## Sunday Sermon 2023

The top five lessons in Divine Principle

# A TESTIMONY TO GOD'S WORD

in Regard to Divine Principle

서순애 씨

The House of Unification, The World of Peace

Five most important lessons in Divine Principle that you must know.

1. Give and Receive Action.
2. Human Responsibility.
3. Restoration through Indemnity.
4. The Model Course.
5. The History of Restoration From the Viewpoint of the Parallel Providential Periods.

# 1

We have learned that every creation is God's substantial object partner, formed in His likeness as a discrete projection of His dual characteristics. God exists as the incorporeal subject partner to all beings.

Human beings are object partners embodied at the level of image,  
and the rest of creation are object partners  
embodied at the level of symbol.

These object partners are called individual embodiments of truth, in image and symbol.

# 1

Individual embodiments of truth are discrete manifestations of the dual characteristics of God.

Therefore, they can be distinguished broadly into two classes: those of yang qualities which resemble the original internal nature and masculinity of God, and those of yin qualities which resemble the original external form and femininity of God.  
(Men & Women)

# 1

Although individual embodiments of truth belong to either of these two classes, since they are all substantial object partners to God - resembling His original internal nature and original external form - they each possess within themselves both internal nature and external form, and likewise both yang and yin.

(yin/yang masculinity femininity)

# 1

God is the Subject in whom the dual characteristics of original internal nature and original external form are in harmony.

At the same time, God is the harmonious union of masculinity and femininity, which manifest the qualities of original internal nature and original external form, respectively.

In relation to the universe, God is the subject partner having the qualities of internal nature and masculinity.

Father once told us, "If you can clearly understand give and take action, you could say that you come close to knowing the Principle completely."

He continued, "If we continue to live for the sake of others, even if you do not get anything in return right away, the interest will be compounded and come back to you as a great sum. I continue to give, because I know this.

1

I give even when I wind up suffering a loss.  
Everything I have invested into this world will one day come back, and Unification Church members will become rich as a result of that. People will come, and money also will come. That is why I think I never suffer a loss."

1

What is this love? It brings everything into natural subjugation. Why is that? An enemy is someone who has wronged us, right?

So if we keep living for the sake of our enemy, the enemys heart will be moved and naturally be subjugated. It is natural subjugation.

1

American Christianity has believed in the God of might, not the God of love. What is the God of might?

Such a being tries to achieve His goal **through violence**.

That is forced subjugation.

It is **not** natural subjugation.

## 2

The second is Human Responsibility. Christian people believe God will do everything for them, and so they depend on God.

But there are **things that even God cannot do for us**.

This is our human responsibility.

This is the part which we must do.

## THE REAPPEARANCE OF THE CHRIST

Bailey

Bailey; Her vision of a unified society includes a global "spirit of religion" different from traditional religious forms and including the concept of the Age of Aquarius.

**p. 66** The works and teachings of Christ will be difficult to accept for the christian world, But in spite of this still be accepted in the Orient.

He will be a World teacher and not just a christian teacher.

True Parents

**Bailey;** ...difficult to accept for the christian world,  
But in spite of this still be accepted in the Orient.

**Why difficult? - Because coming as a New Human couple**  
He (they) will be a World teacher(s) and not just a christian  
teacher(s)s.

## Sitting with Arthur Ford, November 2, 1964

*Arthur Ford was one of Americas most famous mediums.  
Fletcher is Fords contact in the Spir. World.  
A meeting was arranged with SMM during his 1964/65 visit.*

Fletcher: The Jesus of Galilee will not return – it is not necessary.

The Christ who manifested through him is the Eternal – he will manifest again.

At a meeting in the eastern United States, a person asked him bluntly, "Are you the Christ?"

In response, Sun Myung Moon pointed to one by one in the audience while saying, "and so are you, and you and also you, if you can accept it."

On another occasion, he said in Korean, "This is God's world and it has no boundaries. It is one. Your lives have universal meaning and I ask is to share my mission. Be eager to save the world and believe, feel and live in Follow the divine will"

"The purpose of the coming Lord  
is that some day ...  
all shall be like him - like Christ." /SMM 1965

She bore a male Child who was to rule all nations with a rod of iron.  
He had a name written that no one knew except Himself. [Rev 12, 19:12](#)

The Messiah will come with a "New Name" = New Adam & Eve

### 3

The third is Restoration through Indemnity. When we commit sin, we must be saved from the sin after paying indemnity.

Christians believe that people who believe in Jesus will go to heaven and those who don't believe will not. Those who believe in Jesus, however, must practice his teachings, and such practice must yield results.

This is what is different.

# 4

The Model Course. This appears in the Principle of Restoration. We can find the first and the second Model Course in Part 1. The third, fourth and fifth model courses can be found in Part 2. So what is a Model Course?

Satan, who refused to submit even to God, was not going to submit to our savior, the Messiah.

So God found central figures such as Noah, Abraham, and Moses to demonstrate the model course for subjugating satan.

This is a Model Course.

## 4

Jacob's course was the symbolic course, Moses course was the image course and Jesus course was the substantial course.

A symbolic course is a course that exists at a distance so far away it can barely be seen. An image course is a course that is closer and more easily distinguishable. For example, a symbol of Korea is its flag, the Tae Geuk flag, and an image of Korea would be a map of Korea.

# 4

God writes the play and human beings act it out.  
The reason is because God and human beings have to fulfill the Restoration Providence together.

John 5:19, "The Son can do nothing of himself, but what he seeth the Father do: for what things soever he doeth, these also doeth the Son likewise."

$$5\% + 95\% = 100\%$$

# 5

The Parallel Providential Periods. The periods differ from each other in scope and magnitude.

When we look at the course of human history, though, we can discover that many similar events were repeated.

Historians view this phenomena and call this the progression of human history in a spiral form.

**Chart 2: Parallel Providential Periods**

"The Second Coming" (1920)  
Yeats 1865-1939

All later works by him was based on an remarkable sequence of Revelations, which started on an October afternoon in the year 1917.

To their surprise Mrs. Yeats had an unusual strong spiritual gift.

During the following years an enormous time schedule was revealed, which covered the whole structure of history and it's meaning, in a 2000 year cycle structure.

Three years later he had over 50 notebooks full of written revelations. He organized this and published it all in a 300-page volume, called "A Vision".

*Surely the Second Coming is at hand; The Second Coming!*

*Hardly are those words out  
When a vast image out of Spiritus Mundi  
Troubles my sight: somewhere in the sands of the desert  
A shape with lion body and the head of a man,  
A gaze blank and pitiless as the sun,  
Is moving its slow thighs, while all about it  
Reel shadows of the indignant desert birds.  
The darkness drops again; but now I know  
That twenty centuries of stony sleep  
Were vexed to nightmare by a rocking cradle,  
And what rough beast, its hour come round at last,  
Slouches toward Bethlehem to be born?*

True Father told us that the other name for Principle is **"Natural Law"**.

Therefore, the Principle is not a religious dogma that has to be taught within the Unification Church and that only Unification Church members must obey. Instead, it is the natural law that was created by God which must be obeyed by everyone. = Spiritual Laws

Hak Ja Han Moon – True Mother

True Mother; When you come to think of it, men were born because of women, and women were born because of men. It was all because of true love, which is living for the sake of others. God created and empowered men and women in order to realize the ideal of love through the harmony of yin and yang.

Only true men and women can be united in true love and, based on true love, God and human beings can unite.

Marriage connects successfully to true love when men and women connect with each other horizontally through their absolute love for each other and then they connect to true love through the vertical absolute value of God.

As you can see, God, the absolute Being, has established true love in the highest and most valuable position, as the center of absolute values.

At the place where a true man, a true woman and God unite completely, based on true love, we can find the key to resolving all our problems, including our view of life, view of the universe, and view of God.

God's true love invests and invests again, gives and gives again, and forgets having given.
