Cheon Bo = Heavenly Treasure

Cheon Bo Couples = Those who fulfill
430 Ancestor Liberation/Blessing
430 new members on Earth

The responsibility of the Cheon Il Guk Cheonbo couples is important.

Through you, only the beautiful environment of the kingdom of heaven will remain, an environment in which those in our second and third generations will naturally attend Heavenly Parent and return love, joy and glory to him.

Therefore, the responsibility of Cheonbo couples, who are to realize Heavenly Parent's dream, is a weighty one.

Dear True Mother,

Thank you, thank you, thank you!

We just finished a small breakfast and we are still talking about the celebration we just went through with you. The 2 new Cheon Bo couples from Czech Republic are sharing about the process, how they first did not fully understand, but how they understand now how important and crucial this step to become Cheon Bo family is. We are grateful for your grace and trust, but also for your patience because as much as we try, we are still on the way and would be lost was it not for you, True Parents being always forgiving, always hopeful and always trusting again and again.

With all 8 Cheon Bo families in Czech we determine to spread the foundation and next year offer even more new Cheon Bo families!
