

## Seunghwa for Mrs. Patricia Cassar

July 7, 2013  
La Valletta, Malta

One of our early members, Mrs. Patricia Cassar, the Mother of Francis Cassar passed away on the 7th July 2013. At 91 she was still clear in mind and heart, but succumbed to intestinal complications that required surgery, but the operation was too much for her advanced years. She passed away surrounded by her five children and grandchildren. Mrs. Cassar was one of the first parents to join our fledgling movement, when her son Francis joined in the mid-70s. That parental influence was crucial in those early days, embracing members and lending her wisdom, when it was needed. She was Blessed in 1995 and also attended the recent Foundation Day Blessing as well.

Two of her four Second Generation Grandchildren are Blessed. Her Seunghwa was held at our Centre in Valletta on the 14th July, attended by her family and Unification Church members. Several members shared their memories about her life and personality.

We pray for her as she makes her transition into the world of spirit.

Regards, Bryan
