According to True Parents, while we are on earth we should liberate our ancestors in the spirit world. Thus, True Parents instructed on February 12, 1999, that ancestor liberation ceremonies be held at Cheongpyeong Heaven and Earth Training Center, starting with the first seven generations of ancestors.

Now our ancestors can be liberated and blessed and come again to earth and cooperate with their descendants. Thus they can go to the kingdom of heaven, even if they are presently in hell.

/SMM CBG

1710–1784

St Germain channeling through Philip Burley 1993;

There are others who are not in this lower dimension, but simply have made mistakes on earth, who understand that they have made mistakes, and they come in order to change what they have done.

They come to undo what they did in their lifetime.
And they will work consciously to guide their earthly counterpart to whom they are drawn, their earthly descendant,
and guide them to overcome a similar problem, or the same problem, in the earthly counterpart's situation.

1710–1784

As they help them to overcome, then they themselves grow; by law, they are then freed up, they are no longer needing to pay a debt in that area.

It is a science even as much as your accounting.

However, because our Father in Heaven is a God of love, He does shower us with amnesty, in which He is only asking us to pay a certain portion--but it must be paid

You must reap what you sow, and sow again and again to undo the wrongs which you have sown; that you might then in turn reap goodness, thus reversing in reality, not just figuratively, but in reality, your former acts.

In this way, in the struggle to do so, in the attempts to overcome, you will find your character changing.

The return of Christ is the return of truth at the highest apex of existence. The events, the unfolding of the world's circumstances and situations are, directly or indirectly, in relationship to this great event.

These signs being present should cause those who are in earnest and serious about what they understand to search deeper and higher and further for the full disclosure of the full true meaning of the Second Coming.

There are many people on earth today that are part of the Second Coming, who are messianic figures, in all fields of endeavor.

But the one who comes who will bring the spiritual salve to heal mankind is not parallel in their ranks, but sits, as it were, on the throne of God, above them.

But knowingly or unknowingly, by God's administration, they are all connected. It is only a matter of time before the world shall turn in totality to that understanding and acceptance of same.

You are not powerless. Do not try to be the savior to the entire world. Do not try to pray for everyone, but pray for those whom you can pray for. Let your energies be woven together. Let your cry towards heaven be **so powerful, so potent that we can attack and bring down the spiritual enemy.**

The problem is complex, but each of you is in a war. The war to win your own freedom from spiritual prison. You must win that on earth. But you will not win it by being passive; you will not win it by indifference or escaping from it.

No one likes martyrdom. No one in this modern day wants to be a saint. It is highly unpopular. If it were not so, you would find more of them, wouldn't you? You would find more St. Francis's, more Mother Therasas, as I have spoken of ten of her. But the materiality of this world blinds even the most conscientious often from what needs to be done. But please do not despair. Win your own freedom. Seek to overcome your own problems. Pray to be endowed with understanding, with compassion, with **power to do what you can do to free others.**

... through the original sin
none is righteous,
NOT ONE PERSON.

Rom. 3:10

It means that all have
a common guilt,
a common sin.

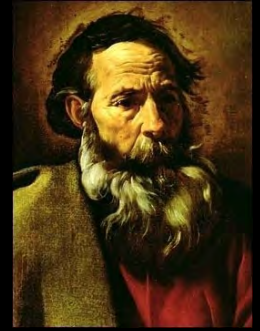

Apostle Paul
1962

1962: I bear witness to the fact that **the Old Testament and the New Testament combined are not sufficient to live by** in the New Cosmic Age we have ascended into.

To be saved, every man, woman and child must commence their mission before they leave this earth plane. And before they can do this they must find the reason for the original sin and what original sin is.

Perfection and resurrection can only be achieved through work and that work must be done in the body, the spirit of Truth demands it.

Apostle Paul
2001

Paul 9.11.2001 "I recognize the importance of human responsibility."

Now after learning the Principle, I became even more confident that the Apostle Paul's traditional view of God was very mistaken.

We necessarily should have attended God, the resurrected Jesus and the Messiah.

Individual responsibility of 100% is of tremendous importance for God's providence.

I promise to study the Principle and lead Christian believers here in the right direction. I have been making thorough preparation for accomplishing my assigned mission.

HOW TO GAIN SPIRITUAL HELP

November 27, 1978

What attitude do we need to nurture in order to move the spirit world? We need to change our concepts.

Our attitude is an environment that must be prepared in order to receive spiritual help.

We must use Father's words and make ourselves channels to receive spiritual power.

Actually, the spirit world wants to be part of everything we have and do.

They want to be involved to such a great extent.

So whatever we may look at, we must search for the nobility in it, and treat it as if it were owned directly by True Parents. Then everything becomes like an expensive antique, a God-given treasure.

Each object is waiting for your touch, hoping to feel the vibration of God through you.

The spirit world is always around you, listening and attentive. Always be aware that it is within your reach. If you keep thinking this way, then you will be able to control your circumstances.

Make yourself a tuning fork, resonating with and vibrating along God's frequency.

Resonate with God's unselfishness.

Respect all things as holy things. - 3rd Blessing

Respect all men as holy humans. - 2nd Blessing

Respect yourself as a holy person. - 1st Blessing

Respect your mind as holy. - 1st Blessing

Respect your body as holy. - 1st Blessing

Attitude is the key

You already know the secret of tapping power from the spirit world; witness to others, pouring out all your heart, soul and mind for them.

When I was in prison camp, I would pray, and prisoners would just come to me and stand there. When they were introduced to me through the guidance of spirit world they would cling to me.

You, too, can be like me.

The problem is that you are **often too distant from thinking about the spiritual dimension:**
holy things, holy mankind, holy temple, holy mind.

When I was in the worst of situations, lonely and hungry, a revelation would come or an important guest would appear before me.

When I needed money, the spirit world would guide someone to me. **Spirit world is never far away; they can cooperate with us.**

We should always feel that we are not doing quite enough, and that we always have to try harder.

Act with the support of the spirit world.

If they are behind you, you will never be lonely;
you will always have energy and power.

Even though you may be penniless, still have no fear.
You can be adventurous and bold.

On the road of success, the more you walk, the further
you yearn to go.

Whatever you do, think that you are carrying it out in partnership with God.

Feel that you are the second owner and pour all your love into it.

The one who loves something the most is the ultimate owner.

When you give love, you will attain infinite value.
