

Las Vegas Family Church Intimate Meeting with Luonne Rouse

Robert Abendroth

May 3, 2019

Luonne Rouse prays at the meeting

Last Friday evening, May 3rd, 70 members of the Las Vegas community came together for a meeting with ACLC Chair, Dr. Rouse, Subregion 4 director, Rev. Jackson and Bruce Grodner of ACLC.

Dr. Rouse began the night with a declaration of the goal of 2000 clergy at the June 22nd rally. He then emphasized the importance of clergy in America taking the lead in order for "America as a nation to help the world reach world peace... while [Mother] is still on this Earth." He said, "we are here in Las Vegas to take the next steps towards the accomplishment of world peace."

Dr. Rouse then shared his testimony of how he came to be affiliated with our movement. He was connected through friendship but he stayed because of the true love he had experienced. He testified that "during one of the most difficult points in [his] life, the people of this movement were praying, while people of [his] denomination said nothing."

He then encouraged three people to pray. Mr. Gregg Smith, Ms. Heidi Iseda, and Mrs. Daisy Ramos, each poured out their hearts. They prayed for the rally, for America, and they prayed for the people of Las Vegas suffering internally and externally. Following the prayers, Dr. Rouse called for someone to share a testimony. Mrs. Sera Hirano stood up and shared a very interesting testimony of a vision she had recently had.

Afterwards, Rev. Jackson emphasized through his tears, the importance of this rally, for America, True Parents and God.

Dr. Rouse continued on by encouraging the Las Vegas Community members to work with Rev. Doo, the pastor, and Rev. Jackson for this event.

Then Bruce Grodner also spoke words of encouragement and shared inspiring testimonies working with ACLC.

The night concluded with more prayers. First a prayer for the young people, who all stood up to receive it. Then a prayer for the men in the room and finally a prayer for the women. A final prayer to conclude the entire night was offered by Rev. Jackson. He offered his whole heart and mind for the providence, for America and for the Las Vegas community.
