of the Providence.  
Even True Father praising him.

This sermon based on his chapter

The Work of the Holy Spirit  
Two Thousand Years Ago and Today

Seoul June 10 2001

### 1. Christianity's early theological dilemmas

After Jesus died on the cross, he resurrected 3 days later Spiritually to do his holy work for forty days and then went up to heaven.

Jesus promised his followers he would send The Holy Spirit.

At Pentecost people began speaking *in other tongues*.

But when would Jesus return?

## 2. Who was Jesus

The trinity emphasized Jesus Divinity rather than his humanity.

### 3. The Historical Holy Spirit

- teaches
- perform miracles
- predicts future
- discerns incorporeal from corporeal
- speaks in different tongues

Heung Ji Nim spoke of the Holy Spirit as being the Female Holy women of the Old Testament;

Like Sarah, Rebekah, Tamar, Rachel, Leah, Mary

Mary => Jesus as Messiah

## Definition of Pentecost

The term Pentecost comes from the Greek Πεντηκοστή (Pentēkostē) meaning "fiftieth". It refers to the Jewish festival celebrated on the fiftieth day after First Fruits, also known as the "Feast of Weeks" and the "Feast of 50 days" in rabbinic tradition.

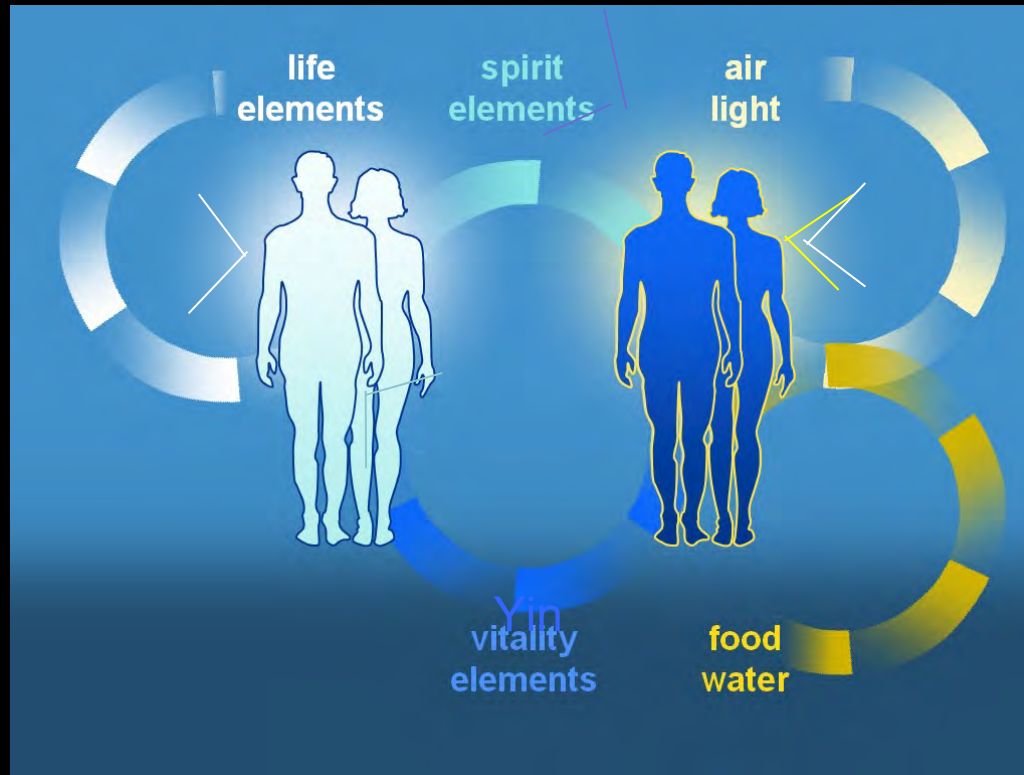

1. The Christian festival celebrating the descent of the Holy Spirit on the disciples of Jesus after his Ascension, held on the seventh Sunday after Easter.
2. The Jewish festival of Shavuoth.
  - Harvest in Old Test.
  - Torah given orally to Moses

Jesus: Whenever two or three of you come together  
in my name, I am there with you. - Math 18:20

And they (120) were all filled with the Holy Spirit and  
began to speak with other tongues, as the Spirit gave  
them utterance. - Acts 2:4

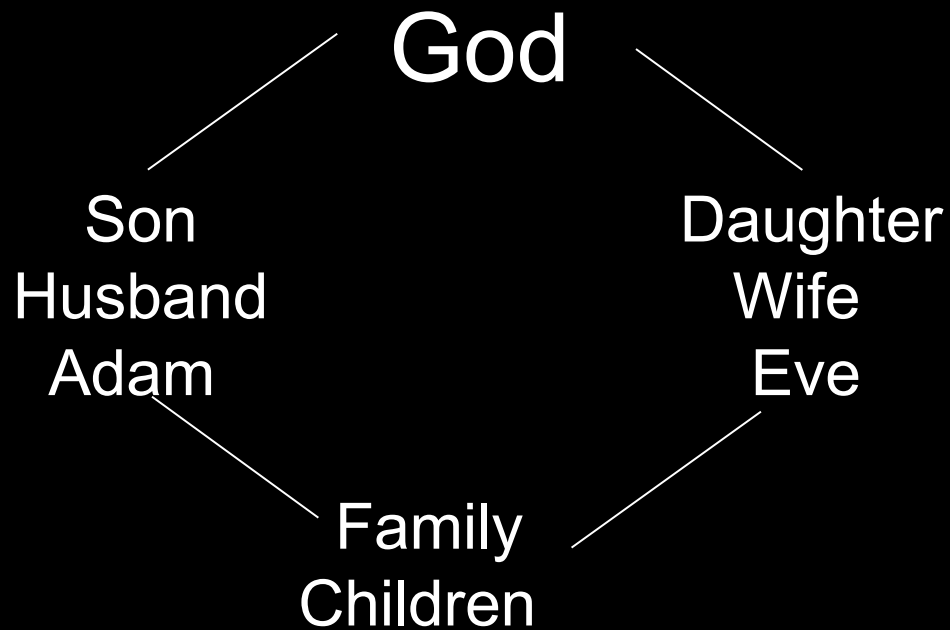

Good Spirits => receive good vitality elements

Evil Spirits => Genesis 3:14 ...

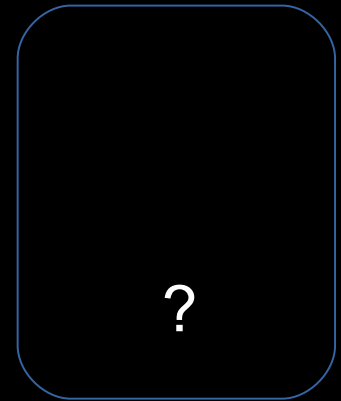

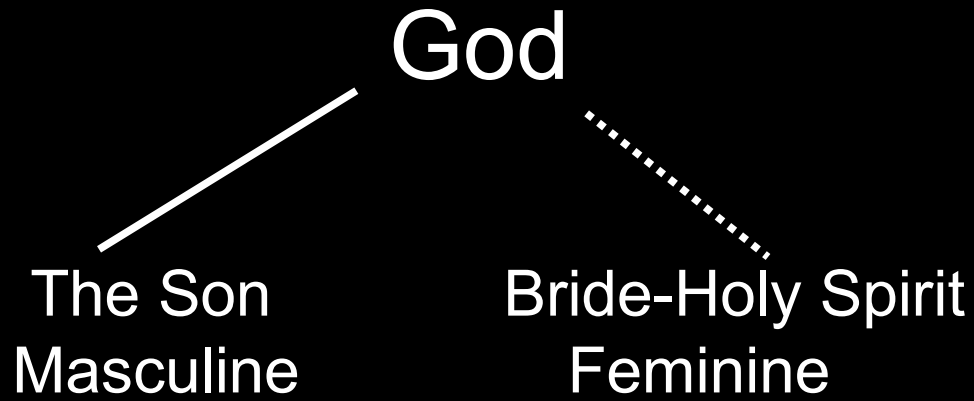

God said unto the serpent...

“upon your belly you shall go,  
and shall eat dust(=evil vitality elements)

EXPOSITION OF THE  
DIVINE  
PRINCIPLE

THE HOLY SPIRIT ASSOCIATION FOR THE  
UNIFICATION OF WORLD CHRISTIANITY

What does Divine Principle say;

A person who has perfected his individual character becomes a temple of God, and the Holy Spirit abides within him. Living in oneness with God, he acquires a divine nature.

Jesus and the Holy Spirit are the True Parents  
who came to give rebirth to humanity in place of  
Adam and Eve. (cf. Christology 4)

For the sun to be darkened and the moon to lose its light means that the New Testament Word given by Jesus and the Holy Spirit will lose its luster.

She cleanses people's sin, thereby atoning for the sin which Eve committed. Jesus, the masculine Lord, works in heaven (yang), while the Holy Spirit, his feminine counterpart, works on the earth (yin).

Christ must return in the flesh and find his Bride.

They will form on the earth a perfect trinity with God and become True Parents both spiritually and physically.

They will give fallen people rebirth both spiritually and physically, removing their original sin and enabling them to build trinities on earth with God as the center.

## Body of Christ = Christians

There is one body, but it has many parts.  
But all its many parts make up one body.  
It is the same with Christ.

We were all baptized by one Holy Spirit.  
And so we are formed into one body.

## An age where the Spirit World can be scientifically proven

<134-239> "The reason I told that special team to carry out a research project is because science is now highly advanced. I asked them to do research on the frequency that enables contact with the spirit world. **The motions in the spirit world are all made up of vibrations.** I instructed them to research this because we have entered an age where the existence of the spirit world can be scientifically proven. When we enter the age where the unknown spirit world can be rationally understood, the age of religion will be brought to an end. It would be an age where humankind would believe in God even if they were told not to. This is a great task." (황감을 치러야 이런 시대가 옵)

## The Mother of Blessings

Hak Ja Han is the mother of blessings who brings rebirth through blessing all of mankind.

In 1945 at the end of World War II if Father had been accepted, within seven years the entire restoration would have been over. However he was not accepted. So for 40 years Father restored all this, which brings us to 1992.

In 1945 at the end of World War II if Father had been accepted, within seven years the entire restoration would have been over. However **he was not accepted.** So for 40 years Father restored all this, which brings us to 1992.

Mother has followed behind Father for 40 years. However once this 40 years was over, **Mother became equal to Father and now stands side by side.** So seven years ago Father expecting the age of women, created the women's Federation of Asia. In 1992 Mother took it over and created the Women's Federation For World Peace /SMM Jan 28 1993
