Dearest brothers or sisters,

Thank you so much for sacrificing your time and making a sincere investment into the Shining City!

I want to tell you that you are in for an exciting, eye-opening, blessed experience taking place directly in the bosom of God's providence!

I myself attended True Parents for a week in Las Vegas, and had many amazing experiences. I wish the same for you, which is why I prepared this booklet on behalf of the Leonard Lane crew, who have themselves made a tremendous sacrifice to attend True Parents in the goal of distributing 120,000 copies of True Father's autobiography.

Everything I write here was gained from my experience and conversations with the staff at Leonard Lane. It may have changed since I last attended the autobiography distribution effort in May of this year, so please make sure you check with them first and foremost!

Thank you once again, and may God and True Parents make your steps swift, and your smile and voice confident in their holy name!

## Meet the Staff at Leonard Lane...

### O'Brien Family

Originally, Mrs. Tammy O'Brien volunteered to be the cook here and willingly took her family along with her. Since then, she has taken on the tremendous responsibility of being the mother figure not only to her six precious children, but all the visitors at Leonard Lane as well. Please do what she asks you gratefully, so that she does not have to carry an extra burden! Also, get to know her family. Not only are they adorable, they're a great blessing to the Las Vegas community.

*In order from left to right: Ana, Leah, Tammy, Emerald, and Josiah (at bottom, in red)*

**Reverend Staffan Berg**

*Is taking the double duty of being the state leader in Arizona, and heading up the book distribution project in Las Vegas. What a busy man! He still finds the energy to smile, despite his frequent travels!*

**Lorna Todd**

*Has been the bookkeeper for the Las Vegas community for some time now. She has taken up the autobiography bookkeeping as well, so make sure you check in with her to make sure you have all your payments for books squared away.*

### **Shahram Sedehi**

*Is the webmaster and computer pro at Leonard Lane. You will often see him either in front of a computer screen or behind a video or photo camera, capturing and recording this historical providence! Because of this, he knows a lot of “behind the scenes” information about the Las Vegas providence.. He’ll be able to hook you up to all of the Las Vegas websites and print out your stickers.*

### **Peter Shinzo Iwata**

*Is “the rock” of Las Vegas providence! You name it, he does it: driving, witnessing activities, attending True Parents, etc.*

**Reverend Desmond Green**

*Is truly a lover of God's word who has dedicated his time to be "keeper of Hoon Dok Hae" in Las Vegas. He enthusiastically gives sage guidance during evening meetings, and assists with book distribution.*

## Preparation 1

- 1) Get your books! *Talk to **Lorna** for Spanish Books and For English Books **Tammy**.* You may need to sign up how many books you paid for that day on a clipboard located near the stacks of books in the back kitchen.
- 2) Get labels for your books. *Tell **Shahram** that you need to get your labels printed.* The labels allow you to keep in touch with whomever you meet. They have your name, your contact info (phone number and/or e-mail) and the phone number of the Leonard Lane center, as well as a few websites that will direct people to get to know more about True Parents.
- 3) Get a contact sign up sheet and clipboard. *Ask **Shahram** to print out a copy of the sheet, and find a clipboard.* It is good to ask many people, and especially interested people, to write down their name and contact information, so we can record them and keep in contact with them.
- 4) Put your labels on your books.

## Preparation 2

- 1) Find your area. *Ask **Tammy or Peter** to let you know which area has not been covered.* You may need to *mark this on the wall map*, to show which area has been covered.
- 1) Find a way to get to your area. You may *choose to ask someone to drive you, ride public transportation, or drive yourself.*
- 2) Learn the approach. *Ask any staff member or someone who has been there for awhile* to give you an idea of what you might say while distributing books.

**ThePeaceKing.com:** *Short and sweet, this website briefly introduces the book, and gives people an opportunity to order an extra copy as well.*

**GlobalCitizenSignup.com:** *This website allows your contacts to choose to be on an e-mail list that will connect them to future speaking events. It is more likely they will actually read an e-mail that they chose to sign up for and are therefore aware of.*

## Following Up

- 1) Put your contact info that you have collected on the contact sign up sheet into the online database. It should be on one of the computers in the living room. Click on the green icon.
- 2) Send out an introduction letter to your contacts, and invite them to sign up for event updates on [GlobalCitizenSignup.com](http://GlobalCitizenSignup.com). Although we have several instruments for keeping in contact with your contacts, essentially it is *your* responsibility, so take the time to enter them into your own e-mail account and stay in touch.
- 3) If you have an appointment with a contact, please report it to either Peter or Reverend Berg.
- 4) ALSO...please do not forget to enter how many books you have handed out that day. This is the other green icon on the living-room computers.

***Thank you for all of your help!!!***

*True Parents can walk a little easier now. “Even now, I am filled with love that I have not yet been able to give. It is with a prayer that this love will become a river of peace saturating the drought-stricken land and flowing to the ends of the earth that I now place this book before the world.”*
