### Every Time a Child is born, so is a Mother

In just over one week, it will be Mother's Day. Think about all the things that your mother and other women in your life have done to support you on your life's journey--words of encouragement, numerous meals, support in completing a school project, being a shoulder to cry on, hugs and kisses, and so much more. What can you do to show your appreciation? Maybe buy or make a card, purchase a bouquet of flowers, or treat her to a meal? Or how about a truly unique gift courtesy of a wonderful women's organization that I whole-heartedly support?

**"My Mother's Voice: 40 Day Spiritual Practice Journal for Empowered Motherhood"** is a beautiful journal that is a 40-day journey into reflection, faith, and empowered motherhood — a perfect gift for any woman seeking deeper connection and purpose. Written and designed by WFWP Vice President, Katarina Connery, I was part of her feedback team.

Another option is a choice of three accent mugs with a message. Choose from:

- **"Raising Future Leaders" Accent Mug** – Because moms are shaping

tomorrow, one day at a time.

- **"Brewed with Love" WFWP Accent Mug** – A comforting reminder of her boundless care.
- **"Peace Begins at Home... After Coffee" WFWP Mug** – A little humor every mom can appreciate.
