Women's Federation for World Peace is here to help! If you're thinking about how to educate your tribe in True Parent's philosophy but they aren't ready yet to jump into a Divine Principle workshop, WFWP has several educational curricula that are a stepping stone introducing DP in an interactive, inclusive format.

Leadership of the Heart: Discover the Leader Within

A transformational seminar for women (and men) to find their God-given talents and passions and contribute to meaningfully peace. Sessions explore spirituality, self-value, and emotional maturity. This is DP in action at its finest!

Cornerstone for Happiness: Marriage and Family Seminar

Empowering people to create healthy, strong marriages and families. Introduces ideal family values, four great realms of heart, and practical tools to improve our marriages, including the Blessing. Also great introductory seminar for those not Blessed yet!

How can I hold a WFWP seminar for my tribe?

- Contact your local WFWP Chairwoman to find out about upcoming dates.
- Organize an event and invite WFWP to present the curriculum. Each takes one day, but can also be broken up into shorter sessions.
- Contact info@wfwp.us or (212) 302-8837 if you would like to be certified by WFWP to teach our curriculum.
