

FFWPU USA: New Cheon Shim Won Ministry of Family Federation North America

Demian Dunkley
June 4, 2026

Dear Brothers and Sisters,

As was mentioned in Rev. Dunkley's letter from May 29 (attached here as well), all HJ CheonBo and Cheon Shim Won activities in North America now operate as a ministry of Family Federation for World Peace and Unification North America.

You can direct any questions and inquiries to Cheon Shim Won North America Ministry by email: csw@unification.org.

A new website is being developed for this new ministry and it will be announced as soon as it's operational.

The current website will stop operating by Monday, June 8, and all the workshop registrations on it are currently closed. New registration forms will be open on the new website as soon as possible. Of course, all prior registrations to events and workshops already planned will be honored. If you have any specific questions, please contact Cheon Shim Won through the above email.

Cheon Shim Won North America is ready to serve you under its new home within the Family Federation ministries. Please see a greeting and introduction by Ryuichi Kishimoto, the new Secretary General below.

Thank you,

Tal Zorer

Executive Assistant

Dear Regional Directors, Pastors and Ministry Leaders, and Beloved Family Members,

I greet you with a heart of gratitude and reverence to our Heavenly Parent and True Parents.

My name is Ryuichi Kishimoto, and I am honored to serve as the Secretary General of Cheonshim Won (Cheon Shim Won) of Heavenly North America. As many of you are aware, Cheon Shim Won Heavenly North America has entered a new chapter, now operating under the Family Federation as a new ministry. I want to assure each of you that our mission remains steadfast and our commitment to this movement is stronger than ever.

My vision for this ministry is the revival of North American members through Cheonshim Won - creating a place where we can truly feel the presence of our Heavenly Parent and unite in heart with True Parents. I believe this is the moment for a deep and lasting spiritual renewal across the United States and Canada.

The vision of Cheonshim Won is to serve as:

- The original palace of Jeongseong (sincere devotion)
- The original palace of Spirituality
- The original palace of education for Cheon Il Guk leaders and blessed families

Following True Mother's words on Spirit and Truth, and walking hand in hand with the Family Federation, we are committed to bring about a spiritual revival for North America. We are here, we are united, and our work continues with full dedication and determination.

I look forward to serving alongside each of you and building this ministry together.

With a heart of love and gratitude,

Ryuichi Kishimoto

Secretary General, Cheonshim Won

Dear Brothers and Sisters,

Thank you for your steadfast support of True Mother and the providence in North America.

We would like to share important updates regarding the HJ CheonBo and Cheon Shim Won (CSW) activities in North America, effective June 1, 2026:

Rev. Shin Dong Mo will conclude his mission as Branch President of the Heavenly North America CSW and return to Korea for a new providential assignment. We are grateful for his service and investment during his time in North America and wish him great success in his next mission.

The CSW activities in North America will be conducted as a ministry under the management and supervision of FFWPU-USA while maintaining its providential and spiritual connection to the CSW Headquarters in Korea.

Rev. Ryuichi Kishimoto will serve as the Secretary-General of the Heavenly North America CSW Ministry, overseeing all day-to-day operations. Further guidance and operational details will be provided as needed.

Any additional CSW leadership appointments will be announced in due course. Please review the attached World Mission Headquarters memo for reference.

We look forward to continuing our work together with the CSW Ministry as we continue to strengthen our faith, deepen our relationship with Heavenly Parent and True Parents, and offer even greater devotion for the sake of Heaven's providence.

Thank you for your continued prayers, support, and dedication.

Sincerely,

Rev. Demian Dunkley
