## **BFD EUME Matching and Blessing Preparation Workshop for 2nd+ Gen and their Parents - Level 2 Part 1**

### **LOVE - LIFE - LINEAGE**

*February 27th – March 1st 2026, online on Zoom*

**Dear Blessed Families!**

We warmly invite you to the upcoming **Level 2 EUME Matching and Blessing Preparation Workshop for 2nd+ Generation and their Parents.**

*A Level 2 Matching and Blessing Preparation Workshop is an **international requirement** for all who wish to register on the **international matching website**. It is also a requirement to attend the **Cosmic Blessing**.*

The Certificate of Completion of a Level 2 workshop is valid for **2 years**.

We recommend attending the workshop **before** starting the Matching process and, if needed, to repeat it after the certificate has expired.

In specific situations, it is possible to apply for a one-time extension.

More details about the **different workshop levels** and the **extension** can be found in the section ["Overview of the Education Requirements for Matching and Blessing"](#) on page 7 in this document.

This workshop is primarily designed to support all candidates and parents who are preparing for the matching. Matched couples content will be covered at the **Level 3 workshop**.

***This workshop is the last chance to attend the Level 2 for 2nd+ Gen Candidates preparing for the Blessing in May 2026.***

### **WHO IS THIS WORKSHOP FOR?**

This upcoming online workshop is for 2nd+ Generation candidates over 18 years of age from the EUME region, who:

- Are preparing to attend the Cosmic Blessing in May 2026 and **have never joined** a Level 2 Matching and Blessing Preparation workshop before;
- Are preparing to attend the Cosmic Blessing in May 2026 and whose certificate has **expired**;
- Are **unable to join an in person** workshop.

*Parents are invited to join the workshop together with their child.*

*A Level 1 Matching Preparation Workshop is not a prerequisite to attend this workshop.*

For all other 2nd+ Generation candidates, we strongly recommend joining one of the upcoming in person workshops that will take place this year. **More information on upcoming workshops can be found on our [website](#) once they have been announced.**

**Contact us at [bfdeume@gmail.com](mailto:bfdeume@gmail.com) if you have any questions.**

**NOTE:** The Level 2 workshop consists of **two parts**:

Part 1 – Workshop on the Europe and Middle East (EUME) level (27th Feb - 01 March 2026);

Part 2 – Workshop on the national or sub-regional level, or follow-up talk with the national BFD.

For more details, see section [“Overview of the Education Requirements for Matching and Blessing”](#) on page 7 in this document.

#### **What to expect:**

The programme will cover the following topics:

- God’s Lineage and the Meaning of the Blessing;
- The Parent-Child Relationship;
- Preparing myself for the Matching;
- The Matching Process;
- Testimonies from Parents and Candidates
- The Current Providence and more..

The programme will include a parent/child activity, therefore **we strongly encourage joining this workshop together as parents and child.**

Good communication between parents and the candidate is central in the matching process, therefore attending this workshop together is the best preparation for the matching. If both parents and children receive this content together, there is a better foundation for discussion and sharing throughout the whole matching process.

For some parts of this workshop, we will divide into two groups - with some presentations aimed at guidance for parents, while others will focus on guidance for candidates.

Although this workshop is online, we would ask you to set aside the **whole weekend** to focus on the content. There will be plenty of breaks, where you can take time to discuss between parents and children, eat meals together and reflect individually.

## **WHY DO WE RECOMMEND JOINING AN IN PERSON WORKSHOP, TOGETHER WITH PARENTS?**

Read below the opinion of some of our past participants:

### **Question: "For this workshop, which format do you prefer and why?"**

- "It's always a better idea to be physically in a workshop because you can feel the energy and be more focused on everything there." (CANDIDATE)

- "In person is much better than online because I get to experience the atmosphere and the people in person. Things stick more in my memory. " (CANDIDATE)

- "I think nothing beats a Jet2 holiday — sorry, an in-person workshop. The atmosphere is completely different; everyone there is focused on the same thing. When it's online, you're attending from home, often with other people and distractions around you. Having an in-person workshop really helps stay focused and meeting friends from other countries is always nice." (CANDIDATE)

- "I prefer international ws in person . Because you basically put other things aside and just concentrate on the topic. And you are at the same place with other participants and organizers, BFD leaders, matching supporters and you have more chances to talk to any of them and ask questions... We've participated in the level 2 M&B preparation ws online before in time of covid. That was also good, but you actually can feel more deeper bonding being together at one place physically :)" (PARENT)

### **Question: "How was it to join the workshop together with your parents/child?"**

- "I think because I know that we heard the same things, it makes it easier to trust my parent." (CAN.)

- "I could bond with my dad so I'm grateful that we came together." (CANDIDATE)

- "It was nice. Being able to spend time with my mum was good so that she could understand me a bit more and so I could understand what she wanted for me." (CANDIDATE)

- "I was really grateful to have my parents here. It was great to see them enjoying the time with my friends and I felt happy knowing that we're listening to the same content at the same time in order to prepare for my and my brother's Matching and Blessing journey together. It meant a lot to me that they came all this way just for us." (CANDIDATE)

- "It was nice to join the ws with our children together. We could meet our children's international friends personally and their parents. It felt a bit as a family's meeting." (PARENT)

- "The WS creates atmosphere where barriers for talk for deeper topics with the child are removed." (PAR.)

- "It was very good and important, since our heart connection and understanding each other are basic foundation for a successful matching process." (PARENT)

*Target: 14-17 years old 2nd+ Gen and parents*

*Where: Local, National or Sub-Regional level*

*When: once a year, depending on the nation*

*Description: The focus of this workshop is Pure Lifestyle, how to prepare for the Matching, the identity of a 2nd+ Gen, the Parent-Child relationship and providing guidance for parents in preparation for the Matching.*

*A Level 1 Matching Preparation Workshop is recommended, but **not** a requirement to join a Level 2 Matching and Blessing Preparation Workshop.*

### Level 2 Part 1 (EUME level) + Part 2 (National/Sub-Regional level) - Matching and Blessing Preparation

*Requirement for the Blessing: Yes*

#### **Overview Part 1**

*Target: 18 years and older, 2nd+ Gen and parents*

*Where: Education on EUME level or Sub-Regional level*

*When: at least twice a year (usually in winter and autumn)*

*Description: This is the main workshop in preparation for the Matching and Blessing. The theme of the Workshop is Love, Life, Lineage.*

*The Level 2 workshop should be completed **before starting the Matching Process.***

This workshop offers a deeper understanding about the Blessing and helps candidates and parents to prepare for the Matching and understand the process, before beginning the search for a possible partner.

Good communication between parents and the candidate is central in the matching process, therefore attending this workshop together is the best preparation for the matching. If both parents and children receive this content together, there is a better foundation for discussion and sharing throughout the whole matching process.

The workshop is divided into two parts, Part 1 is held on the regional Europe and Middle East (EUME) level or sub-regional level and Part 2 is on the national or sub-regional level. Candidates need to attend both parts in order to complete the workshop and receive a Certificate of Completion.

#### **Overview Part 2**

*Target: participants of Level 2 Part 1*

*Where:* National or Sub-Regional level

*When:* twice a year, shortly after Part 1

*Description:* The second part of the Level 2 Workshop is held on the national or sub-regional level. Since there are fewer participants, it gives the opportunity of sharing in groups and clarifying content from the main workshop. This second part of the workshop may also consist of a personal talk with the national BFD leader or appointed BFD staff.

### **Certificate of Completion:**

In order to receive a Certificate of Completion for the Level 2 Workshop, candidates need to attend both Part 1 and Part 2.

Your national BFD leader will reach out to all participants of Part 1 with more details about the Part 2 - please contact them if you have any questions about the format or timing.

Once the BFD leader has informed our staff (Ms Miyako Gerova at [europa.cosmic.blessing@gmail.com](mailto:europa.cosmic.blessing@gmail.com)) that the Part 2 has been completed, candidates will be sent the **Certificate of Completion** via email.

### **Validity period of the Level 2 Certificate:**

The Level 2 Certificate of Completion is valid for **2 years**.

The Certificate of Completion is also a requirement to join the International Matching Website [www.blessing4u.org](http://www.blessing4u.org).

### **Applying for a Level 2 Certificate extension:**

It is possible to receive a **one time "1-year extension"** for the Level 2 workshop Certificate.

Candidates can apply for an extension if they have completed the full Level 2 education (Parts 1 and 2) and have received a Level 2 Certificate of Completion. The Certificate of Completion should not have expired by more than 1 year.

In order to receive the extension, the candidate may need to re-watch the recordings of some lectures of Part 1 or join live for those sessions in the online workshop, and participate in the Sub-Regional Part 2 workshop. An administrative fee applies.

### **Who is the extension for?**

The extension is for **matched candidates** who have **already completed the full Level 2** education (Parts 1 and 2), are **preparing for an upcoming Blessing**, and whose certificate has **just expired**.

If you might be eligible and would like to apply for a one time extension, please fill out the

**registration form** and select the option: *"I am interested in an extension"*.

If you have any questions about the extension, please contact our staff Ms Miyako Gerova at [europa.cosmic.blessing@gmail.com](mailto:europa.cosmic.blessing@gmail.com) for more information.

### **Level 3 - Blessing Preparation**

*Requirement for the Blessing:* Yes

*Target:* all Matched Couples who are attending the upcoming Blessing

*Where:* online on EUME level

*When:* shortly before a Cosmic Blessing

*Description:* This workshop is offered online shortly before a Cosmic Blessing and it is specifically designed for the Matched Couples who are preparing to attend the ceremony.

It provides the opportunity to receive additional education and to discuss important topics with your future spouse. It is also a chance to meet the other Matched Couples, to hear the latest information on the upcoming ceremony and to ask your questions. We strongly recommend attending this workshop together with your future spouse, as there are many opportunities for discussion.
