Divine Compassion

As long as Adam and Eve and their descendants were connected to universal laws

The **Three Great Kingships** are vertically-oriented.

The **Three Great Kingships** are vertically-oriented.

(1) Children's kingship: children represent the future.

(2) Parents' kingship:  
parents represent the present.

(3) Grandparents' kingship:  
grandparents represent  
the past, spiritual world and God.

Having achieved kingship by maturing through **the Four Great Realms of Heart**, true parents then guide their offspring to likewise develop their love through the Four Great Realms of Heart and achieve their own kingship.

When this tradition has been passed down through three generations in the family—grandparents, parents and children—then kingship is securely established in that family.

Such a family can be called *a royal family of true love*.

This is the concept of the *Three Great Kingships*, meaning kingship in three consecutive generations of the family.

# Grandchildrens Love

We could add the vertical Kingships between Grandparents and Grandchildren. Almost all people without exception sais the greatest love they experienced is as being Grandparents and grandchildren!

God is the True Parent among parents,  
True Teacher among teachers, and True King among kings.  
God is the eternal True Parent, eternal True Teacher, and  
eternal True Owner and King. If we are children of God,  
we need to become true parents first, just like God.

In addition, we have to follow the way of the true teacher  
and the way of the true owner, just like God.

This is the concept of the  
**"The three great subject partners"**

The ultimate model is God. /SMM 1997 Uruguay
