Introduction

Roman Catholic Marriage

I, _____, take you, _____, to be my lawfully wedded (husband/wife),
to have and to hold, from this day forward, for better, for worse,
for richer, for poorer, in sickness and in health,
until death do us part.

Introduction

Protestant Marriage

I, [name],
take you, [name of bride/groom],
to be my wedded [wife/husband],
to have and to hold from this day forward,
for better, for worse, for richer, for poorer,
in sickness and in health, to love and to cherish,
till death us do part, according to God's holy will;
and I pledge to you my faithfulness.

Introduction

Both vows have

...till death us do part.

There is a profound reason for that.

Because Adam & Eve fell - all marriages are unholy.
A Divine being the Messiah, together with his Bride
must as True Parents sanctify this unholy
and create New Marriages.

Eternal Marriages with no Original Sin.

Introduction

"whatever you bind on earth will be bound in heaven,
and whatever you loose on earth will be loosed in heaven."
Mathew 16:19

Only the Divine Messiah **has the Divine power**
to forgive **Original sin and** make Marriages Eternal.

The Historical Consequences of the Fall

Until the present time, for the majority of Christian churches the bond of the sacrament of marriage has a temporal and conditional validity: "Until death do us part."

However, we all have an eternal and indestructible spirit given by God. In the ideal world that God wants to see established, death only represents the separation from our physical body that decomposes, but that fact in no way separates or divorces us from our spouse, children or people whom we love and with whom we will finally meet in the Spirit World.

For all these reasons, it is obvious that the union of man and woman carried out at the standard or level previously described, is still not the type of heavenly and eternal marriage that God had wanted to see originally, had the fall never occurred.

We are still waiting for the eternal and true blessing of God for the establishment of a heavenly marriage that restores us to our lost original position.

Introduction

Adam and Eve fell at the top of the growth stage.

Human beings are now being restored to the top of the growth stage through the providence of restoration, having passed through the Old Testament Age and the New Testament Age.

The Last Days is the time when people return to the spiritual level reached by the first human ancestors just prior to the Fall.

Introduction

Today, being the Last Days, is the time when people throughout the world are reaching this level.

Just as Adam and Eve prior to the Fall were able to converse directly with God, today many people on earth can communicate with the spirit world.

The prophecy that in the Last Days,
"I will pour out my Spirit upon all flesh,
and your sons and daughters shall prophesy,
and your young men shall see visions,
and your old men shall dream dreams," [Acts 2:17 CEV|KJ|NI](#)
may be explained based on this insight from the Principle.

In a 1929 poem entitled “The Lamp of the East,” by **Rabindranath Tagore**, the great Bengali poet and Nobel laureate, wrote these prophetic lines:

*“In the golden age of Asia
Korea was one of its lamp-bearers
And that lamp is waiting to be lighted once again
For the illumination of the East...”*

After True Father's arrival (to Pyeong Yang),
some people began receiving revelations about him.

These devout believers found him through
the guidance of those in the spirit world.

Many of those who came had been long prepared for
the coming of True Father, and among them were
people who had been prepared
to receive True Father from even before he was born.

The spirit world transcends time and space, and the connections of the world of the heart are linked in mysterious and profound ways.

The people who had thus become connected to True Father were so overwhelmed by true love that when they so much as touched the hem of his clothes, they felt as if they were floating on air and could dance for sheer joy.

Testimonies of Divine Power

The Early Years (in Korea), 1920-53, by Michael Breen - [link](#)

In one sermon, Moon taught that Korea was the second Israel and that the return of Jesus would take place in Korea. But, he said, the return would not happen in either the spiritual or supernatural way that Christians tended to expect. He said that, just as the mission of the Old Testament prophet Elijah passed in the time of Jesus to John the Baptist, so the mission of Jesus would pass to another.

After this sermon, In-ju prayed to ask God where in Korea the Lord would come. In her prayer she had a vision. Jesus appeared, walked into the room and bowed his head and began to pray: "This daughter of yours has to go a very long and difficult way. Let her complete this journey without going astray."

The voice was Moon's. As Jesus finished praying and said "Amen," she looked up but it was no longer Jesus. The face had changed to Moon's.

She felt the answer to her prayer had been given.

Moon was the Christ.

1952 Mrs. Kang

Early disciple
Hyun Sil Kang

"He began teaching her about the "Last Days of the World" and the "Second Advent of the Messiah." He explained that the Messiah would not come on the clouds as she had been taught; but he would come as a physical man to their own Korea."

As he spoke, Mrs. Kang thought to herself, "Well, that would certainly be nice, but the things he says are impossible."

"He told her that in 1950 Jesus had appeared in the skies of North Korea, and during the Korean War an airline pilot saw Jesus very clearly in the sky. The South Korean newspapers even printed articles about it."

50s:

When the Unification Church started witnessing for the first time, the members did not have to witness with words.

People were witnessed to through their dreams.

In dreams, people were told,

"Go to the Unification Church!"

When people did not follow the direction given in their dreams, **they were hit with a bat.**

The spirit world witnessed to many members this way.

Ancestors said to their descendants,

"If you go to such and such a place, you will meet a person called Mr. Moon.

50s: Dr Young Oon Kim

Mrs Young Oon
Kim

"After arriving in Korea, I had become quite ill from the water and living conditions in Pusan, flooded as it was with war refugees.

A year later Ewha University returned to its old campus in Seoul and I moved along with it. I remained ill and worsened to the point where I thought I was to die. During this time I heard a voice that said, "This is a spiritual crisis".

50s: Dr Young Oon Kim

After a few days, a woman came and told me that the Lord of the Second Advent had appeared in Korea and that I should study the new truth that he brought. I laughed. This was so shocking!

But I felt curious and wanted to investigate, knowing that **if it were false** I could quickly dismiss it, but that if it were true, it was a matter of life and death! Soon **I became terribly ill**, and Dr. Helen Kim sent for an ambulance, which took me to the University hospital.

After returning home I visited the house where Reverend Moon was teaching and heard lectures on **Divine Principle**.

On the third day

I was completely healed of my lingering illness.

The night before my healing, the inner voice of God had spoken again: 'It was I who led you to Jesus., it was I who led you to Swedenborg; it was I who led you here'."

50s: Dr Young Oon Kim
from Blessing Quarterly Winter 1987, page 27

"During the 4 years that I lived in Seoul church, under the same roof as Sun Myung Moon. At one point I went back to clean my own home for a week.

One day when I brushing the entrance, he revealed himself, he suddenly came in spirit form, Full-size in front of my door.

I had never seen such a vibrant spirit earlier. He told me that he woke up every morning and looked over the Han river, and longed for me to return. He missed me and wanted me back to life in the church, even though I only been gone a week."

From New Age Frontiers 13 Dec 1960

Miss Young Oon Kim addressed qualifications necessary for the Lord of Second Advent.

1. First of all, to be the Lord of Second Advent, one must completely subjugate Satan.
2. One must fulfill the words of both the Old and New Testament.
3. He must complete not only Christianity but other major religions.
4. Upon achieving the first three conditions, God must declare him Lord of the Second Advent.

5. His birth cannot be casual or accidental.
He must come from a family where there have been at least seven righteous generations.
The nation in which he is born must have been prepared for centuries for the last dispensation.
6. He must have a complete schedule for the restoration and the establishment of the Kingdom of God.
7. God, Jesus Christ and the entire spiritual world are responsible to witness and cooperate with his work.
Therefore regardless of his race, nationality, education or background everyone has to follow him.

8. Jesus born of the Holy Spirit and a virgin could not fulfill his mission. The accomplishment of the mission is more important than being chosen to be the Messiah.
9. After the Lord of Second Advent accomplishes his mission, all mankind is indebted to him.
10. In the Old Testament Age, God worked through his servants. In the New Testament Age, He sent His son Jesus. In the Completed Testament Age the Lord the Second Advent will restore the position of Adam, and thus be the True Father of mankind as it is...he returns in the glory of the father.

11. One can choose his mate, but cannot choose his parents. Therefore the Lord of the Second Advent who comes in the glory of the Father is neither self-proclaimed nor elected by masses. But he must be chosen by God alone. In choosing him God must consider the accomplishment of his mission. This mission must be accomplished by his sacrifice of blood, sweat and tears.

12. We shall know him by his words, his works, and also by the testimony of the spiritual world.

Miss Kim also explained the three judgments which we will all face.

1. The judgment by the Word

The Divine Principles are the tool of this judgment.

They must be mastered.

2. The judgment of Personality.

We must obtain heavenly personality to be the children of God the Father.

To obtain the heavenly personality, our will, plan and desires must be identical with His.

This personality must be manifested in everyday life and work.

3. The judgment of the Heart.

To pass this judgment, our hearts must be one with God's heart. We must experience God's broken heart of being rejected, rebelled against and betrayed by mankind through the ages. We must even minutely experience God's broken heart. Therefore we shall experience being rejected by family, church, society, nation and the whole World.

We must overcome all these hardships and be grateful for sharing part of God's sorrow. Then we will be worthy to be called His sons and daughters.

The age of individual salvation has passed.

Accordingly, our prayer and faith must be changed from an individual level to universal level.

Since this is the time of the universal restoration, everyones work is judged by the contribution towards whole development rather than individual achievement.

Your own work is now related with your nations mission and not with your own individual salvation.

It will develop even more after the year 2000.

Message to the Brides and Grooms
Sun Myung Moon
July 1, 1982

Remember three things
above all in your life together:

1. The Eternal Union
of Husband and Wife
2. The Tradition of Family Love
3. The Ideal World

1982

1. The Eternal Union of Husband and Wife

Your marriage is not merely "until death do us part," but for all time eternal. Each spouse is a great key to ever expanding and deepening our understanding of the infinite God.

In your marriage, God's love is consummated and together you are able to receive His total love.

2. The Tradition Of Family Love

After seeking ideal marriages it is your responsibility to educate your children with a commitment to moral Excellence.

Before you can freely invest your love and energy in other dimensions, you must by all means fulfill your responsibilities as a loving parent.

3. The Ideal World

Heaven is a world of heart, where all may trust and unite with one another in love. But there will be no true heaven for anyone while people are still in want, in need, or in pain -- physically or spiritually.

You must all accept your responsibility to work as world citizens so that the legacy you leave your children and grandchildren will be the harmonized world of God's love.

God bless you in all that you undertake, and may He give you the vision and strength you need to realize His kingdom on earth. That is the task facing us all.

Signed: *Sun Myung Moon*

Words from St Augustine 2001

“People of faith!
**The Messiah who is to come
is none other than Rev. Moon,**
the True Parents of heaven and earth.

Please pray to discover who that
person is. Here in the spiritual world,
I have seen him clearly, working in the
human form while surrounded by
brilliant light.

Words from St Augustine 2001

“In the Blessing ceremony, people on earth will be able to see only the people on earth, but the Blessing candidates in heaven can see both the couples on earth and those in heaven.”

The scene of the Blessing ceremony is truly beautiful and enchanting.”

Words from St Augustine 2001

“During the ceremony, the officiator, Rev. Moon, suddenly changed into the shape in which God had appeared in the Garden of Eden before the human fall;

God's rays spun in splendid and enrapturing colors and circled around Rev. Moon, whereupon he assumed God's body.

Words from St Augustine 2001

Then, the whole scene of the Blessing ceremony was showered with brilliant light, as if floodlights of thousands of volts had been turned on in a dark room.

In this ceremony, God's light touched each and every couple.”

The returning Messiah represents the position of Abel at the levels of individual, family, tribe, people, nation and world.

He fulfills the responsibilities Christianity and America left undone. He also brings down communism and establishes an environment conducive to the unity of the world.

On the foundation of fulfilling these conditions, the returning Lord sends forth tribal messiahs.

Therefore, just as Heaven sent the returning Messiah,
True Parents on behalf of God are sending you
as tribal messiahs.

They bequeath to you the foundation of the realm of mainstream religion that was prepared to receive the Messiah, which began with Israel four thousand years ago.

Three spiritual children

Fallen Adam and Eve are restored through Abel.
Blessed parents become perfect through their children,
which is similar to fallen parents being restored through
Abel.

In this way, restoration takes place through indemnity.
Therefore, if you do not have spiritual children, you should
not conceive and give birth to children.

You can give them birth, but you cannot truly love them.
This is the implication of the Principle.
The Fall transpired by people going in a direction opposite
that of the Principle.

Thus, restoration transpires through blocking, adjusting and
correcting that opposite direction in a way that is airtight.

Thus, you absolutely need spiritual children.

The importance of angels

Who originally was supposed to guide Adam and Eve?
It was the archangel. It was not God but the angels who were meant to protect and nurture Adam and Eve until they reached maturity.

Likewise it is spiritual children who are meant to support the spiritual parent's path to heaven. When, with the support of your spiritual children, you receive the Blessing of heaven, they will follow you into heaven on the merit of their support for you as their spiritual parent.

This is how the three angels in the angelic world are restored, how the three children of Adam are restored and how the three sons of Noah are restored.

This is how the condition of having gone through three stages as Heaven's representative is achieved. What does becoming totally one mean?

It means the oneness the three angels in the garden of Eden should have had, focusing on unfallen Adam.

When the three angels become one, they are elevated into the realm of God's Blessing.

Before the Fall, the three archangels looked forward to the day Adam and Eve would marry after receiving their complete support.

Likewise, your spiritual children will yearn ardently to see you receive the blessing. The mistake of one archangel affected the others. Hence, when your spiritual children support you substantially, they are setting indemnity conditions required by heaven and earth.

For that reason, spiritual parents need to maintain a standard of heart toward their spiritual children that is higher than that of parents in the fallen world. You cannot stand on Heaven's side or ascend to the realm to receive Heaven's blessing if your standard of parental heart is lower than that of the fallen world.

When you reach that level, you can receive the blessing, give birth to children and love them completely.
Then Satan's world will not be able to accuse you or require you to pay indemnity.
