Adam and Eve were spiritually open before they fell from grace.

The two had spiritual sights that allowed them to see the angelic world, and they could communicate directly with God.

After the fall they lost that power.

Egypt escape

Three wise men from the East came to Jerusalem, saying, “Where is He who has been born King of the Jews? Soon after the visit by the Magi, an angel appeared to Joseph in a dream telling him to flee to Egypt with Mary and the infant Jesus since King Herod would seek the child to kill him. Adam was supposed to become one with God, linked by love. A human being represents the existing world on the earth plane, and God represents the three dimensional world.

Love is the cord eternally linking human beings and God.

## Why Channeling;

2000 years ago; And Jesus cried out again with a loud voice, and yielded up His spirit.

Then, behold, the veil of the temple was torn in two from top to bottom; and the earth quaked, and the rocks were split, and the graves were opened; and many bodies of the saints who had fallen asleep were raised; and coming out of the graves after His resurrection, they went into the holy city and appeared to many. - Mathew 27:50

# Pentecost

When the Day of Pentecost (Greek; fifty days after Easter) had fully come, they were all with one accord in one place. And suddenly there came a sound from heaven, as of a rushing mighty wind, and it filled the whole house where they were sitting. Then there appeared to them divided tongues, as of fire, and one sat upon each of them.

And they were all filled with the Holy Spirit and began to speak with other tongues, as the Spirit gave them utterance.

Between the years 1961 and 1967, an archetypal Christ-like being, apparently in solid form, repeatedly appeared to Richard Grave in England (and subsequently, reportedly, to other people) and proclaimed in a series of dictated statements that a universal cosmic operation was being carried out which opens the way for the New Age.

The Physical and Spiritual worlds are a continuum; like melting ice with heat, the water will evaporate and the steam disappears to our eyes, but its still water in a different form. (easily felt by hand or infrared camera)

Unveiled Mysteries 1934  
Guy Warren Ballard

Count St Germain  
1710-1784

Because every person on earth exists as a spirit within a physical body, each dwells consciously and unconsciously in both worlds. The world of pure thought is the world of invisible energy which at the highest end of the spectrum is spiritual energy. So

no one is truly exempt from influences of spirit. However, as a role, a mission, a calling, the medium, the spiritualist, the sensitive, is deeply enmeshed with spirit world. His work brings him into daily contact with the spirits of our world. Mediums are opening themselves to influence of all types as they sit so that those on earth may receive messages or information.

### **Your Life on Earth Is Very Precious**

It is fortunate, blessed we should say, for you on earth to be still in the physical. We in spirit cannot act and change as we have spoken. We must return to you on earth to aid and support you; for the gift of life is your physical temple. It is by acting through the physical that the soul's vibration can be changed. When we have passed on we are devoid of this inner resonance between soul and body. Our energies are diminished and lack the power to grow closer to God.

## **To Be Free, Let Go of the Past**

You are in the midst of self-discovery. But, you must not stop with the pain that it brings. You must work positively through the pain. If you allow yourself any lesser response to this pain, you will pull yourself down and back. We have told you, and you yourself know, that the past is past. It dwells in the “now” to the degree that we allow it. It is spiritual ignorance within man that causes him to return to the past, even when it is painful. Indeed, history is itself a succession of returns to the past. Instead of learning and becoming wise, man endlessly repeats his mistakes.

Pain tells us that regardless of past events, there is need for total release of the past. There are still living, vivid emotions that pull us back and keep the past alive. We do not return to live back there when there is no emotional attachment. “Emotional” indicates a deep level of give and take with someone or something, and usually it is with someone.

These feelings, these emotions, may not be rational or justifiable; still, they are woven into our emotional network. This is vibratory and has life in itself. Our investment in past experience(s) has created this result within our spirit: what we have received as the result of our former give and take. This is true of that which is God-centered as well as all extremes, variances, and degrees away from this God-centeredness. We reap in our soul what we have sown. It is law. And you know this.

Curiosa;

Since you will talk about channeling, sometime around 1977, Lady Doct. Kim came to France and standing she showed her right-hand trembling, shaking, going to the people trying to get rid of what she had in her hand.

She asked “Do you know who is this person in the SW”?

We said no, then she told us

“It is Judah Iscariot who try to get ride of the 30 silver coins during 2000 years but nobody wants it...”

Saul on the road to Damascus

As he journeyed he came near Damascus, and suddenly a light shone around him from heaven.

Then he fell to the ground, and heard a voice saying to him, "Saul, Saul, why are you persecuting Me?"

And he said, "Who are You, Lord?"

Then the Lord said, "I am Jesus, whom you are persecuting. It is hard for you to kick against the goads."

... - Acts 9:3-6

(To "kick against the goads" is nothing less than an exercise in vanity; futile and pointless.

The Greeks and Romans used this saying to imply "ruinous resistance."

Goads = a pointed rod used to urge on an animal

Paul had to **learn the hard way that resistance to Jesus was a losing battle** — hopeless)

“His companions stood there dumbstruck —  
they could hear the sound, but couldn't see anyone —  
while Saul, picking himself up off the ground,  
found himself stone-blind.

(Compare with Zechariah, who was an old man, did not

believe the angel, and because of his disbelief, was struck  
dumb unable to speak, until the prophecy was fulfilled)

*He was young enough at the time to still be living today. He was the one who received the message from the Apostle Paul.*

*The message(s) were circulated and read in the US movement (Dr. Kim's branch) in the late 60s and early 70s.*

*I remember feeling at the time that they had the ring of truth to them. /Dan Fefferman*

St Paul 1962

*The Jews fell away because they thought that the Old Testament was sufficient for them.*

*Their rejection of Jesus is proof enough they were blinded to the fact that He was the fulfilment of the scriptures.*

**I bear witness to the fact that the Old Testament and the New Testament combined are not sufficient to live by in the New Cosmic Age we have ascended into.**

St Paul 1962

**To be saved, every man, woman and child must  
commence their mission before they leave this  
earth plane.**

*And before they can do this they must find the reason  
for the original sin and what original sin is.*

**Perfection and resurrection can only be achieved  
through work and that work must be done in the body,  
the spirit of Truth demands it.**

St Paul 2001

New Message 9th of September 2001:

Now after learning the Principle, I became even more confident that the Apostle Paul's traditional view of God was very mistaken.

We necessarily should have attended God, the resurrected Jesus and the Messiah.

Whenever people frustrated God's Will, they prolonged the history of the Dispensation for Restoration, requiring a new central figure.

True Parents!

The partial ideas Paul planted into Christianity have acted as obstacles to the providence of the Messiah, haven't they?

Now in spirit world I will never repeat my mistakes. I promise to study the Principle and lead Christian believers here in the right direction.

I have been making thorough preparation for accomplishing my assigned mission. /St Paul 9. 11. 2001

## Saint John

Ca. 1900 years ago...  
Revelation to Saint John at Patmos Greece

## Rev.1 – Last Book in the Bible

The Revelation of Jesus Christ, which God gave unto him, to shew unto his servants things which must shortly come to pass; and he sent and signified it by his angel unto his servant John:

Who bare record of the word of God, and of the testimony of Jesus Christ, and of all things that he saw.

Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand.

# Emanuel Swedenborg's Unique Theological Contribution by Dr. Young Oon Kim

In 1743 at age 55 he had an experience of spiritual enlightenment. As he put it, heaven opened up completely to him and he became the channel for direct revelations from God.

Before he died at age 84, Swedenborg had written over 16,000 pages on theological topics alone, all based on his psychic experience of spirit world.

According to Swedenborg, there is a correspondence between what takes place on earth and what occurs in the other world.

For me, Divine Principle's idea of the polarity in God sounded like Swedenborg's idea of God's dual essentialities;

Divine Wisdom and Divine Love.

The **correspondence doctrine**, which means that every physical thing corresponds to an intellectual or moral meaning as well as a theological or divine truth.

The words of the Bible - which he explains, among other things, in his work on the white horse in John's revelation - contain an inner meaning, while the literal content of the words is "adapted to those who are poor in spirit". For them, "horse" and "rider" are nothing more than just a horse and a rider in a concrete sense. But in fact these words also contain an inner or spiritual meaning, where "horse" denotes understanding and "rider" the one who understands.

Similarly, the sun signifies God, whose light corresponds to divine wisdom and whose heat corresponds to divine love. This type of reading leads to a new interpretation of the entire Bible that reveals its hidden message.

The creation story, for example, is not really about the creation of the earth, but about man's own rebirth and maturity, where the six days of creation correspond to as many spiritual states. In widely published works, S then sets out to reveal and explain the inner meaning of the Bible, above all the books of Moses, the prophets and the Book of Revelation.

Since man is a representative image of wisdom and woman is a representative image of love, there is need for them to have a reciprocal relationship.

Isn't this like our Unification theologies emphasis upon the polarity of man and woman and the need for give and receive?

There are two worlds, the spiritual and the natural.  
These are distinct, yet similar.

Spirit world has trees, mountains, cities and societies,  
just as does the natural world.

The only difference is that each thing in one world is  
spiritual which is natural in the other world.

For Swedenborg, Providence works to save all men, whether they are Christian or not.

Everyone who lives by the principles of the Ten Commandments is saved.

Swedenborg also denies the Pharisaic idea that all men will be physically resurrected at the last day.

Actually, every man rises again immediately after death.  
He thinks he still has his body, exactly as it was on earth.

The corporeal form however, is no longer of use to him. He henceforth sees spiritually and feels spiritually, because he uses his internal rather than external senses.

According to Swedenborg, conjugal love is the highest kind of relationship because it expands the innermost things of both mind and body. (husband-wife)

In heaven there is no domination of one partner by the other.

Husband and wife experience the joy of mutual sharing, and delights exceed all others. Thus, genuine conjugal love is an image of heaven.

The primary part of worship is a life of charity (Living for Others), and its secondary is "praying."

That shows the real Swedenborg of which his theology was a natural by-product.

**Commentx6;** Correspondence, reciprocal relationship two worlds spiritual and natural; distinct, yet similar. save all men, denies physically resurrection, Divine Word has Spiritual meaning, life of charity (living for others). Heaven and Earth will remain forever. All very similar to Divine Principle.

## Jakob Lorber

1800 – 1864

A Christian mystic and visionary from the Duchy of Styria, who promoted liberal Universalism.

While devoted to music, Lorber followed also his inclination to deepen his spiritual understanding, diligently studying the Bible as well as the works of men who followed the "inward path", among others such mystics as Jakob Boehme and Emmanuel Swedenborg.

On 15 March 1840 he began hearing an 'inner voice' from the region of his heart and thereafter transcribed what it said.

New Revelation 10,000 pages in print.

The New “Gospel of John” contains 2000 pages claimed directly from Jesus.

Can you imagine a more frustrating experience than the one God had?

Here is God who among all the peoples in the world chose the Jews to become "His own people" because they were the only ones who in the old days had kept the belief in One God.

He made a covenant with them (Abraham), freed them from slavery in Egypt, gave them a unique law, gave them a beautiful land, educated them, blessed them and forgave them their many sins.

But when He finally comes to visit them in human form in Jesus to bring them eternal life they reject Him and kill His body.

(Importance of Jesus Holy Physical Body – for Salvation)

*Compare: Divine Principle Mission of Jesus*

Maria Valtorta  
1897-1961

Famous Catholic  
mystic

**Maria Valtorta**, born March 14, 1897, died October 12, 1961, an Italian writer and poet, and is considered by many to have been a Christian mystic.

Laying in bed, partially paralyzed and in chronic pain after an assault (struck by an iron bar age 23 – 28 years in bed), she began to have visions in 1943.

With her unique gifts of inspiration and literary genius, she is the greatest writer since Saint John the Evangelist. Jesus nicknamed her "Little John".

Directly transcribed, with her own hand, the many visions of the life of Jesus she had received.

She has filled some 9,000 pages in 4 years, and sometimes she kept writing for 18 hours without interruption.

She is the most widely read Italian author in many languages throughout the world.

The major work by Maria Valtorta, published in ten volumes, is **The Gospel as revealed to me...**

Example;  
Jesus on Marriage:

Nothing is healthier or holier than two people who sincerely love one another and unite to perpetuate the human race and give souls to Heaven.

The dignity of a man and a woman who become parents is second only to God's.

*Reincarnation*

Amazon and also on youtube

My comment; the text feels genuine (can well be Jesus) and very interesting.

Also reincarnation is explained as impossible.

quote;

1 In the ultimate sense, reincarnation is impossible.

2 There is no past or future, and the idea of birth into a body has no meaning either once or many times.

3 Reincarnation cannot, then, be true in any real sense.

Similar to Divine Principle viewpoint that reincarnation is a misunderstanding of Returning resurrection.

1975 - After the first lecture I was asked to pray about it. After seven days of praying, Jesus appeared to me with Father Moon beside him. Then Jesus went behind Father Moon and into him.

This was not a dream. This occurred while I was praying on the last day of that prayer and fast. Then I knew that God and Jesus had sent Father Moon. /Richard Francis

1974 - Then I found myself walking in a dark corridor, at the end of which I saw a light. Getting closer, I saw in that bright light the face of Jesus. Then Jesus' face changed into Sun Myung Moon's face. I had the strong feeling that it was the same heart; only the external appearance changed. I felt profoundly happy!

Swedish medium **Anna Berg** had her spiritual awakening 1994 and have since channeled books from spiritual world about Jesus, Mary and Mary Magdalena.

Was Jesus God or Man?

Did Jesus have a relationship with Mary Magdalene?

Did Jesus belong to two families?

Here are the surprising answers!

Jesus himself tells about the private part of his life.

We also have to face the doubter who does not know if he is up to the task he has been assigned.

The book conveys a personal feeling of how the man Jesus lived his life. The usual image of him changes drastically and we see him with completely new eyes!

For many, Mary Magdalene is a name that appears in the Bible stories about Jesus and his disciples.

But Mary Magdalene was in fact the woman who was absolutely necessary for Jesus to be able to perform his immense task.

In the unique messages that Anna Berg had the privilege of receiving, we also get to read about how the Holy Grail was carried on, about her travels, including to England.

Furthermore, we learn how a Christian congregation grew up around Mary Magdalene in the south of France.

## Christ Returns through 9 Letters

"Christ Returns: Reveals Startling Truth" was penned in 2001 by an anonymous woman who, after forty years of contact with Christ, received and documented the teaching of Christ in his own words.

As you read the pages, which are broken down into a series of letters (1-9), you can actually feel the energy of its words radiating throughout your body.

Never before has there been such an in-depth explanation of the processes of creation as well as the nature of existence. The word 'God' is given a completely new meaning that far transcends the connotations given to it by the religions of old.

The most profound thing about these letters is that they all make perfect sense.

Some main points;

As a young boy...contrary to common beliefs I (Jesus) was not a saintly child. When taken to the Temple, aged twelve years old, to be interviewed by the Chief Priests to determine whether I would be fit to enter Jewish Religious Training, I was rejected as being too opinionated.

Bitterly disappointed, my mother took me home again and did her best to raise me in the sanctity which marked her own demeanor at all times. This was an impossible task for I was, above all things, an individualist and unruly in behaviour. I resented my mother's guidance and her attempted discipline. As a youth, I became unmanageable – a true rebel!

Before and after my 6 weeks in the desert  
I was totally changed.

There is no 'punishment' from above high!  
Man through the wilful and harmful excercise of their 'Ego-power'  
draw to themselves their own punishment; sickness, accidents, poverty...

(Compare with **DP Indemnity & Fallen nature & Law of Attraction**)

Your TV and Cinema screen has become the New Bible of human behaviour.

Wake up! Realize! *Your own strong 'conscious impulses' are life impulses.*

What is born and nurtured in the diseased mind eventually takes on form in the physical world.

(Compare Power of positive/negative Thinking - **Law of Attraction**)

There is Reality of Love behind and within all existence.

My followers after death/resurrection distilled what they could use and 'let go' most of what I termed the 'secrets of the Kingdom of God' for they never understood them.

Just as all your **sickness and evil** begins in your mind – so does your good.

*Comment: Jesus confirms DP:s only spiritual resurrection of self;*

I has been said "my body rose from the dead"...

What need would I have of an earthly body  
to continue existence in the next dimension?

Ref: Christ Letters, book on amazon or Free audio on youtube.

*Comment; the text feels genuine and very interesting.*

*Reincarnation is wrongly interpreted as real.*

*The Divine Principle viewpoint is instead that reincarnation is a misunderstanding of the Returning resurrection.*

2018

Philip Burley channeling Jesus;

The Spiritual and Physical worlds are to act as one – each supporting and benefiting the other for common purposes designed and supported by the Creator.

Because God dwells within each of us, divinity is my core nature and also your own. ...practice *meditation* to uncover and discover God.

God lived within me or anyone else.

The mystical people I met throughout my life taught me not only about my mission and the spirit world, but of finding God within myself.

...when I said "I and the Father are one", my intended inference was that you too, contain the living God.

*We are all temples of the living God, and God has his highest dwelling place in the human heart.*

Meditation is *natural* to human beings

Unless one could rise above the earthly to the spiritual plane,  
the physical plane could appear as the only reality in existence  
and humanity could remain blind.

It is the mission of higher spiritual beings to guide human beings during our time on earth, and the mission of human beings to discern this guidance and act on it.

The two worlds must interface, and its only natural that they do so.
