Bad “conditions” => breaking any of the 10 Comandments

Agree with your adversary quickly,
while you are on the way with him, lest your
adversary deliver you to the judge,
the judge hand you over to the officer,
and you be thrown into prison.

Assuredly, I say to you, you will by no means
get out of there till you have paid the last penny.

Core Christianity

Thou shalt love the Lord thy God with all thy heart,
and with all thy soul, and with all thy mind.

This is the first and great commandment.

Thou shalt love thy neighbour as thyself.

On these two commandments hang all the law and the prophets.

A few quotes;

The reason for birth

A few quotes;

1. Our Course of Life

The reason for birth

If we are born, raised, live and die in love, then we can be grateful for our birth, life and death. You were all born by having participated in the place where your father and mother loved and treasured each other exceedingly. You are participants in this love.

A few quotes;

1. Our Course of Life

The reason for birth

If we are born, raised, live and die in love, then we can be grateful for our birth, life and death. You were all born by having participated in the place where your father and mother loved and treasured each other exceedingly. You are participants in this love.

We are all meant to live for the sake of love throughout our lives. So you should wave the flag of love for your mother, wave the flag of love when you see your father, and wave the flag of love for your siblings.

2. The Family is the Model for the Kingdom of Heaven

When you stand in the world of space, you need top and bottom, left and right, and front and back.

2. The Family is the Model for the Kingdom of Heaven

When you stand in the world of space, you need top and bottom, left and right, and front and back.

Only then is the status of your position stable.
Your shape will vary depending on the position in which you stand: top and bottom, left and right, front and back.

Just as there has to be top and bottom, left and right, and front and back with the individual at the center, there also have to be parents and children, husband and wife, and brothers and sisters.

3. Our Course of Life Centered on Love

Earthly Life is Training to be in Rhythm with the Spirit World

I have a depth of spiritual experience. The spirit world is a place enveloped in the elements of love.

3. Our Course of Life Centered on Love

Earthly Life is Training to be in Rhythm with the Spirit World

I have a depth of spiritual experience. The spirit world is a place enveloped in the elements of love.

On the earth, we breathe air, but in the spirit world, people live by inhaling love.

3. Our Course of Life Centered on Love

Earthly Life is Training to be in Rhythm with the Spirit World

I have a depth of spiritual experience. The spirit world is a place enveloped in the elements of love.

On the earth, we breathe air, but in the spirit world, people live by inhaling love.

The love you share in the spirit world is not secular human love but true love.

4. The Love of Man and Woman in the Original Creation

When God's beloved woman lives in a man's heart and God's beloved man lives in a woman's heart as well, these two become His object partners, and when they love each other, God will be delighted to see this love and all things will rejoice.

Heaven and earth will rejoice to see a man and woman with these values embrace.

4. The Love of Man and Woman in the Original Creation

When man and woman embrace each other in mutual fondness, this mutual fondness becomes the point where the universe unifies. This is how the original image unfolds in God's ideal. = **True Family**

REVEREND SUN MYUNG MOON

A few quotes;

We have left the Era Before the Coming of Heaven and have entered the Era After the Coming of Heaven and the era of the unity of Cain and Abel.

The World Changes in One Second

People do not recognize when there is a transition from one age to another. It is the same for transitions in the life of an individual and for transitions in the family.

The World Changes in One Second

People do not recognize when there is a transition from one age to another. It is the same for transitions in the life of an individual and for transitions in the family.

For example, there is a time for parents to be focused on raising sons and daughters and a time for them to be focused on serving the ancestors. There is a time when the grandfather has the role of parents and a time when he stands as a king.

The World Changes in One Second

There is a time when parents are working things out as husband and wife, and a time when sons and daughters are going through the transition to becoming husbands and wives themselves.

Know the Principle of Heaven, Earth and Humankind

The question here is the point of separation between good and evil, between good spirits and evil spirits. What does it mean that evil spirits and good spirits came into conflict with each other? It means that the gears did not mesh.

What does satan do, centering on himself, in the presence of God, who is the large gear? Heaven turns in a certain way, and satan says, "I have to turn in the same direction."

But he can't, and so he takes it over and **tries to force it to turn backwards.**

This is the issue of lineage centering on love.

When the lineage gets on board with satan's program and turns like that, what happens on earth, from then on?

Existing beings on earth cannot form the lower wheel.

Hence they do not live. The universe cannot breathe.
(Life elements = Love)

Breathe in with me. [Takes a deep breath.]

When the sun rises, the buds of each tree face the sun. What is it in the sunlight to which the buds respond? It is life elements. For us human beings, love is our life element. God is the sun of love.

You have to engraft to the ideal of love and harmonize with it in order to develop your love and life, and to cultivate your character in harmony with the eternal world.

It is important to understand this principle of heaven, earth and humanity.

This concept does not exist in either the West or the East. Why?

Because **the Fall was committed, and everything came into conflict.**

After you breathe out like this -- whooooo -- you should breathe in again.

But if you and your partner are fighting and saying, "You should die and disappear," what will happen? If one person disappears, there is no one remaining who can breathe in. (*Partners and family is central*)

The Owner of Peace

It is because living things let them in that air, water and sunlight can be the basic elements of life. If even one of them is missing -- if water is missing, for example -- life ceases to exist. If sunlight is missing, life ceases to exist.

Are you confident that you will not cease to exist?

How amazing are the words "One Family under God"!

In "One Family under God," we see God's lifeline, God's air line, and God's sunlight.

The roots of God, the Alpha and Omega, are deeply embedded there.

Only when we analyze it this way can we say, "Wow!" We then will come alive to find our ideal partner of love.

There cannot be a unified heaven unless we each establish an ideal partner for whom we would not mind to cease to exist, absolutely.

Become the Elite Unit of the Age of Completing the Fourth Adamic Realm

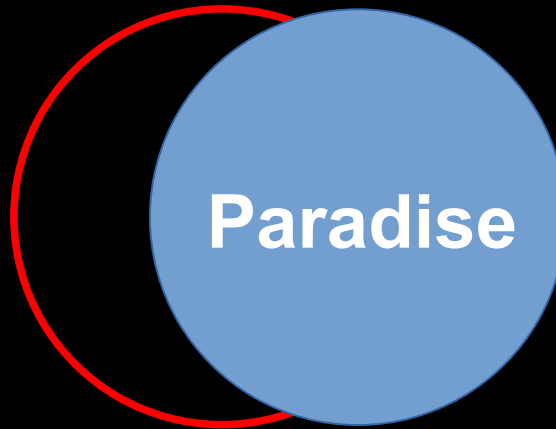

There will only one gate --
the gate to the Royal Palace of Peace.

The ideal, unified world has come -- the fatherland and hometown of God and True Parents, so you are born internally inheriting their flesh and blood, their skin, and even their hair.

That's why you can't help but become a heavenly nation.

The system will disappear; all things will come to an end.
If you want to live in the end, hold on to me. It's that simple.
