the country where two unite in true love.

You are Peter, and on this rock I will build My church, and the gates of Hades shall not prevail against it.

I will give you the keys of the kingdom of heaven, and whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven. - Mathew 16:18-19

He was asked by the Pharisees when the kingdom of God would come, He answered them and said, “The kingdom of God **does not come with observation; nor will they say, ‘See here!’ or ‘See there!’**

For indeed, **the kingdom of God is within you.**

- Luke 17:20-21

In the last days, God says, I will pour out my Spirit on all people; your sons and daughters will prophesy, your young men will see visions, your old men will dream dreams.

The Keys of Heaven, also called Saint Peter's keys, refers to the metaphorical (figurative) keys of the office of Saint Peter, the keys of Heaven, or the keys of the kingdom of Heaven.

Victory of Heaven and Victory of Earth - Washington Monument

50 states Day of Hope tours;

These were not just another evangelical mission; they carried great spiritual significance in God's providence.

In the Unification movement the spirit world is very much alive.

Quote CBG Book 6

The Unification movement is not simply a horizontal movement;
it is a vertical movement connected to God.

All the things done in the Unification Church are
reflected in the spirit world
while all the things in the spirit world
are reflected through us.

3 Blessings

1st Blessing

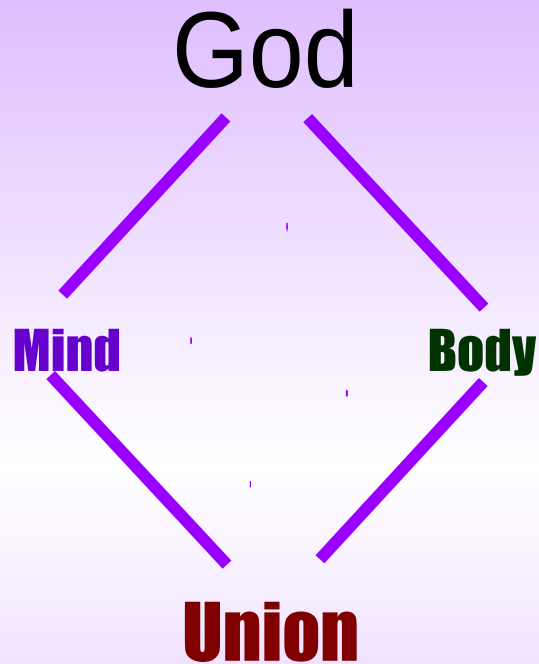

The key to God's **first blessing** is the perfection of individual character.

An individual's mind and body are discrete projections and object partners of God's dual characteristics.

/DP96

In order for an individual to perfect his character, he must form a **four position foundation** within himself whereby his mind and body become one through give and receive action with God as their center.

/DP96

Four position foundation
God's eternal purpose of creation;
Mind-Body unity
Couple-Family-World

Such individuals become the temples of God,
(1 Cor. 3:16) achieve complete oneness with Him,
(John 14:20) and acquire a divine nature.

/DP96

They experience the Heart of God as if it were their own. Hence, they understand His Will and live fully attuned to it. When a person abides in the state of individual perfection, he lives as the substantial object partner to his mind.

Because the center of his mind is God, he also lives as the substantial object partner to God.

Both the mind and God rejoice as they experience their internal nature and external form through the stimulation which their object partners give them.

2nd Blessing

God's second blessing was to be fulfilled by Adam and Eve after they had achieved individual perfection as object partners to God, each manifesting an aspect of God's dual characteristics.

In order to construct the four position foundation in their family, Adam and Eve should have joined in loving oneness as husband and wife and raised children.

2nd Blessing

A family or society that has formed the four position foundation in line with God's ideal is patterned after the image of a perfect individual.

It thus becomes the substantial object partner to the individual who lives in oneness with God, and consequently, it also becomes the substantial object partner to God.

The relationship between human beings and the creation from the viewpoint of internal nature and external form;

A human being contains within himself the sum total of the essences of all things. This is the reason he is called the microcosm of the cosmos.

Human beings contain all the elements, structures and qualities found in animals.

The Kingdom of Heaven resembles a person who has achieved individual perfection, taking after God's original internal nature and external form.

In an individual, the mind's command is transmitted to the whole body through the central nervous system, causing the body to act with one purpose.

Likewise, in the Kingdom of Heaven, God's direction will be conveyed to all His children through the True Parents of humankind, guiding everyone to live as one.

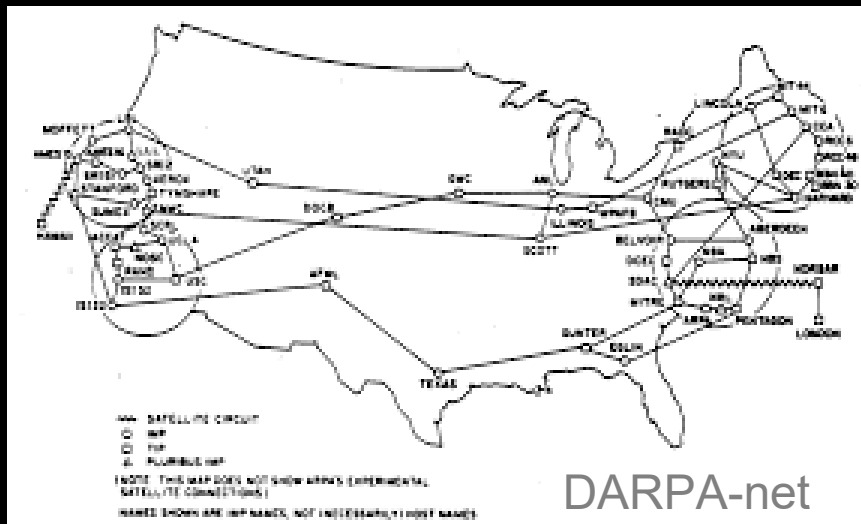

3rd Blessing

God's third blessing is the perfection of a human being's dominion over the natural world.

To fulfill this blessing, the four position foundation of dominion must be established centered on God.

Human beings and the natural world, which are the substantial object partners of God at the level of image and symbol respectively, must share love and beauty to become completely one.

Yesterday's military doomsday solution.

1973

After Jesus gave the keys to heaven to Peter, did Peter ascend to heaven, or **did he go to the cross?** What should Peter have done?

We know that he should have gone to heaven by opening the door of home church

(1980s home church - 360

= Today's Heavenly Tribal Messiahship - 430)

on the dispensational level of that time, which was the tribal level.

Then the foundation of the Kingdom of Heaven could have been laid. But now we are starting home church on the world level which is much more difficult.

Peter would have secured the environment through home church (tribal messiahship), and thereafter organized 12 tribes.

Jesus had indicated that whatever you bind on earth will be bound in heaven and whatever you loose on earth will be loosed in heaven;

likewise, unless we realize the Kingdom of Heaven on earth, the Kingdom of Heaven in spirit world will not come about either.

While you are doing home church, you will come to realize that this was precisely the destination of Jesus' work.

Why did Jesus work so hard gathering disciples and giving sermons? it was so he could eventually send his disciples to home church.

When you do home church successfully, won't the restored tribe and nation come into being automatically?

By doing home church, everything will be restored at one time.

Now when someone asks you where heaven is, you will say, "Heaven exists in the environment of home church." Jesus said only that heaven exists in your mind; that is true, but now it exists in the body and in the home church as well.

What comes after that? There will be the national church, and after that the world church, and the cosmic church.

Then this will truly be the universal Unification Church.

After home church, other things will become more and more easy. You actually don't have to think about other levels, just home church.

As the days go by, there will be more and more of this church activity and heaven will be realized in a more complete way. /SMM 1.1.1981

1976

There are no barriers between you and the home church mission, neither racial, national, spiritual or physical. Jesus gave the key to the Kingdom of Heaven to Peter, and today I give you the key to home church because that is the key to the Kingdom of Heaven. With one turn that key will open the door to salvation for one tribe. /SMM 1.1.1979

Jesus was crucified before his major disciples became united. In order to indemnify these failures, we have to go through this sanctification period and reach the goal which Father is setting.

When you find 84 spiritual children, you will truly become a tribal messiah. Then you are in a position to restore Jesus' failure. in other words, because Jesus could not obtain the unity of 12 disciples and then 84, your doing so will have restored it.

You don't have to make any other indemnity, because Father covers all the rest. Father has left only one area for you to cover. Father has done everything else.

Conference SMM 4.16.80

From the beginning, the Unification Church has been widening God's domain, not being distracted by opposition, but trying to serve others, and absorb persecution.

You have been following me faithfully during the three seven-year courses, establishing Heavens domain generally in this world.

Now you are continuing to work so that the same thing will happen in the spirit world.

So far history has been primarily indemnity for the errors of the past. We have to finish that history or else we will not be able to begin at the original point.

What was the cause of Adam and Eve's failure in the very beginning?

They **did not have absolute faith in God, and they did not have ideal love.**

Jesus was the second to come as the first ancestor of mankind, but **his followers did not have absolute faith in him, nor did they have absolute love.**

The disciples should have wanted to die in Jesus' place, rather than see him killed. Jesus would never have been crucified if they had had that kind of thinking

February 22, 1948 (**Hung Nam**), to February 22, 1982 was a period of complete indemnity for Jesus' life.

Because Jesus died at age 33, his 34th year (1983) is within the domain of resurrection. We have successfully crossed over **the point at which Jesus died**, and now are in the realm of new life, or resurrection. /SMM 3.28.1982 (1960+32)
