I would like to start this report by offering our gratitude to our Heavenly Parents and True Parents. This week was first week of 5th 40days JeongSung Condition period for JeonDo(WT) after 4 day Jeondo Workshop . We started with clear mind and strong determination to bring victory for Heavenly Parents and True Parents.

We concluded this week with 1 Day Divine Principle Workshop with joyful spirit. We were so happy to receive new people who has desire to know more about Divine Principle. We organized

lectures with 'Principle of Creation', 'Human Fall' and 'Principle of Restoration'. Each lecturers gave clear message with passion. So all the participants was very focused in order to understand better the content. Specially in the lecture of Principle of Restoration, they were asking questions in order to understand clearly and put in practice in their life. So they showed us their desire to study more deeply. At same time, many A(Active) CARP members supported workshop through preparing lunch and making the project. We could see the future of Romania by the young people who want to live for the sake of others willingly through them!

After the workshop, we organized sharing about workshop with A CARP members who were staff. And we could share how was the workshop and how to make it better next time.

The DP workshop was new experience of life for all of us with new vision and hope. We will continue to support our new brothers and sisters to discover Heavenly Parents` heart through Divine Principle study and activities.

Thank you so much for Heavenly Parents and True Parents.
