Invitation to the ORIGINAL SUBSTANCE OF DIVINE PRINCIPLE Seminar in German language

Rainer and Chieko Fuchs
March 3, 2014

Dear Regional Leaders, National Leaders, City Leaders and Group Leaders

It is my great pleasure to inform you about the upcoming ORIGINAL SUBSTANCE OF DIVINE PRINCIPLE Seminar in German language.

According to True Father's instructions everyone needs to attend seven times the OSDP seminar, "in order to become a human being" (TF). So we continue to offer this content, this time in German language and in autumn we plan one in English language.

By following TF's words we learn how to become owners of CIG and we achieve deep insights into the Divine Principle especially into the Principle of Creation. TF wanted to bring this content already 1945 to the prepared Christianity, but they did not listen. In the OSDP Seminar we learn to understand the deep Shim Cheong of Heavenly Parents and how to apply this knowledge practically in our everyday life.

We placed this OSDP Seminar into the time of Easter Holidays, so that it is easy for families and esp. for 2nd Generation to participate.
