

Japanese Students in Belarus

Belarus, Vitaly Maksimov, December 14-22, 2017

From December 14 to December 22, three students of Sun Moon University from Japan participated in programs organized by Belarus members.

On Friday, December 15, in the witnessing center of Minsk students made a presentation about Japan. The program was attended by 15 people.

They also participated in the weekly meeting of the English Language Club.

On Saturday, December 16, Japanese students together with elder Second Generation children went for sightseen in Minsk, they also attended a cultural evening of the Korean traditional ensemble "Arirang".

On Sunday, students gave a sermon at the Sunday Service for the eldest group of children of the second generation.

On Monday, Tuesday and Wednesday, the guys made presentations about Japan for students studying Japanese, in the center of intercultural communications "Lingua Land", and also engaged in street witnessing. They invited two guests to an introductory lecture, one of which came to the center again.

On Wednesday, they also gave testimony about their life of faith at a meeting of a home group in the family of Maxim and Tatyana Mentz, and in the evening they organized another evening of Japanese culture in the witnessing center with a master class on making bracelets.

On Thursday, the children visited the ancient castle in the city of Mir, and in the evening they met with the elder second generation children.

Many thanks to our Japanese guests for their heartistic contributions and the example that they showed to all of us.
