

"In Chinese traditional culture, the color of water is actually black. That's why it's "**Black Rabbit**", but also water means fortune and this year, you're going to have **plenty of fortune**,"

1st attempt

What would have happened if Christianity and Korea had welcomed me? (1945)

I could have absorbed Protestant America over the course of seven years.

And if I had begun working on the world level after the seven-year course finished in 1952, I would have mobilized all the world's statesmen by the time I was forty years old, leading them in one direction, toward the goal of making the kingdom of heaven on earth.

That was the original providential plan.

Christianity has made a unified, global territory after four thousand years of Judeo-Christian history.

If Christianity had followed me, a unified physical and spiritual world would have come about.

The American military government's mistake England, America and France had to return to the center of the unified physical and spiritual worlds.

The two son factions and the daughter faction (respectively), which had been fighting among themselves, had to return.

From the world's point of view, the eldest son on God's side and the eldest son on Satan's side should have become one and come to the returning lord's country.

Why should they have come?

They should have come to inherit the seed.

The people who had inherited the false seed of wickedness should have obliterated it and come to the true country in order to inherit the heavenly world's true life.

1st attempt

Moon taught that Korea was the second Israel and that the return of Jesus would take place in Korea. But, he said, the return would not happen in either the spiritual or supernatural way that Christians tended to expect. He said that, just as the mission of the Old Testament prophet Elijah passed in the time of Jesus to John the Baptist, so the mission of Jesus would pass to another.

## Quote SMM

Korea is divided into North and South along the thirty-eighth parallel. Based on the Divine Principle, we understand that a sacrificial offering **must be divided**. /1965.10.17

SMM 1972;

So the Lord who is to come stands in the position where he has no physical body, as if he had no body.

The Christian Church is his body.
