

Family Happyness!

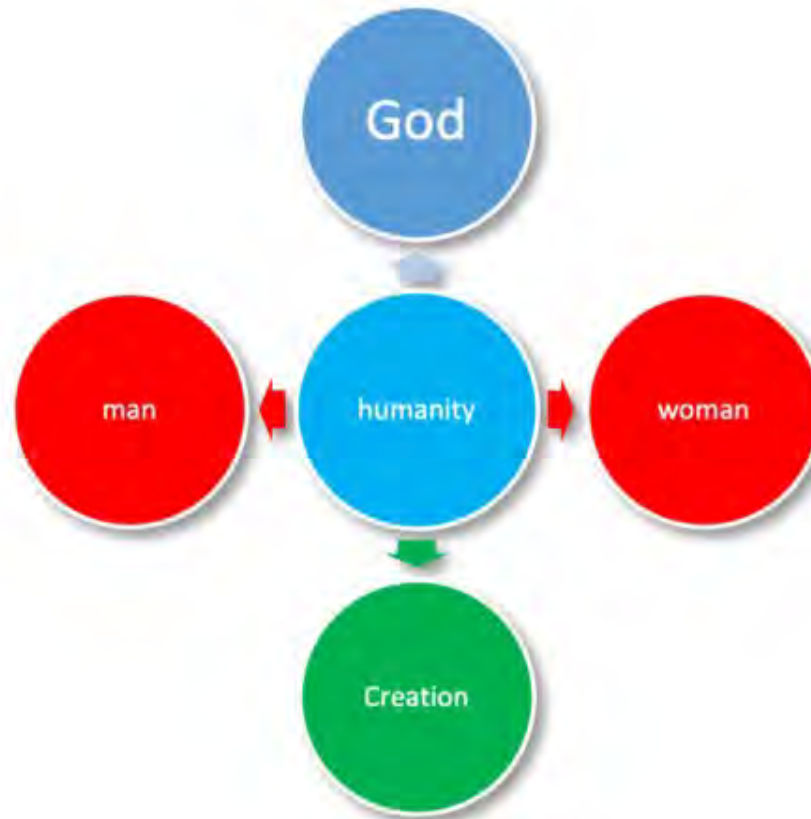

This is the Columbus, Ohio 2010 the family that had the sextuplets, this picture is priceless!

Divine Principle
through Sun Myung Moon:

God's three great blessings to man, the purpose of His creation, were to be realized when Adam and Eve, after having 1. perfected their respective individualities, would 2. become husband and wife, then multiply their children to form a family, and, further, they would come to 3. rule the whole of creation. (Gen. 1:28.)

However,
due to the fall,
the three great blessings were not realized.

Second Blessing:
Freedom from fear
(Cain and Abel,
Adam and Eve)

First Blessing:
Freedom of
worship,
Freedom of
expression

Third Blessing:
Freedom from want

Source: Applied Unificationism

Comment:

The 3 Blessings are unconsciously twisted in our society;

The 3rd Blessing to create an ideal environment;
ex. Green movement, communism system-workers paradise...
are trying to take a short cut directly to the 3rd Blessing.

Its like building a house starting with the roof! ;-)
Instead the original ideal is to first revolutionize mans
inner moral status; forgiveness of original sin and
growing to perfection.

=> perfecting marriage – 2nd Blessing

=> then creating an ideal society – 3rd Blessing

Indemnity – Tang Gam

In order to restore this, we must follow the course in reverse and

- 1.1 establish the foundation of faith by offering the symbolic sacrifices through which both the condition of indemnity to restore the created things and
- 1.2 the symbolic condition of indemnity to restore man can be set up at the same time.

Indemnity – Tang Gam

2. In laying the foundation of substance, there are certain conditions of indemnity necessary for the fallen man to set up; that is, "the condition of indemnity to remove the fallen nature".

Therefore, in order for a fallen man to establish the foundation of substance for the restoration of his original nature by the removal of his original sin through the Messiah, he must first set up the condition of indemnity to remove the fallen nature.

Indemnity – Tang Gam

3. Next, we must lay the foundation to receive the Messiah, after having set up the foundation of substance by offering the substantial sacrifices, which can be set up at the same time as the condition of indemnity to restore the children, and on this basis to restore the parents.

The biblical Isaac blessing Jacob

According to the Principle of Creation, after creating Adam, God created Eve with Adam as the model.

Therefore, unless there is a perfected man who can be born centering on God's perfected love -- in other words, unless there is a true man -- according to the law of recreation, Eve cannot be found.

Through the birth of Jesus, with a man as the Lord, a God-centered movement in search of Eve could appear for the first time on this earth.

The Lord will come as the man of character representing Adam before he fell in the Garden of Eden -- in other words, Adam before getting married.

In the position of Adam in the Garden of Eden before the fall and marriage, the Lord should get married.

Comment: Jesus came primarily to get Married
and stand as True Parents.

Not only to be crucified to atone for our sins.

360 000 000 Couples Febr. 1999 Seoul Korea

In 1992, the Blessing of 30,000 couples was held on the international level.

In 1952, the global Blessing could have been given worldwide centering on the Parents, but **the opportunity had been lost.**

There were twelve peaks to surmount – passing through the formation, growth and completion stages - up to and including the Blessing of 360 million couples.

I never retreated from that path after I completed the 40 million couples Blessing. (1997)

As a result, everything was made level.

That is why there are 400 million blessed couples.

The Blessing of 360 million couples was one of equalization - the Blessing of equalization for all citizens of the world.

History of the Blessing

The early members did not know there would be a couple Blessing. They knew about the sexual Fall of Man, and mans lost spiritual purity and wanted to live a pure single life the rest of their life.

Jesus came primarely to marry and have children,
grandchildren...great grandchildren.

Some protests...

The O.T. does not prophecy about Jesus marrying!

Comment:

So God created mankind in his own image,
in the image of God he created them;
male and female he created them. Gen 1:27

You, therefore, must be perfect, as your heavenly
Father is perfect. Math 5:48

Conclusion: God is perfect – you must be perfect
He created in His image male and female
A new 2nd Adam Jesus needs a 2nd Eve

The Bible don't contradicts itself:

Put those two Holy statements together
and you'll also see that

Jesus as perfect Logos he was,
was still only 50% of that full Logos.

Perfect male and female =

Jesus and his physical Bride - Holy 100% Logos

True Parents of Heaven Earth and Humankind

/end comment

Before the True Parents came into existence, even
Father had to pray in the name of Jesus;
he could not pray in the name of the True Parents.

However, after conducting the Holy Blessing, he was
finally able to pray in the **True Parents'** name.

(288-28, 1997.10.31)

We can now pray in our own names 14 Sept 1999

120 couples were blessed, (24 July 1963)
representing Jesus 12 disciples,
and 120 people who awaited the descent of
the Holy Spirit after the ascension of Jesus
and went out later to spread his Gospel.

By the blessing of the 120, the universal
blessing could start.

Indemnity

Since Jesus **was crucified**, the dispensation from Jacob to Jesus was nullified. **(Israel history)**

Indemnity had to be paid and restoration made from that point.

By blessing this number of people, (120)
I started the dispensation of restoration
all over again.

Indemnity

After Jacob's dispensation,
the tribal mission started.

So after the blessing of these couples,
my tribal mission, the mission of Moses, started.

Then the mission of Jesus,
that is the national and universal missions, started.

Indemnity

To do Jesus mission, I had to **pay indemnity** for what had been lost by Jacob, Moses and Jesus.

Jesus' mission was carried out **only spiritually.**

By blessing these couples, (120) restoration was completed both physically and spiritually.

Therefore, starting from these blessings, heaven and earth, which have been separated, are united.

By repent, Jesus meant that we should understand that the fall of our ancestors and ourselves was and is **sexual** in nature.

The Kingdom of Heaven means that vertical perfection is brought into the **horizontal realm.**

God had to agonize over the task of cleansing everything at the time of Jesus, by repentance, so that Jesus could perfect everything, bringing in God's Kingdom.

The human failure had to be reversed, and then on top of that the original blessings had to be given.

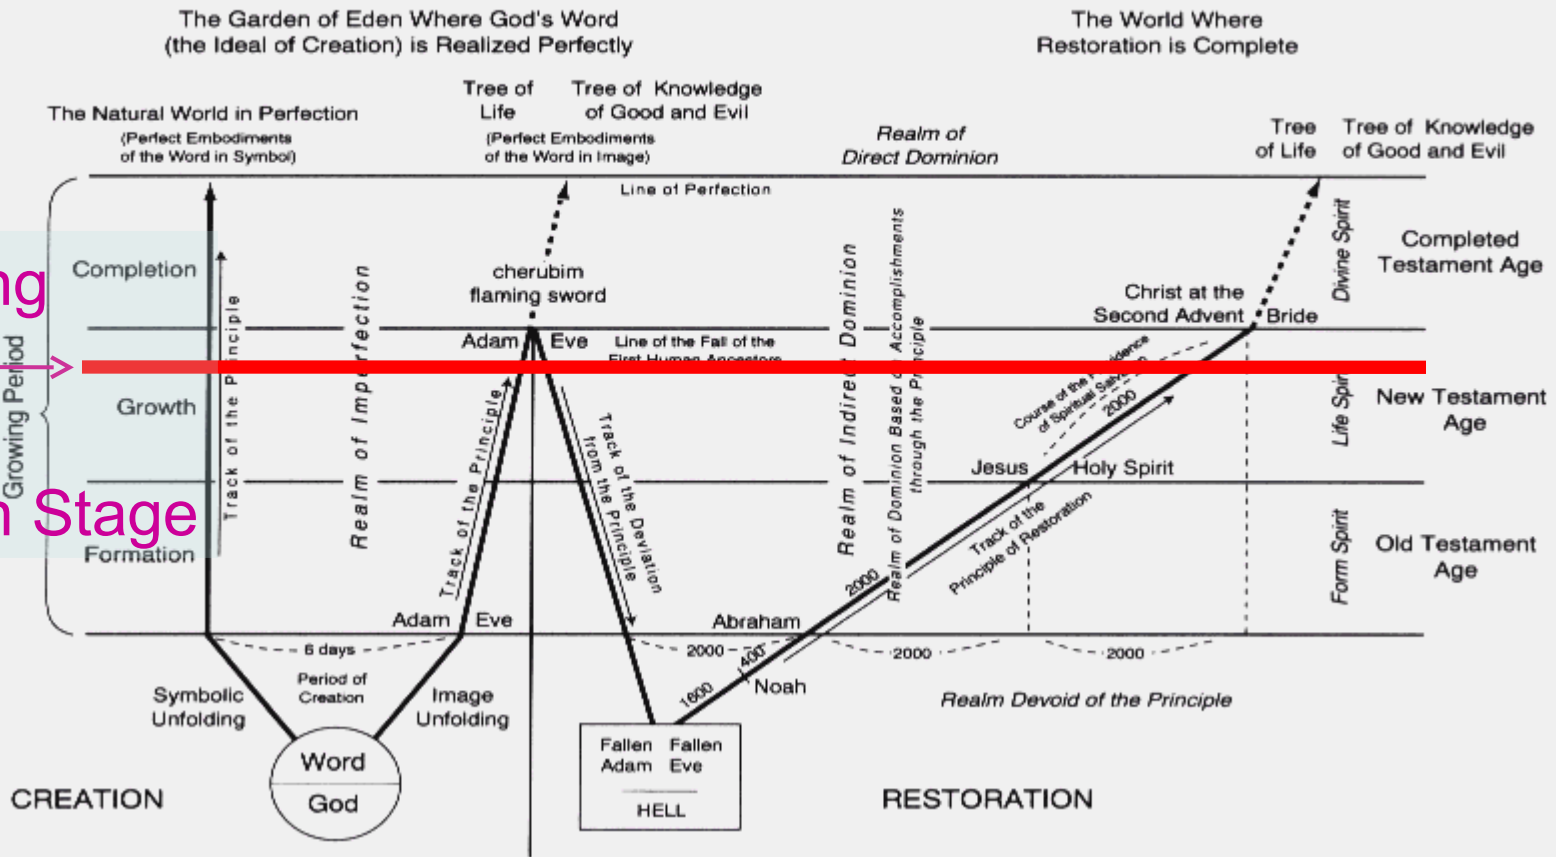

Then God replaces the individual with the family.

Chart 1: The Unfolding Manifestation of God's Word in the Creation of the Universe and the Providence of Restoration

When good and evil cross, that is where the Lord of the Second Advent comes.

Then he does the eight stages all over again.

Then at each stage, the entirety can be indemnified.

Once the Blessing of 360,000 couples gives way to the Blessing of 3.6 million, 36 million, 360 million and finally 3.6 billion couples, human society will finally see the eradication of AIDS and the realization of a world of pure true love, where God and humankind are united into one.

This is not a mere dream. God's great work of establishing the Kingdom of Heaven on earth, the realization of this providence, is an inevitable truth.

That is because it is not the work of one human being, but the work of God.

(271-99, 1995.8.23)

In order to hold a marriage celebration, a bride must come to her groom.

For Christianity, that represents the Last Days.

For the Blessing:

1. God is needed
2. Messiah – Pure Physical Adam & Eve is needed
3. Mankind - receiving The Blessing is needed

Without 1+2+3 = 100%

No Blessing possible of Mankind!

- It is truly significant to receive the Blessing. Those who receive the Blessing should be able to think of themselves as God's representatives and conduct themselves as such.
- They should think, "If I do not move, then heaven and earth do not move."
- God can establish a living ideology for the sake of humankind only when this position is reached.

The most precious thing is man and woman joining together.

This is the core originating point representing the universe's public commitment.

The literal meaning of the word “blessing” is “praying for blessings.” If you break down the word *chukbok* (Blessing), *chuk* means to pray or wish for something.

When you are praying for blessings, what is it that is most precious?

It is none other than the blessing of love.

The Unification Church uses the word “blessing” with this meaning.

The Blessing is a very fearsome thing. You cannot receive the Blessing based on your own desire.

The value of a life is more precious than the whole universe.

That is why when you make vows to take responsibility for a person, you should be ready and willing to do so forever.

You must understand clearly that the place of the Blessing is where these questions come up and are answered.

You must understand clearly that the Blessing is to do with these issues.

For this reason, if a person can receive the Blessing during his lifetime, he is truly a happy person.

You must have firm resolve if you are to take part in receiving this great Blessing.

/1970.3.22

You must know the value of the Blessing before you receive it.

You should understand that through the Blessing you become one of the citizens of the Third Israel.

Now that you know the significance and value of the Blessing, do you think it is possible for a person to reach individual perfection without receiving the Blessing?

Are unmarried people ever treated as adults?

Even in the human world, when men who have been bachelors or women who have been virgins die before they marry, they will be bachelor ghosts and virgin ghosts.

Because they could not marry, they naturally became ghosts; this is just how the heavenly laws operate.

/1967.12.31

Original conditions (until 777 Couples Blessing)
to qualify to receive the Blessing:

- 3 to 4 years of active work in any public ministry in our movement
- at least three spiritual children
- fasting for 7 days
- give an offering of money.

Jesus came as the manifestation of God's concept of true Adam, but no one was raised up to manifest God's concept of Eve. For this reason the Holy Spirit comes in the role of spiritual Mother.

The Bible describes the Holy Spirit as being like fire or water or like a dove, because it was without form, but the role of the Holy Spirit is that of mother spirit.

The Prophecies of Nostradamus

Long awaited he will never return in Europe

He will appear in Asia; (Korea?)

One of the league issued from great Hermes,
He will grow above all other powers in the Orient.

The **Jesus of Galilee will not return** - it is not necessary.

The Christ who manifested through him is the Eternal –
he will manifest again.

Mr. Moon in deep meditation can project himself
and be seen just as Jesus has been able to project
himself and be seen by the saints.

This is one of the marks - of the messiahs always.

Blind Bulgarian
Prophet Vanga

"Christ will Return as a peacemaker"
and unify all religions.

Vanga promises that the prophecy in the Bible
concerning the Second Coming of Christ will come true.

She described him as a peacemaker who comes to our time
and "will sign the eternal peace".

In Vanga's words God is one and religions will soon find a
common purpose
and the whole humanity will come to believe one truth.

The new religious leader, coming from the East as the
Messianic figure to guide humanity towards peace will unite
all religions;

"This man will surely achieve his goal **after enduring much difficulty**. All people of the world must accept and uphold these words as God's own commandment. He is the one who comes to this world from Heaven in the last days, to save every person on earth."

He will be born in the north part of the Korean peninsular,
"The one comes from a peninsula on a corner of the eastern continent... born north of the 38-th parallel and comes with God's great mission.. He is the one prophesied to come... "king of the clouds".. and those who follow him will prosper."

Daniela: We want to ask you how
the Movement [the Unification Church]
will develop.

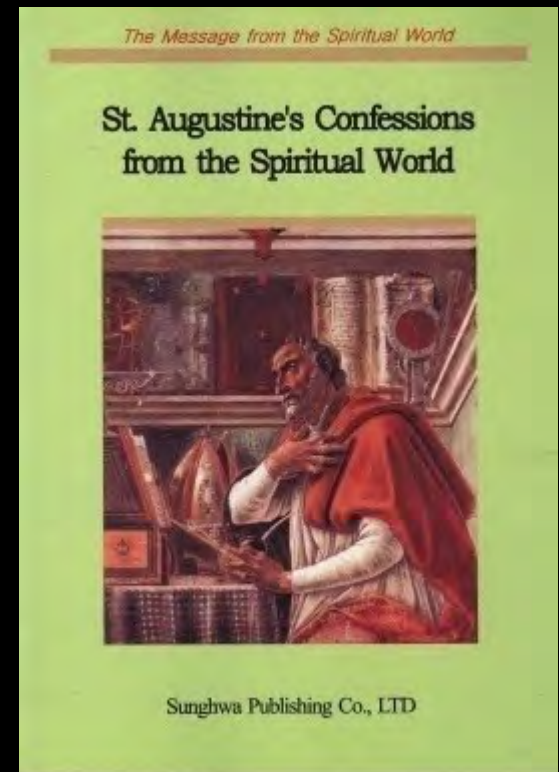

Horward (in spirit world): The truth is the truth.
The Principle shall continue. I already told you that.
It will develop even more after the year 2000.

It is not important whether the person who revealed it will
still be alive at that time. (SMM passed over 2012)
I tell you, he shall work more freely and will accomplish
more when he is in the spirit world than while he
is on earth. (= Prophecy 1979)

Words from St Augustine 2001

“In the Blessing ceremony, people on earth will be able to see only the people on earth, but the Blessing candidates in heaven can see both the couples on earth and those in heaven.”

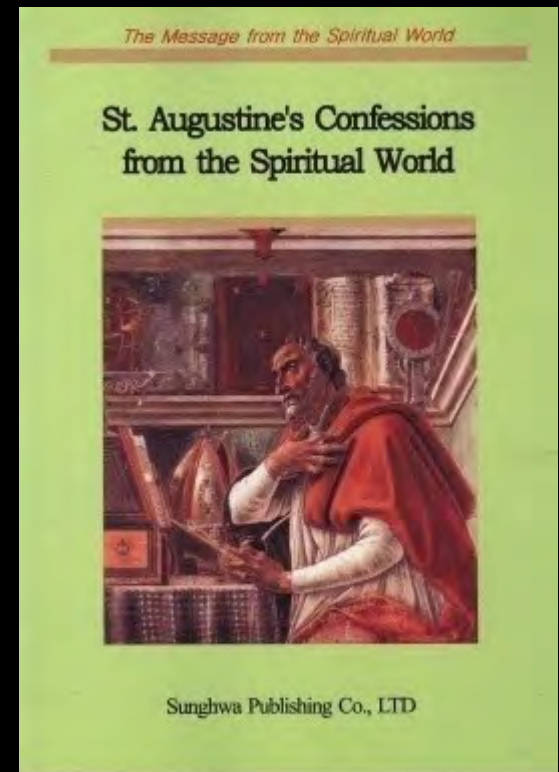

The scene of the Blessing ceremony is truly beautiful and enchanting.”

Words from St Augustine 2001

“During the ceremony, the officiator, Rev. Moon, suddenly changed into the shape in which God had appeared in the Garden of Eden before the human fall;

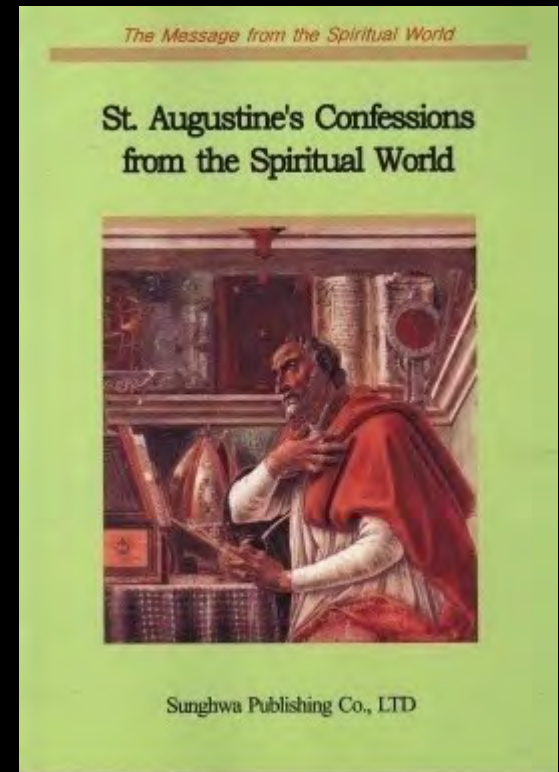

God's rays spun in splendid and enrapturing colors and circled around Rev. Moon, whereupon he assumed God's body.

Words from St Augustine 2001

Then, the whole scene of the Blessing ceremony was showered with brilliant light, as if floodlights of thousands of volts had been turned on in a dark room.

In this ceremony, God's light touched each and every couple.

Mass weddings cut straight through Satan's lineage because we don't recognize any of Satan's divisions, such as race and nationality.

So many world problems are solved through this method. This time, several hundreds of Japanese and white people were married to Africans. Especially to the third-world country people.

When that number goes over one million,
the world will cruise automatically toward peace.
One way blood lineage.

To Satan's side, this is very fearful.
To God's side, it is a great victory.

In your family should international marriage be encouraged or discouraged?

Imagine someone with 12 children and each marries 12 different nationalities.

Then you have 13 different nationalities represented within one family. If they all live in harmony within one household, how wonderful this would be!

Therefore, Reverend Moon is becoming the king of peace!

Of course, we would like to reassure step by step, but a long way to go to Father's conclusion here.

So we know that the True Parents are absolutely necessary? (Yes)
