

The Blessing

- The Blessing ceremony of the Unification Church is considered by the Unification Church to be the most important and central ceremony in a person's spiritual life.

Blessing ceremony

- The Blessing is given to married (or engaged) couples.
- Through it, members of the Unification Church believe, the couple is removed from the lineage of sinful humanity and engrafted into God's sinless lineage.

Blessing ceremony

- As a result the couple's marital relationship and any children born after the Blessing exist free from the consequences of Original Sin.
- (Children born into Blessed families are known as Blessed Children or Second, Third, Fourth... Generation.)

Blessing ceremony

- For Unificationists, these interracial, interreligious and international mass marriage ceremonies, symbolize the family as the hope for peace.

PRINCIPLE

THE HOLY SPIRIT ASSOCIATION FOR THE
UNIFICATION OF WORLD CHRISTIANITY

The **three great Biblical blessings:**
to be fruitful

(mature and ready to bear fruit),
multiply (have Holy family) and
have (loving) dominion over the creation.

Had Adam and Eve obeyed this divine
mandate and built the Kingdom of Heaven,
there is no doubt that God would have felt
the greatest joy as His sons and daughters
rejoiced in the world of His ideal.

It all starts with the Family

June 4, 1962, at 6:20 a.m., True Parents officiated the 72-Couple Blessing Ceremony Cheongpa-dong, Seoul.

Then I saw another angel ascending from the east (Christ), having the seal of the living God. And he cried with a loud voice to the four angels to whom it was granted to harm the earth and the sea, ³ saying, “Do not harm the earth, the sea, or the trees till we have sealed the servants of our God on their foreheads.”

And I heard the number of those who were sealed. One hundred and forty-four thousand of all the tribes of the children of Israel were sealed - Rev. 7

Coming...

Holy Blessing 2022... into Eternity
a New World

Father said that even though second generation are born without Original sin, the spirits of new born children will be clean beginning in the third generation children,

since the spiritual body of first and second generation members are stained and blotchy with the sins of our ancestors like dirty clothes.

Second generation children live in an environment where the Fall can take place at any time, so they must be careful.

Daniela: We want to ask you how the Movement
[the Unification Church] will develop.

Horward (in spirit world): The truth is the truth.

The Principle shall continue. I already told you that.

It will develop even more after the year 2000.

It is not important whether the person who revealed it will still be alive at that time. (SMM passed over 2012)

I tell you, he shall work more freely and will accomplish more when he is in the spirit world than while he is on earth.

One of the Divine Principle incredible and monumental insights is its clarification of the process and the sacrament of rebirth. This insight stems from the Divine Principle's revelation that the process of salvation is integrally connected to the persons of Adam and Eve. The Divine Principle explains that God's initial plan for His creation required that these two individuals, His first and true son and daughter, if tempted, avoid the Fall, reach perfection and become the originators, prototype, standard and model for all subsequent humanity who would be born through them, the True Parents of humanity.
