PREDICTIONS FROM THE DIARY OF POPE JOHN THE 23rd

The world will suffer through a painful period of violent wars, deadly famine, and destructive natural disasters over the next eight years.

But that nightmare will be followed by a lengthily stretch of love and harmony, a beautiful serene heaven on earth.

Those startling predictions come from the sensational lost diary of Pope John the 23rd, the beloved Pontiff who died June 23, 1963.

The dusty, leather bound diary containing hand written predictions was found by a Vatican cleaning woman who was sorting through boxes stacked in a little used storage room.

The entries clearly spell out the assassination of John F. Kennedy, the Vietnam war, the unrest in the Middle East, and the fall of communism years before they took place.

2000 year of preparation for the 2nd Coming of Christ

July 2, 1962 The Madonna tells me this will be her final visit. It is a joyous one for she shares tremendous news. As the year 1998 arrives, our heavenly friends will have shared much of their advanced knowledge.

Mankind will at last wipe out most of it's diseases and our life span will increase to the length of those listed in the bible. The visitors will also share the remarkable power of resurrection and throngs of wrongly dead will rise again.

Finally a wondrous miracle will take place in the sky above New York City December 25, 2000 (2013?) when millions will witness the sensational appearance of a messiah who will announce the beginning of a second paradise here on earth.

Prolegomena To A Philosophical Inquiry Into The Spirit World

Claude Perrottet

Prologue:

According to the views of Unification Thought and even according to common sense, the spirit world amounts to half of reality (not in the sense of a precise 50%, but in the sense of being one of two "worlds" constituting the universe).

Prologue:

According to the views of Unification Thought and even according to common sense, the spirit world amounts to half of reality (not in the sense of a precise 50%, but in the sense of being one of two "worlds" constituting the universe).

Unification Thought holds this notion is common with the general understandings prevalent in most cultures.

If that is the case, and if we additionally assume (again, according to Unification Thought and to vague notions floating in consciousness at large) that the "half" of reality represented by spirit world is the dominant though largely unknown half, it is surely an understatement to say that taking it seriously into account revolutionizes all aspects of philosophical inquiry. .endprologue

- In Unification Thought terminology, we would say that the *hyungsang* part of the spirit (the spirit body) is the external appearance of the *sungsang* part (the spirit mind), and thus has its qualities.

- When trying to describe the spiritual realm from a Unification

Thought perspective, a perspective that is in keeping with Swedenborg and others with personal experience of spirit, the expression that first comes to mind is total freedom, freedom from the constraints of physical existence.

- But this "dream world" does follow laws of its own that are by all accounts even stricter than those of the physical world. Free movement, change and development are possible only to the extent that these laws are respected and practiced.

Rev. Moon has taught that it is much better and wiser to fulfil God's will while we are in our own physical bodies on earth.

The reason?

It takes much longer and much more effort to achieve resurrection of our spirit selves in the spiritual realm than when we are on earth and in the driver's seat, so to speak, of our own physical lives.

From Lucifer to True Parents: 1999

I am offering this to True Parents.

*Since all people call you True Parents, I call you True Parents.
I am very sorry that I gave you an extremely huge difficulty to
straighten out the countless aspects of **evil history of sin that I
committed.***

What word would I have to tell you?

*Once, I, undeserving and selfish, desired to receive the blessing.
I am very sorry for this.*

*If it is possible, I ask for your generous punishment, as you are
the parents of humankind.*

From Lucifer to True Parents: 1999

As I see the countless ways of evil and sin, the ways of indemnity, even with my eyes, I can see that the only way of my return is the way of bloody bruises.

However, if it is the last way of suffering to go to God and True Parents, I will follow obeying.

True Parents, Parents of humankind, Lucifer is very sorry.
I am truly sorry.

Pledge 5

Reaching to the Spirit World

천일국 주인 우리 가정은 참사랑을 중심하고 매일 주체적 천상세계와 대상적 지상세계의 통일을 향해 전진적 발전을 촉진화할 것을 맹세하나이다.

Our family, the owner Cheon Il Guk, pledges to strive every day to advance the unification of the spirit world and the physical world as subject and object partners, by centering on true love.

The fifth pledge discusses the role of the spirit world in human life.

Having been given dominion over the creation, human beings are the lords of both the spiritual and physical worlds.

The human mind connects with the spirit world and the human body interacts with the physical world.

In a real sense, our mind and body constitute the microcosm that controls the macrocosm — the spirit world and physical world — through its resonance with them.

The key lies within us.

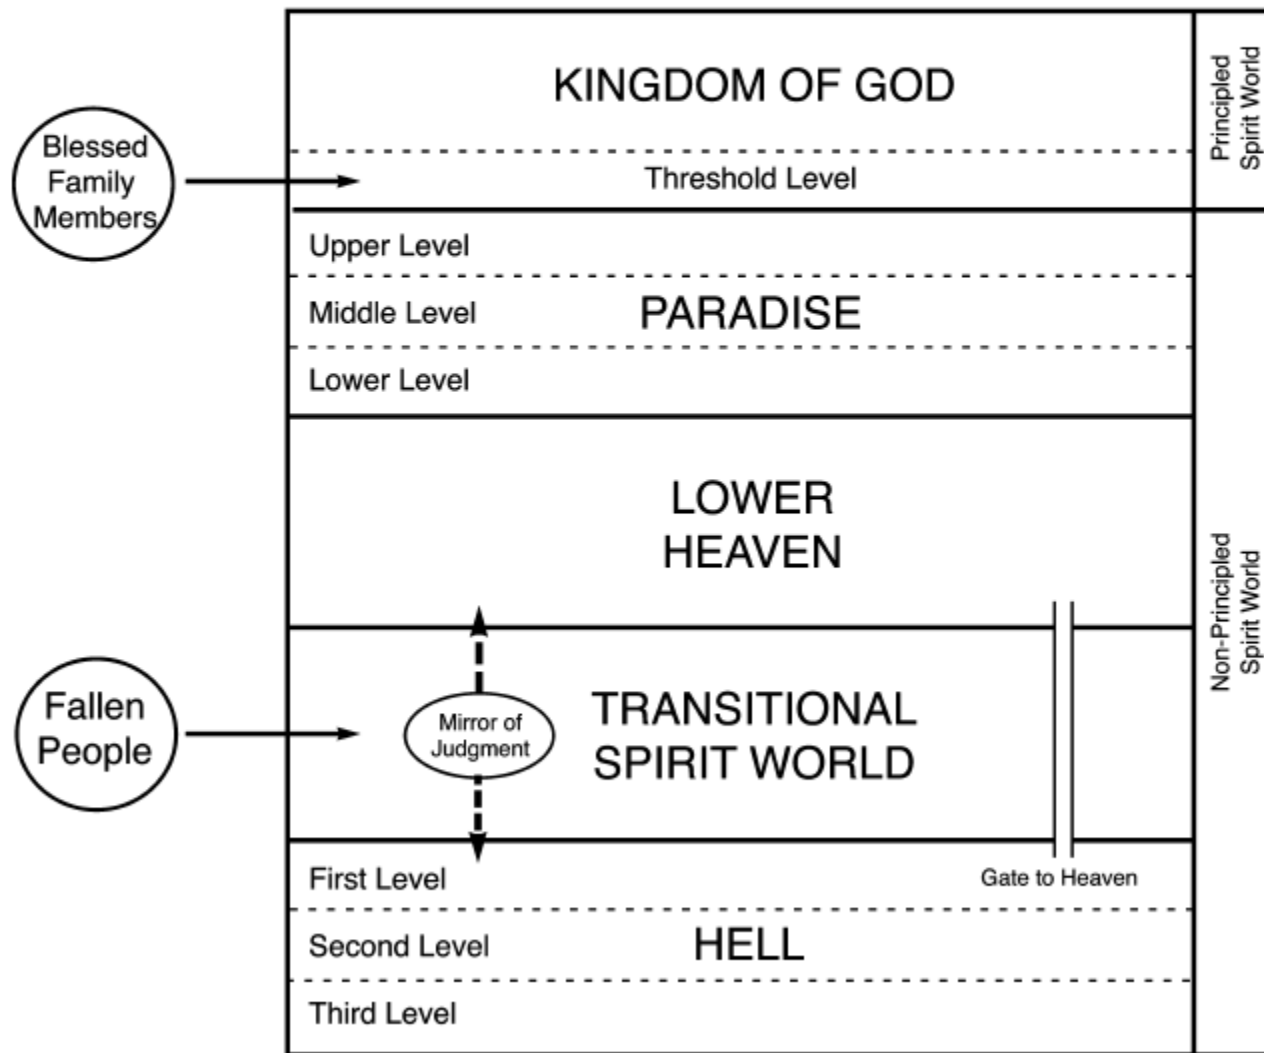

When we align ourselves properly, we can tap into the inexhaustible power of the spirit world to bring us prosperity and victory.

Furthermore, since our ultimate destiny is to live eternally in the spirit world, we should use our time on earth to prepare for life in that world.

**Six spheres of intelligent being,
with a seventh which is a Central Sun
and the more particular abode
of the Godhead.**

FIGURE 8: THE STRUCTURE OF THE SPIRIT WORLD

The Non-Principled Spirit World

Our tour beings with the Non-Principled Spirit World, which is populated by the vast majority of people who ever lived, who did not establish true families while on earth.

People on earth vary widely according to the degree of their love and to what extent they lived a life of goodness.

Though they co-mingle during earthly life, in the spirit world they separate.

According to the various qualities of earthly people's inner, spiritual lives, they come to reside in a place within one of three major levels of the Non-Principled Spirit World: Hell, Lower Heaven, and Paradise.

The Transitional Spirit World

In addition, there is an intermediate realm, the Transitional Spirit World, which serves as a way-station on a spirit's journey to his or her final abode.

This is the realm closest to the earth, where spirit persons stay temporarily when they first enter the spirit world.

After a stay lasting from a few days to a few years, spirits journey either downward to hell or upward to one of the heavenly realms at their own volition.

Within a few days after death, spirits are led to this realm, guided by angels and spirits of the departed.

The trip is like being lifted in an elevator or like passing through a gate.

On arrival, the newcomers may experience the warm, comforting embrace of a transcendental being of white light.

Their relatives, intimates and acquaintances may welcome them and remain with them for a time before returning to their own places.

When a spirit arrives at the Transitional Spirit World, his speech and actions become totally unconstrained.

He can express in words whatever he thinks and do whatever he wants. Having shed his physical body, he suddenly realizes that he has profound wisdom, as if his intellect had grown fifty-fold.

Although the newcomer may cling to his old habits for a while, before long he accustoms himself to the laws of spirit world.

Earthly honor, knowledge, position, property and wealth are of no use.

Hell

Hell is populated by people who lived predominantly selfcentered lives while on earth.

(Reflexion of satans lineage)

They pursued only their own interests while committing falsehoods, deceptions, injustice, and crime.

Even if outwardly they led respectable lives, their hearts festered with jealousy, hatred, avarice, lust, anger and complaint.

After they pass over into the transitional spirit world, fellow spirits of Hell who witness the newcomer's past in the mirror of judgment lead him to their infernal dwelling-place.

Hell

Lee's description of the hells is reminiscent of Dante Alighieri's *Divine Comedy*.

Dante's depiction of hell, The Inferno, depicts 9 levels, each darker and bleaker than the last.

Dante's Paradiso depicts 10 heavens of ever-increasing brightness and glory.

On May 5, 2004, Father Moon announced the 쌍합 십승일 (雙合十勝日 , *Ssang Hab Shib Seung Il*), the “*Day of Double 5 and Victory of the Number 10,*” which marked the beginning of the “Age After the Coming of Heaven.”

It opened the era for cleansing the evil satanic kingdom and manifesting the kingdom of true love on earth and in heaven.

Lower Heaven

Conscientious people, the charitable, patriots, educators, the virtuous, truth-seekers, etc., people who made efforts to do right while on earth, dwell in Lower Heaven.

Whether or not they believed in religion, they sought to live a life of goodness according to their conscience.

Paradise

Beyond Lower Heaven lies Paradise.

(Luke 23:43, 2 Cor. 12:3)

It is far brighter and more splendid, with magnificent mountains, azure rivers, fields of flowers with sweet fragrance, and lovely music rejoicing the mind and heart.

In its upper levels people live in a state of ecstasy, totally immersed in all the beauty that surrounds them.

The Principled Spirit World

God's original intention for the spirit world was that it would consist of only one realm, the Kingdom of God in heaven.

Spirit persons who have perfected the Four Position Foundation on earth pass over into this realm.

Today, with the appearance of people who have received the Blessing and who are on the way to establishing true families, the threshold level of the Kingdom of Heaven has been newly opened.

It is called the Principled spirit world.

This realm is above even the highest level of Paradise and is incredibly beautiful.

The Subjective Role of the Spirit World

One reason to learn about the spirit world is to better understand how spirits affect life here on earth.

Spiritual influences can bring luck or cause misfortune.

Indeed, diverse bands of spirits descend to give invisible influence to the earthly world—some for good and some for evil.

An amazing stroke of fortune or a crushing blow can occur seemingly without reason, but psychics who have access to the spirit world can clearly know its cause.

Destiny and Responsibility

People often misunderstand the subjective role of the spirit world, particularly when it comes to the question of fortune and destiny.

Many people believe that every person has a foreordained destiny written in the stars, stored up in the spirit world.

Are the important events in our life—the day of one's death, for example — predestined?

It is said that plans unfold in the spirit world years before they bear fruit on earth. Thinking in this way, we may consult fortune tellers for advice about our lives, believing they can give us a glimpse into the future.

The Divine Principle, however, clearly presents only one sort of predestination for human beings:

God's predestination of prosperity and success for the person who fulfills his portion of responsibility.

Uniting the Spirit World and Physical World

Many people are aware of the higher power of divine providence that guides our lives.

We have felt God's guidance leading us on through dark and despairing times into new situations with fruitful paths of action.

When we rely on providence, amazing things can and do happen, for we place ourselves in a position to receive spiritual help.

As Jesus said, those who seek for God's kingdom and God's righteousness will find that every good thing is provided for them. (Matt. 6:33)

Three Keys to Mobilizing the Spirit World

At the center of unity between the spirit world and the physical world stands the human being, who joins the two worlds in the circuit of give-and-take action.

There are three keys to completing this circuit, and thereby to receiving spiritual help.

First, a person affirms his or her heartfelt dedication to God and determination to do God's will; therefore mobilizing the spirit world to give inspiration, guidance and support.

Second, the person establishes good unity between mind and body, and hence is able to act on this inspiration.

Third, the person has laid a practical foundation on the earth, that his actions might carry weight and be effective.

FIGURE 9: THE UNIFICATION OF THE SPIRIT WORLD AND PHYSICAL WORLD

The Liberation of Hell

The saint and the sinner are both God's children. Therefore, we who would draw close to God must love our brothers and sisters who suffer the pain of a bitter or resentful spirit.

The Divine Principle explains that Abel cannot enter heaven without saving Cain.

Possessing spirits, who penetrate the body and attach themselves to the psyche, afflict people without their knowledge.

They can enter the body in a moment of weakness; shock, a fainting spell or a high fever.

Alcohol or drugs provide ready opportunities for possessing spirits.

These spirits cloud the mind and induce obsessive or even psychotic behavior.

Even many physical illnesses have possessing spirits as a contributing cause.

The common denominator of all these evil spiritual influences is inherited sin.

The Restoration of the Mind

The original mind and physical mind conflict with each other.
The physical mind cannot encroach into the realm of the original mind and influence it.

The lineage was changed.

God and Satan will always be divided.

Gold cannot be combined with marble or granite.

Gold is always gold.

If everybody insisted on becoming the subject,
the core and partner would not be needed.

They would both just disappear.

Great changes in Spiritual World

St Augustine on Blessing Ceremony in the Spiritual World

I am living in incredible truth and boundless grace, which I could never imagine in the physical world.

Having attained freedom in this truth and grace, I am living a happy life here every day.

What is more amazing, however, is the Blessing ceremony in which those people who had left their physical bodies and come to the spiritual world participated.

During the ceremony, the officiator, Rev. Moon, suddenly changed into the shape in which God had appeared in the Garden of Eden before the human fall;

God's rays spun in splendid and enrapturing colors and circled around Rev. Moon, whereupon he assumed God's body.

St. Augustine's Confessions
from the Spiritual World

Singhwa Publishing Co., LTD

Then, the whole scene of the Blessing ceremony
was showered with brilliant light,
as if floodlights of housands of volts
had been turned on in a dark room.

In this ceremony, God's light touched each and every couple.
At this time, my wife was on earth and I was, of course,
in the spiritual world.

An earthly person would not understand what this means, but at one word from Rev. Moon, the ceremony site changed colors and structures, and the couples' ceremonial dresses changed.

God's light touched all the people, and their spirits became consecrated, after which their forms became different from those of the spectators.

The Blessing is a ceremony through which God brings together an Adam and an Eve in the Garden of Eden when they become fully mature. I believe it because I have seen it clearly with my own eyes. I firmly believe that Rev. Moon is marrying honorable men and women as an officiator in God's body.

I bear witness to the fact that the Old Testament and the New Testament combined are not sufficient to live by in the New Cosmic Age we have ascended into.

To be saved, every man, woman and child must commence their mission before they leave this earth plane.

And before they can do this they must find the reason for the **original sin** and what original sin is.

Perfection and resurrection can only be achieved through work and that work must be done **in the body**,
the spirit of Truth demands it.

Through the clouds I see love shine, (Gods Love)
it keeps me warm as life grows colder

In my life there's been heartache and pain
I don't know if I can face it again
Can't stop now, I've traveled so far,
to change this lonely life

Let's talk about love, I want to know what love is
The love that you feel inside, I want you to show me
And I'm feeling so much love, I want to feel what love is
No, you just can't hide, I know you can show me
I want to know what love is (let's talk about love),
I know you can show me. (TRUE LOVE)

One heart one soul just one solution,
One flash of light yeah one god one vision.

One flesh one bone,
One true religion,
One voice one hope,
Wowowowo gimme one vision.

No wrong no right,
I'm gonna tell you there's no black and no white,
No Blood no stain,
All we need is one world wide vision. (DP - True Parents)

One flesh one bone,

One voice one hope,
Wowowowo gimme one vision.

I had a dream,
When I was young,
A dream of sweet illusion,
A glimpse of hope and unity,
And visions of one sweet union,

But a cold wind blows, (FallofMan)
And a dark rain falls, (Fallen Spirits down to Earth)
And in my heart it shows,
Look what they've done to my dream.

So give me your hands,
Give me your hearts,
I'm ready,
There's only one direction,
One world one nation, (KoH, Korea)
Yeah one vision. (Divine Mankind)

A Kind Of Magic – 1986
spiritually inspired

It's a kind of magic,
It's a kind of magic,
A kind of magic,
One dream, one soul, one prize, (Messiah – Christ –LSA)
One goal, one golden glance of what should be,
It's a kind of magic,
One shaft of light that shows the way,
No mortal man can win this day,

It's a mind of magic,
The bell that rings inside your mind,
It's challenging the doors of time,
It's a kind of magic,
The waiting seems eternity, yeah,
The day will dawn of sanity,
Is this a kind of magic,
There can be only one, (Messiah – Christ –LSA)

This reign that lasts a thousand years (Biblical)
Will soon be gone,
This flame that burns inside of me

I'm hearing secret harmonies
It's a kind of magic,
The bell that rings inside your mind,
Is challenging the doors of time,
It's a kind of magic,
It's a kind of magic,
This reign that lasts a thousand years,
Will soon be will soon be,
Will soon be gone,

This is a kind of magic,
There can be only be one,
This reign that lasts a thousand years,
Will soon be gone,
Magic - it's a kind of magic,
It's a kind of magic,
Magic, magic, magic, magic,
It's magic,
It's a kind of magic.
It's a kind of magic.
