## Natural Law

Introduction

According to its preface,  
The Divine Principle expresses universal truth;  
it inherits and builds upon the core truths which  
God revealed through the Jewish and Christian  
Scriptures and encompasses the wisdom from the Orient.

Aside from its first chapter, the Principle of Creation,  
which is replete with Eastern concepts such as  
Yin and Yang, the greater part of the book relies almost  
entirely on the Bible.

<http://www.discoverdp.info/read-divine-principle.html> - link

Yet a close reading shows that the text approaches the Bible from an Eastern sensibility, informed by such Confucian concepts as filial piety and the centrality of the family.

The words "Divine Principle" are a direct translation of the Korean term *wolli*, which literally means "original principle"—'original' in the sense of God's original plan for creation.

While some Unificationists speak of the "Divine Principles," plural forms are not normally used in Korean, and there is a sense that these principles fit together into a unitary whole "The Principle".

Unification Church members sometimes refer to the Divine Principle (or simply "The Principle") meaning not only the specific translation of Wollie Kangron, but an eternal truth already existing in the universe before the books were written.

Indeed, many believe the Divine Principle's overt attitude toward the Bible also applies to itself, namely: "[It; the Bible, the Divine Principle] is not the truth itself, but rather a textbook teaching the truth."

The nature of the Korean language.

I don't speak Korean, but know its syntax is opposite to the basic order of English.

Syntax governs the way the mind works.

English speakers think in terms of

*who did what to whom? What are you saying to me?*

For Korean, it's "What? You don't understand that?"

In Korean syntax, the verb comes at the end;

there are no prepositions.

Is it one of a kind ("the"), or one of many ("a")?

It's not clear!

Singular and plural in Korean are ambiguous, gender is unclear, verb tense is ambiguous or unstated, whether a verb is active or passive is unclear, subject partners go unstated (the reader is assumed to know without being told) and, most importantly, subject-object relations are ambiguous.

Korean is a language that trusts the heart of the listener to grasp what you mean.

# Divine Principle

## The Gospel of Gospels

What Jesus would say, was he back on Earth  
again in the flesh!

The Principle is extremely comprehensive.

There is nothing that cannot be resolved with the Principle. It is like an encyclopedia containing everything about the world.

It is like a formula that is based on the fundamental bond with heaven.

That is why the Principle can be applied to everything. It is also consistent with modern philosophy and psychology, and conforms with all the principles of the natural world.

If we wish to develop a business, there must be unity among three primary elements; operations, technical know-how, and management.

This is in accord with the Principle, which states that everything resembles human beings with their three attributes of emotion, intellect and will.

/SMM 1969.10.25

I've taught you wonderful words, haven't I?  
I have taught you the Divine Principle.  
It is not some ordinary principle  
but the Divine Principle that I am teaching you.

Yes, this is The Principle, which is overriding, all-law.  
If we study the Divine Principle, we can solve everything.  
Nothing is too complicated to be solved by the Divine Principle.

Looking through the glass of the Divine Principle,  
all the complicated situations of the satanic world will become  
simple and clear. The same is true for all the problems  
within the heavenly world.

Through the Divine Principle, we can solve everything.

/ SMM 87112

Once someone studies the Divine Principle they can turn completely around in only three days. Its power is much stronger than economic power. But you foolish people don't know what a strong armament you have. /SMM 910728

What is the tradition of Unification Church?

The tradition of Unification Church is Divine Principle.

Of course, the Divine principle book itself is not our tradition, the tradition is represented by Divine Principle that is everything that is behind the Divine Principle book, which is heart.

/SMM 911229

The issue for us as human beings is how to attain the highest ideal of conjugal love.

Not all the principles I discovered are from the Bible;  
I found out many things from nature.

## **How Did Father Discover the Divine Principle?** *Peter Steeghs February 13, 1999*

Father was asked the following question by an aide close to L. Farrakhan:

"Reverend Moon, did you discover the Divine Principle all at once, or gradually?"

Father evidently replied: "Initially the Divine Principle was revealed to me all at once.

However, then it was lost, and I had to rediscover all over again gradually as I went on". /end

Comment: The earliest manuscript of the Divine Principle was lost in North Korea during the Korean War.

During his lifetime, the published sermons of True Father filled more than 700 thick volumes; most of them not yet translated from the original Korean.

If all the books were piled on top of each other, the collection would form a pile over 18m, (90 ft) high – a daunting task for even the most devoted scholar or disciple who would try to read them all.

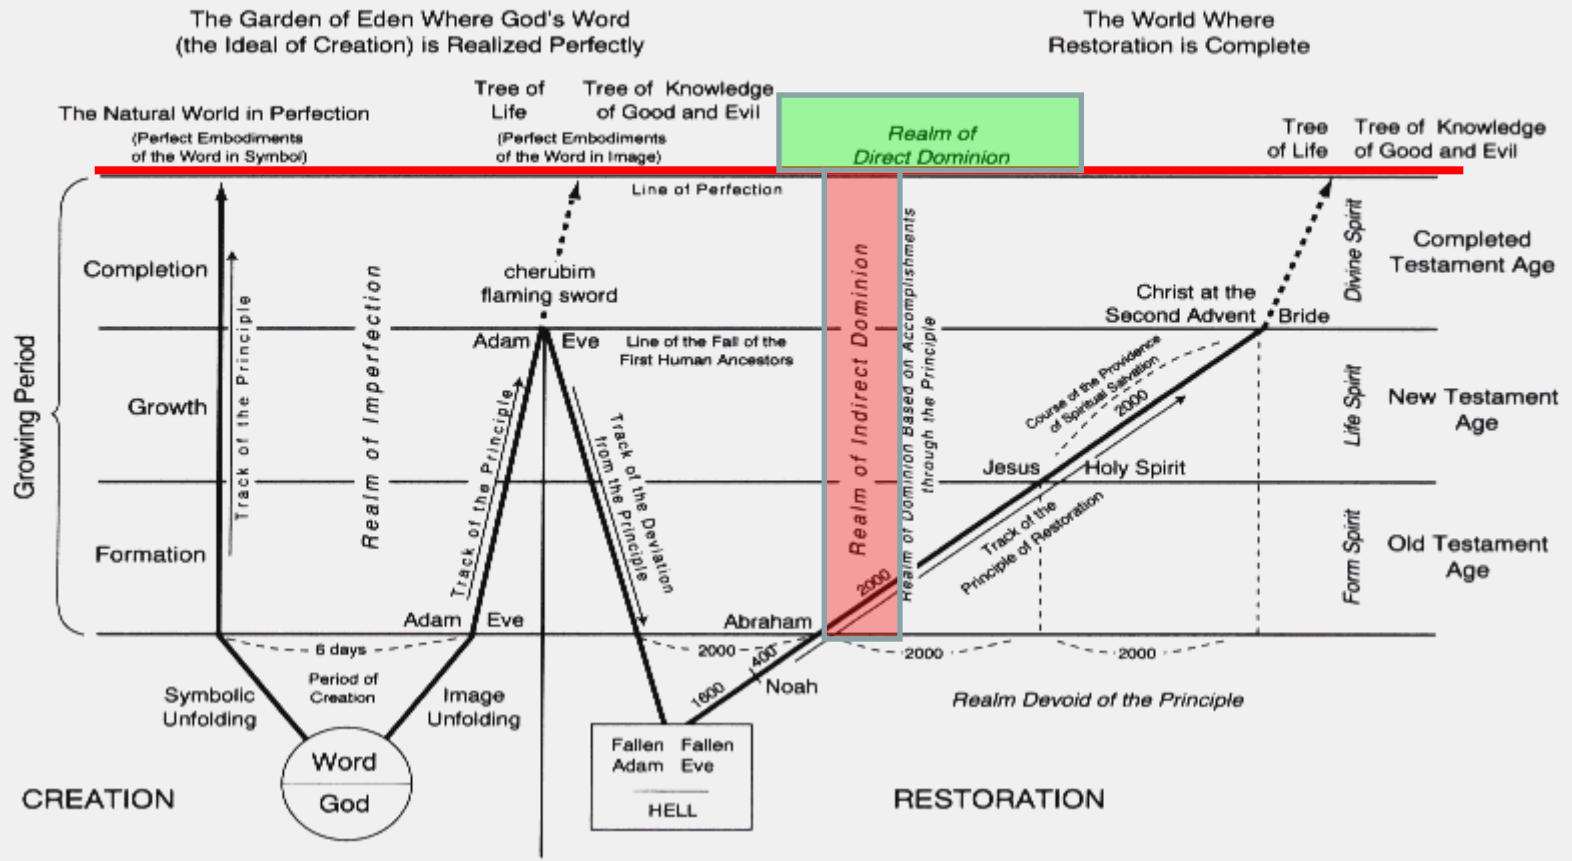

What do the words  
“Principle of the Unification Church” mean?

Why is it called the Principle?

The purpose of the Principle is to show clearly  
the borderline between the realm of dominion  
based upon  
accomplishments through the Principle  
and the realm of (Gods) direct dominion.

**Chart 1: The Unfolding Manifestation of God's Word  
in the Creation of the Universe and the Providence of Restoration**

The Unification Principle connects everything  
by the laws of nature.

That is why it is called the Principle.  
It is Heavens Principle.

That is to say, it is the eternally unchanging Principle.  
The Principle is **not a doctrine**.  
It is not a doctrine of the Unification Church.  
It is not a doctrine taught by True Parents.

The Principle is Heavens Law.

When I wrote Wolli Wonbon, I wrote it in a condensed form.

The content of even one page requires dozens of pages of explanation. An ordinary person is simply not able to understand it deeply, even after reading and reflecting on it. /SMM 2003/08/14

Comment: The [link](#) is downloaded from a Japanese website which is an unofficial blog created by those who are/were(?) connected with UC,

So far the (original paper) Wolli Wonbon is not available, as it is very old and fragile, and almost nobody can see or touch it.

Therefore, this file was created based on the transcription by **Rev. Kim Won Pil**,

The Wolli Wonbon was written in old Korean used in Northern part of Korea and also with many Chinese characters are used.

So it will be very difficult to translate and make it understandable.

## Wolli Wonbon 1952

Wolli Wonbon has great significance in that it was written in True Fathers own handwriting.

It is the earliest manuscript of the Divine Principle in existence.

In the early days of the church some of his disciples transcribed Wolli Wonbon and shared their copies with others, passing them around.

## Wolli Wonbon 1952

I wrote a book about the Principle, Wolli Wonbon, at Beomil-dong in Busan, overlooking the harbor. I first noted the main points in outline form, and then started writing.

I wrote the ideas in condensed form, like poetry. Since I just wrote the essential points, people could not easily understand it unless I explained the main points to them.

This is how I wrote the text.

Divine Principle  
Study Guide 1,2 & Q&A

Father once taught us what the four most important points of the Principle are;

- The first point is the true relationship between God and man
- the second point is the relationship between the spiritual world and the physical world
- the third point is man's portion of responsibility;
- the fourth point is the problem of Cain and Abel.

Without understanding the problem of Cain and Abel, we cannot understand the problems or the goal of history. And through understanding all four points, we can connect with God.

True Father told us that the other name for Principle is 'Natural Law'  
The Principle is not a religious dogma that has to be taught only within  
the Unification Church.  
Instead it is the Natural Law created by God for everyone to obey.

Unification Thought Theory of Education teaches that education of the heart is the most important education and that it comes through grasping three states of God's heart —

the heart of hope (or expectation),  
the heart of sorrow (or grief) and  
the heart of pain (or suffering).

These three correspond to  
the Principle of Creation,  
the Human Fall and  
the History of Restoration.

Awareness of this grew within me and transformed my understanding of **the Divine Principle** from an intellectual one to an emotional one.

**The Divine Principle** to me is the greatest epic saga in the universe.

It explains one person's hopes, dreams and everything he lived and longed for, followed by an account of the calamitous tragedy that devastated it all.

Perhaps that was the first time anyone had asked me to verbalize what I had come to feel about the Principle. This had built up inside me, until I finally understood **“God’s story.”**

Analogy - The whole Divine Principle in a nutshell:

First picture: We have a glider, not an airplane, no Boeing, no Cessna, nothing with a motor — just a glider.

Okay?

Good.

This glider needs external help to "soar the skies". It usually is brought up in the air with the help of an airplane and a rope, and having reached the acquired heights, the rope is let loose and the glider moves by itself .

Second picture: The inevitable happened — a storm brews up, a storm and heavy rains — forces too strong to handle for our glider — throw him on the ground, and there he is — taken out of the sky and smashed to pieces.

Third picture: By a sheer miracle the pilot isn't dead, he is badly wounded, immobile, but his sharp ears mark clearly the sounds of coming salvation: the approaching helicopter.

Fourth picture: The pilot is whisked off to the nearest hospital by the helicopter, and we have all kinds of vehicles — ambulances, 55 police cars, clean-up crews, they all go to work and the whole place is a big mess.

Fifth picture: The pilot is getting his long-awaited and rightly deserved vacation on a beautiful South Sea island — with a deep blue sea and a pristine white beach.

# Both Adams knew Gods will as opposed by most people

- Jesus said: John 8:44  
You are of your father the devil, and the lusts of your father you will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaks a lie, he speaks of his own: for he is a liar, and the father of it.

- He archangel's mission must be fulfilled first, since God created the archangelic world first.

Next must be the accomplishment of the purpose of Adam, who should stand in the position of God's objective being.

If he stands as the perfected being of God's ideal, the ideal of vertical love can be developed horizontally. This is the objective world of creation which is the Heavenly Kingdom centered upon God.

One of the most arresting paranormal experiences on military record which occurred in Europe at 10:30 P.M on November 14, 1915, was witnessed by French, German, Russian, Italian and British troops.

In Korea a grandmother, Seung Do Kim was zealously praying at noon on April 2, 1923, by the lunar calendar, she finally entered the spiritual world.

In the spiritual world Jesus came to her and said, "I never met anyone who had such a desire to understand original sin. You may ask me more questions"

So then she asked him, "Did sin come from man eating the fruit of good and evil?"

Jesus said, "The fall was the premature sexual relationship between Adam and Eve; therefore, **the root of sin is fornication**"

My grandmother asked, "Why didn't you explain this 2000 years ago?"

In deep grief, Jesus shared this:

"I tried very hard to accomplish God's will, but the Jewish people betrayed me and I was crucified.

My grandmother continued asking Jesus questions.

"The Bible says that in Last Days you will come on the clouds. Is this true?"

Jesus replied, "I am coming through a physical body."

She asked, "Where will you be coming?"

"I will be coming to your country of Korea;" he said

# Introduction *Divine Principle*

- Principles of Indemnity  
(Original, Collective, Ancestral, Personal Sin)

Due to the fall of man, Satan trampled on humankind and is dominating all over the land.

To reverse this, we must rely upon the principles of indemnity. Because humankind was trodden on by Satan, even if Jesus does not help and the Holy Spirit and God do not help, humankind must subjugate Satan with their own hands.

Sitting with medium Arthur Ford 1965:

Col. Pak: You are speaking of New Revelation: that means you are speaking of - you refer to the Divine Principles brought by Sun Myung Moon?

Fletcher: That's a part of it, yes, but even Sun Myung Moon has not exhausted the possibilities of the Divine Mind.

He is, and - as long as he lives will continue to be, a channel for revelation.

Sitting with medium Arthur Ford 1965

Col. Pak: The channel never ceases to flow;  
the fountain never dries up....

Always it will be the Spirit of Truth, who is not limited in any direction by either a group, a man, or anyone else – he uses one man or he may use a million men, but he is never limited.

The Spirit of Truth, like the sun, will light the whole world.

Sitting with medium Arthur Ford 1965:

Fletcher: You are in the process now.  
But before Jesus became manifest  
there were people who had been prepared -  
John the Baptist came prepared.

But the world has grown and multiplied -  
the means of communication have become simpler  
and easier. It takes not one man in a little country  
to be a John the Baptist, but many men in many  
countries to herald the coming.

...after all earthly people are restored, it will take a long time for the spirit world to be completely restored because there are so very many spirits who must be restored through the principle of resurrection through people on earth.

Can we destroy Communism through anti-Communist

- This life that you have been experiencing is not real life. You can't see clearly from the spiritual perspective. You are such incredible people. You haven't even scratched the surface of the Principle of Creation about who you are. (Crying)
- Even our True Father is not at his full potential. He grew up in this evil world. He was completely surrounded in an environment of evil all his life. He could be ten times greater than he is if he hadn't grown up in this world. And every one of you has that potential now, too. Heavenly Father made you in His image. Oh, you don't know what that is. You haven't been able to experience God.

## Introduction to *Divine Principle*

- Principles of Unification

Where should we pull the Republic of Korea to? We have to lead her to the garden of love, not to the garden of power and not the garden of falsehood. North and South Korea will be dealt with properly when we lead them to the garden of true love. Unless we treat them as brothers centered on common parents, the world of peace will not come about.

Centered upon that, everyone who participates in that is restored back to Heaven, because **in the very beginning the wrong marriage was the cause of all misery**. Now, in order to repair that, it is necessary to go through the right marriage ceremony. Do you follow?

Restoration through indemnity **is not conditional restoration**.  
You must understand that indemnity is real.

This is not written in the Divine Principle.

It is probably the first time that you are hearing that conditional indemnity is actually real indemnity.

Therefore, when you think about the course of restoration until now, God raised from the satanic world one person who was the most conscientious.

Noah was exactly that kind of a person.

- In the Divine Principle words we see in Part II the prophecy about the third world war.

Depending on the human portion of responsibility that war may be an actual war, or it may be a conflict of ideologies.

But the Divine Principle says that a third world war must come, one way or another.

In this incredibly important time, Father, who is responsible to save the world, pushed himself way beyond his limits. He went back and forth between Korea and the United States.

And as soon as he would arrive, he would have assemblies, and he would speak for three hours, four hours, and he would have Hoon Dok Hae for 13 hours, 14 hours, 15 hours.

I've been attending True Parents for the last year and a half, and this is how it has been continuously.

And you shall know the truth, and the truth shall make you free.

# Jesus Christ and The Spiritual World

Until now, the history of the providence is the battle to connect the fallen and restored blood lineages together.

If Jesus died in the son's position, then he was a victorious offering to God and does not need to come again.

But he could not be offered wholly. **He lost his physical body and only offered his spirit.**

## Jesus Christ and The Spiritual World

This is equal to the angel's offering in the spiritual world. That is why Christians go to paradise instead of heaven in the spiritual world.

In other words, **the spiritual world, dominated by the archangel, is the realm of the archangel.** To go beyond that realm, victory must be won on earth in the physical world.

That is the will of God. That is the meaning of Jesus' presence on the earth and the spiritual world.

The spirit world could not function until the appearance of Unification Church. Why?

Because there was no handle to grab; no rapport was established.

There was no love between the races.

There was no one who could prepare the base so that God could really bring down His hosts of angels.

But now the Unification Church represents that base, so God can bring down any number of angels or spirit men He wishes.

3<sup>rd</sup> Adam

So far, there have been many, many evil spiritual phenomena. There are many evil, lost spirits haunting people.

Spirits can also actually cause diseases and accidents.

What is the difference between evil spirits and good spirits?

When an evil spirit approaches, you somehow feel fearful and uncertain and very unstable.

A satanic spirit is like the winter wind, making you shiver.

3<sup>rd</sup> Adam

But when some good spirit is trying to embrace you,  
you feel so good without reason!  
You'll be walking on Cloud 9!

A heavenly spirit is like spring. It melts you, relaxes you,  
and gives you the warmth of love and comfort.

You should feel that in the Unification Church.

I have been conducting the program of the spirit world 3<sup>rd</sup> Adam for everything.

I do not talk about how heaven is or how heavenly father is, and so forth.

I do not talk about them carelessly.

I only talk about them after I have digested them with the truth and can explain them in some systematic manner.

Do you think that I simply listen to the words of some women or grandmothers, or some spiritual medium? No way.

They are ignorant.

They know how to testify to the present,

but they do not know how things operate. /SMM (68-276)

## Quote from Cham Bumo Gyeong:

On May 11, 1951. True Father began writing *Wolli Wonbon*, *Original Text of the Divine Principle*.

He completed it on May 10 of the following year.

He wrote so fast that the disciple who was living with him was constantly sharpening pencils in order to keep pace with him.

While writing the first manuscript of the Principle, he tearfully sang hymns and prayed.

Sometimes he climbed to a small outcrop on the mountain behind his cardboard hut to sing and meditate.

Then he returned and devoted all of his heart and soul to his writing.

The manuscript of *Wolli Wonbon* consists of five volumes.

Each volume was drilled down with four holes and tied.

The entire manuscript has more than 690 pages.

The text is written with a pencil from left to right in cursive script, in both Korean and Chinese characters.

The revision work was done using pens with black, blue and brown ink.

Red-colored pencils were used to lightly underline texts.

Interestingly in 10 pages in the middle (pages 291 to 300) the text is written in blue ink.

*Wolli Wonbon* has great significance in that it was written in True Fathers own handwriting.

It is the earliest manuscript of the Divine Principle in existence.

In the early days of the church some of his disciples transcribed *Wolli Wonbon* and shared their copies with other, passing them around.

I wrote a book about the Principle, *Wolli Wonbon*, at Beomil-dong in Busan, overlooking the harbor.

I first noted the main points in outline form, and then started writing.

I wrote the ideas in condensed form, like poetry.

Since I just wrote the essential points, people could not easily understand it unless I explained the main points to them.

This is how I wrote the text, which I completed in May 1952.

I did not discover the Principle only from reading the Bible.  
I thought, "If Genesis is the chapter on the Human Fall,  
the Book of Revelation is the chapter on Restoration.

Since something went wrong with the tree of life,  
it must be restored through the tree of life.  
If it doesn't work that way the Bible is misleading."

Anything that comes from a seed returns to a seed.  
That is how it ought to happen.

In a similar manner, the sprout from the seed grows  
upward and not sideways. It has to be this way.

The Principle that I am teaching today is in accord with  
history from the providential viewpoint.  
It is based on a deductive method.

Without a doubt. God is alive.

As long as God exists and leads the providence for the Will centering on love, the world will have to enter the era of unity based on the cultural sphere of Gods love.

From this perspective, I disclosed why God created heaven and earth, how the creation of heaven and earth was carried out, and why God is love.

Whenever you carry the Divine Principle book around with you, you must treat it with great reverence.

Imagine if you had the only existing copy.

Think about how serious I was to take care of

*Wolli Wonbon* when I was writing the first manuscript.

What would have happened if that manuscript had been lost, or I had died?

I am telling you that such seriousness can determine the life or death of the world.

Centered on the Principle, and with the Principle.  
I have come this far.  
I laid its foundation with considerable hardships.

I invested my blood, sweat and tears as I was writing  
the Divine Principle book.

Please understand that my bloody tears are embedded  
in each and every one of its pages, and that those tears  
are crying out to you.

I invested my life and sacrificed my youth for the Principle.  
That is why I am saying that my blood and tears are pleading  
to you from its very pages.

**You must never go against the Principle.**

Do not ever think the Principle I am teaching you is of no value.  
Even God solemnly bows down and honors it.

Such is the value of the Principle.

I wrote It In a compact style.

No one could understand it well, no matter how much they tried.

So I explained it to Eu Hyo-won, and then his mind opened up. From then on he shed tears on reading each page of the manuscript, so much so that it became a "manuscript of tears."

He would say, "How on earth could there be such unbelievable contents!

With this understanding, the fundamental teachings of Christianity and communism will be completely overshadowed.

I guided and taught Eu Hyo-won in such a way that he was able to systematize the entire contents of the book into the form of *Expositional of the Divine Principle*.

The Divine Principle book is fearsome.  
Many people make light of it, saying it is a book written  
by President Eu.

If I had written this book, what would happen?  
All those who might make light of it would be in trouble.  
You could go to the spirit world and see.

Even if some mistakes appear in the book,  
you should not be contemptuous of it.  
If you do, you will be accused.  
You must be aware of why it was written in that way.

The difficulties in completing the Divine Principle book  
The Divine Principle will not change even after a thousand years.

If I were required to write it myself, I would write several books based on knowledge that I alone have, which for others would be difficult to understand even after thousands of years had passed.

I would like to leave behind some written works, investing all my prayer and heart. Why?

I would like to leave behind great descendants whose sincere hearts permeate their bones.

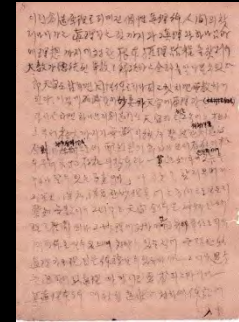

When I wrote *Wolli Wonbon*, I sometimes made drastic jumps in logic and wrote the content in a condensed form.

Eu Hyo-won was given a copy of the manuscript before he joined the church.

As he read it, he cried and cried.

I believe that he is the first person in our church's history who was so moved after reading the Principle that he immediately wanted to become my disciple.

This happened when he read *Wolli Wonbon*, which was even before he ever met me in person.

He wrote a letter to me with the vow,  
"Based on the words I read in Wolli Wonbon,  
I will become your disciple and serve you for eternity."

Moved by his letter I traveled from Seoul to Yeongdo  
Church in Busan and held a 21-day workshop,  
in which he participated.

I was told before the workshop that he was anxious,  
wondering what it would be like to meet me in person  
for the first time.

But when we met, he openly shared with me all of his  
past life, which was filled with many serious stories,  
some of which I still cannot forget even to this day.

During the workshop In Yeongdo all the participants had spiritual experiences.

So after the workshop they felt so transformed that when they returned to the reality of their everyday lives they marveled.

"I just experienced a completely different world, which I never imagined could exist!"

For this reason, in *Wolli Wonbon*, the meaning of "object partner" or "the value of the object partner" is presented as an entirely new concept.

Once you give and receive you come to have a reciprocal relationship.

The more you give and receive with your counterpart, the better the relationship you will cultivate.

Hence, you will eventually become an object partner with him or her.

For this reason, if your activity centers on God, goodness or truth, it will surely last.

Reverend Moon's first manuscript of the Divine Principle is titled *Wolli Wonbon* ( 원리원본 ) or *The Original Text of the Divine Principle*. Apr 1951-May 10,1952.

Despite the historical importance of this work, to date it has not been published, either in Korean or in English. Difficulties in understanding its condensed and complex thought, as well as deciphering the script which in some places is faded and in other places covered with corrections, has made the publication of *Wolli Wonbon* a forbidding task.

The Unification Theological Seminary library was able to obtain a photocopy of the original manuscript, written in Rev. Moon's own handwriting and consisting of some 695 pages.

We also obtained a photocopy of the handwritten copy made by Won Pil Kim.

Efforts to transcribe and translate these manuscripts began in 2003 and are ongoing.

It is evident that *Wolli Wonbon* is not merely an early draft of *Exposition of the Divine Principle* but a far greater work. Much of it is concerned with the Principle of Creation, or as it phrases it, “the Principle of the Ideal.”

*Wolli Wonbon* spends nearly 20 pages discussing universal prime energy, in contrast to *Exposition* which devotes only one paragraph to its description and less than a page to explaining its action.

Another topic elucidated in great detail is the **Principle of the Object Partner**, which *Exposition* condenses into one short paragraph about the Three Object Purpose.

Then there are scientific topics, including evolution, gravitation, electricity, and magnetism.

Also, there is considerable emphasis on the genders within God and God's position as Heavenly Parent — Heavenly Mother as well as Heavenly Father.

Among the disciples, Jesus loved Judas Iscariot in particular. He made Judas his object partner, through whom to restore God's primary Will. Jesus intended to use him in order to erect a woman in the position of Eve, but to do this they should fulfill the roles of the personages involved in the Fall.

Specifically, God's Will required that Jesus set up Judas's wife as the new Eve. This woman was Mary Magdalene. She had been Judas' lover, but now as a disciple she was absolutely obedient to Jesus. So, just as Satan had taken Eve from Adam, Jesus [as Adam] planned to take Judas's woman to be the new Eve.

That way the three of them would fulfill God's will according to the Principle.

Accordingly, Jesus first acknowledged that Mary Magdalene belonged to Judas Iscariot. Then Jesus commenced the providence by choosing her to be his Eve. While this fundamental providence was going on, in the meantime Satan was fully on the attack, mobilizing the Pharisees and scribes against Jesus. Regardless, had Judas Iscariot trusted, obeyed and attended Jesus in this matter, they would have established the foundation for the fulfillment of God's Will.

But Judas was full of discontent and confronted Jesus. That was the beginning of his rebellion against his Teacher, which culminated when he sold out the One Man unique in all human history for a mere 30 pieces of silver.

Curiosa; "Shimjung" = Heart before the Fall is missing in all Divine Principle versions, except Level 4, published 1980.

Heart (Shimjung, in Korean) is the essence of God's personality --The essence of his Sung Sang. Heart is the most vital part of his nature, such that all other attributes in him are what they are and do what they do solely because of the attribute.

Heart is the impulse to love and to be united in love with the object of its love. For this reason, Heart is said to be the source of love, and at the same time is the chief motive behind love. God's Heart has within itself its own purpose; so it is through God's love, through his Heart, that The Principle (Logos) is expressed.

Understanding God and True Parents' shimjung through **Hoon Dok Hwe**

Hon Dok Hae - Daily Reading of Holy Texts

Where is the origin of human love and life?

Doesn't it lie within God?

He is the Subject Being with harmonized dual characteristics and at the same time is the source of love.

It should be added in the Divine Principle that God is the source of true love.

It should be clear that nobody but myself can amend the Divine Principle.

/SMM (224-228, 1991.11.24)

The Gospel of Gospels  
What Jesus would say, was he back in the flesh

God = Heavenly Mind, Vital Element, True Love  
 These three things are actually one thing,  
 which is the blood lineage.

That is why the sexual organs are very important,  
 because this is where God and Human Beings  
 come together as one.

## Cham Bumo Gyeong is Published in Three Languages

There was great rejoicing on September 1, 2015 in Cheong Pyeong, Korea, with the successful publication of the Cham Bumo Gyeong in Korean, English and Japanese.

A new and first-hand account of the life and works of True Parents, the Cham Bumo Gyeong accompanies two earlier volumes, the Cheon Seong Gyeong and the Pyeong Hwa Gyeong, published in 2013.

The Essence of Divine Principle is:

**Live a life for Others!**

Jesus teaching

You shall love the Lord your God with all your heart,  
and with all your soul, and with all your mind.

**You shall love your neighbor as yourself.**

After the lecture a woman came to me in tears and said,  
"Seriously I have learned this evening more than I have  
in the past 35 years."

This proves the greatness of the Divine Principles.  
We who possess the Divine Principles are the happiest  
ones in the world.

Heavenly Father, Principle of the Principles,  
I am truly thankful to you.

Because of the fact that I serve you,  
Even if I were to die now, I would have no other desire,  
because I have you!

/Bo Hi Pak 1963

I have stressed many times what I call "Internal Principle." What is external and what is internal? I will give one example. In explaining the fall, we can say simply that when the archangel seduced Eve, they engaged in the spiritual fall. This is the Principle, but only an external or superficial understanding of it. If you only give this kind of explanation, people cannot cry. Unless people cry, they cannot understand Heavenly Father's heart.

When Heavenly Father saw Lucifer seducing Eve, when they became nearer and nearer, how difficult it was for Him, how sorrowful it was! We must understand this, what I call the internal Principle. Blessed members especially must understand the internal Principle. Adam and Eve did something wrong and as a result we have fallen nature -- everybody knows this, even the new members can understand it -- but this will not sufficiently prepare us for the Blessing and blessed life. /Zin Moon Kim

You must know that among the audience, there are people who would feel like objecting to what you are saying.

Don't wait until that person raises questions and shouts and screams and goes against you, and break the atmosphere.

Before he does that, you must attack him by giving your own testimony or another's testimony, by saying

"When I first came to this movement,  
I was skeptical of this point, that point, etc.

...then the thought came into my mind that such and such thing really happened, and I was so moved to tears that I had a revelation," and so on.

That can stop a person from questioning.  
You will see his eyes change.

The spiritual war is won by the skill of the lecturer.

The most important thing is for you to realize that  
you are the mediator between God and the audience.  
You must be able to relay what they are to God.

You must let them know that the center of this truth is Master.  
The center of the truth and Master is, in turn, God.  
You have to introduce God there; God is everything.

Read Divine Principle one hundred or one thousand times. Spirit world is watching you. If you stand still, you will see the phenomena resulting from that.

When it comes to the real core of your life of faith, you have to find your own way of religion.

It is not just a blanket term "Unification faith."

Within that faith, you have to find your own way of strengthening yourself, your own world of faith.

If Midori-san here reads the Divine Principle 1,000 times, her spiritual level will shoot up like a rocket and she will experience many different levels of spiritual life and she will stay up there. Her personality will develop greatly.

This is no ordinary power.

For that reason, Father is telling you to keep reading the Divine Principle, even memorize it. / SMM 940212

*"At a meeting held in the eastern part of the United States on the occasion of his first visit to the U.S.A. (1965), a questioner bluntly asked him: "Are you Christ?"*

*In reply Sun Myung Moon raised his hand and pointed to various members of the audience in turn, saying: "and so are you... and you... and you also, if you can accept it."*

*On another occasion a translation of what he said in the Korean language was given as follows:*

*"This is God's world and it has no boundaries. It is one.*

*Your life is one of universal significance and I call upon you to share my mission.*

*Be urgently concerned for the world and know, feel and act in accordance with the Divine Will.*

*The purpose of the coming Lord is that some day  
all shall be like him - like Christ."*

## Sample of text: ChamBumo Gyeong

*Exposition of Divine Principle* is not all I have to say.

Before I would be able to say more,  
first you would need to know what I have said and  
where I said it, and  
put it into practise,  
but you are not even doing that.

*Exposition of Divine Principle* does not speak of me.  
What *Exposition of Divine Principle* explains is  
only things up until Jesus.

It focuses on Jesus.

And yet you think that the only thing you need to place importance on is *Exposition of Divine Principle*.

With all their hearts, members of the Unification Church should follow what I say, empathize with me, and be so moved by my life that they fulfill their responsibility as the standard-bearers who create tomorrows history.

If you lack such a heart, you will not develop.

Cheon Seong Gyeong has been compiled based on 400 volumes of my sermons which make up only one third of 1,200 volumes.  
The Cheon Seong Gyeong contents have been extracted from only one third of published volumes.  
Two or three times more contents must be published.

When I finish making the highway straight you can go as fast as you want to if you are grafted to me.  
The road of indemnity to escape hell will become a super highway.

God took 6,000 biblical years to restore Adam and Eve, but in physical terms it totals tens of thousands of years.

The restoration of just two individuals was that difficult, so how much more difficult would it be to restore a family?

In the Unification Church family I must harmonize all five races and make them into one race.

If I couldn't accomplish that then the blessing would be only a dream, but after doing the necessary things I could establish the blessing. (1960)

To achieve this under the fierce opposition of the satanic world is not anything less than leaping to the moon, or even the sun, and coming back again.

It can only be compared to going that distance. If you were to try to do it all by yourself, it would take you many millions of years and without knowing these rules and laws I am applying now you still could not do it. How grateful you must be that it is now possible.
