*Mykhailo Ilin - April 28, 2019*

From April 26 to 28, Jeong-hye Yeom, the European director of Youth and Students for Peace (YSP), visited Ukraine.

During her visit, Jeong-hye experienced many things. In addition to attending a Sunday service for Second Generation and adults, she visited the Kiev witnessing center, the family center, the New Hope Farm, and other sites.

It was an intense but a pleasant and productive time.
