Devotion and a life of prayer

True Father said that if he were to choose just one word, it would be seong, meaning 'sincerity.'

Father always emphasized the importance of sincere devotion. Sincere devotion refers to conditions to actualize the Word in daily life.

It is the basic activity of a life of faith, which can move the heart of God and the hearts of people.

True Parents always think that people who offer sincere devotion, and the things that come as a result of sincere devotion, are more important than anything else.

Moreover, they emphasize that if we pray with faith, God will work to make our prayers come true, and that before we pray we should act.

A unified society includes a global "spirit of religion" different from traditional religious forms and including the concept of the Age of Aquarius.

p. 66 The works and teachings of Christ will be difficult to accept for the christian world,
But in spite of this still be accepted in the Orient.

He will be a World teacher and not just a christian teacher.

p. 81 Christ came to end the Jewish dispensation which should have been the climax and disappeared as a religion with the sun out of Aries, and into Pisces.

He (Jesus) therefore presented Himself to them as their Messiah, manifesting through the Jewish race. By rejecting Christ as the Messiah, then the Jewish race symbolically and practically remained in the sign Aries, scapegoat, they must again pass through - symbolically - in the sign Pisces, and recognize their Messiah when He comes again in Aquaria, the sign Aquarius.

From the east comes mysticism - a willingness to be absorbed in God - God is not something apart – he is something within.

From the south comes all the beauty, the ritual - these things which adorn and make beautiful the message.

From the north came rational thought clear thinking - reformation - and change.

From the west came the critical, scientific analysis.

1964-65

And now in the New Age, it is an age of orchestration - of a symphony - of unity.

And the **New Teacher** will be neither Christian, Buddhist, Moslem, or anything else.

The Holy Spirit speaks in universal terms - and God will no longer be fragmented. God will be the one God - who sent forth his Son not once but many times.

1964-65

And he has the rare quality of projecting himself, which isn't a miracle really.

Mr. Moon in deep meditation can project himself and be seen just as Jesus has been able to project himself and be seen by the saints.

This is one of the marks - of the messiahs always.

The Bible and Gospel focuses
on FACTS...that Jesus came –
born through Marys womb
grew up
Publicly spoke and healed
Was rejected
Crucufied
Resurrected.
Forgiving sins uniltl today

2000 years of Christianity have correctly praised that.

That is not wrong – This is important!
But there is also an important timeline...here

There was a time 2000 years ago...
when the belief in Jesus as the Messiah
was a mere opinion...

There were several Messianic claims at that time.

Even Jesus asked his disciple NOT yet to publicly proclaim it.

That OPINION LATER became the canonised Gospels
Acts and Pauls letters...

This is a historical PROCESS
from OPINION
to acceptance as finally common SPIRITUAL TRUTH

with time and
support = Christian martyrs included.

Read the book/ watch the film – Google Quo Vadis!

Quo vadis?

is a Latin phrase meaning "Where are you going?"

According to the apocryphal Acts of Peter, Peter flees from crucifixion in Rome at the hands of the government, and along the road outside the city, he meets the risen Jesus.

In the Latin translation, Peter asks Jesus,
"Quo vadis?"

He replies, "Romam eo iterum crucifigi"
("I am going to Rome to be crucified again").

Peter then gains the courage to continue his ministry
and returns to the city, where he is martyred by being
crucified upside-down.

Quo Vadis:

A Narrative of the Time of Nero,
commonly known as Quo Vadis,
a historical novel written by
Henryk Sienkiewicz in Polish.

It came out in book form in 1896 and has
since been translated into more than 50 languages

The Christian faith is based on what already took place 2000 years ago, and with the living resurrected Jesus as Messiah.

While DP – Divine Principle emphasises MANS RESPONSE-ABILITY as the key to full Salvation.

IF...there had been no Fall...no Messiah needed!

IF Cain had not murdered Abel...
IF Ham had not failed...
IF Abraham had cut the doves in the offering...
IF Moses had not struck the rock twice...
IF John the Baptist had not doubted...
IF the prepared Jewish nation recognized/protected Jesus!

IF Korean Christians had accepted SMM 1945-1952...

Foundation of Faith +
Foundation of Substance =
Foundation for the Messiah!

Korean flag

The Korean flag is called taegukki.

Its appearance symbolizes
the principles of yin and yang in Oriental philosophy.

The circle in the center is divided into two equal parts.

The upper red section represents the "positive" cosmic energy **yang**.
Similarly, the lower blue section symbolizes, the "negative" cosmic
forces **yin**.

The two forces together embody the concept
of perpetual motion and balance and harmony
that characterize the eternal realm. (KoH)

The circle is surrounded by four trigram, one in each corner, from the ancient Chinese wisdom book **I Ching**

Confucius and Lao-tse has commented on this important book of wisdom!

Each trigram symbolizes one of the four universal elements (from top left around clockwise):

한글

King Sejong

He is the king who democratized the Korean language; he gave the people the ability to read by creating the alphabet, hangul, moving the language away from just the Chinese characters that only the aristocrats could read, so that the national language could be written and read by everyone.

Based upon which language will all languages be unified?

The answer to this question is obvious.

Children should learn the language of their parents.

If Christ does indeed return to the land of Korea,
then he will certainly use the Korean language,
which will then become the mother tongue for all humanity.

Eventually, all people should speak the True Parents' language as their mother tongue.

All of humanity will become one people and use one language, thus establishing one global nation under God.
