The Marriage Blessing: The Principle for Lasting Love, Good Sex and True Parenthood

Blessed member Maarten Meijer recently released a book all about the Marriage Blessing, which is filled with wonderful insights about the Marriage Blessing and personal stories from Blessed Families around the world.

Here is a description from the author:
"There is a way to break through the glass ceiling of man-woman love, to put an end to the war between the sexes, and to establish true, beautiful, and lasting love between husband and wife in marriage. It is called the International Marriage Blessing. In this book, people who have experienced the joys of blessed family life have their say. Forty-six colorful personal stories from Argentina, Belarus, Brazil, Czech Republic, England, France, Germany, Guyana, Iran, Italy, Japan, Korea, Nepal, Nigeria, the United States, and Zambia vividly illustrate life and belief in the Heavenly Parent Holy Community."

First Generation Blessing Info Session

Oct. 26 @ 8:00 PM (EST)

The BFM has instituted a series of meetings via Zoom for our First Generation Singles. These meetings are not “Matching Meeting” but Info Session Zoom meetings to help 1st GEN to share with each other and also receive the support needed from the BFM staff. We have had 3 sessions so far, plus additional sessions for individuals who are 51 years old and older. The good experience of these individuals is stimulating us to keep going. So, for those of you who have not registered yet, please do so.

These meetings are held on the last Monday of every month starting at 8:00pm EST – these sessions are fluid with their ending time, depending on discussions happening. Additionally, the 51+ sessions are scheduled on the 1st and 3rd Wednesday of every month between 8:00pm and 8:55pm. (At 9:00pm there is the national prayer call,

that is why we end a bit early).

If you are a single first gen, whether you are a candidate or still thinking about it, these Zoom meetings are for you. Come join with other unattached first gens to talk about the matching process, the obstacles, the opportunities, the challenges, and how to make things better. There will also be discussions and opportunities to ask questions. Let us work together to build a networking platform for first gens.
