through the Second Advent of the Lord.

Before creating man, God made all things in the image and likeness of man's character and form.

Therefore, man is the encapsulation of all things.

*(Comment: Physical and Spiritual Wolds)*

With man as the visible object  
in the image of God and the universe  
as the symbolic object in His indirect image,  
man's love and the beauty of creation perform  
give and take action to form  
one body in unity centering on God

Since the universe was created after the model of man, who is in the image and likeness of God's dual essentialities, every existence, without exception, takes after man's basic form, which consists of mind and body.

Thus, in the universe there exists  
not only the visible substantial world,  
which resembles the human body,  
  
but also the invisible substantial world,  
which is modelled after the human mind.

/Divine Principle Ch.1

“What is the Unification Church?

It means the place of unification  
of the mind and body

and the place of study of the Divine Principle.

This teaching instructs clearly how to unify  
the mind and body,

man and woman,

parents and children centered upon True Love,  
True Life and True Lineage.

/SMM 960505

If you could go to the spirit world, you would see that all people constitute the body of one Person.

Saints and holy men may perform the role of the eyes or the ears, but even though they have important roles, they are still only components of that one macrocosmic Person

/SMM 1997

Each community (in Spirit World) is an image of the whole [Universal Human], since any completely harmonious entity is made up of a number of images of itself.

I have from time to time talked with members of communities where I had been sent, who belonged to the province of the lungs, heart, face, tongue, ear, or eye, and with members of the province of the nose.

/Emanuel Swedenborg, *Arcana Coelestia*

In the sight of God each individual is like a cell of that giant human.

In the sight of God each individual is like a cell of that giant human.

Each one of you is a cell, yet however small you are, every other cell is still connected to your life.

When you look at a little cell on the tip of your finger you are a giant in comparison to it, yet you still deal with that one cell on a one-to-one basis.

BOB DYLAN  
SPIRIT WORLD  
COOPERATION!

“The Songs just came through me.  
I did not have to write them myself“

/From the Biography of Steve Jobs “Founder of Apple”

BOB DYLAN  
SPIRIT WORLD  
COOPERATION!

One night I was lying in bed and listening to the radio.

I think it was a station out of Shreveport, Louisiana.

I wasn't sure where Louisiana was either.

I remember listening to The Staple Singers' "Uncloudy Day".

And it was the most mysterious thing I'd ever heard.

It was like the fog rolling in.

I heard it again, maybe the next night, and its mystery had even deepened.

BOB DYLAN  
SPIRIT WORLD  
COOPERATION!

What was that? How do you make that?

It just went through me like my body was invisible.  
And that singer is pulling things out of my soul that I  
never knew were there.

After hearing it for the second time,  
I don't think I could even sleep that night.  
I knew these Staple Singers were different than  
any other gospel group

## Words from St Augustine 2001

“People of faith! The Messiah who is to come is none other than Rev. Moon, the True Parents of heaven and earth.”

Please pray to discover who that person is. Here in the spiritual world, I have seen him clearly, working in the human form while surrounded by brilliant light.

“In the Blessing ceremony, people on earth will be able to see only the people on earth, but the Blessing candidates in heaven can see both the couples on earth and those in heaven.

The scene of the Blessing ceremony is truly beautiful and enchanting.”

“During the ceremony, the officiator, Rev. Moon, suddenly changed into the shape in which God had appeared in the Garden of Eden before the human fall;

God's rays spun in splendid and enrapturing colors and circled around Rev. Moon, whereupon he assumed God's body.

Then, the whole scene of the Blessing ceremony was showered with brilliant light, as if floodlights of thousands of volts had been turned on in a dark room.

In this ceremony, God's light touched each and every couple.”

Since everything a person does is transformed into vitality elements and transmitted to his spirit person, all of one's life is recorded in the spirit.

The spirit person is like a videotape recorder on which a person's entire life may be seen.

In a real sense, our mind and body constitute the microcosm that controls the macrocosm — the spirit world and physical world — through its resonance with them.

The key lies within us.

## Reiki & Other Healings

Reiki is a Japanese technique for stress reduction and relaxation that also promotes healing.

It is administered by "laying on hands" and is based on the idea that an unseen "life force energy"

*(DP: Spritual & Vitality elements)*

flows through us and is what causes us to be alive.

If one's "life force energy" is low, then we are more likely to get sick or feel stress, and if it is high, we are more capable of being happy and healthy.

profound way

“The incorporeal world,  
or spirit world, is in the  
position of subject partner,  
and the corporeal world, or physical world,  
is in the position of object partner.

The latter is like a shadow of the former”. /DP Chapt. 1

## Power of Prayer

- In July 1995, back when AIDS was still a death sentence, psychiatrist Elisabeth Targ and her co-researchers enrolled 20 patients with advanced AIDS in a randomized, double-blind pilot study.
- Psychic healers prayed for the 10 in the treatment group. The healers lived an average of 1,500 miles away from the patients.
- Six-month study - four of the patients died in the control group
- All 10 who were prayed for were still alive.

Jesus laid the Spiritual foundation for the Physical Bridge of Salvation, across the **River of Sin**.

He never got the support to walk over it!

Maria Park killed

National Assembly President Boong Ki Lee and his wife, Maria Park, was most directly responsible for the persecution directed against the Unification Church (ca 1955).

In particular, Mary Park, had caused students and teachers to be thrown out from Ehwa Women's University.

Park and Lee's first son was Captain Kang Suk Lee, who had become President Rhee adopted son.

One day, it was a horrible event Captain Lee took a gun and shot and killed his biological parents, Park and Lee, and their second son, Kang Uk Lee. He then shot himself.

This happened 28 April 1960.

Rating 9.5 the Worlds strongest – so far

- From 1960, there took place great earthquakes in the satanic world.

Historians talk about it too, but why are there such earth-shattering shake-ups?

Why are such great changes taking place in the forty-year-period from 1960 to 2000?

In order to restore it, it must be dismantled and dispersed and swept away.

For this reason, such things will happen in the internal forty years and the external forty years.

/SMM 1982

- For this reason, without making the spirit world united, it is impossible to bring unity on the earth. If unity is not attained in the spirit world, oneness will also not be found in the earthly world. They share a common fate.
- You will be able to enter the realm of victory where you can fulfill the purpose that God anticipates. The earth is the subject. Because the earth is the subject, only when the domain of unification is established here will the spirit world be able to help, and conversely, if the earth does not establish that domain of subjectivity, spirit world will not do so. /SMM 1982
