Introduction

Quote SMM;

Hardship itself isn't a bad thing.
The cross you carry isn't bad.

The true path of the cross will lead you to the true path of love. Parents walk willingly the path of the cross for they love their children. Isn't this right? So, the true path of the cross will lead you to the true path of love.

/SMM Life with the Physical Body is Very Short 1972

It is absolutely wrong for Unification Church members to think that we have nothing to do with Christianity.

Why is that so?

The Old Testament Age and New Testament Age existed in order to restore True Parents.

**The Completed Testament Age also exists
for the restoration
of True Parents.**

The content of those three ages is the same:
restoration of True Parents.

The Messiah is, in fact, True Parents; therefore, the content and the purpose of Judaism, Christianity and the Unification Church are the same.

Then what is different?

Judaism wanted to receive the Messiah on a national level, and then to expand it to the whole world.

Christianity was formed after Jesus' death in order to receive the Messiah on the worldwide foundation.

Without this Clarification, Christian Theory Has a Contradiction

- By dying on the Cross Jesus defeated Satan, yet Satan hastened it
- If so, Satan defeated himself
 - Paul: The foolishness of the cross:

“None of the rulers of the age understood it, for if they had they would not have crucified the Lord of Glory” (2 Cor. 2:8)

- By this reckoning, Judas Iscariot did God’s will
- *In fact, Satan killed Jesus to preserve his base—Original Sin*

1999 motto: "The Cosmic Expansion of the
True Blessing and the Rooting Out of
the Satanic Lineage."

Adam's family should have been perfected through the support of the angelic world. Since the original couple fell, that family needed to be completely cleared away and recreated.

In other words, the ancestors had to be recreated into a family in the position of the archangel.

Thereupon we will enter the era of blessing on a large scale, of liberation and blessing of the spirit world.

...there will be no such thing as the works of Satan.

HOW GOD AND JESUS LED ME TO FATHER 1959-1960 – Doris Walder

"Nothing Will Stop Him!"

One evening a little old lady called Lovey Murray came to our door.

She said, "God told me in a dream to come to this address and I would find His Son."

She was about eighty years old.

Miss Kim was teaching Divine Principle to several members, and afterwards we all went into the kitchen where she continued to speak about Heavenly Father.

All of a sudden this old woman went into trance and she started shouting in a masculine voice, very powerfully, saying, "**I see a man in Korea; he has a white cross in one hand and a white flag in the other, and he is marching into North Korea, Red China, Japan and into Russia and all over the world.**

Nothing will stop this man from bringing the entire world to God; nothing will stop this man - absolutely nothing!"

After this she fainted, and we had to take her home in a taxi.

Martyr sufferings in the Moon family
Being eldest son of the Messiah = Great challenge

In attendance to the True Parents, **Hyo Jin nim** — the Lord who will open the gates to the heavenly kingdom, as a son of loyalty and filial piety in the garden that opens the way to the deep, wide and high realms of heaven — and **Heung Jin nim**, commander-in-chief of the Spirit World, have united as Cain and Abel.

Through their victory, we have been attending the absolute four-position foundation of the True Family.

This is the age of the True Parents' direct dominion, when the absolute loyal subject, Dae-mo nim, her family and five hundred billion absolute good spirits are working and amazing events transpire.

“This is a place where you can actually experience Heaven working with you.”

In December 1998, I proposed the founding of an international peace fund in an address I gave to religious leaders gathered for an international conference that had as its theme;

"Realizing the Interfaith Ideal: **Beyond Dialogue into Practice.**"

All the leaders who participated in that conference resolved to initiate a movement in which the world's religious people would lead the way in making donations for world peace. We proposed that donations be given in amounts related to the number seven.

I believe that if all religious people on earth become one in heart, they will actively participate in this fundraising effort. The fund thus created would be used to establish peace zones and to teach the ideals of peace and the methods to achieve it.

In addition to religious people, the United Nations too could encourage all nations and their peoples to make annual contributions to this fund.

These funds might be donated under the name of the **"white cross fund."**

True Father (S.M. Moon) comments 1998 HDH:

This book came out 3 months ago (1998) and has already sold 7000 copies.

Someone should translate this book into English.

It would be very difficult to translate into English because of the oriental philosophical concepts involved but someone should do it.

End comments

He is to extend the ideal of the principle of **true love and true family**, and as the king of all kings he will build ideal nations and world peace, step by step.

He is managing everything spiritually as the king of all kings.

A **WHITE CROSS**, a great heavenly way
that unifies Confucianism, Buddhism, Christianity
and all other religions into one.

He will come
April year (2000-2001) or
2024-2025 (Moon Calendar).

Believe in God (this is the teaching of the holy man who
came from Heaven).

Now the age of the Completed Testament is the age of sacrifice for the sake of attending God for the sake of God's liberation, centered on True Parents.

Therefore, the Unification Church shows today a white cross.

True Parents are shouldering the cross.

A photograph of a sunset over a beach. The sun is low on the horizon, creating a bright orange and yellow glow across the sky and reflecting on the water. A path of sand leads from the foreground, through tall grasses, down to the beach. A few small figures of people are visible on the beach in the distance. The overall mood is peaceful and hopeful.
